

2026 Construction

March - Summer 2026

City of Wauwatosa

wauwatosa.net/WatertownPlank

LEGEND

-  Road closed. Open to local traffic only
-  Road open to one lane in each direction
-  Road open to traffic

Work happening in 2026:

- 115th Street full closure for paving and railroad work
- Watertown Plank Road between 124th and 116th - full road closure, local access only
 - Work includes finishing any utility work from 2025, constructing the off-street bicycle path, and narrowing this section of Watertown Plank. Anticipate heavy construction as we remove street to get to utilities. Then, we repave a new surface.
