Incident Report Number: 23-011333	Incident Location: 749 W State St, Milwaukee, WI, 53203	Incident Date: 05/06/2023	
New Incident:	Original Offense - 1:	New Offense - 1:	New Offense - 2:
NARRATIVE I, Detective Joel Kutz, as part of the Milwaukee Area Investigative Team, assisted in the investigation related to an Officer Involved Shooting in the parking lot at El Charro Liquor Store, 1207 S. Cesar E. Chavez Dr., in the City of Milwaukee. RESPONSE TO CHILDREN'S HOSPITAL ROOM W406: I was directed to respond to Room W406 at Children's Hospital of Wisconsin to make contact with members of the Milwaukee Police Department, who were with the suspect in this case, later identified as Deon Darnell Nabors, Jr. (M/B [REDACTED]/2005). When I arrived at about 1:20 AM on 05-06-2023 and throughout my time outside of the room, Nabors was constantly receiving care from the medical team. I observed that Nabors was conscious and moving around in the hospital bed and he appeared to be communicating with staff. Outside of the room, I met with Milwaukee Police Detective Lieutenant Theresa Janick (CIB - General Crimes - Late Shift) and Milwaukee Police Detective Elizabeth (Liz) Rubio (CIB - Homicide - Early Shift). They told me they had been at the hospital for some time and that Milwaukee Police Officers Dustin Constino (MIRT - District #1 - Early Shift) and his partner, Officer (unknown first name) Williams, were downstairs with Nabors' Aunt, K [REDACTED] W [REDACTED] (F/B [REDACTED]/1977) and brother, B [REDACTED] G [REDACTED] (M/B [REDACTED]/2000). I was also told that Officer Constino had assisted in providing medical treatment to Nabors at the scene and rode with Milwaukee Fire Department as they transported Nabors to Children's Hospital of Wisconsin. STATEMENTS FROM MILWAUKEE POLICE DETECTIVE LIZ RUBIO: Det. Rubio told me that Nabors' care team at the hospital had identified the following number and location of injuries sustained as a result of the police involved shooting: 3 wounds to the chest

- 3 wounds to the abdomen
- 7 wounds to the right leg
- 2 wounds to the left leg
- 4 wounds to the right arm
- 1 wound to the groin

Total of 20 wounds (holes) located.

Det. Rubio and Lt. Janick continued to tell me about the injuries Nabors sustained, treatment he was receiving and contact with his family. I was told that Nabors had a collapsed lung (unknown which lung) and that a chest tube had been inserted to treat that injury. Nabors had been conscious the entire time. Contact was made with Nabors' mother, E [REDACTED] R [REDACTED] (F/B, DOB later determined to be [REDACTED]-1980), by phone by Det. Rubio. She told her she was in Florida and had no plans to return until Monday, 05-08-2023. She told Det. Rubio that she did not know with whom her son was that evening and that he had no reason to be on the south side of Milwaukee. W [REDACTED] told police that she also did not know where Nabors had been earlier in the night, nor with whom he was hanging out. Both W [REDACTED] and G [REDACTED] were upset that they could not see Nabors, but they were told he was in police custody and that he also was receiving urgent medical treatment. They left the hospital sometime between about 2:00 and 3:30 AM per Milwaukee Officers.

G [REDACTED] refused to give his address and phone number to Milwaukee Police.

STATEMENT OF MILWAUKEE POLICE OFFICER DUSTIN CONSTINO (PEOPLESFT #026326):

After W [REDACTED] and G [REDACTED] left the hospital, Officer Constino came to my location and told me the following: He is normally assigned to Milwaukee Police District #1 - Early Shift (4:00 PM - 12:00 AM), but he is also assigned to MIRT (Major Incident Response Team) and was called as part of MIRT to the area in District #2 where the shooting incident occurred. He and his partner, Officer Williams, were assigned as Squad 1230 on 05-05-2023.

Just prior to the shooting incident, Officer Constino was across the street and east of the liquor store (1207 S. Cesar E Chavez Dr.) observing the crowd and assisting with traffic and crowd control. Around 11:00 PM, after hearing gunfire a distance away, Officer Constino heard automatic gunfire

and then semiautomatic gunfire somewhere west of him that he believed was near the liquor store. He ran to the west. When he arrived in the area of the west side of the north parking lot of the liquor store, Officer Constino noted it was "mass chaos behind the liquor store".

As he arrived in the area, Officer Constino saw that Sergeant Mejias was taking charge of the scene. Another officer, who Officer Constino doesn't know was treating a subject who was on the ground. He handed a tourniquet to a hispanic male officer to treat the subject (later identified as Nabors). That officer put the tourniquet on Nabors' right leg. When the officer tightened the tourniquet, blood spurted up from Nabors' leg and into the officer's eye.

Nabors verbally identified himself to Officer Constino, but Officer Constino said he thought Nabors had spelled his last name: L-A-B-O-R-S. As they were treating Nabors, Officer Constino heard more gunfire that sounded like it was to the south of his location.

Officer Constino said he removed Nabors' pants in order to assess his injuries and to treat his gunshot wounds. A short time later, personnel from Milwaukee Fire Department arrived on scene. He assisted MFD in getting Nabors to the ambulance. Due to the instability of the scene, Nabors was quickly moved by ambulance from the scene to the area of S. 26th St. and W. Scott St., just outside of MFD Station #26 so that Nabors could be treated further. Once a more thorough assessment and treatment were done, Nabors was transported to Children's Hospital of Wisconsin's Emergency/Trauma Department. Officer Constino said he rode in the ambulance with Nabors and that Nabors was alert the entire time he was with him. Due to the severity of his injuries, Officer Constino asked Nabors, during the transport to the hospital, who had shot him. Nabors said he was shot by the cops.

Officer Constino said Nabors was treated by Milwaukee Fire Department Engine 23 (CAPT Johnson, Blue Shift) and Med 3 (LT Long, Blue Shift). Med 3 transported Nabors.

RECOVERY OF SUSPECT'S (DEON D. NABORS, JR., M/B [REDACTED]/2005) CLOTHING:

Before Lt. Janick and Det. Rubio left the hospital, Det. Rubio turned over to me 2 paper bags that she informed me contained the clothing that had been removed from Nabors for his medical treatment.

Once I returned to the Wauwatosa Police Station, I inventoried Nabors' property, which is as follows:

NARRATIVE INTERVIEW OF DEON DARNELL NABORS, JR. (M/B [REDACTED]/[REDACTED]/2005): On 05-07-2023 at 10:17 AM, Detective Ryan Cepican and I entered Children's Hospital of Wisconsin Room #W406 and made contact with Deon D. Nabors, Jr. (M/B [REDACTED]/[REDACTED]/2005) in order to speak with him about the incident that had occurred on the night of 05-05-2023 in the north parking lot of El Charro Liquor, 1207 S. Cesar E Chavez Dr. in the City of Milwaukee. My department issued body-worn camera was operational during this incident. The video footage was uploaded to the secure digital evidence management system under this report number. The following is a synopsis of the investigation. See the video for details. Nabors was receiving medical treatment for injuries he sustained. He was conscious and appeared uncomfortable, but told me he was feeling better than he had previously. I introduced myself and told him I was there to talk to him about what had happened to him. I asked him if that was ok and he told me it was. I told Nabors that, if it became too tiring for him, he should tell me. I started by asking him some demographic questions. A copy of the demographic questions form is attached to the case file. While we were talking, Nabors told me his stomach was hurting. He gave me his demographic information, including his address, cell phone number ([REDACTED]-[REDACTED]-[REDACTED]), names of his family (mother: E [REDACTED] R [REDACTED], brother: B [REDACTED] G [REDACTED] (about 21 years of age), and sister: A [REDACTED] R [REDACTED] (24-25 years of age)), former employer (Walmart on Silver Spring Dr. in Milwaukee, but he no longer works there because the store closed), that he is waiting for Home Depot to call him back for a new employee orientation, that he has a lot of other former employers, is a 12th grader at Hamilton High School in Milwaukee, that he can read and write English, that he had

never received a citation nor been arrested in the past and that he had never been the victim of a crime.

At 10:24 AM, I read Nabors his rights (Miranda warning) from my department-issued card. He indicated he understood his rights by shaking his head affirmatively. I asked him if, realizing he had those rights, he would be willing to answer questions or to make a statement. Nabors said he would answer questions. I told him that I would like him to tell me what had happened from Friday night into early Saturday morning.

Following is a summary of what Nabors told me. For the full statement, refer to the audio/video recording.

Nabors was at "Cinco De Mayo place, uh, there was a lot of people out there, shots start going off, a lot of different shots", he thought they were coming toward him. He said, "I'm sorry, but I had a firearm and I shot it in the air".

Nabors continued that as soon as he fired in the air, the officer shot him. As soon as he was shot, he dropped to the ground. He said his hands were in the air, but the officer continued firing.

I asked Nabors where the Cinco De Mayo thing was located. He said it was "where everybody was", but he did not know a specific location. He said he got a ride there from one of his old friends, who he knows as "J■", but he doesn't know his full name. Nabors said J■ is a nickname. Nabors doesn't know how old J■ is, but he is about Nabors' age. He used to live down the block from J■ and Nabors believes it was on 38th St. Nabors doesn't know J■'s phone number, nor any of his social media names. Once the shooting occurred, J■ had already left. Nabors said he was basically by himself when the shooting occurred, but that he had seen some other people earlier that he knew.

I asked Nabors if he knew where he was once everything started. He said that he and everybody were standing on the corner.

Regarding the gun, Nabors said, "I had bought it off the street" a couple of months ago. He paid about \$600 for the gun with money he earned while working and it was a Glock. I told him I didn't know how much he knew about guns, but asked if he knew what caliber the gun was. Nabors said it was a 9mm. He did not know the model of the gun.

I asked Nabors how many times he had shot the gun previously. He said, "Just that night in the air". I asked Nabors if the gun had a switch on it, if it was fully automatic. He said, "Um, yeah it was". He said he bought the gun that way. He said he did not know how many rounds were in the gun.

I asked Nabors why he brought the gun there (to the Cinco de Mayo celebration). He said there was no reason, but that it was for safety on the streets. He added that he had a lot of friends who passed away.

I asked if the gun had an extended magazine. Nabors said that he wasn't sure what I meant. I pointed to the gun in my holster, which is a Glock model 17 (9mm) with a 17 round capacity magazine, and asked Nabors if the magazine stuck out farther than mine. He said it did. Nabors said he bought the gun with the extended magazine.

He said he shot the gun in the air for safety because he hears shots from everywhere before he shot and he thought they (the shots) were coming toward him.

After shooting in the air, but before the officer shot, Nabors did not hear anything. After the officer shot, Nabors heard the officer "told me to back away from the gun, but like, this never happened to me. My hands, they was just moving and he continued to shoot at me". I asked him how many times. He said the officer probably shot "about 8 times" after he was on the ground, adding, "I wasn't resisting or nothing".

Nabors said, "I did something dumb. That was so dumb of me."

I asked Nabors if anyone beside his friend, J■■, was there with him. He said there was not and again added that he had lost J■■ way before (the shooting). I asked him how he planned to get home. He said he was planning to get a Lyft. He added that he did see a lot of people there that he knew.

Det. Cepican showed several still photos of Milwaukee Police Officer Langer's body worn camera video. Those photos were saved and uploaded to the Wauwatosa Police Department's secure digital evidence server under Wauwatosa case number 23-011333. Det. Cepican asked Nabors if a subject in a red sweatshirt was him. Acknowledging that the quality of the still frame of the video was not high, Det. Cepican asked, "Would you say that's possibly you?" Nabors said, "Well, I was wearing a red hoodie." Nabors confirmed to Det. Cepican that he was firing his gun in the air and not at anyone. When Det. Cepican showed Nabors several other still photos from the video, he asked Nabors if that was him firing his gun in the air and Nabors said it was.

Det. Cepican showed a photo of Nabors from the video in which it appeared he was running. Nabors confirmed it was him, wearing white slides (shoes) and still holding a gun in his hand.

Det. Cepican asked Nabors what he had said to me when talking about his hands when the officer (Langer) had told him to move away from the gun. Nabors said, "My hands was in the air, like, I think it's, like, a nervous system, right? And they was just moving in weird type of ways. I couldn't control it. I had my hands in the air telling him to stop, but he kept firing." Det. Cepican asked Nabors if he was on the ground at that point and where the gun was located. Nabors confirmed he was on the ground and said he thought the gun was far away from him and to the left because it fell out of his hands from being shot.

I asked Nabors if he was right or left handed. He told me he is right handed. I asked him if he fired the gun with his right or left hand. He said he didn't remember. Nabors said the gun was in his pants, clarifying the gun was in his waistband, on the side.

I asked Nabors if he smoked or drank on Friday night. He said he can't drink, but that he smoked marijuana a couple of hours before the shooting. He said he smoked before he

went to the area where the shooting occurred.

I showed Nabors a Google maps street view photo I had printed that showed the intersection of S. Cesar E. Chavez Dr. and W. Scott St. that pointed in a southwesterly direction and showed the front (east), north side and north side parking lot of El Charro Liquor Store (1207 E. Cesar E. Chavez Dr.) and asked Nabors if he recognized the location. He told me that it was the location where the shooting had taken place. I pointed to the yellow, north wall of the liquor store and asked Nabors if the location that Ryan had shown him in the photo of Nabors with his gun in the air in his hand was that north wall of the liquor store. He confirmed it was.

Det. Cepican asked Nabors where he had been prior. Nabors said that "everybody was in this area in the parking lot" and indicated that he thought the shots had been fired from the left side of the picture (which was to the east of Cesar E. Chavez Dr.

I then showed Nabors a second Google maps street view photo I had printed from the Internet that showed the north side of the liquor store, north parking lot and the alley to the rear (west) of the liquor store. The photo was pointing southeast from W. Scott St. to the west of S. Cesar E. Chavez Dr. Nabors said he recognized that area and pointed to the green dumpster that was at the west side of the liquor store's north parking lot as the area where he had been laying.

Nabors said that he had seen a lot of vehicles and a lot of vehicles. Once he heard the shots, that sounded to him as though they had come from the street, he ran the opposite direction.

I asked Nabors if he knew where the officer was when he shot him. Nabors pointed to an area near the northwest end of the liquor store's north parking lot, which would have been north and possibly a little east of where Nabors had indicated he was located.

I asked Nabors if he saw the officer before he was shot. He said he did not. I asked Nabors how he knew that the person who shot him was a police officer. He indicated he

I scanned and attached the photos from Google maps to the Wauwatosa Police Department secure digital evidence management system under Wauwatosa case number 23-011333).

NABORS CONSENT FOR RELEASE OF MEDICAL RECORDS TO POLICE:

I asked Nabors if he would consent to the release of his medical records to police to further our investigation. He said he would. I had a Children's Hospital of Wisconsin *Patient Request for Protected Health Information (PHI)* form with me. Det. Cepican placed an "x" on the line for patient signature and then put the pen in Nabors' right hand after I had asked him if he would sign the form and whether it would be easier, due to his injuries, to sign with his left hand (Nabors indicated he would do his best to sign the form with his right hand). Nabors signed the release form.

NABORS CONSENT FOR AND COLLECTION OF DNA BUCCAL (ORAL) SWABS:

I asked Nabors if he would consent to my collecting buccal (oral) swabs for DNA to compare his DNA to that of DNA on the gun. He said he would consent, but was unsure why we needed it as he had already admitting to having the gun.

(At 10:40 AM, a Children's Hospital Nurse Practitioner from the pain management team entered the room to evaluate Nabors' pain at the time. He rated his pain at a 6.5 on a scale of 0-10, saying his stomach hurt and that he was thirsty. It was explained that he couldn't have anything orally yet. At 10:41 AM, another nurse entered the room and told Nabors that she had spoken with his mom and that "she sends her love".)

The nurse practitioner left the room at 10:43 AM. I reminded Nabors that, prior to the nurse practitioner coming into the room, we had been talking about collecting a DNA sample. I read Nabors the *Wauwatosa Police Department Authorization Form* for

collection of DNA Buccal (oral) swabs verbatim. He said he understood and signed the form after Det. Cepican put a pen in his right hand and held to form.

Using a new pair of nitrile gloves, I opened a new, sterile package of cotton swabs and swabbed the inside of Nabors' cheeks. I placed the swabs in a new glassine envelope. Later, I sealed the glassine envelope containing the swabs in a new paper DNA evidence envelope and secured it in Wauwatosa Police Property Room locker #1.

REQUEST FOR CONSENT TO SEARCH NABORS' APPLE IPHONE (■■■■-■■■■-■■■■):

I asked Nabors if he would consent to police searching his phone. He said he didn't know where his phone is located. He said he did have it with him at the time of the shooting. He said the phone is a black iPhone and that he thinks it has a case, but doesn't know what it looks like. I asked Nabors about the passcode for his phone. He said he just uses the face ID on the phone, but that he doesn't know if there is a code and, if there is, he doesn't remember the code. Nabors said he would not consent to police searching his phone.

ADDITIONAL STATEMENT BY NABORS:

I showed Nabors his DOT photo and asked him if the person in the phot was him. He said it was him and was from his driver's license. Before leaving the room, I asked Nabors if he wanted me to know anything else. He said, "No, that's it. I wish I made better mistakes, I mean, better choices. That was a dumb choice that I made".

NARRATIVE

Milwaukee Area Investigative Team			
This report is completed by Detective Technician Stephen F. Kirby as part of the Milwaukee Area Investigative Team (MAIT) investigation into an officer involved shooting in the City of Milwaukee (Milwaukee CAD incident 23-125-1092) on May 5, 2023. The City of Wauwatosa Police Department is the lead agency with case number of 23-11333.			
Scene Measurements for Mapping			
On scene I conducted scene investigation to include taking measurements for future mapping needs. The scene was contained to the location of El Charro Liquor store (1207 Cesar Chavez Drive) parking lot on the north side of the building, the alley to the west, and the parking are adjacent to the alley at 16th/16th West Scott Street.			
Scene Overview			
The incident occurred in the parking lot for El Charro Liquor Store at 1207 Cesar Chavez Drive. This is the southwest corner of Cesar Chavez drive (South 16th Street) and West Scott Street. The store front faces east with a main side door entrance with stairs and a ramp on the north side. The north side of the building is a parking lot spanning from the street (Cesar Chavez Drive) to the north south alley bisecting the block. The rear of the store has a door at the northwest corner accessed by a set of steps facing west. Across the alley is a flat open parking area for 16th/16th West Scott Street.			
The parking lot was well lit by street lights. It was also heavily cluttered with garbage, empty beer bottles and other debris.

Baseline Mapping

I utilized a baseline mapping technique to establish the location of items of importance and items of evidence within the scene. The technique involves using a fixed point to establish one axis of measurements. Then the second measurement is the distance from some distance point along the baseline established from the fixed point.

In this case I used the front northeast corner of the store as the zero point for the east - west axis. The second distance was then taken from the wall of the store (or it's virtual equivalent once the wall stopped). The two measurements then are the distance from the front corner of the store and the distance north from the store wall which was flat and traveled east and west. All measurements are in feet and inches.

Relevant Items in Scene NOT EVIDENCE

The first table establishes the data point measurements for items that are important for mapping and scene investigation but are not items of actual probative evidence and not recovered. Such items like parked cars, dumpster, curb line etc.

Item/Data Point Description	Distance from Front Corner of store (Zero Point)	Distance from North Store Wall
Front northeast corner of store (zero point)	0' 0"	0' 0"

I located a 1 minute and 16 second video that appears to have been recorded from the 1600 block W Scott St and it captures part of the officer involved shooting on the property of El Charro Liquor (1207 S Cesar Chavez Dr). At the 2 second mark, there is the loud sound of automatic gunfire. At the 7 second mark, there is the sound of additional gunfire, approximately 16-17 shots. The camera pans towards a subject wearing a red hoody who is on the ground at the NW corner of the liquor store. There appears to be an officer behind a green dumpster, who is partially in view, that is firing his handgun in the direction of the subject with the red hoody. After the shooting ceased, additional officers arrive on scene and clear the people from the scene, at which time the recording stops.

██████████ - I located a 56 second video that appears to have been recorded in the 1200 block S Cesar Chavez Dr. The camera is initially pointed at 12████ S Cesar Chavez Dr. The video does not capture the shooting. There are the sounds of gunfire in the distance between the 04 second mark and the 13 second mark. At the 19 second mark, there is the sound of automatic gunfire from a closer location and the subject recording runs away from the area. As the recording person is running, there are sounds of additional gunfire.

NARRATIVE I (Sgt. James Wood) assisted this investigation as a member of the Milwaukee Area Investigative Team (MAIT) in relation to the officer involved shooting which occurred at 1207 S. Cesar Chavez Dr. Milwaukee, WI 53204. On 05/06/23, Spc. Christopher Moss (Waukesha Police Department) obtained surveillance video from El Charro Liquor Store, 1207 S. Cesar Chavez Dr. On 05/10/23, Spc. Moss provided Det. Zielinski with a copy of the video. Det. Zielinski then provided me with the copy of the video. I burned a copy of the video to discs which were then entered into property at the Wauwatosa Police Department. Spc. Moss provided me with a copy of his report which I attached to this case. Spc. Moss detailed the content of the video recording from the El Charro Liquor Store. The video, specifically channel 2, shows the majority of the parking lot to the North of the business. The video recorded the moments leading up to and captured the beginning of the incident before going out of the camera video. For details of the video recording, see Spc. Moss report.

NARRATIVE This report is completed by Detective Kelly Zielinski of the Wauwatosa Police Department as part of the Milwaukee Area Investigative Team (MAIT) investigation into the officer involved shooting of Deon D Nabors Jr (M/B ■■■/05) in the parking lot of El Charro Liquor located at 1207 S Cesar Chavez Dr., in the City of Milwaukee. The City of Wauwatosa Police Department is the primary investigative agency (#23-11333); this report will be attached to Milwaukee Police Department incident number #23-125-1092. Interview of Involved Officer: Milwaukee Police Officer Andrew Langer On May 10th, 2023 at 1:00pm, I, Detective Kelly Zielinski interviewed Officer Andrew Langer, who was accompanied by his attorney, Thomas Sucevic. Wauwatosa Police Sergeant Brian Skornia and Wauwatosa Detective Joel Kutz were also present during the interview. The interview was conducted in a conference room at Cermele & Matthews Law Office located at 6310 W. Bluemound Rd., Milwaukee WI. Officer Langer declined my request to record the interview. I confirmed with Officer Langer that this was a voluntary interview and that he was free to go at any time. Officer Langer said that he had not reviewed any photos, video (including his body camera footage) or otherwise before speaking with me. Background Officer Langer (PeopleSoft 026026) was appointed to the Milwaukee Police Department (MPD) in May of 2015 and attended the basic MPD Academy. Prior to working for MPD, Langer enlisted in the United States Marine Corps after graduating High School in 2001 and was honorably discharged in 2005. Officer Langer then worked in construction, worked for a government agency overseas, and owned his own businesses until 2015, before being hired by MPD. Officer Langer was part of MPD's Anti-Gang unit at District #7 from 2015-2022, then transferred to MPD District #2, where he is currently assigned to District #2's Violent Crimes Reduction Team (VCRT). Activities Prior to Critical Incident (OIS) On Thursday May 4th, 2023, Officer Langer had a normal day prior to his shift. Officer Langer slept a usual amount, ate as normal and nothing of any emotional or personal significance occurred.

Officer Langer felt normal physically and emotionally. Officer Langer started his shift at 4:00PM and spent the day preparing his VCRT teams' activity/enforcement schedule for the following day's Cinco De Mayo celebration scheduled for May 5th. Nothing of significance occurred during Officer Langer's shift on May 4th. Following his shift, Officer Langer returned home and had a normal night of sleep, waking up at approximately 10:00am on May 5th. Officer Langer had breakfast, worked out at home and started to prepare for his workday.

Assignment on May 5th, 2023

Officer Langer works the Early shift (4:00pm to 12:00am) on a rotating schedule (On 7/ off 2, on 3/off 2) and was on his seventh (7th) day in the 7/2 rotation at the time of the incident on May 5th.

On May 5th, 2023 Officer Langer arrived to District #2 at 3:00pm and started his day reviewing current hot sheets, wanted subjects and any other new information relevant to his squad area. Office Langer was assigned to squad car #2286 with his partner, Justin Torres, who he has been partners with for the past 2 years. Officer Langer took out a fully marked MPD SUV squad with 360 degree emergency lighting.

At about 6:00pm, Officer Langer and Torres responded back to MPD District #2 for a roll-call briefing for the Cinco De Mayo gathering. After the briefing, PO Langer advised their initial assignment was to close down all foot traffic moving through the McDonald's parking lot located at Cesar Chavez Dr./W. Washington St., due to a large gathering of patrons loitering in the parking lot. Officer Langer described the scene as "Chaotic", further describing the scene as, "hundreds of people loitering in the streets throwing bottles and other items, vehicle driving recklessly, squealing their tires". Officer Langer parked his marked Police SUV on Cesar Chavez Dr., blocking traffic from entering the McDonald's lot.

At about 7:30pm Officer Langer advised they were tasked by District #2 Sergeant Jonathan Mejias to respond 10-17 (Emergency lights and siren) to the Mitchell Park Domes to assist the Milwaukee County Sheriff's department for a fight in progress call. Officer Langer advised once they arrived on scene at the Domes, the fight was over and the Sheriff's Department had everything under control, so they cleared and responded back to their McDonald's assignment.

At about 8:30pm, Officer Langer advised they responded to the area of Cesar Chavez Dr./S Odell St to assist squads for a subject with a gun call. Officer Langer advised Police arrived on scene and they did not locate a subject with a gun. The incident was downgraded to a family/neighbor trouble and they cleared the scene without incident. Officer Langer advised while heading back to the area, he heard Sgt. Mejias over the radio tell everyone on scene at the Cinco De Mayo celebration to

"Shut it down". Officer Langer advised they met with a MPD Motorcycle Unit Sergeant (Unknown name) at the corner of Cesar Chavez Dr./ W. National Ave. to formulate a plan to safely start clearing the area of patrons/vehicles.

At about 9:30pm, everyone was told to attempt to move the crowd south from W National Ave, away from Cesar Chavez Dr, and not to let anyone east of Cesar Chavez Dr. Officer Langer stated he parked his squad car on W. Mineral St in the 1600blk, blocking the alley in an attempt to deter vehicles from going east in the alley towards Cesar Chavez Dr. At this point, Officer Langer stated he was on foot by himself, walking south in the alley, attempting to move patrons and vehicles out of the alley towards W. Washington St.

At about 10:30pm Officer Langer advised he walked south/west through the alley and ended up walking south on Cesar Chavez Dr. on the west side of the street. Officer Langer decided to position himself at the intersection of Cesar Chavez Dr./W Scott St due to a large crowd of patrons and vehicles that had gathered and were restricting the flow of traffic and acting disorderly "Screeching tires, doing burnouts and throwing objects", at that intersection. While monitoring the disorderly crowd, Officer Langer reported two separate fights on the east end of the El Charro parking lot, he described as "Pushing and shoving". Officer Langer advised other officers too, "Just let them tire themselves out". Officer Langer stated he made this decision based on his training and experience, and because the Police were vastly outnumbered, the crowd was becoming continually more hostile to the Police presence in the area, and if they were to intervene to break up the fights, the situation would have escalated too quickly to have a tactical advantage.

At about 10:50pm, Officer Langer advised while monitoring the crowd, an adult male and a young girl walked up to him and told him, "You should spray the whole crowd, this is getting out of control". Officer Langer asked the girl if she was having fun, but could see that the crowd was getting more and more out of control, throwing bottles and other items in the street. Officer Langer told the adult male and young girl, "It's probably a good time to leave and go home".

Shots Fired In the Area

At about 11:00pm, Officer Langer stated he heard gunshots in the vicinity of his location. Officer Langer stated it appeared that there were at least six (6) shots that he heard. Officer Langer advised he knows the difference between gunshots and fireworks, and the "Pops" he heard were clearly from a firearm.

About fifteen (15) seconds after hearing the first gun shots, Officer Langer heard two (2) additional gunshots which seemed to be coming from the east side of El Charro Liquor Store. Everyone in the

crowd looked toward the southeast. At this point Officer Langer stated he was directing traffic on W. Scott St., north of El Charro Liquor. Officer Langer heard someone over the radio state, "Shots fired, shots fired on Chavez in front of the liquor store". Officer Langer advised he focused his attention to the front of El Charro Liquor and could see numerous patrons, "Jolted a bit", and were now focusing their attention south on Cesar Chavez. Officer Langer stated he took a couple steps west so he could see the alley to the west of El Charro Liquor to see if a possible shooter/actor would run west behind El Charro Liquor. At this time due to the proximity of the shots fired, Officer Langer stated he drew his firearm from his holster. About 2-3 seconds after hearing the two gunshots, Officer Langer advised he heard an additional four (4) gunshots come from the same area as the first two. Officer Langer indicated that the second set of four shots sounded different than the first two which led him to believe that there was a gun fight happening, or at the very least had two different shooters in the area. Officer Langer said he thought to himself there might be an active shooter in front of the liquor store.

After hearing the four (4) shots, Officer Langer advised he moved south across the street and stood behind a large flatbed truck parked in the northwest side of the El Charro parking lot. As he moved to a position of cover, Officer Langer said he observed a large crowd of people start running west on W. Scott St. and west through the El Charro parking lot towards his location. Officer Langer estimated there were about 100 people in the crowd moving away from the sound of gunfire. Officer Langer advised the crowd was waving their arms and screaming, "They shooting, they shooting at us"!

Suspect Located

Officer Langer continued to focus his attention on the crowd moving towards his location. Officer Langer advised he focused on four (4) subjects that were moving in concert west along the north side of the El Charro Liquor store. Officer Langer stated they appeared to be moving in a tactical formation and it did not conform to the way other patrons were running from the area.

While focusing on the four (4) subjects moving in concert with each other, a large male/black subject wearing all red clothing moving with the crowd west through the El Charro lot caught Officer Langer's attention. While looking at the subject in all red, the M/B suspect lifted his right arm and fired eight-twelve (8-12) rounds in quick succession into the air. Officer Langer stated he quickly determined the gun the subject was holding was a "switch gun" which Officer Langer described as a semi-auto handgun converted into automatic firearm which is capable of firing multiple rounds with one trigger pull. At this point, Officer Langer determined he was approximately fifty (50) feet from the suspect.

Approach to suspect/shots fired

Officer Langer stated after the suspect fired shots in the air, he made the decision to make a quick tactical approach towards the suspect in an attempt to stop the suspect from recklessly firing anymore rounds. Officer Langer stated he quickly moved towards the suspect from his position of cover, identified him as the same suspect who had fired the rounds into the air, and attempted to isolate the suspect from the innocent patrons fleeing the area. Officer Langer stated he approached the suspect with his firearm at a tactical low ready position and told the suspect to "stop" several times. Officer Langer stated the suspect turned his head and looked in his direction and the two briefly locked eyes. Officer Langer stated the suspect continued to move with the crowd, disobeying his order to stop, then the suspect suddenly turned his upper body towards Officer Langer's direction, causing the firearm the suspect had in his right hand to point in the direction of Officer Langer. Officer Langer stated he knew that if the suspect pulled the trigger on the "switch gun", multiple rounds would have been discharged in less than a second and multiple people could have been injured or killed. Officer Langer knew the suspect had the weapon, the intent and the delivery system to injure or kill him and/or innocent patrons, so he made the decision to discharge his firearm to stop that threat of violence. Officer Langer stated he feared for his life and for the lives of the hundreds of innocent patrons fleeing the area and knew that deadly force at this point was his only option. Officer Langer stated he thought of the little girl he had spoken with only a short time before and that he did not know if she was still behind him, in harm's way from the suspect's firearm.

Officer Langer stated he remembered initially firing approximately three-four (3-4) rounds at the suspect before the suspect fell to the ground. Once on the ground the suspect was in a sitting position, facing Officer Langer with legs straight out in front of him. Officer Langer stated the subject was leaning towards his left side and could see the suspects gun laying to his left side, approximately a foot away from his body. Officer Langer shouted several times, "Don't reach, don't reach", but the suspect failed to obey orders and appeared to be attempting to reach for the gun. Officer Langer delivered several more rounds at the suspect before the suspect finally sat back up, and leaned to his right away from the gun. Officer Langer stated he approached the suspect and picked the suspects gun up and placed it under his right armpit in order to secure it from the suspect and other patrons who were now surrounding the immediate area.

Officer Langer was not able to immediately get on the radio due to other radio traffic. Officer Langer activated his emergency button on his radio and announced he was involved in an officer involved shooting and gave out his location and asked for medical to respond to his location.
