NARRATIVE

This report is completed by Lieutenant Michael Schultz of the Wauwatosa Police Department as part of the Milwaukee Area Investigative Team (MAIT) investigation into the Officer Involved Shooting of Kean J. Walker M/W ■■■-■■■-96). This incident occurred in the 4800 block of N. 47th St. This investigation is related to Milwaukee PD report #19-349-0122. The Wauwatosa Police Department is the lead investigative agency for the incident.

Assignment

On 12-15-19, I responded to the area of N. 47th St. and W. Hampton Ave. for a report of an Officer Involved Shooting involving Officers from the Milwaukee Police Department. The Wauwatosa Police Department was designated as lead agency for the investigation. I met with MPD Captain Thomas Casper, who provided details of the investigation. The subject who had been shot, Kean J. Walker M/W ■■■-■■■-96, had been taken by the Milwaukee Fire Department to Froedtert Hospital with multiple gunshot wounds. The initial reports from Froedtert Hospital indicated that Walker was in critical condition.

Investigators from the following agencies were involved in the investigation: Franklin PD, Greenfield PD, Milwaukee County District Attorney's Office, Oak Creek PD, South Milwaukee PD, Waukesha PD, Wauwatosa PD, West Allis PD, West Milwaukee PD, Wisconsin State Crime Lab, and the Wisconsin State Patrol.

NARRATIVE 19-30952 Sunday, December 15, 2019 This narrative is written by Detective Paula Roberson. Assignment On Sunday, December 15, 2019, I responded to the Wauwatosa Police Department to assist with an officer involved shooting investigation. I was advised the suspect had been transported to Froedtert Hospital. I responded to Froedtert to locate the suspect. Froedtert Hospital I responded to the Emergency Department and was told the person I was looking for was in surgery. Security personnel escorted me to the third floor of the hospital where I met with Milwaukee Police Department Lt. Shelondia Tarver, Milwaukee Police Department Detectives Brian Maciejewski and Michael Tanem and Milwaukee Police Department Officer David Thomsen. I learned the suspect had been identified as Kean Jamie Walker m/w ■■■■■-■■■■-1996 and that he was registered under "Jaguar Doe". One of the surgical team members advised us that they would be moving Walker to the Surgical Intensive Care Unit (SICU) shortly and that we should meet them in that area. Walker arrived to the SICU at 10:40pm and was placed in room 9. Dr. Todd Neideen advised that Walker would expire very shortly due to his injuries (severed femoral vein and brain trauma). Dr. Neideen pronounced Walker at 10:54pm. I took thirty (30) photographs of Walker before he was transported to the hospital morgue. The photos were uploaded to the secure "MCIT" folder on the Wauwatosa Police Department server. While I was taking the photographs, Detective Tanem notified the Milwaukee County Medical Examiner's Office. Forensic Investigator Taylor Kroes requested that Walker be moved to the hospital morgue until the Medical Examiner's transport unit arrived. Walker was transferred to the hospital morgue at 1215am.

NARRATIVE**EVIDENCE COLLECTION**

On 12/16/19, at approximately 0615 HRS, I was assigned to assist in this case by transporting two City of Milwaukee Police Department (MPD) Squad Cars to the lower evidence garage of the Wauwatosa Police Department (WPD) via N&S Towing.

At 0806 HRS, N&S Towing Driver C [REDACTED] S [REDACTED] (m/w [REDACTED]/[REDACTED]/92) arrived using truck #99 and towed MPD Squad #507 (WI registration: [REDACTED]). At 0812 HRS, N&S Towing Driver C [REDACTED] C [REDACTED] (m/w [REDACTED]/[REDACTED]/94) arrived using truck #1 and towed MPD Squad #549 (WI registration: [REDACTED]). Both vehicles were towed from the 4700 block of W. Hampton Ave.

After both squads were secured on the tow trucks, I escorted the tow trucks to the WPD lower evidence garage.

At approximately 0845 HRS, I secured both squads in the lower evidence garage.

DISPOSITION

At approximately 0915 HRS, I transferred custody of the squad keys over to Detective Kirby and cleared without incident.

NARRATIVE

On 12-16-19 at about 0619 hours, I (P.S. Thomas Orlowski) responded to assist with this investigation. I met with Detective Kirby who briefed me on the scene.

Vehicle Tow

N&S Towing arrived on scene with a flatbed truck to tow a silver Acura, VIN [REDACTED], back to the police department.

Due to the severe damage of the Acura, the front driver door would not close. In fear of potential evidence being lost during transport, I used a section of rope that I carry in my squad bag, and tied the upper corner of the driver door to the steering wheel.

N & S Towing transported the Acura to the lower evidence garage bay where it was secured as evidence.

NARRATIVE 19-30952 Milwaukee Area Investigative Team This report is completed as part of the Milwaukee Area Investigative Team (MAIT) investigation into the fatal officer involved shooting in the City of Milwaukee (Milwaukee incident 19-349-0122). The City of Wauwatosa Police Department is the lead agency and the Wauwatosa incident for reporting is 19-30952. I, Detective Stephen F. Kirby, responded to the 4700 block of West Hampton Ave. in the City of Wauwatosa to assist the investigation. I was assigned to work on scene investigation and processing with the Wisconsin State Crime Laboratory. Scene Overview <u>Pursuit and Crash: Suspect Vehicle</u> The critical incident began as a pursuit by officers. The suspect was driving a silver 2003 Acura 3.2TL four door bearing dealer plate [REDACTED] (VIN: [REDACTED]). The suspect left the roadway and struck a vehicle (a white 2012 Toyota Camry 4 door with Wisconsin registration [REDACTED]) in the 4600 block of West Hampton Ave. The suspect auto continued off the roadway and struck a sign and a fire hydrant in the 4600 block of West Hampton Ave. The suspect auto then became disabled from extensive damage and came to a rest on the west curb of the northwest intersection of North 47th Street and West Hampton Ave. See related Milwaukee Police Department crash reports for details. <u>Foot Pursuit and Shooting: Officer Vehicles</u> The pursuing Officers (P.O. Langer and P.O. Guetchidjian) were in Milwaukee Police squad car 507, a 2017 Police Explorer with Wisconsin registration [REDACTED]. That squad came to rest where it was parked a few feet east of the suspect vehicle facing north in the intersection of North 47th Street and West Hampton Ave.

Assisting Officer Hauser was driving Milwaukee Police squad 549, a 2017 Ford Explorer with Wisconsin registration [REDACTED], which was resting with the front bumper against garbage cans in front of the driveway to 48[REDACTED] North 47th Street. From later video review it was clear Officer Hauser exited his squad at the west side intersection of the east/west alley and North 47th Street just north of the intersection with West Hampton Ave.

Suspect's Final Location Before Being Taken into Custody

From those positions, the three officers chased the suspect on foot. During that foot chase the suspect fired shots at the officers and the officers returned fire. The suspect was no longer on scene but information from officers on scene indicated the suspect came to a final location and was taken into custody near the forth (left to right) apartment door on the east side of the apartment building at 47[REDACTED] West Hampton Ave.

Evidence Locations

Between the intersection of North 46th Street and West Hampton Ave. where the suspect first left the roadway, and the area around the crash, to the final location of the suspect, as well as north to the final resting location of MPD squad 549, there were numerous items of evidence including some indicated with traffic cones.

Bullet strikes were apparent on the residence at 48[REDACTED] North 47th Street as well as on a silver Dodge pickup parked on the south side of the residence. The Dodge pickup, a 1999 Ram, had Wisconsin registration [REDACTED] and did belong to the residence.

Wisconsin State Crime Lab Response and Assist

Based on the extensive area and items, the Wisconsin State Crime Laboratory (WSCL) crime lab response team was requested and did respond. The WSCL assigned case number R19-4343 for all related activities, reports and processing. The team was led by Julie Avila and Chris Johnson and consisted of James Armstrong, Troy Chadwick, Yolanda Sanchez, Tracey Nuendorf, Leah Lackowski and Amy Sassman.

The response team documented the scene with photos, video, then processed, collected and packaged items of evidence. Those items, forty four in total, were turned over to me and later entered into Wauwatosa Police evidence under property numbers 19-5119-1 to 19-5119-44, with the extension number (-1 to -44) matching the WSCL crime scene number.

State Patrol Mapping

Additional scene processing, specifically mapping, was conducted by Wisconsin State Patrol Troopers Mike Scott and Mike Smith. See their reports for details.

Milwaukee Police Canine Teams

Officer Michal Wawrzyniakowski with his K-9 partner Gilly and Officer Joseph Warren with his K-9 partner Beau assisted in the search for evidence. The K-9 officers are trained in the detection of firearms related items and were used to attempt to locate additional fired cartridge cases. No additional evidence was located during the search of the area with the K-9s.

Recovered Property: Initial Scene

In addition to the forty four items received from WSCL and entered into property under 19-5119-1 to -44, I recovered other items directly from the scene. Those items were:

Suspect's 2003 Acura 3.2 TL: Wauwatosa Police item 19-5069-1. The keys for the auto were located on the top of the car on-scene, placed there by unknown responding officers prior to investigators arrival.

Apple iPhone recovered from driver's side floor board of suspect's Acura: item 19-5070-1. (Note: this item was recovered on scene due to the damage to the driver's door preventing that door from closing. I was concerned that the action of towing the auto would potentially lead to the phone being bounced out of the vehicle during transport. Based on that concern I recovered the phone using gloved hands.)

Search of Suspect's Acura

On December 18, 2019 pursuant to a search warrant obtained by Detective Keck, I searched the suspect's Acura. No physical evidence processing was conducted. I did collect items and take photos. The Acura had extensive damage.

The rear bumper of the Acura had a Wisconsin dealer "transporter" plate of [REDACTED] attached. The actual assigned license plates (both of them) of [REDACTED] would later be found under the passenger seat. The plates are valid for this Acura. The listed owner is an A [REDACTED] B [REDACTED] (M/B [REDACTED]/[REDACTED]/1997) of 23 [REDACTED] North Holton Ave.

Recovered from the Acura were:

Both front airbags, driver's wheel and passenger's dash, deployed at some point during the crash. Using fresh new gloves and a new single use scalpel, I cut out the driver's airbag. I folded it in on itself, packaged it securely, and entered it into evidence under item number 19-5113-1.

I then donned new fresh gloves and using a new single use scalpel I cut out the passenger side airbag. I folded it in on itself, packaged it securely, and entered it into evidence under item number 19-5113-2.

Eight dollars in US currency/cash (\$8.00 with 1X \$5 bill and 3X \$1 bills) from the center console area, entered as item number 19-5117-1.

A plastic marijuana retail packaging container recovered from the center arm rest storage containing a minor amount of residue was entered as item number 19-5118-1.

I took a series of 53 digital photos during the processing of the Acura. Included in the photos were images of documents showing the car ownership or registration, current and past, clothing and the license plates issued to the car which were found under the passenger seat. The files were later uploaded to the secure MAIT server under this case number.

Once the Acura was processed it was towed to the secure outdoor storage at the Wauwatosa Police Department.

Milwaukee Police Squads Processed by WSCL

On December 18, 2019 WSCL responded to the Wauwatosa Police Department to process the two recovered MPD squads for evidence. Both squads were apparently struck by gun fire/bullets. See the WSCL reports for details. WSCL personnel conducting the processing were Julie Avila, Troy Chadwick, and James Armstrong.

At the conclusion of the processing Julie Avila turned over one item of evidence to me from the processing. Tape lifts of apparent bullet debris from squad 507, secured in an envelope, were received by me and entered into evidence under Wauwatosa Police item 19-5121-1.

Recovery of Officer's Personal Gear

Once the crime lab finished processing the squads for evidence I recovered any personal gear or items left in the squads by the Officers at the time of the event. Personal property from squad 507 was entered as item number 19-5111-1 and personal items from unit 549 was entered as item 19-5111-2. The property was provided to Sgt. Wrucke for return to the officers.

Recovery of Seized Contraband

A small amount of contraband was seized by the involved officers and logged for destruction with MPD supervisors prior to the incident. I recovered the suspected marijuana from squad 509 and packaged it. It was entered into Wauwatosa Police property number 19-5112-1 for future disposal or turn over to MPD.

The photos, video and PDF logs of photos created during the processing of the crime scene and squad car processing were digitally forwarded to me. I uploaded those images to the secure MAIT folder under this case number.

Suspect Handgun Processed: DNA Evidence

The handgun recovered as WSCL item 1, Wauwatosa Police 19-5119-1, was processed for potential DNA evidence. I removed the gun from the box it was secured in by WSCL processors. The gun was a Smith and Wesson brand, model SD9VE, chambered in 9mm. The serial number is [REDACTED]. The gun was unloaded and the magazine and round from the chamber separate. I did not process the magazine or ammunition. Using gloved hands I removed the handgun that was secured in the box using zip ties.

I donned new clean gloves. Using a new clean sterile swab I wetted the swab tip with distilled water ensuring the bottle and swab did not touch. I swabbed the edges and angles of the slide serrations of the Smith and Wesson handgun. I then swabbed the same areas with a new sterile dry swab. The two swabs were packaged together in a glassine bag. That bag was placed into a labeled DNA evidence envelope and entered into property under item number 19-5123-1. NOTE: apparent ridge detail was patently visible on the handgun slide. All swabs and handling were conducted so as to preserve that ridge detail for further processing.

NARRATIVE

This report is written by Detective James Short of the Wauwatosa Police Department as part of the Milwaukee Area Investigative Team (MAIT) with regards to the officer involved shooting that occurred on 12/15/2019 at N. 47th St. and W. Hampton Ave. in the City of Milwaukee. The deceased subject was identified as Kean J. Walker (M/W ■■■/■■■/1996). This case is assigned Wauwatosa Police Department incident number 19-30952.

Evidence Collection

On Monday, December 15th, 2019, at approximately 11:00 a.m., Detective Martin Keck and I, Detective James Short responded to the crime scene located at N. 47th St. and W. Hampton Ave. Detective Sgt. Brian Skornia previously advised us that Detectives with the Milwaukee Police Department were still on scene and had located more evidence to recover.

Upon arrival the scene was still secured by marked MPD squads and was taped off with red and yellow crime scene tape. We were met by MPD Detectives Harold Thomas and Jeremiah Jacks. There were still numerous orange cones within the scene from N. 47th St. west to the one story apartment building where the subject ultimately went down.

We were advised that a shell casing was located in the grass area west of N. 47th St. and south of the alley leading to the apartment building. This shell casing was marked with a yellow evidence marker labeled number 25. We were further advised that they located two intact fired projectiles at the exact location where the subject went down to the ground. This was just next to the apartment in a grass and dirt area just south of the white apartment door. The two fired projectiles were marked with yellow evidence markers numbers 26 and 27.

Detective Keck took nineteen digital photographs of the scene and the evidence recovered. I recovered the three items and placed them into separate containers for transport to the station. I donned fresh Nitrile gloves prior to each piece of evidence collection.

At the station I took nine scaled photographs of the recovered items prior to entering them into evidence.

Evidence

The following items were packaged and entered into property:

NARRATIVE This report is completed by Detective Joseph Lewandowski of the Wauwatosa Police Department as part of the Milwaukee Area Investigative Team (MAIT) investigation into the officer involved shooting of Kean Jamie Walker (M/W ■■■/■■■/1996) just north of the intersection of N. 47 St. and W. Hampton Ave. The Wauwatosa Police Department is the primary investigative agency; this report will be attached to Wauwatosa Police Department incident number 19-30952. <u>Case Assignment</u> On 12/15/2019 I, Wauwatosa Police Detective Joseph Lewandowski, responded to the Milwaukee Area Investigative Team (MAIT) call out regarding an officer involved shooting that occurred at the intersection of N. 47 St. and W. Hampton Ave. I responded to the command post, which was located in the 4600 block of W. Hampton Ave. There, I received a briefing from Wauwatosa Detective Lieutenant Michael Schultz. He assigned me, along with Detective James Donovan, to make contact with an eyewitness, who was still on scene, and arrange for an interview to be conducted at the Wauwatosa Police Department. Detective Donovan and I made contact with witness D■■■■■■■■■■ H■■■■■■■■■■ (F/W ■■■/■■■/1993). She was seated in her vehicle in the 4700 block of W. I was assigned to attend the autopsy of suspect Kean Jamie Walker (M/W ■■■/■■■/1996). Milwaukee County Assistant Medical Examiner Dr. Brian Linert conducted the autopsy (Medical Examiner #19-07249); the Autopsy Assistant was Stephanie Murphy.

Dr. Linert's preliminary findings is that Walker was shot six times. There were nine total gunshot wounds. Six of the wounds represent through and through wounds (three shots) and three wounds in which bullets were recovered (three shots). For specific information, see reports completed by Dr. Linert.

Following the autopsy, I recovered several items of evidence from Dr. Linert and Autopsy Assistant Murphy. All items were entered into property as evidence under individual numbers. The items and numbers are:

NARRATIVE

On Sunday, 12/15/19 I (Det. Martin Keck, Sq. 540) responded to the scene of an officer involved shooting involving members of the Milwaukee Police Department. The incident occurred at and around the intersection of N. 47th St. and W. Hampton Ave. I arrived at the scene at approximately 9:30pm.

VIDEO FOOTAGE FROM STARK FOODS II

I was assigned to collect video footage of the incident from the Stark Foods II, located on the northeast corner of N. 47th St. and W. Hampton Ave., 4616 W. Hampton Ave. There were several cameras mounted on the exterior of the business. I met with Milwaukee Police Detectives James Jordon, Scott Schmitts, Martin Saavedra and Rudolph Alvarado. Det. Jordon and Det. Schmitts provided me with two flash drives containing the video footage of the business' exterior cameras which captured the incident. They informed me they had already copied the video footage from the system's hard drive to the flash drives. I copied the video files to my laptop computer. I later saved the video files to two separate Blu-ray discs (one containing the data from one of the flash drives provided to me and one disc containing the data from the other flash drive provided to me), which I entered into property as evidence (Items 19-005110-001 & 19-005110-002).

The timestamp on the video files is accurate within a minute or two. The following is a summary of the camera locations and what they capture:

Camera 07 - This camera is mounted on the south side of the building. The camera faces southeast. The camera captures the parking lot located on the south side of the business and a portion of the 4600 block of W. Hampton Ave.

Camera 09 - This camera is mounted just to the south of the main entrance. The camera faces east. The camera captures the parking lot located on the south side of this business and traffic along W. Hampton Ave. east of the business.

Camera 11 - This camera is mounted just to the east of the main entrance. The camera faces south and is angled down. The camera captures a small portion of the west end of the parking lot and a small portion of W. Hampton Ave.

Camera 12 - This camera is mounted near the east end of the building on the south side. The camera faces southeast. The camera captures the east end of the parking lot, and a small portion of W. Hampton Ave. and N. 46th St.

Camera 17 - This camera is mounted on the north side of the building. The

Camera 23 - This camera is mounted on the west side of the building. The camera faces northwest. The camera captures N. 47th St. north of W. Hampton Ave.

Camera 26 - This camera is mounted on the south side of the building near the southwest corner of the building. The camera faces southeast. The camera captures the 4600 block of W. Hampton Ave.

In viewing video footage captured by the above mentioned cameras, I found the following pertaining to this investigation:

At timestamp 20:00:00, the suspect vehicle turned westbound onto W. Hampton Ave. from N. 45th St. There were two marked Milwaukee Police squad cars with their emergency lights activated pursuing the vehicle.

At timestamp 20:00:11, the suspect vehicle turned northbound onto N. 47th St. from W. Hampton Ave., still being pursued by the two Milwaukee police squad cars.

At timestamp 20:02:37, the suspect vehicle, traveling at a very high rate of speed, jumped onto the north sidewalk in the 4600 block of W. Hampton Ave. traveling westbound. Two Milwaukee squad cars were still in pursuit of the vehicle. The suspect vehicle lost control after driving on the sidewalk and crashed into the passenger's side / rear of a white vehicle parked in the 4600 block of W. Hampton Ave. The rear end of the suspect vehicle begin to slide out. The vehicle continued along the sidewalk and hit a "No Parking" sign just west of the entrance to the Stark Foods parking lot. The sign came to rest on the sidewalk just south of the business. The vehicle continued on the sidewalk and crashed into a bus stop sign and fire hydrant near the curb just east of N. 47th St. on the north side of W. Hampton Ave. These events caused significant damage to the suspect vehicle.

At timestamp 20:02:44, the suspect vehicle came to rest on the grass between the road and sidewalk on the west side of N. 47th St. just north of W. Hampton Ave. facing northbound. The driver (Walker) exited the suspect vehicle at timestamp 20:02:47. Simultaneously, at timestamp 20:02:47, the lead pursuing squad car stopped just to the east of the suspect vehicle, also facing northbound. Walker ran northbound on the sidewalk on the west side of N. 47th St. The passenger officer in the lead squad car (Officer Guetchidjian) exited his squad and began to run after the suspect at timestamp 20:02:49. Within a few seconds, Guetchidjian got within several feet of Walker.

At timestamp 20:02:51, Officer Guetchidjian was quickly closing the distance on Walker in the foot pursuit. Walker's right arm extended in the direction of

Officer Guetchidjian. The second squad in the pursuit traveled northbound on N. 47th St. and was directly to the east of Walker and Officer Guetchidjian. Officer Guetchidjian turned his body away from Walker and fell to the ground. Walker continued to point his extended right arm in the direction of Officer Guetchidjian. At timestamp 20:02:52, what appears to be a muzzle flash, is observed at the end of Walker's right hand. Walker continued running northbound with his right arm extended straight behind him, still pointed at Officer Guetchidjian.

At timestamp 20:02:53, the driver of the lead squad (Officer Langer) chased the suspect on foot northbound. Officer Guetchidjian fell to his back and his legs went up into the air. Officer Guetchidjian got to a seated position and appeared to fire his handgun in the direction of Walker, as muzzle flash is captured coming from his firearm. At timestamp 20:02:55, the driver of the second squad (Officer Hauser) exited his vehicle and chased after Walker who turned and began to run westbound. Officer Hauser appeared to fire at the suspect three times as apparent muzzle flash was captured coming from his handgun as he ran after Walker. The second squad rolled forward onto the west sidewalk and traveled north several dozen feet before coming to rest on the sidewalk. At timestamp 20:02:57, Officer Guetchidjian got back to his feet and chased Walker westbound. All three officers and Walker went out of the camera view.

VIDEO FOOTAGE FROM 47██ W. HAMPTON AVE.

I was then tasked with collecting video footage from the apartment building 47██ W. Hampton Ave. West Allis Police Detective Mike Sitter and I made contact with G███████ M███████ (F/B ███/███/56) and L███████ M███████ (M/B ███/███/60). M███████ and M███████ are the property owners of 47██ W. Hampton Ave. M███████ explained to me that the computer containing the building's surveillance cameras' hard drive was located inside of the door near where the suspect's clothes were on the ground. M███████ and M███████ gave me consent to enter the building through the door and access the building's camera system. M███████ gave me a key to unlock the door. M███████ and M███████ further gave investigators consent to enter the room to search for and recover any evidence as part of this investigation.

I was able to access and download video from the building's video cameras which captured the incident. I saved the video to a flash drive and then to my laptop computer. I later saved the video to a disc which I entered into property as evidence (Item 19-005110-003).

The timestamp on the video files is accurate within a minute or two. The following is a summary of the camera locations and what they capture:

Camera "parking lot" - This camera did not appear to be functioning properly and did not capture anything.

Camera "front view" - This camera is mounted on the east side of the building near the south end of the building. The camera faces north. The camera captures the sidewalk along the east side of the building and the parking lot to the east of the building. This is the only camera which captured any of the incident.

Camera "rear parking" - This camera did not appear to be functioning properly and did not capture anything.

Camera "rear" - This camera is mounted on the west side of the building near the south end of the building. The camera faces north. The camera captures the sidewalk along the west side of the building.

Camera "rear south" - This camera is mounted on the west side of the building near the north end of the building. The camera faces south. The camera captures the sidewalk along the west side of the building.

In viewing video footage captured by the above mentioned cameras, I found the following pertaining to this investigation:

At timestamp 08:04:46pm, Walker ran westbound on the alley / driveway just south of 48███ N. 47th St. At 08:04:52pm, Walker rounded the chain link fence separating the rear yard of 48███ N. 47th St. and the sidewalk along the east side of 47███ W. Hampton Ave. It is apparent the officers were firing in the direction of Walker as there were dust clouds emerging along the base of the building behind Walker as he ran. At timestamp 08:04:54pm, it is apparent Officer Hauser fired at Walker as muzzle flash was captured coming from Officer Hauser's handgun. At 8:04:55pm, Walker fell head first into the ground within a couple feet of the 47███ W. Hampton Ave. building. Officer Langer approached Walker, who was still moving on the ground. At timestamp 8:05:00pm, Walker's body rolled to his side and Langer appeared to fire a few times in the direction of Walker, as muzzle flash was captured coming from his handgun. Walker continued to lay on his side. Officer Hauser ran back towards N. 47th St. as Langer and Guetchidjian continued to hold on Walker. At timestamp 8:05:37pm, Hauser and another officer moved in towards the suspect who appeared motionless. Many additional officers arrived on scene.

At timestamp 8:12:34pm, firefighters / EMT arrived on scene and began treating Walker. At timestamp 8:20:05pm, the suspect was loaded onto a stretcher and taken from the scene.

CELL PHONE EVIDENCE - ITEM 19-005070-001

On 12/16/19 Det. Steve Kirby turned over to me a silver iPhone, which was entered into Wauwatosa Police Property as evidence (Item 19-005070-001). The cell phone was powered off. I plugged the phone in to charge it. The phone turned on and I was unable to place the phone into Airplane Mode. I removed the SIM card from the phone and secured the phone in the Wauwatosa Police Department's cellular forensics office.

ADDITIONAL SCENE PHOTOS

On 12/16/19 Det. James Short and I were tasked with meeting investigators from the Milwaukee Police Department to recover additional items of evidence located by them. At approximately 11:38am, we met with Milwaukee Police Detectives Harold Thomas and Jeremiah Jacks. During their search of the scene, they located two bullets and one casing. The items were marked with yellow evidence markers labeled 25 (casing), 26 (bullet) and 27 (bullet). I took nineteen digital photos of the scene and items. The items were collected and entered into property as evidence by Det. Short. I later uploaded the photos to the bureau's photos folder on the department's secure server.

OFFICER ROBERT GUETCHIDJIAN'S BODY CAMERA FOOTAGE

body camera footage and found the following:

The recording begins at timestamp 02:01:07. This time is in UTC, which converts to 08:01:07pm CST. The first three minutes and thirty seconds of the video, Officer Guetchidjian is in the squad car and the video footage does not capture anything relevant. There was a dashcam mounted in the squad car which captured the pursuit with clarity. At timestamp 2:04:27, Officer Guetchidjian exited the squad car and ran on foot. The video is not clear due to the movements of the camera. At timestamp 2:04:41, three gun shots are heard followed by numerous rapidly fired shots from 2:04:43 until 2:04:51. An officer is heard yelling, "Shots fired! Need more cars!" An officer yells "Drop the fucking gun!" at 2:04:58 and a series of five more rapidly fired shots is heard followed by an officer yelling "Drop it! Drop it! Drop it! Drop the gun!" An officer then yells, "Back up! Back up! He's still got the gun." The officers then speak to each other asking if all of the officers are uninjured.

At timestamp 2:05:35 an officer began to search Officer Guetchidjian to see if he was shot. Officers begin to tend to the suspect and secure the scene.

At timestamp 02:07:28, Officer Guetchidjian knocked on the door at 48███ N. 47th St. and made contact with the resident. Officer Guetchidjian checked on the occupants to make sure everyone was uninjured. No one in the house was injured.

Officer Guetchidjian's body camera was turned off at timestamp 2:12:24.

VEHICLE & CELL PHONE SEARCH WARRANT

On Tuesday, 12/17/19 I drafted a search warrant for the suspect's vehicle, a silver 2003 Acura 3.2 TL four door with a VIN of ██████████ and a silver iPhone that was recovered from the suspect's vehicle. The iPhone was entered into evidence and the Wauwatosa Police Department and assigned Inventory #19-005070-001. The warrant was reviewed by Milwaukee County District Attorney John Chisholm and signed by Milwaukee County Circuit Court Judge Michelle Havas on 12/17/19 at 2:40pm. A copy of the warrant was scanned and attached to this case. I gave the original copy of the warrant to Lt. Schultz.

FORENSIC EXAMINATION OF CELL PHONE

On 12/17/19 I conducted a forensic examination of the iPhone (Item 19-005070-001). I took digital photos of the phone utilizing the Fernico ZRT3 software. I generated a report with the photos. I saved the Fernico report to a disc, which I entered into property as evidence (Item 19-005110-0045). The iPhone powered on and appeared to function properly. The iPhone was passcode protected. I was unable to bypass the passcode on the phone. The iPhone had a SIM card mounted in it. Utilizing the Cellebrite Logical method of extraction,

NARRATIVE This report is written by Detective James Short of the Wauwatosa Police Department as part of the Milwaukee Area Investigative Team (MAIT) with regards to the officer involved shooting that occurred on 12/15/2019 at N. 47th St. and W. Hampton Ave. in the City of Milwaukee. The deceased subject was identified as Kean J. Walker (M/W ■■■/■■■/1996). This case is assigned Wauwatosa Police Department incident number 19-30952. Review of Milwaukee Police Officer Peter Hauser's Body Camera On Monday, December 16th, 2019, I, Detective James Short was tasked with reviewing the body camera footage worn by City of Milwaukee Police Officer Peter Hauser. The video is stamped in the upper right corner 2019-12-16 T02:01:15Z Axon Flex 2 X83076001. The lower left corner of the video is stamped AXON_Flex_2_Video_2019-12-15_2001. The video clip is 10 minutes and 44 seconds in duration. The following is a synopsis of the video footage. All times mentioned in this report refer to the time within the footage. For exact detail refer to the footage itself. The body camera video starts with Hauser behind the wheel on the squad and driving on what appear to be city streets. At :23 seconds into the video footage, a squad car in front of Hauser's emergency lights activate. At :29 seconds into the video, Hauser's squad makes a left turn and follows the squad in front of him. The audio comes on at :30 seconds into the video. Audible emergency sirens can heard at this time. At :36 seconds an officer can be heard calling for the air. Hauser's squad can be heard with a different audible siren than the squad in front of him. At :40 seconds an officer can be heard saying "westbound on Hampton." Hauser's squad makes a right turn following the lead squad. At :50 seconds Hauser continues following the lead squad with a right turn. At 1:08 into the footage, Hauser calls out "86 is secondary." The squads turn right and the lead officer says "eastbound on Fairmount." At 1:22 the squads are observed eastbound on Fairmount Ave. passing Custer Field. The lead officer say "Coming up to Sherman here in a second." At 1:35 into the footage the squads turn northbound. "The lead officer states

At 1:53 the squads make a right turn and proceed eastbound on Villard Ave.

At 2:14 the squads make a right turn to proceed south on N. 37th St. from Villard Ave.

At 2:49 into the footage the squads turn right and the lead officer calls out "Westbound on Hampton."

At 3:20 into the footage the lead squad car can be seen making a right hand turn onto N. 47th St. As Hauser makes the same right turn the silver Acura is observed on the sidewalk area on the west side of the street with smoke coming from the vehicle. As Hauser passes the lead squad which is stopped in the street, the passenger in the lead squad is seen exiting the lead squad and running in front of the lead squad toward the west sidewalk of N. 47th St. Hauser passes the stopped lead squad.

At 3:26 into the footage a gunshot can be heard.

At 3:28 into the footage numerous gunshots can be heard. Hauser is observed exiting his squad with his service weapon pointed in a western direction. Hauser fires his weapon several times as he moves west down the alley.

At 3:34 into the footage an officer can be heard stating "Shots fired shots fired." Gunshots can be heard at this time.

At 3:38 Hauser stops his momentum and fires one shot in a westerly direction. An officer can again be heard stating "shots fired." After the shot Hauser proceeds to move west toward a fence.

At 3:40 as Hauser moves west an officer with his weapon drawn moves into the frame near the end of the fence. A second officer can be seen approaching to the left of Hauser.

At 3:42 into the footage a subject is observed down on the ground in front of a white door to the apartment building.

At 3:43 into the footage Hauser is at the end of the fence. There is an officer to his left with his weapon drawn and pointed in the direction of the subject. There is an officer closer to the subject approaching with his weapon drawn as well. An officer can be heard shouting "Drop the fucking gun!" The officer closest to the subject can be seen firing several rounds in the direction of the subject.

At 3:46 an officer can be heard saying "Get the car." Hauser turns and starts to move back east toward the suspect vehicle. Hauser can be heard saying

At 3:56 Hauser approaches the suspect vehicle with his weapon drawn and clears the vehicle. Music can be heard coming from the vehicle and the driver air bag was deployed.

At 4:07 Hauser tells another approaching officer that the vehicle is clear.

At 4:10 Hauser can be heard contacting dispatch asking for Hampton and 47th St. to be shut down. Hauser proceeds to move west back in the direction of the subject and other officers.

At 4:53 into the footage, Hauser asks another officer "Did you get shot? Did you get shot?" An officer responds "Almost." Hauser says "I saw you went down man." Hauser then proceeds back east down the alley in the direction of N. 47th St.

At 5:09 using his flashlight, Hauser starts to check the alley and the grass area to the south.

At 5:22 into the footage, Hauser asks another officer for "Red tape."

At 5:29 into the footage, Hauser starts to set up the crime scene asking for red and yellow tape.

At 6:08 Hauser advises dispatch that "all officers are good. No officers were shot."

From 6:12 to 7:47 of the footage, Hauser appears to check the area for potential evidence.

At 8:03 Hauser has returned to his squad and starts to direct others to secure casings.

At 8:07 of the footage Hauser is facing south on 47th St. and directs other officers "From Langer's car, all the way up." Hauser points in the south direction where casings are. Hauser says "We were all shooting."

The remainder of the footage shows Hauser and other officers covering casings with cones.

The footage ends at 10:44.

NARRATIVE This report is written by Detective Kelly Zielinski of the Wauwatosa Police Department in part with the Milwaukee Area Investigative Team (MAIT) in regards to the Officer involved shooting that occurred on 12/15/19 at N 47th St and W. Hampton Ave., in the City of Milwaukee. The deceased subject was identified as Kean J. Walker (M/W ■■■/■■■/96). This investigation was assigned Wauwatosa case #19-30952. Officer Andrew Langer Body Camera Review Officer Andrew Langer has a Milwaukee Police Department People Soft Number #■■■■■ and was assigned squad #7282 on 12/15/19 with his partner Robert A Guetchidjian. Officer Langer was the driver of a fully marked Milwaukee Police Department SUV with 360 emergency lighting and siren. The body cam video is labeled "Axon Flex 2 X83035745" and is starts with the time stampT02:01:08Z. The body cam video begins with squad attempting to catch up to a speeding auto weaving in and out of traffic. Langer activates the emergency lights and siren at 02:01:37 and appears to catch up to a silver sedan 4dr at an unknown cross street at W. Hampton Ave and a voice can be heard saying, "We are in pursuit west bound on Hampton, and now north on 47", the vehicle is going to be a silver Acura TL, unknown number of occupants due to tint, reason for the pursuit is going to be reckless driving, roads are dry, no traffic currently". The pursuit of the reckless auto continues through City of Milwaukee Streets for over 3 minutes where the eluding vehicle is never out of body cam view. At 02:04:28 the eluding vehicle is west bound on Hampton Ave and swerves onto the sidewalk on the north side of Hampton to avoid vehicles stopped in traffic and side swipes the passenger side of a parked vehicle in the 4600blk of Hampton Ave. A voice can be heard saying, "Crash 47 and Sherman, correction 47 and Hampton". The eluding vehicle can be seen rolling in a north westerly direction after the crash, coming to a stop facing north on the west side of 47th St., just north of Hampton Ave. At 02:04:37, Officer Langer makes the turn north on 47th St, and stops the squad even with the eluding vehicle in the middle of N 47th St. At 02:04:42, Officer Langer quickly exits the squad via the driver's side door and runs around the rear of the eluding vehicle and yells, "Stop" followed by the sound of 3 gun shots. At 02:04:43, the video shows Officer Guetchidjian falling backwards on the sidewalk in front of Langer and quickly sits up facing the fleeing suspect. At 02:04:44, the fleeing suspect can be seen running west

with a red jacket with Officer Langer raising his firearm towards the suspect and numerous gun shots can be heard.

From 02:04:43 to 02:04:51, Officer Langer continues to chase the fleeing suspect in a north westerly direction firing his weapon 17 times (17 separate muzzle flashes) in the direction of the fleeing suspect and continuing to verbalize "stop". At 02:04:52, Officer Langer stops, releases his empty magazine, reloads his weapon with a new magazine and chambers a round. While Langer is reloading his weapon, one additional round can be heard being fired.

At 02:04:56, Langer approaches the suspect while yelling "drop it, drop it, drop it, drop it". The suspect can be seen laying with his back against the building on his left side with his head faced away from Langer. Langer positions himself at a 45 degree angle from the suspect and the building. The suspect appears to lift his right hand and elbow in an upward direction with a black object in his right hand and looks directly in Langer's direction. At 02:04:58 Officer Langer delivers 5 rounds in the suspect's direction and the suspect's elbow and hand falls out of view in front of the suspect's legs.

At 02:05:07, the suspect slowly rolls to his right onto his back. Officer Langer starts to back up and is heard saying "He still has the gun, are you OK?, are one of our cops down?". Officer Langer then looks to his right and asks, "Bob, are you OK?, go up with her and check yourself out".

At 02:05:27, Officer Langer approaches the suspect and the video shows a black handgun on the ground between the suspect's left forearm and body. Officer Langer picks the gun up and places it on the sidewalk approximately 4 feet from the suspect.

At 02:05:40 Officer Langer is heard saying, "Lets get medical rolling", and re-holsters his weapon. Officer Langer is heard talking to the suspect who appears to be conscious and breathing (Continuous moaning). Officer Langer then starts administering life saving measures by checking the suspect for gunshot wounds and applying gauze where needed. Officer Langer continues to assist with life saving measures and is eventually replaced by other Officers and medical personnel and escorted back to a squad.

The body cam is turned off at 02:13:23.

NARRATIVE

This report is completed by Sergeant Shane Wrucke of the Wauwatosa Police Department as part of the Milwaukee Area Investigative Team (MAIT) investigation into the officer involved shooting of Kean J. Walker (M/W ■■■/■■■/96). This incident occurred in the 4800 block of N. 47 St. in the City of Milwaukee. This investigation is related to Milwaukee Police Department report #19-349-0122.

VIDEO RECOVERY

On 12/16/19, I made contact with Lieutenant James Henner of the Milwaukee Police Department Homicide Division. I requested that Lt. Henner provide me with body worn camera video for the following officers that were identified as potential witness officers to the officer involved shooting:

Squad 7222

Benjamin Bender
Juwon Madlock

Squad 7450

Leon Burns
Jazmin Rowe

Squad 7468

Jesse Benitez Jr
Andrew Wilkiewicz

At approximately 9:00 PM, Lt. Henner turned a SanDisk USB memory stick, which contained the requested videos, over to Wauwatosa Police Detective James Donovan. The USB memory stick was then turned over to me. I uploaded the contents of the USB memory stick to Department's secure server. I entered the USB memory stick in property as evidence, 19-5106-1.

activated. She told her mom to hold on as they approached. H■■■ stopped in the left lane of traffic. In order to determine where H■■■ stopped in the road on W. Hampton, she was shown a Google maps web page on a department laptop. H■■■ pointed to a group of trees in the median, and said that is where she was stopped. Those trees were approximately 150 feet east of N. 47th Street.

H■■■ pointed to an area between the sidewalk and street (in front of Stark foods) and said the driver first hit a sign at that location. He continued traveling west until he hit a tree at the N/W corner of N. 47th and W. Hampton. She said the police officers were right behind him. There were at least two police cars. The police cars stopped and were facing north. We asked to go over the details of the crash again. H■■■ said the driver that was fleeing police came flying up next to her at an uncontrolled speed. She wasn't sure how he ended up against the tree, but it appeared he lost control. He only appeared to be slowing because he was hitting the curb and other objects.

H■■■ saw one person exit the driver's side of the suspect vehicle. H■■■ did not have a good enough view to identify him. She heard yelling from the officers. She heard "a couple" gunshots, a slight delay, and then more shots. She saw some muzzle flashes, but could not see all of the officers from where she was stopped in the roadway.

H■■■ thought at one point an officer got shot because he dropped down. He was in the street on N. 47th. It was towards the end of the shooting. She was thinking she had to administer aid because she is a nurse. She later asked an officer on the scene if any police officers had been shot because she was concerned.

H■■■ did not have any other details as it related to the incident. The interview was completed, and H■■■ left the police station.

End of report.

NARRATIVE ShotSpotter Information On 12/26/19, I Detective Kelly Zielinski, received an email from Milwaukee Police Officer Roberto Hernandez, who is assigned to MPD's Fusion Division. Hernandez informed me that he recently received the Detailed Forensic Report (DFR) from ShotSpotter regarding the Milwaukee PD officer involved shooting on 12/15/2019 at 4700 W Hampton Ave. The DFR is a court-admissible document that shows the exact timing, sequence, and location of each shot fired. It is prepared by ShotSpotter's forensic engineers and takes a significant time to create. Hernandez informed me he submitted a supplementary report (MPD Case 19-3490122) regarding the ShotSpotter data and placed a CD copy of the data on MPD inventory 19043312. Hernandez later provided me a copy of the CD. I entered the CD into property as evidence (19-20-000126-1) and uploaded the information to the Wauwatosa Police Department's secure server.

NARRATIVE

On 03-13-2020, I received documentation from the Milwaukee County Medical Examiner's Office regarding the death of Kean J. Walker M/W ■■■■■-96. The documents include the Autopsy Protocol, the Demographic Report, and the Toxicology Report. Copies of the reports were scanned and attached to this report.

Also on 03-13-2020, I received an e-mail from the Milwaukee County District Attorney's Office regarding the Officer Involved Shooting of Kean Walker. Milwaukee County District Attorney John Chisholm found that the Officers involved in this incident were legally privileged in their actions and he was closing the criminal investigation. A copy of the letter from DA Chisholm is attached to this report.

All of the documents were saved to the Wauwatosa Police Department's Secure Server. All materials related to this investigation were copied and turned over to MPD Homicide Capt. Tom Casper.

The following findings reflect the professional opinion of the examiner authoring this report.

The Smith & Wesson model SD9VE, 9mm caliber, semi-automatic pistol, serial number [REDACTED] (Item A1), was examined, test fired, and found to be mechanically functional.

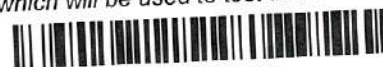

Examination of Items A2 and A3a through A3h revealed nine (9) unfired 9mm caliber cartridges with no misfires.

Examination of Item A3 revealed one (1) magazine that fits and functions in Item A1.

The Sig Sauer model P320, 9mm caliber, semi-automatic pistol, serial number 58H105959 (Item AW), was examined, test fired, and found to be mechanically functional.

Examination of Items O, P, V through AD, AH through AK, AQ, AS through AU & BC revealed twenty (20) fired 9mm caliber cartridge cases.

Microscopic examination of Items O, P, V through AD, AH through AK, AQ, AS through AU & BC with test fired cartridge cases from Item AW revealed Items O, P, V through AD, AH through AK, AQ, AS through AU & BC were fired in the submitted Sig Sauer semi-automatic pistol (Item AW).

Examination of the five (5) fired jacketed hollow point bullets (Items AM, AO, BB, BD & BE) revealed they are 9mm caliber and fired through a firearm barrel rifled with six (6) lands and grooves with a right-hand twist.

Examination of the one (1) fired jacketed hollow point bullet (Item AZ1) revealed it is 9mm caliber and fired through a firearm barrel with a right-hand twist.

Examination of the two (2) fired jacketed bullet fragments (Items AN1 & AZ2) revealed they are fired through a firearm barrel.

Microscopic examination of Items AM, AN1, AO, AZ1 & AZ2, BB, BD and BE) with test fired bullets from Item AW revealed Items AM, AN1, AO, AZ1 & AZ2, BB, BD and BE were fired through the barrel of the submitted Sig Sauer semi-automatic pistol (Item AW).

The Sig Sauer model P320, 9mm caliber, semi-automatic pistol, serial number [REDACTED] (Item AX), was examined, test fired, and found to be mechanically functional.

Examination of Items I through N & AR revealed seven (7) fired 9mm caliber cartridge cases.

Microscopic examination of Items I through N & AR with test fired cartridge cases from Item AX revealed Items I through N & AR were fired in the submitted Sig Sauer semi-automatic pistol (Item AX).

The Sig Sauer model P320, 9mm caliber, semi-automatic pistol, serial number [REDACTED] (Item AY), was examined, test fired, and found to be mechanically functional.

Examination of Items Q through U & AE through AG revealed eight (8) fired 9mm caliber cartridge cases.

Microscopic examination of Items Q through U & AE through AG with test fired cartridge cases from Item AY revealed Items Q through U & AE through AG were fired in the submitted Sig Sauer semi-automatic pistol (Item AY).

Examination of the four (4) fired jacketed bullet fragments (Items AP1 & AP2 and BA1 & BA2).

Microscopic examination of Items AP1 & AP2, BA1 & BA2 with the test fired bullets from Items AW, AX & AY revealed a general correspondence in rifling class; however, Items AP1 & AP2, BA1 & BA2 could not be identified or eliminated as being fired through any of the barrels of the submitted Sig Sauer semi-automatic pistols (Item AW, AX & AY) due to impact and/or penetration damage.

Examination of Item AN2 revealed one (1) fired jacketed bullet fragment, and one (1) lead bullet core (Item AV) that are not suitable for further firearm identification comparison.

Examination of Item AL revealed six (6) tape lifts (Item AL1) and one (1) black plastic cutout (Item AL2) from the front bumper of MPD Squad #507 with (1) hole present.

Visual examination of Item AL1 revealed the presence of small lead fragments, none of which are suitable for further firearm identification comparison.

The hole observed in Item AL2 is consistent with being caused by the passage of a bullet. No other examinations were performed at this time.

Items Submitted

The following items were submitted for friction ridge analysis:

- A1 One Smith and Wesson SD9VE handgun.
- A2 One round of ammunition.
- A3 One magazine containing eight rounds of ammunition (A3a through A3h).
- B One round of ammunition.

Items A1, A2, A3, A3a through A3h, and B were physically and/or chemically processed and visually examined for friction ridge detail.

The examination of Items A1, A2, A3, A3a through A3h, and B revealed no friction ridge detail that was suitable for comparison.

SUPPLEMENTAL RECONSTRUCTION REPORT

CASE NUMBER: 2019-442-SER

REPORTING RECONSTRUCTIONIST: Trooper Michael Smith

REGIONAL CASE NUMBER: CFS 000142-9672

INCIDENT TYPE: Officer Involved Shooting

**(800) 375-7302
December 15, 2019**

- FORWARD -

Crime Reconstruction is a comprehensive subject with many facets and specialty fields. The primary responsibility of the investigation is to document and preserve all available physical evidence. The following reconstruction is limited to the subjects stated herein. The author and the Wisconsin State Patrol reserve the right to conduct a more extensive analysis of the available material on a later date as necessity dictates.

REQUEST FOR ASSISTANCE:

On December 15, 2019, at approximately 10:00 p.m. I was contacted by Wisconsin State Patrol Southeast Communications Center. I was requested to respond to an officer involved shooting that occurred near the intersection of W. Hampton Avenue and 47th Street in the City of Milwaukee. I arrived at the scene at approximately 11:45 p.m. and met with Forensic Scientist Christopher Johnson from the State Crime Laboratory.

I was informed that Police Officers from the City of Milwaukee were in pursuit of a vehicle prior to the shooting. The vehicle struck a parked car and then stopped at the intersection of W. Hampton Avenue and 47th Street. The suspect exited his vehicle with a gun and fired at Milwaukee Police Officers. Several shots were fired by police officers as a result of the incident. Forensic Scientist Johnson requested a forensic mapping of the area surrounding the incident.

FORENSIC MAPPING OF THE SCENE

Trooper Scott Darin and I performed a detailed mapping using a Trimble S6 Robotic Total Station. The total station is an electronic survey instrument that is composed of a theodolite (angle measuring system), an EDM (electronic distance measuring) system, a data collector and a prism. The Trimble S6 also has prismless capabilities, known as direct reflect technology. Additionally, the S6 has a detached data collector that communicates with the machine using a 2.4 gigahertz radio. The theodolite and EDM systems measure the angle and distance to points of interest. The measurements are stored electronically by the data collector and are later downloaded for processing. The downloaded data is imported into Computer Aided Drawing (CAD) software in order to create a scaled drawing of the crash scene. This instrument allows for data points to

be measured in three-dimensions, thereby mapping roadways, evidence locations, and contiguous terrain with a high degree of accuracy.

Included in the evidence gathered was evidentiary items identified by the Milwaukee Crime Laboratory as well as the topography surrounding the incident scene. A scale diagram is appended to this report.

CASE SUMMARY:

All documented evidence has been forwarded to Forensic Scientist Julieanne Avila. This is the end of this supplement report written on today's date, December 30, 2019.

Respectfully submitted,

Trooper Michael Smith, ACTAR 2154

Hampton Ave., including the residence impacted by gunfire 48 [REDACTED] N. 47 St., and the apartment building at 47 [REDACTED] W. Hampton Ave.

CANVASS OF 47 [REDACTED] W HAMPTON AVE

This address is a single story 10 unit apartment building. There are five apartments on the east side, where the incident took place, and five apartments on the west side. The design of the apartments is such that the apartments only have access to the side of the building the entry door to the apartment is on; each apartment is entirely on the side of the building the entry door to the apartment is on. The even number apartments were on the east side of the building and the odd numbers were on the west.

The landlord had informed us the apartment on the southeast corner of the building was empty. The southeast unit is number two. It appeared to be a day care business.

T█████ stated Hot Wives of Atlanta had just ended on TV when she heard a speeding car outside. T█████ stated it sounded like the car was going south on N. 47 St., towards W. Hampton Ave. T█████ heard gunfire, outside, after the car noise. T█████ stated there were, "more than 10," gunshots.

T█████ stated she heard her neighbor in the south unit of the duplex, "screaming and I thought someone was breaking in," to the neighbor's house. T█████ stated she looked out her front window almost immediately and saw, "the police were out there right away." T█████ stated she was watching the TV, facing west, when she heard the speeding car and the gunshots. The blinds on the windows in the living room were closed. After the gunshots, T█████ went to the back room of her house and waited.

T█████ stated she saw information about the incident being a police involved shooting on Fox 6 breaking news on her cell phone. When she saw it was a police shooting, T█████ stated, "that's when I was comfortable to come back to the front."

I asked T█████ for consent to search her apartment for bullet holes and any other related evidence. She consented and, after I explained the Consent to Search Residence form to her, T█████ signed it. I checked the interior south walls in T█████'s duplex for bullet holes with negative results. T█████ agreed to let any other officers and evidence technicians search the residence. I explained that the others might knock on her door at a later time.

CONTACT 48█████ N 47 STREET

I knocked on the door and rang the door bell at 48█████ N. 47 Street. K█████ S█████ answered the door and gave me consent to enter the house. S█████ stated she had just arrived home and had to park outside the crime scene tape. S█████ stated her daughter was home at the time of the incident. S█████ brought her daughter, T█████ P█████, to the living room to speak to me.

P█████ stated she was at home, in the front of the house. She heard two or three gunshots, a pause, and about eight more gunshots about three seconds after the first shots. P█████ stated she heard police sirens immediately after the gunshots.

P█████ stated when she heard the gunshots, she grabbed her younger sister and lay on the floor. P█████ stated she looked outside and saw the police cars with their red and blue lights on. P█████ stated her brother, J█████, 23 years of age was also home. J█████ did not want to speak to me, claiming as P█████ informed me, a migraine headache. I left a business card, asking that P█████ ask J█████ to call me when he is recuperated from his headache.

Det. Todd Kurtz Reports.....

On December 15th 2019 at approximately 11:30pm, I knocked on the address of 47 [REDACTED] W. Hampton Ave # [REDACTED] Milwaukee, WI. A [REDACTED] C [REDACTED] F/B, d.o.b. [REDACTED]-[REDACTED]-1997 answered the door and invited me inside her residence. I spoke with her in her living room. I had taken a general statement from A [REDACTED] C [REDACTED] and because she was so close to the incident and made observations immediately after the shooting, I decided to recorded the interview with her permission.

I used my West Allis Police Department Olympus digital recorder and started the recording at 11:41pm. A [REDACTED] C [REDACTED] stated she did invite me inside her residence tonight.

At about 8:00pm tonight (12-15-2019) she heard some gunshots. She was sitting in the living room at the time. A [REDACTED] C [REDACTED] heard about 10 gunshots that occurred quickly. She did hear police sirens just before the shooting. Once she heard the police sirens the shooting took place less than one minute later.

Once she heard the gunshots, A [REDACTED] C [REDACTED] ran towards the front door. When the shooting was over she looked out her living room window less than a minute later. She observed a gun on the ground. She advised it was the same gun that was on the ground at the time of this interview.

There were four police officers outside her residence when she first looked outside. They were all in uniform and it was clear they were the police. A [REDACTED] C [REDACTED] observed a male citizen laying down on the ground outside and he appeared to be hurt. He made one sound that was a sound of being hurt. When

she first looked out the window the citizen on the ground was close enough to the gun that he could have reached it. A [REDACTED] C [REDACTED] believes the police moved the gun slightly so this person was not so close to it, but she did not see that occur.

When she was observing what was occurring outside she described the police as "doing their job." An ambulance arrived about 4-5 minutes later. The personnel from the ambulance gave medical attention to the citizen on the ground and he was taken away.

A [REDACTED] C [REDACTED] stated the citizen on the ground was a male and light skin, but she did not get a good look at his face.

A [REDACTED] C [REDACTED] estimated she was approximately 11 feet away from where she was standing at her living room window to where the gun was on the ground outside.

The interview was ended at approximately 11:47pm. I provided A [REDACTED] C [REDACTED] with my business card.

I downloaded the media card into the DMS system.

VIEW OF INCIDENT

47 [REDACTED] W. Hampton Ave # [REDACTED] Milwaukee, WI, faces the east towards 47th St. When looking out A [REDACTED] C [REDACTED]'s living room picture window it was easy to see the handgun that was on the ground. The incident had taken place approximately 10-15 feet on the sidewalk in front of her residence and just to the south. As A [REDACTED] C [REDACTED] described the incident to me, I was able to stand where she was standing just after the shooting and I had a clear view.

There were some street lights apartment light that illuminated the area.

At the time of this interview, there was a pistol on the ground with orange evidence cones marking other possible evidence outside.

This report is written by Detective DiTorrice, currently assigned to SIU.

Summary

On Sunday 12/15/2019, I responded with addition officers to a MAIT call up for an officer involved shooting with MPD officers at 47th and Hampton.

Wauwatosa PD was the lead agency under Case # 19-30952 with MPD Case # 19-349-0122. West Allis was assigned to conduct canvas of the area that included the 47th Street, north of Hampton, and the apartment building of 47 [REDACTED] W. Hampton Avenue.

Contact

On 12/15/2019 at around 11:39 p.m. I made contact at the residence of 48 [REDACTED] N. 47th Street. MPD officers were already inside the residence with the tenant, and has established that there were multiple rounds that penetrated the house continuing to the inside of the residence.

I introduced myself to A [REDACTED] C [REDACTED], f/b, dob: [REDACTED]/[REDACTED]/2019 who was identified by WI Drivers License. She provided her cell phone of ([REDACTED]) [REDACTED]-[REDACTED]. A [REDACTED] works for [REDACTED] on 29th and Capitol, ([REDACTED]) [REDACTED]-[REDACTED].

A [REDACTED] lives in the residence alone, and has lived here for 6 years. The residence is a side by side duplex.

A [REDACTED] arrived home after work at around 7 or 7:05 p.m. She was standing at her kitchen sink that faces Hampton. There is a window above the sink with a decorative curtain that are kept closed. A [REDACTED] heard 4 to 7 shots that sounded

close. The shots were very close together. She also heard police sirens, and observed the blue and red lights through the curtains.

As soon as A [REDACTED] heard the shots, she dropped to her knees on the kitchen floor. She started crawling towards the front door through the living room when she heard police knocking at her door. The police were there to make sure A [REDACTED] was ok, and determine if her house was hit by pistol rounds.

A [REDACTED] did not hear any voices before or during the shots.

She identified the truck outside as belonging to her. Detective Madden had consent forms for the residence and her vehicle. I explained the forms to A [REDACTED] before providing the forms for her to read and sign.

A [REDACTED] had no additional information about the incident. She was unaware about her house being hit by bullets until the officer pointed them out.

Officer Shawn Awe, Employee # 021476m Squad 7431 was on scene when I arrived, and remained with A [REDACTED] after I cleared. Officer Awe was going to remain on scene until which time house could be processed for evidence.

Det. Todd Kurtz Reports.....

On December 16th 2019 at approximately 12:03am, I knocked on the front door of 48 [REDACTED] N. 47th St Milwaukee, WI. J [REDACTED] E [REDACTED] F/B, d.o.b. [REDACTED]-1968 invited me inside. I spoke with her inside her kitchen. J [REDACTED] E [REDACTED] stated she was in her living room on 12-15-2019 and heard a police car chase between 7:45pm and 7:50pm. She could hear a speeding car drive down her street with police sirens after it. She was in the living room with her daughter I [REDACTED] B [REDACTED] and her two grand children.

A few minutes later, she heard the police chase again. She heard the racing engine followed by police sirens towards Hampton Ave. She heard a loud car crash that sounded like it came from the area of Hampton Ave.

A few moments later she heard gunshots. There were approximately 10 gunshots that went off quickly. J [REDACTED] E [REDACTED] waited between 5-10 minutes before she looked out her side door. She observed about five police officers around a person in the ground to the west of her residence (47 [REDACTED] W. Hampton Ave). The police officers were in uniform and some of them had rubber gloves on and were

J [REDACTED] E [REDACTED] observed one police take a rifle back to his squad car after this incident was over.

J [REDACTED] E [REDACTED] stated she did not hear anything that the police said before or immediately after the shooting took place.

J [REDACTED] E [REDACTED] stated she does not have any surveillance cameras on her residence. She provided her daughter's cell phone number of [REDACTED] [REDACTED] [REDACTED].

STATEMENT - I [REDACTED] E [REDACTED] (WITNESS)

On December 12-16-2019 at approximately 2:15pm, I called I [REDACTED] E [REDACTED] F/B, d.o.b. [REDACTED]-1983 at [REDACTED] [REDACTED]. She advised she was at her mother's house (48 [REDACTED] N. 47 St) last night (12-15-2019) at approximately 8:00pm. She had received a phone call from a family member stating there was a police chase on Sherman Blvd.

A short time later, she heard a police car chase outside on 47th St. She does not know if this was the same police chase or not. A few minutes later the same police chase came close to the house again. She heard the engines racing.

I [REDACTED] E [REDACTED] heard a loud car crash near Hampton Ave and then a squad car struck some garbage cans near the front of their residence. Less than two minutes later she heard between 10-15 gunshots. The gunshots occurred quickly and they sounded like they came from a bigger gun.

I [REDACTED] E [REDACTED] immediately ran to the side door of the residence and looked to the west. She was concerned because the father to her baby (R [REDACTED] I [REDACTED]) lives close to where this incident took place (47 [REDACTED] W. Hampton Ave # [REDACTED]).

She observed four police officers in the area in uniform. The police were giving the man on the ground medical attention and one police officer was putting a rifle back in his squad car. She never heard the police or the citizen say anything.

I [REDACTED] E [REDACTED] stated she took photographs with her cell phone and she was willing to text me that photographs.

Photo Texts:

On December 16th 2019, I [REDACTED] E [REDACTED] sent me two text message photographs from the incident that occurred on 12-15-2019. These photographs were taken right after the shooting and taken from 48 [REDACTED] N. 47th St Milwaukee, WI. I [REDACTED] E [REDACTED] had taken these photographs with her cell phone.

SUMMARY**SUPPLEMENT #5**

On 01/28/2020, I, Detective Van Ells, as a member of the Milwaukee Area Investigative Team (MAIT), did interview S [REDACTED] G [REDACTED], DOB [REDACTED]/[REDACTED]/1992.

G [REDACTED] was identified as the purchaser of a firearm, described as a Smith & Wesson 9mm pistol, model SD9VE, serial # [REDACTED], which was recovered as an item of evidence during this investigation.

Please see narrative and audio recording of interview for further details.

NARRATIVE

I, Detective Van Ells, of the Waukesha Police Department, as a member of MAIT, was requested by Lieutenant Michael Schulz of the Wauwatosa Police Department to conduct follow-up related to a firearm described as a Smith & Wesson 9mm, model #SD9VE, serial # [REDACTED], that was recovered at the scene of this incident. In reviewing an "eTrace" document related to that firearm, I learned that the purchaser of the firearm was a S [REDACTED] G [REDACTED], DOB [REDACTED]/[REDACTED]/1992. Further, I learned that the Smith & Wesson firearm had been purchased by G [REDACTED] at a Dunham's Discount Sports store located at 2550 S. 108th Street, West Allis, on 10/02/2018.

Arrangements were made to interview G [REDACTED] at a Starbucks coffee shop in New Berlin, WI on 01/28/2020. Present for the interview were myself, Detective Koeppel (Waukesha Police Department), and G [REDACTED]. G [REDACTED] appeared to be alert/coherent and she did not complain of any disease, injury, or mental defect that would prevent her from conducting this interview. I did activate a recording device prior to the interview; however, it did not immediately start recording. The interview proceeded for less than five minutes when I discovered the recording error, at which time I did reactivate the recording device and a copy containing the balance of the interview will be included as an attachment to this report.

The following is a summary of information learned in the interview of S [REDACTED] G [REDACTED]. For full interview details, please refer to the attached audio recording. I would note that, initially, G [REDACTED] did provide false information regarding the purchase of the firearm, specifically that G [REDACTED] did not buy the firearm for Keene Walker on 10/02/2018 and that Walker had used the threat of a knife to force G [REDACTED] to buy the firearm, and those details are also included on the audio recording.

S [REDACTED] G [REDACTED] advised that she has known Keen J. Walker, DOB [REDACTED]/1996, since approximately 2011 and that she has maintained periodic contact with Walker since then. G [REDACTED] states that on or about 10/02/2018, Keen Walker did ask her to buy a firearm for him. G [REDACTED] states that Walker did show her an online picture of the firearm that he wanted G [REDACTED] to buy at Dunham's Sporting Goods in West Allis, WI, and that it was the Smith & Wesson firearm listed on the eTrace document. G [REDACTED] states that on 10/02/2018, she did drive Walker in G [REDACTED]'s vehicle to Dunham's Sporting Goods in West Allis, WI, and that they were the only two in G [REDACTED]'s vehicle. G [REDACTED] states that Walker gave her \$800 in cash to buy the firearm and that Walker remained in the vehicle. G [REDACTED] states she used her own identification to fill out the background paperwork for the firearm purchase and after being approved, G [REDACTED] paid approximately \$500 for the firearm. G [REDACTED] states that Walker told her to keep the remaining \$300 of the \$800 that he gave her as payment for buying the firearm. G [REDACTED] states that she gave the firearm directly to Walker following its purchase and that G [REDACTED] has not seen the firearm since 10/02/2018.

Following G [REDACTED] leaving the interview, I did recontact G [REDACTED] via cell phone to ask her a follow-up question that was not asked during the interview. I did ask G [REDACTED] why Walker asked her to purchase the firearm. G [REDACTED] stated that Walker asked her to buy the firearm for him because Walker did not have identification to fill out the background paperwork. G [REDACTED] denied knowledge that Walker was a convicted felon or was legally prohibited from purchasing a firearm.

This ends my involvement in this investigation.

NARRATIVE On Sunday, 12/15/19, at approximately 2108 hours, the Milwaukee Area Investigative Team conducted a call out Mutual Aid request for investigative assistance with an officer involved shooting incident. Team members were directed to N 47 St at W Hampton Ave, Milwaukee, Wisconsin, 53218. The City of Wauwatosa Police Department was designated as the lead investigative agency. This report is linked to Milwaukee Police Department # 19-349-0122 and Wauwatosa Police Department # 19-30952. Upon our arrival to the command post at 2235 hours, SGT JEREMY FADNESS and I met with team members. Once the debrief was completed, we were directed to obtain squad video from this incident. The squad video was downloaded at Milwaukee Police Department (MPD) District 3. MPD Officers involved in this incident are: <u>SQUAD ASSIGNMENT # 7282, PATROL VEHICLE # 507</u> Driver- MPD OFC ANDREW L LANGER Passenger- MPD OFC ROBERT A GUETCHIDJIAN <u>SQUAD ASSIGNMENT # 7286, PATROL VEHICLE # 549</u> Driver- MPD OFC PETER HAUSER (single officer car) The suspect was identified as, KEAN J WALKER, M/W, [REDACTED]/96. At District 3, SGT DOUGLAS WIOREK assisted this investigation by downloading squad video. SGT WIOREK also printed out CAD call details for this incident. On Monday, 12/16/19, at approximately 0145 hours, I received squad video from vehicle #507 from SGT WIOREK. With the squad video SGT WIOREK also turned over to me the evidence audit trail print out for Vehicle # 507 video. I also received the CAD call details. SGT WIOREK was still in the process of obtaining other vehicle squad videos. At approximately 1348 hours, I responded back to MPD District 3 to view and obtain more squad video. MPD utilizes video software, evidence.com, to view their squad video. The video can be viewed without the software. When utilizing the software the video gives metadata which includes vehicle speed in miles per hour, GPS location and creates a path of travel or route for the pursuit. (It should be noted the time stamps on the squad video are in UTC,

New Incident:	Original CFS Code - 1:	New CFS Code -1 :	New CFS Code - 2:
NARRATIVE Sunday December 15th, 2019 On the above date, at approximately 9:15 p.m. I received notification of an officer involved shooting which occurred in the City of Milwaukee. A request for assistance was made through the Milwaukee Area Investigative Team and I responded to assist in the investigation of the incident. At approximately 9:50 p.m. I arrived at the command post and met with Lt. Mike Schultz of the Wauwatosa Police Department, the lead MAIT investigative agency for this critical incident. Other investigators arrived on scene and a briefing surrounding the incident was provided by members of the Milwaukee Police Department. We learned a subject named Kean J WALKER, m/w, ■■■/■■■/1996 was involved in a brief pursuit with the Milwaukee Police Department where he crashed his vehicle. After crashing, WALKER allegedly exited his vehicle and attempted to flee on foot from police. At some point, WALKER pointed and fired a gun at the responding officers who returned fire. WALKER was struck by the gunfire and transported to Froedert Hospital. Investigative tasks were assigned and Captain Lindstrom and I were assigned to complete a notification to the suspects next of kin. At approximately 10:54 p.m., WALKER was pronounced deceased at Froedert Hospital. I completed a search of a law enforcement database and concluded WALKER's parents were likely J■■■ ■■■■ W■■■ and D■■■ ■■ J■■■. Based on the addresses provided it appeared Kean lived with J■■■ at 93■■ W. Arch Avenue, Milwaukee, WI. Captain Lindstrom and I drove to 93■■ W. Arch Avenue where we met members of the Milwaukee Police Department, Special Investigations Division (SID). Captain Lindstrom and I made contact with a female at the residence who identified herself as J■■■. We informed J■■■ her son was involved in an incident with the Milwaukee Police Department and that he had died as a result of the incident. J■■■ said Kean had the little property he owned at her residence and had a room there. She said the last time he spent the night was two nights prior. She had no knowledge of where he stayed when he was not at her residence. J■■■ said she saw Kean on December 15th, at her house. She said she believed he left her house some time between 6:00 or 7:00 p.m. J■■■ said Kean was driving a silver Acura that, she believed, belonged to a friend of his. J■■■ said she did not know or see Kean with firearms but said she would not be surprised if he did. She described him as a "thug" and that he lived a

"thug" lifestyle, however, she would not provide any further description of what she meant by her description of his "thug" lifestyle. J█████ contacted J█████ W█████, Kean's father and he later arrived at J█████'s residence.

I spoke with J█████ W█████ and he also described Kean as being involved in the "thug" lifestyle. J█████ said Kean was involved with guns and marijuana and said he believed Kean had kept guns in his room at J█████'s residence in the past. J█████ Walker said the last time he talked with Kean as November 26th, 2019 when they had a text conversation. J█████ did not recall the last time he actually saw Kean in person.

Both J█████ and J█████ W█████ indicated Kean had a son with someone named I█████ M█████. J█████ W█████ said Kean and I█████ had a fight in the recent past. J█████ requested we do not contact I█████ and that she would notify I█████ and Kean's son of Kean's death.

After we completed speaking with J█████ and J█████ W█████ members of the Milwaukee Police Department completed a search of Kean's room related to a prior, ongoing investigation unrelated to this incident. Once that search was completed, we provided J█████ and J█████ W█████ our contact information for any additional questions or information related to the ongoing investigation into the critical incident. After there were no additional questions, Captain Lindstrom and I departed the residence.

There is no additional information to provide at this time.

SYNOPSIS

A 23 year old male was involved in a vehicle pursuit with the Milwaukee Police. After striking multiple objects, the decedent exited his vehicle and attempted to flee on foot. While running, he attempted to shoot at the officers multiple times. The Milwaukee Police Officers fired at the decedent striking him several times. He was transported to Froedtert Hospital where he later died. TK

DESCRIPTION OF INCIDENT

On 12/15/2019 at 2300 hours, Milwaukee Police Det. Michael Tanem reported the death of Walker J. Kean (later updated to Kean J. Walker), W/M, DOB: [REDACTED] 1996, residing at 93 [REDACTED] W. Arch Ave. Milwaukee, Wisconsin 53224. Det. Tanem reported the decedent was involved in an officer involved incident at 4700 W. Stark Ave Milwaukee, Wisconsin 53218 (later updated to 4700 W. Hampton Ave. Milwaukee, Wisconsin). Det. Tanem stated he only had preliminary circumstances. The incident began on 12/15/2019 at 2000 hours. The decedent was armed and fleeing on foot from the Milwaukee Police Officers. It was unknown why he was attempting to flee from the police. The decedent began to shoot at the officers and they returned fire. He was struck multiple times and was transported to Froedtert Hospital. He arrived at the hospital at 2035 hours. Det. Tanem stated time of death was pronounced at 2255 hours. It was believed he was shot three times in the head and multiple times in his lower extremities.

I was informed the District Attorney was notified of the death. The scene was still active. Det. Tanem stated the Wauwatosa Police Department would be investigating the incident. I requested a doctor from Froedtert call to also report the death and Det. Tanem voiced his understanding. TK

On 12/15/2019 at 2310 hours, Froedtert Hospital S-ICU Dr. Arielle Thomas provided the following updated information. The decedent was admitted under the name Jaguar M. Doe (MRN: [REDACTED]) and he had another MRN: [REDACTED] from a previous encounter.

While on scene, EMS (emergency medical services) attempted resuscitation with a king airway placement, an IO (intraosseous line) placement, and CPR. He arrived at the Froedtert Emergency Room at 2037 hours. He did not have pulses when he arrived and a thoracotomy was performed and pulses were regained. Dr. Thomas stated he had multiple gunshot wounds to his lower extremities, three gunshot wounds to his head, and one to his chest. He was started on the massive transfusion protocol and was given 15 units of packed red blood cells, 4 units of platelets, 35 units of plasma, and 4 units of cryoprecipitate.

He was transferred to the operating room where an exploratory laparotomy was performed and nothing was found in the abdomen. An exploratory surgery of a gunshot wound to his right lower leg was also performed and his right femoral vein was tied off. A wound VAC was used to close both incisions and he was transferred to the S-ICU at 2240 hours. Dr. Thomas stated due to the gunshot wounds to his head, the decedent had brain matter exposure. No CT (computed tomography) scans were performed. He continued to decline and death was pronounced at 2255 by Dr. Arielle Thomas. TK

On 12/15/2019 at 2330 hours, Det. Tanem called with an update regarding the circumstances of the incident. The decedent's name was Kean J. Walker NOT Walker J. Kean. He stated on 12/15/2019, the decedent was involved in a minor car accident at 4700 W. Stark Ave. When police arrived, he exited the vehicle and began to shoot at the police. The officers returned fire and shot the decedent multiple times. TK

On 12/15/2019 at 2355 hours, while on scene at 4700 W. Hampton Ave., I spoke with Wauwatosa Police Lt. Michael Schultz who provided the following updated information. The incident initially began at 2002 hours, when a Milwaukee Police squad attempted to make a traffic stop on the decedent due to reckless driving. The decedent did not stop and began to flee in his vehicle. This began on West Villard Avenue and North Sherman Boulevard. The decedent drove and was going west on West Hampton Avenue when he lost control of his vehicle. He hit a parked car on the north side of the road, went on the sidewalk, struck a bus sign and fire hydrant before coming to stop on the corner of West Hampton Ave and North 47th Street.

Two police squads also stopped near the vehicle and saw that the decedent attempted to flee on foot. He was running north bound near an apartment complex while shooting at the police. The officers pursued the decedent on foot and returned fire, striking him

multiple times. I was informed there were three officers involved in the incident. Two were in one squad and a single officer was in the second squad. Both police vehicles had bullet defects in them. Lt. Schultz stated the officers fired a total of 39 rounds. All the police weapons were Smith and Wesson 9mm semiautomatic. I requested a copy of all photos and any video found from the incident. TK

On 12/16/2019 at 0335 hours, antemortem specimens were placed on hold at WI Diagnostics. TK

On 12/16/2019, I emailed Sue Williams with the Milwaukee Fire Department and requested the EMS report. TK
12/16/2019 an EMS run report was received and attached with the case. HD

On 2-3-2019 I requested a police report from Detective Donovan at Wauwatosa. G. Penn

SCENE VISIT

On 12/15/2019 at 2355 hours, I arrived at 4700 W. Hampton Ave. Milwaukee, Wisconsin 53224 and met Wauwatosa Lt. Michael Schultz, Department of Justice Det. Chris Johnson, and multiple uniformed police officers. The scene was outside on the corner of N 47th St. and W. Hampton Ave. near Stark Food II. I was told the scene was still being processed by the Wauwatosa Police and the Department of Justice and was only able to obtain overall photos.

A Toyota Camry was noted on the north side of W. Hampton Ave. It appeared the decedent sideswiped the vehicle when he was being pursued. The Camry had moderate damage to the back right tire and back passenger door. The tire was completely exposed as the wheel well was damaged and the passenger door had scuff marks on it. The decedent's vehicle appeared to continue west on the sidewalk as tire marks were noted to the road verge. A head light was seen in the road, near the curb slightly west of the parked Camry. A bus stop sign, "No Parking" sign, and fire hydrant were also noted to be damaged. The bus sign was bent near the bottom and the "No Parking" sign had been removed from the sidewalk and was laying to the north of the bus stop sign. The fire hydrant was found near the decedent's vehicle. The hydrant was originally near the bus stop sign and "No Parking" sign.

The decedent was vehicle (2003 silver Acura 3.2TL, License: [REDACTED] VIN: [REDACTED]) was observed on the North side of West Hampton Ave. and North 47th Street. It came to rest on the sidewalk and the drivers side door was open. The front end of the vehicle had significant damage with the bumper and left headlight removed. The passenger side tire also appeared damaged. One police squad vehicle was observed to the east of the decedent's vehicle and the second was to the north of both vehicles. The police vehicles were black 2017 Ford Explorers.

To the west of the vehicles, an apartment complex was noted. I was told the decedent ran towards the complex when he was fleeing from the police. Multiple orange police cones were seen coming from the vehicles towards the apartment complex. The orange cones stopped next to the complex and the decedent's shoes were observed on the ground.

The decedent's weapon was a Smith and Wesson SD9VE 9mm semiautomatic handgun with a serial number: [REDACTED] Lt. Schultz did not have any information regarding how many bullets were in the magazine or chamber. It was currently unknown how many casings were found on scene as the scene was still being processed. All the officer's weapons were Smith and Wesson 9mm semiautomatic handguns.

On 12/16/2019 at 0200 hours, a body examination was performed at the Milwaukee Medical Examiner's Office. The decedent had been transported to this office from Froedtert Hospital via JD Davis Transport Services. He was nude when he arrived. Rigor was not observed in the extremities and he was warm to the touch. Lividity was not noted. He had ecchymosis to both eyes. Multiple penetrating wounds were found to the decedent. Three were seen to his head; one above his right eye, one below his right eye, and one to his right ear. One wound was found on his right hip, and a possible graze was seen to the left side of his abdomen. Another possible graze was found to his right lower extremity, and a wound was seen to the back of his right lower extremity. Two wounds were observed on his left lower extremity, and one wound was found to his right buttocks. One possible graze was seen to the heel of his left foot. I bagged the decedent's right and left hands at 0200 hours.

The decedent had multiple medical interventions noted. Two wound-VACs were seen, one to his abdomen and one to his right

lower extremity. A taped thoracotomy incision was seen to his chest. Gauze appeared to be packed into the wound under his right eye. An NG (nasogastric) tube was in his nose, a central line was noted, a drain was placed in his abdomen, and a catheter was in place. TK

FAMILY CONTACT

On Dec 16, 2019 at 0345 hours, Taylor Kroes, D-ABMDI of the Medical Examiner's Office spoke to the decedent's father, J [REDACTED] W [REDACTED], and obtained the following information:

I offered J [REDACTED] and D [REDACTED] my condolences and explained the role of the Medical Examiner's Office. J [REDACTED] stated he last spoke with the decedent on 12/14/2019. He told J [REDACTED] at that time, he was fighting with his ex-girlfriend. He spoke with his mother on 12/15/2019 in the afternoon. He had no complaints at that time. J [REDACTED] told me Kean would use marijuana and was diagnosed with bipolar disorder, attention deficit hyperactive disorder, and anxiety since he was about 9-10 years old.

J [REDACTED] told me he did not believe the decedent would shoot at three police officers. He stated the incident did not make any sense and that he hoped the death was investigated to his satisfaction. I informed him of the non disclosure placed on the case and he voiced his understanding. He requested a copy of the Medical Examiner reports once they were completed.

Family will be working on choosing a funeral home in the near future. TK

No petechial hemorrhages are on the oral mucosa. **EARS:** The ears are normally formed and unremarkable. **FACE:** No petechial hemorrhages are on the facial skin. The decedent wears a short, thin, brown mustache and beard.

NECK:

The neck organs are in the normal midline position and appear unremarkable.

CHEST:

The thorax is well developed and symmetrical.

ABDOMEN:

The abdomen is flat.

GENITALIA:

The external genitalia are those of a normal adult male and are unremarkable. The testes are bilaterally descended in the scrotum.

ANUS:

The anus is unremarkable.

EXTREMITIES:

UPPER EXTREMITIES: The upper extremities are well developed and symmetrical without absence of digits. The fingernails are short and intact. **LOWER EXTREMITIES:** The lower extremities are well developed and symmetrical without absence of digits.

BACK:

The spine is normally formed and the surface of the back is without lesions.

IDENTIFYING MARKS, SCARS, AND TATTOOS:

On the head, neck, chest, abdomen and upper extremities are numerous intricate tattoos.

EVIDENCE OF MEDICAL INTERVENTION:

Evidence of acute medical intervention includes: endotracheal tube; catheter in upper left chest with extensive hemorrhage over anterior neck muscles; chest tube in left 6th intercostal space; 10 inch midline incision closed with adhesive surgical dressing; 12 inch incision in the left chest (4th intercostal space) closed with multiple surgical clamps; hemorrhage around thoracic aorta; 8 inch incision on anterior right thigh with ligation of right femoral vein and closed with adhesive surgical dressing; multiple adhesive dressings on face; intraosseous catheter in left leg; and intravascular catheters in the right antecubital fossa, anterior right wrist and posterior left wrist; and a urinary catheter.

EVIDENCE OF INJURY:

MULTIPLE GUNSHOT WOUNDS:

I. PENETRATING GUNSHOT WOUND OF HEAD, INDETERMINATE RANGE

ENTRANCE: On the right cheek, 5-1/4 inches below the top of the head and 3-1/4 inches right of the anterior midline, is a 1/4 inch round defect (4) with an up to 1/4 inch red marginal abrasion at the 4 to 8 o'clock positions. A 1/8 inch laceration extends from the 10 o'clock position. No soot, stippling or

gunpowder particles are associated with this entrance gunshot wound. This wound has been partially closed by surgical suture.

EXIT: None

PROJECTILE: Recovered from the brain near the vertex (top of head) is a 104 grain deformed copper-colored and grey metal jacketed projectile.

PATHWAY: The hemorrhagic wound pathway sequentially perforates the skin and soft tissue of the right cheek, right facial and sinus bones, right frontal bone, dura, brain (extensive laceration of right frontal and temporal lobes with purple contusion), right parietal lobe and dura and fracture of right parietal bone.

ASSOCIATED INJURIES: Associated injuries include hemorrhage and laceration along the wound pathway, thin films of subdural and subarachnoid hemorrhage and multiple fractures of skull and facial bones.

TRAJECTORY: The trajectory is front-to-back, slightly right-to-left and upward.

II. **PENETRATING GUNSHOT WOUND OF HEAD, INDETERMINATE RANGE**

ENTRANCE: On the pinna of the right ear, 4-1/2 inches below the top of the head and 5-1/2 inches right of the anterior midline, is a 1/2 inch lacerated defect (5) surrounded by irregular red abrasion. No soot, stippling or gunpowder particles are associated with this entrance gunshot wound. The wound is partially closed by suture

EXIT: None

PROJECTILE: Recovered from the right temporal bone and right temporal lobe of brain (right side of head) is a 44 grain aggregate of deformed copper-colored and grey metal fragments.

PATHWAY: The hemorrhagic wound pathway sequentially perforates the skin and soft tissue of the right ear and right temple, the right temporal bone (fragmented defect), dura and penetrates the right temporal lobe of the brain (extensive laceration and purple contusion).

ASSOCIATED INJURIES: Associated injuries include hemorrhage and laceration along the wound pathway, thin films of subdural and subarachnoid hemorrhage and extensive fractures of the right temporal and right frontal skull. On the pre-auricular skin is a 1 x 1/2 inch blue contusion/ecchymosis.

TRAJECTORY: The trajectory is front-to-back, right-to-left and upward.

III. PENETRATING GUNSHOT WOUND OF LEFT BUTTOCK, INDETERMINATE RANGE:

ENTRANCE: On the inferior medial left buttock, 29-1/4 inches above the left heel, is a 1/2 inch round defect (3) without marginal abrasion. No soot, stippling or gunpowder particles are associated with this entrance gunshot wound.

EXIT: None

PROJECTILE: Recovered from the soft tissue of the left hip is a 124 grain copper-colored and grey metal jacketed projectile.

PATHWAY: The hemorrhagic wound pathway sequentially perforates the skin and soft tissue of the right flank.

ASSOCIATED INJURIES: Associated injuries include hemorrhage and laceration along the wound pathway and 1-1/2 purple contusion of the skin along the superior border of the entrance gunshot wound.

TRAJECTORY: The trajectory is back-to-front, right-to-left and upward.

IV. PERFORATING GUNSHOT WOUND OF RIGHT FLANK, INDETERMINATE RANGE:

ENTRANCE: On the right buttock, 29-3/4 inches below the top of the head and 4 inches right of the posterior midline, is a 1/4 inch round defect (2) surrounded by a 1/16 inch red marginal abrasion and faint purple contusion. No soot, stippling or gunpowder particles are associated with this entrance gunshot wound.

EXIT: On the right hip of the abdomen, 31 inches below the top of the head and 7 inches right of the anterior midline is a 1/2 inch lacerated defect (6) surrounded by purple contusion. At the 6 to 12 o'clock position is a 1/16 to 1/8 inch red abrasion.

PROJECTILE: None

PATHWAY: The hemorrhagic wound pathway sequentially perforates the skin and soft tissue of the right flank.

ASSOCIATED INJURIES: Associated injuries include: hemorrhage and laceration along the wound pathway. At the 3 o'clock position is a 1 x 1/2 inch discontinuous purple contusion.

TRAJECTORY: The trajectory is back-to-front, left-to-right and downward.

V. PERFORATING GUNSHOT WOUND OF LEFT THIGH, INDETERMINATE RANGE

ENTRANCE: On the anterior/medial left thigh, 25 inches above the left heel, is a 1/4 inch round defect (8) with a 1/2 inch long laceration at the 7 o'clock position and an irregular red-pink abraded border. No soot, stippling or gunpowder particles are associated with this gunshot wound. Extending from the 2 o'clock position is a curved 3 x 1/8 inch red abrasion.

EXIT: On the anterior left thigh, 29-3/4 inches above the left heel, is a 3/4 inch lacerated defect (7) with a thin dark red abraded border.

PROJECTILE: None

PATHWAY: The hemorrhagic wound pathway includes the skin and soft tissue of the anterior left thigh.

ASSOCIATED INJURIES: Associated injuries include hemorrhage and laceration along the wound pathway. Surrounding both the entrance and exit gunshot wounds is a 10 x 4 inch green and purple contusion. On the posterior/medial right thigh is a 1- 1/2 x 1/2 inch red-pink lacerated graze gunshot wound. On the left side of the scrotum is a 1 inch purple contusion. The surface of the left testicle is purple and contused.

TRAJECTORY: The trajectory is slight back-to-front, right-to left, and upward.

VI. PERFORATING GUNSHOT WOUND OF RIGHT THIGH, INDETERMINATE RANGE, STATUS POST SURGICAL INTERVENTION

ENTRANCE: On the posterior right thigh, 20-14 inches above the right heel, is a 1/4 inch round defect (1) surrounded by a 1 inch red and blue-purple contusion. No marginal abrasion, soot, stippling, gunpowder particles or marginal abrasion are associated with this gunshot wound.

EXIT: On the anterior right thigh, 24 inches above the right heel, is a 1/4 inch lacerated defect that is bisected by a surgical incision (9).

PROJECTILE: None

PATHWAY: The hemorrhagic wound pathway includes the skin and soft tissue of the right thigh and the right femoral vein, status post surgical ligation.

ASSOCIATED INJURIES: Associated injuries include hemorrhage and laceration along the wound pathway.

TRAJECTORY: The trajectory is back-to-front and upward with no significant right/left deviation.

RADIOGRAPHS:

Multiple radiographs of the head, torso, pelvis and extremities reveal radiopaque shadows consistent with the recovered projectiles in the head and left hip and fractures of the skull.

BLUNT FORCE INJURIES:

On the right side of the forehead is a 1-1/4 x 3/4 inch red lacerated abrasion. In the right eyebrow is a 1-1/2 inch irregular laceration surrounded by a 1 inch red abrasion. Surrounding the right eye is dark purple contusion/ecchymosis. On the nose is a 1-1/2 inch discontinuous red abrasion. On the right side of the jaw is a 4 x 1 inch irregular red abrasion. On the right cheek and temple is a 5 x 3 inch blue contusion (surrounds Gunshot Wound 4). Within this contusion, on the right temple is a 2 x 1/12 inch red abrasion with a 1/2 inch superficial laceration. The mucosa of the right side of the lower lip is purple and contused. On the mucosa of the left side of the lower lip is a 1/4 inch red abrasion.

On the right shoulder is a 1 inch purple contusion. On the left side of the abdomen is a 1-1/2 inch dried red abrasion surrounded by purple contusion. On the right hip/buttock is a 4 x 4 inch purple contusion. The posterior right hand is covered by purple contusion/ecchymosis. On the anterior/medial right thigh are a 4 x 2 inch red-purple and blue contusion and a 3 x 2 inch blue contusion. On the left knee is a 1-1/2 inch discontinuous red-tan abrasion. On the left heel is a 1/2 inch laceration. Scattered over the remaining body surfaces are multiple 1/16 to 1/4 inch red abrasions.

GENERAL INTERNAL EXAMINATION:

The body is opened with a routine thoracoabdominal incision. The skeletal muscle is red-brown and smooth.

BODY CAVITIES:

Injuries and medical intervention are described in the sections above. All organs are in normal anatomic positions.

HEAD:

Injuries are described in "Evidence of Injury". **BRAIN:** The brain weighs 1300 grams. Injuries are described in "Evidence of Injury". The dura mater and falx cerebri are intact, and not adherent to the brain. The leptomeninges are thin and transparent. The

cerebral hemispheres are symmetrical with a normal gyral pattern. The structures at the base of the brain, including cranial nerves and blood vessels, are free of abnormality. Sections of the cerebral hemispheres reveal injuries but no natural disease of the cortex, subcortical white matter, or deep brain parenchyma. The cerebral ventricles are of normal size and configuration. The brainstem and cerebellum are unremarkable.

NECK:

Examination of the soft tissues of the neck, including strap muscles and large vessels, reveals no abnormalities, except for extensive superficial hemorrhage. The hyoid bone and thyroid cartilage are intact. The laryngeal mucosa is unremarkable. The tongue is normal.

CARDIOVASCULAR SYSTEM:

HEART: The heart weighs 310 grams. The pericardial surfaces are smooth and glistening. The coronary arteries arise normally and follow the distribution of a right-dominant pattern with no significant atherosclerosis. The ventricles are not dilated. The chambers and valves are proportionate. The valves are normally formed, thin and pliable and free of vegetations and degenerative changes. The myocardium is red-brown and firm without erythema, pallor, softening or fibrosis. **BLOOD VESSELS:** The aorta and its major branches arise normally and follow the usual course with no significant atherosclerosis. The orifices of the major aortic vascular branches are patent. The vena cava and its major tributaries are patent and return to the heart in the usual distribution and are unremarkable.

RESPIRATORY SYSTEM:

The right and left lungs weigh 820 and 670 grams, respectively. The upper and lower airways are unobstructed. The mucosal surfaces are smooth and yellow-tan. The pleural surfaces are smooth, glistening and unremarkable. The pulmonary parenchyma is dark red-purple, and the cut surfaces exude marked amounts of blood and frothy fluid. The pulmonary arteries are normally developed and unremarkable. There is no saddle embolus on *in situ* examination of the pulmonary trunk.

LIVER AND BILIARY SYSTEM:

LIVER: The liver weighs 1330 grams. The hepatic capsule is smooth, glistening, and intact, covering red-purple homogeneous parenchyma. **GALLBLADDER:** A thin-walled gallbladder contains tan bile without gallstones.

GASTROINTESTINAL TRACT:

ESOPHAGUS: The esophagus is lined by a gray-white smooth mucosa. **STOMACH:** The gastroesophageal junction is unremarkable. The gastric mucosa is arranged in the usual rugae, and the lumen contains 300 mL of red-brown fluid with partially digested food fragments. **SMALL AND LARGE INTESTINE:** The small and large intestines have uniform dimensions and are unremarkable. The vermiform appendix is present. There are no diverticula or externally obvious masses.

PANCREAS:

The pancreas has a normal size, shape, position, and tan lobulated parenchyma.

GENITOURINARY TRACT:

KIDNEYS: The right and left kidneys weigh 140 grams, each. The renal capsules are smooth, thin, semitransparent, and strip with ease from the underlying smooth, pale, firm, cortical surfaces. The cortices and medullary pyramids are distinct. The calyces, pelves, and ureters are non-dilated and free of stones. **URINARY BLADDER:** The urinary bladder is empty. The bladder mucosa is gray-tan and smooth. **MALE INTERNAL GENITALIA:** The prostate has a tan cut surface and is not enlarged.

RETICULOENDOTHELIAL SYSTEM:

SPLEEN: The spleen weighs 100 grams and has a smooth, intact capsule covering red-purple, moderately firm parenchyma. The splenic white pulp is grossly unremarkable. **LYMPH NODES:** The regional lymph nodes are unremarkable.

ENDOCRINE SYSTEM:

THYROID GLAND: The thyroid gland is of normal position, size and texture. **ADRENAL GLANDS:** The adrenal glands have normal cut surfaces with yellow cortices and brown medullae with the expected corticomedullary ratio.

MUSCULOSKELETAL SYSTEM:

The bony framework, supporting musculature, and soft tissues are not unusual, except for injuries. The cervical spinal column is stable on internal palpation. Dissection of the soft tissues of the posterior neck, posterior torso and extremities reveals hemorrhage associated with medical intervention and previously described injuries but no other abnormalities.

SPECIMENS:

At the time of autopsy, DNA card, tissue in formalin, brain, liver, vitreous fluid, gastric contents and cardiac blood are retained.

EVIDENCE:

Evidence collected during autopsy includes elastic hair tie, earrings, projectiles, swabs of fingernails, head hair, bags from hands, and DNA card.

SUMMARY

Supplement #2

On Sunday, 12/15/2019, I, Detective Aurelio Serrano with the Waukesha Police Department, as part of the Milwaukee Area Investigative Team (MAIT), assisted in a death investigation at N. 47th St. and W. Hampton Ave. in the City of Milwaukee, pursuant to Wisconsin State Statute 175.41(3). Myself and Captain Wagner interview Milwaukee Fire Department personnel, identified as Alana Sayeg and Lieutenant Jeffery Frietag. Frietag's interview was recorded successfully; a copy of the audio interview was placed under inventory. A copy of the recording should be attached this supplement to be forwarded with the entire report upon its completion.

NARRATIVE

On Sunday, 12/15/2019, I, Detective Serrano, together with Captain Wagner, Lieutenant Rice and Detective Stucker responded to N. 47th St. and W. Hampton Ave. in the City of Milwaukee for a report of an officer involved shooting. Upon arrival, we met with other members of the MAIT team. Initially, we were assigned to assist with a neighborhood canvass, and after completing that assignment, we were tasked with interviewing the Milwaukee Fire Department personnel who had responded to the scene initially. Myself and Captain Wagner responded to 4060 N. 27th St., which is Milwaukee Fire Department Station 36 in order to interview firefighters that had responded on Med Engine 5. The firefighters were identified to us as Alana Sayeg and Lieutenant Jeff Frietag. We were advised that Frietag and Sayeg were still on a call and would have to be interviewed on scene as they were not able to meet with us at Station 36. Myself and Captain Wagner responded to 26██ Linwal Ln in the City of Milwaukee and met with the firefighters. It should be noted that we interviewed the firefighters individually in the back of Med Engine 5. First, we met with Alana Sayeg, who advised that she had been on the job for approximately a month and was a probationary firefighter/paramedic. Sayeg stated that she was driving Med Engine 5 at the time they were dispatched to N. 47th and Hampton Ave. She stated upon arrival that the subject who had been shot, later identified Kean J. Walker, had already been bandaged by firefighters from Engine 24 who had already been on scene. She advised that they loaded Walker onto Med Engine 5 and that herself, Lieutenant Frietag and other firefighters transported Walker to Froedtert Hospital. She advised she did not know the names of the other firefighters as she is new. She further advised that there was a Milwaukee Police Officer in the back of the ambo en route to Froedtert. She stated that they provided care for Walker and then turned over care to staff at Froedtert Hospital. She advised that at no time was Walker conscious

and did not state anything. It should be noted, I had attempted to audio record the interview with Sayeg, only to find out later that the digital voice recorder had malfunctioned and the recording was not successful.

After interviewing Sayeg, we interviewed Lieutenant Jeffery Frietag, again in the back of Med Engine 5. Frietag stated that they had been finishing a run when they were dispatched to N. 47th St. and Hampton Ave. He advised that firefighter Sayeg was driving Med Engine 5 at that time. Upon arrival, he advised that firefighters from Engine 24 had already been on scene and the subject who had been shot had been dressed. He advised that they were going to load the subject on Med Engine 5 for transport to Froedtert. Frietag stated that they had been advised that it was an officer involved shooting. He further advised from their arrival on the scene until care was turned over to Froedtert Hospital medical staff, that he did not hear any talk of what transpired the incident as his focus was on patient care. Frietag provided us with a timeline from the time they were dispatched, which was 2007 until they arrived at the hospital at 2033. It should be noted that Frietag read a report that he generated regarding their involvement with this incident. Frietag's interview was audio recorded successfully. A copy was placed under inventory and one should be forwarded with this report upon its completion. After completing the interviews, we were assigned no other tasks to complete.

This concluded our involvement with this investigation to date.

SUMMARY

On Sunday, December 15th, I, Lieutenant Kevin Rice, responded to a request from the Milwaukee Area Investigative Team (MAIT) regarding an officer-involved shooting. I responded to the intersection of Hampton Avenue and N. 47th Street in the city of Milwaukee and met with the MAIT Investigative leader regarding the investigation. I was directed to assist with a canvass of the area and interview members of Milwaukee Fire Department Engine 24.

During the canvass, myself and Detective Stucker checked on 46█ W. Hampton, which was an assisted living unit across the street from the incident. We met with a caregiver, who stated the MPD had already checked on the residents and spoke with the nurse on-duty at that time. We asked about the external camera on the west side of the building that appeared to be facing in the direction of the incident. Detective Stucker conducted additional follow-up and determined that the camera was not functional at the time of the incident. Refer to his supplement for further details.

We also checked on another apartment building at 48█ W. Hampton. There was no answer at the common door and no one was contacted at that residence. We examined the exterior of the building and did not locate any fresh bullet holes. We also noted an exterior camera by the front door but it was facing west, which would not have captured any of the incident.

Following the canvass, myself and Detective Stucker responded to Milwaukee Fire Station 24, located at 4927 W. Fiebrantz Avenue, Milwaukee. We spoke with several members of Engine 24 who responded to the scene. I spoke with Captain Brian Moore and MFD Driver Nicholas Stanley. I interviewed both subjects and below is their statement.

Captain Brian Moore was interviewed and indicated that he responded to the scene of the officer-involved shooting on Engine 24. He stated that upon arrival he was directed in by members of MPD and made patient contact shortly after arrival. He noted that there were several officers providing life-saving measures on a male who appeared to have several gunshot wounds to the head and legs. Upon further inspection, Moore indicated he observed additional gunshot wounds to the cheek and hip. Captain Moore indicated he observed a handgun lying next to the patient's head and described it as black with a silver slide. He said he was not a gun person and could not describe it any further. Captain Moore indicated that due to the patient's wounds, this was a "load and go", indicating that the patient would be transported immediately to Froedtert Hospital. Captain Moore then rode with Med 5 to the hospital. Captain Moore provided a MFD CAD Run Ticket for this call with MFD Case 191689690.

I then spoke with MFD Engine Driver Nicholas Stanley from Engine 24. Driver Stanley indicated he responded to the scene of the officer-involved shooting and provided patient care to the suspect. Driver Stanley indicated he observed the patient to have several gunshot wounds to the head and pelvic area. Driver Stanley further advised that he observed a handgun on the ground next to the patient. He described it as a black and silver handgun. Driver Stanley indicated that Med 5 transported the patient to the hospital and he followed Med 5 to Froedtert.

This ends my involvement.

SUMMARY

On Sunday, December 15, 2019, at approximately 2102 hours, I (Detective Stucker), along with Captain Wagner, Lieutenant Rice, and Detective Serrano from the Waukesha Police Department responded to assist in a death investigation located at N. 47th Street and Hampton Avenue, Milwaukee. The Waukesha Police Department was notified by the Milwaukee Area Investigative Team (MAIT), who requested our assistance in the investigation pursuant to Wisconsin Statute 175.41(3).

NARRATIVE

On Sunday, December 15, 2019, at about 2102 hours, I (Detective Stucker), Unit 406, responded to assist in an officer-involved shooting investigation that happened in the City of Milwaukee. I initially responded to the command post that was parked on Hampton Avenue/N. 47th Street in the City of Milwaukee.

I was assigned to canvass the area for any witnesses and to interview the members of the Milwaukee Fire Department that assisted in life-saving measures of the suspect, who was later identified as Kean Walker.

During the canvass, I located a security camera located on the West side of 46 Hampton Avenue. The camera was facing North, which would have recorded the incident. I spoke with the manager, S B, to see if the camera system was recording. S advised me that the camera has been broken for months and does not record.

I responded to Milwaukee Fire Department - Station 24, located at 4927 W. Fiebrantz Avenue, and interviewed firefighters Anthony Gaglione and Jesus Mercado.

Anthony indicated that he was working the green shift, from 8 am to 8 pm on Sunday, December 15, 2019, to Monday, December 16, 2019. Anthony stated that his unit received a medical call for an officer-involved shooting at N. 47th Street/Hampton Avenue.

Upon arrival on scene, Anthony stated there were a lot of police cars in the area. His unit was directed near an apartment complex on the corner of N. 47th/Hampton. Anthony witnessed Kean laying on the ground. He indicated that there were several Milwaukee Police Officers rendering aid to Kean. Anthony stated one officer was stabilizing Kean's neck and head area. He stated that other officers were cutting off Kean's clothes, and using them to try and stop the bleeding.

Anthony witnessed several gunshot wounds on Kean. He stated that there were wounds on Kean's check, right ear, a graze wound to his forehead, one to the hip, one to the right upper thigh area, and one to the left inner thigh area.

Anthony stated that Kean was slightly breathing on his own when they had first contact. Kean stopped breathing as they were working on him. Anthony placed an oxygen mask on Kean to help him breathe again. He assisted in getting Kean onto a stretcher and into an ambulance. Anthony drove the ambulance in an emergency fashion to Froedtert Hospital.

Jesus indicated that he was working the green shift from 8 am to 8 pm on Sunday, December 15, 2019, to Monday, December 16, 2019. Anthony stated that his unit received a medical call for an officer-involved shooting at N. 47th Street/Hampton Avenue.

Jesus indicated that upon arrival on scene, he witnessed squad cars all over the place. Jesus stated that his unit was directed to the suspect Kean, who was laying near an apartment. Jesus witnessed an officer stabilizing Kean's neck/head. He witnessed one officer placing what appeared to be a sweatshirt over the wounds on Kean's legs to stop the bleeding. Jesus stated that Kean had multiple gunshot wounds to the head, hip, and legs.

Jesus assisted in placing trauma dressing around the wounds on Kean's head area. He also assisted in placing trauma dressing on the wounds on Kean's legs. Jesus then monitored Kean's breathing, which he stated was diminishing quickly. He indicated that Anthony placed the oxygen mask on Kean to help him breathe. Jesus assisted in getting Kean placed on a stretcher.

This completes my involvement in this investigation.

Title
INITIAL INVESTIGATION

On Sun, 11/10/19 at 10:30am D [REDACTED] H [REDACTED] B/F, [REDACTED]/95 walked into District Four to report a battery.

H [REDACTED] stated on 11/09/19 at about 3:pm she and her boyfriend, kean J. WALKER B/M, [REDACTED]/96 was at the McDonald's located at 7124 N 76th St. on the parking lot. H [REDACTED] stated WALKER was angry because she found out from someone on face book that WALKER took photos in her car with his ex-girlfriend and their kids. H [REDACTED] stated she told him if they were going to be in her car than she needed to meet her if she was going to in her car.

H [REDACTED] stated WALKER was angry with her and stated you don't know what you getting into. She is going to disrespect you and want to fight you.

H [REDACTED] stated she told WALKER she didn't care what happened, she wanted to meet the woman that was riding in her car while she was at work.

H [REDACTED] stated WALKER left the parking lot of McDonald's swerving and driving erratically heading towards his house to drop himself off at home.

H█████ stated she told WALKER to get out of her car and she put the car in park from the passenger side. H█████ stated she kept telling WALKER to get out of the car and he refused so she began to push him in the face while telling him to get out. H█████ stated WALKER punched her to the nose using his right fist causing pain and suffering. H█████ stated her nose began to bleed and WALKER apologized saying "you see what you made me do, that sh*t hurt!" H█████ stated she paused for a moment in shock because her nose was stinging.

H█████ stated she told WALKER to get out of her car and he began to get out and as she attempted to climb over the center counsel he suddenly changed his mind and closed the door. H█████ stated she told WALKER to get out of her car because he was doing to much.

H█████ stated WALKER suddenly pulled a gray hand gun from his right side using his right hand and pointed it at her while telling "you get out of the car!"

H█████ stated she had dropped her phone when she was hit in the nose and was trying to find it when WALKER told her to get out of the car. H█████ stated she was not familiar with the area she was in at the time and didn't want to get out of the car without her phone because she was lost.

H█████ stated she told WALKER she wasn't going anywhere and WALKER put the gun back on his side and got out of the car. H█████ stated she rushed into the driver seat while the door was still open and as she reached for the door WALKER stated "I hate you!" and then tried to spit in her face.

H█████ stated she covered her face as WALKER spat at her and then closed the door and drove off.

H█████ stated WALKER works for W&E Landscaping in Milwaukee. I googled W & E Landscaping and was unable to find that business.

█████ stated she and WALKER have never lived together and do not have any children in common.

WALKER is a W/M, 507, 140 slim build with blue eyes and brown hair. WALKER'S last known address was 93███ W. Arch Ave and his phone was ████████

On 11/17/19 at 12:45pm I called to have a squad check for the suspect at 93███ W. Arch Ave. Cad # 193211078, Supp to follow.

Photos inventoried # 19038766

This case is pending.

NARRATIVE

On December 15, 2019, I (Detective MENDOLA) responded to the area of 47th and West Hampton for an officer involved shooting as part of the MAIT Team. Upon arrival at the command post, I was tasked to go to the police administration building in Milwaukee to take photographs of the involved officers, their equipment, and conduct a round count of ammunition in their handguns and spare magazines. I responded to the PAB and went to the 4th floor. Myself, along with other MAIT investigators, were set up in a conference room.

Officer Peter HAUSER, was the first to come to the conference room. I took overall photographs of him, as well as photographs of his legs and arms. It should be noted that I did not observe any obvious injuries to him at that time. Officer HAUSER provided his Sig Sauer pistol with a serial number of [REDACTED]. I took photographs of the firearm and then ejected the magazine. There was one round in the chamber and eight rounds in the magazine that was in the gun for a total of 9 rounds in the handgun. He provided me with his first spare magazine, which contained sixteen rounds of 9mm Luger ammunition, and a second magazine, which contained sixteen rounds of 9mm Luger ammunition. All of those above items were packaged and sealed. Several photographs were also taken of P.O. Hauser's Taser. the photos show both cartridges still intact.

Officer Robert GUETCHIDJIAN came to the conference room next. I took overall photographs and close-up photographs of Officer GUETCHIDJIAN. I did not observe any obvious injuries to Officer GUETCHIDJIAN. Officer GUETCHIDJIAN then provided me with his Sig Sauer pistol with a serial number of [REDACTED]. I took photographs of the gun and all of his magazines individually. I removed the magazine that was in his handgun and ejected the round from the chamber. There were seven rounds in the magazine and one round in the chamber for a total of eight rounds. Officer GUETCHIDJIAN provided me with his first spare magazine and that magazine contained fifteen rounds of 9mm ammunition. Officer GUETCHIDJIAN provided me with a second spare magazine and that magazine contained sixteen rounds of 9mm ammunition. All of those above items were packaged and sealed.

Officer Andrew LANGER came to the conference room next. I took overall photographs of Officer LANGER and again, did not observe any obvious injuries to him. Officer LANGER provided me with his Sig Sauer pistol with serial number [REDACTED]. It should be noted that all of the Sig Sauer firearms were 9mm pistols. I took photographs of all of his equipment individually, firearms and magazines. I ejected the magazine that was in the handgun and unloaded the magazine. I noted that there were ten rounds in the magazine and one round in the chamber for a total of 11 rounds. Officer LANGER then provided me with his first spare magazine, which contained sixteen rounds. Officer LANGER stated that his other magazine, his third magazine, was left on the scene and was empty. In reviewing the pictures that were taken and comparing them to my notes, I observed that I failed to take a picture of officer LANGERS spare magazine and rounds. My notes indicate that the spare magazine in his magazine pouch held 16 rounds.

I responded to the Milwaukee District 1 station, 749 W State Street, Milwaukee. I responded with Detective Greg Hoppe (Greenfield PD), Detective Brian Chic (West Milwaukee PD), and Det. Brett Mendola (Oak Creek PD). We met with the (3) officers involved in MPD Incident #19-349-0122 and Wauwatosa Incident #19-030952. The officers involved were: Officer Robert Guetchidjian, Officer Andrew Langer, and Officer Peter Hauser. The officers were provided our business cards and advised we would speak regarding the incident at a later date.

On Monday, December 16, 2019, I was contacted by Attorney Patrick McDonald regarding the interviews. The interviews were scheduled for Tuesday, December 17, 2019.

On Tuesday, December 17, 2019, Det. Chic, Det. Hoppe, Sergeant Shane Wrucke (Wauwatosa PD) and I met at the Wauwatosa PD to view body camera and squad camera video of the incident.

At approximately 10:10am, Investigators from MAIT met with Attorney McDonald and Officer Guetchidjian at 6310 W Bluemound Rd, Milwaukee. Present during the interview were: Sgt. Wrucke, Det. Hoppe, and I. I lead the interview of Officer Guetchidjian. The following is Officer Guetchidjian's paraphrased statement of the events:

Officer Guetchidjian is employed by the Milwaukee Police Department as a Police Officer. He has been employed since December 2014. Officer Guetchidjian has received specialized training in CIT, Confidential Informants, Plain Clothes Investigations, Rifle, Close Quarters Battle, and multiple narcotics related training. Officer Guetchidjian is assigned to MPD District 7 Anti Gang Unit (AGU). The AGU is not assigned to take patrol calls. The AGU works on drug complaints, gun complaints, and wanted felons. The AGU further works on citizen or alderman complaints in the district. Officer Guetchidjian works [REDACTED] from [REDACTED] - [REDACTED]. Officer Guetchidjian works a [REDACTED] rotating schedule.

Officer Guetchidjian stated he worked as a police officer on 12/14/2019. He finished his shift at approximately 4:00am on 12/15/2019. Officer Guetchidjian then went home and to bed. Officer Guetchidjian woke up at approximately 9-9:30am with his child. Officer Guetchidjian then took about a 1 1/2 hour nap prior to work. Officer Guetchidjian did not drink alcohol prior to his shift on 12/15/2019. Officer Guetchidjian does not take any prescription medication and does not use any street drugs.

Officer Guetchidjian stated there was nothing unusual going on in his life prior to his work shift on 12/15/2019. Officer Guetchidjian reported to work at approximately [REDACTED] and went to roll call. Officer Guetchidjian was wearing a full MPD issued uniform equipped with a shoulder mounted body camera. The body camera recorded audio/visual video. Officer Guetchidjian

then did his E-Time re-certification on the Time System.

Officer Guetchidjian stated he was assigned in MPD marked squad 507 with Officer Andrew Langer. Officer Langer was driving the squad and they were squad #7282. They were working with squad #7286, Officer Peter Hauser who was operating an MPD marked squad, riding solo. Officer Guetchidjian stated they started their shift off by checking on drug complaints in the district. Officer Guetchidjian stated they were dispatched to one shot spotter call in the northern end of the district. They cleared that call without incident.

Officer Guetchidjian stated there was a silver Acura that caught Officer Langer's attention. They began to pursue the Acura in the area of W Hampton Ave at N 37th Street, Milwaukee. Officer Guetchidjian was broadcasting the pursuit via police radio. Officer Guetchidjian does not remember the exact route of the pursuit. The silver Acura ran a stop light on W Hampton Ave at W Hopkins Street, westbound. The Acura went onto the sidewalk just past N 46th Street and struck a white car that was parked next to the curb. The Acura bounced off a couple objects and came to a stop on N 47th Street, just north of W Hampton Ave. The Acura stopped on the west side of N 47th Street. Officer Langer pulled their marked squad behind the Acura. Officer Guetchidjian knew that Officer Hauser was behind their squad.

Officer Guetchidjian removed his seat belt and exited the passenger side of the marked squad. During this time, Officer Guetchidjian believes he knocks his body worn camera off its shoulder mount. Officer Guetchidjian stated that he could feel the camera bouncing around. Officer Guetchidjian observed no one was out of the Acura at this time and he anticipated someone to run from the Acura. Officer Guetchidjian begins to move to the front passenger side of his marked squad and observed the Acura's driver side door open. Officer Guetchidjian observed a head pop out from that door and start moving toward the front of the Acura. The suspect's body was covered by the Acura and Officer Guetchidjian could only see the subject's head. Officer Guetchidjian began to run toward the subject in an attempt to catch and take the subject into custody. Officer Guetchidjian ran by the hood of the Acura and began to hear gunshots and see muzzle flashes. Officer Guetchidjian was close enough to the subject, later identified by law enforcement as, Kean J Walker M/W ■/■/1996, and running toward Walker. Officer Guetchidjian saw Walker with a black handgun in his right hand firing shots at Officer Guetchidjian. Officer Guetchidjian thought, "Oh shit this is gonna hurt," as he was preparing to get shot by Walker. Officer Guetchidjian turned himself sideways, in an attempt to make himself less of a target, blading his body. Officer Guetchidjian began to move laterally to get out of the line of fire. Officer Guetchidjian moved off the road and then slipped on the grass and fell to the ground. During this time, Officer Guetchidjian was able to remove his service pistol from its holster. Officer Guetchidjian stated he was within 10 feet of Walker as Walker was firing shots at Officer Guetchidjian.

Officer Guetchidjian then took a sitting position and observed Walker running to his left. Officer Guetchidjian then lifted his firearm and had a sight picture on Walker. Walker was continuing to fire rounds in the direction of officers. Officer Guetchidjian does not know how many rounds he fired at Walker, seeing no one but Walker in his firearm sight picture. Officer Guetchidjian was familiar with the area and knew there to be an open field and also an apartment building set back off the road. Officer Guetchidjian feared for his and other officers' safety and also the safety of citizens. Officer Guetchidjian stated he knew the area to be busy and there was a high probability that a citizen would be shot if Walker got away from police. Officer Guetchidjian further thought for sure Walker would shoot him if given the opportunity.

Officer Guetchidjian then saw Officer Hauser and Officer Langer in his peripheral vision and stopped firing rounds from his firearm. Officer Guetchidjian observed Officer Hauser and Officer Langer in foot pursuit of Walker. Officer Guetchidjian gets up off the ground and runs after Officer Hauser and Officer Langer.

Officer Guetchidjian gets to the single story brick apartment building just to the west of the grass area. Officer Guetchidjian observed Walker on the ground. Officer Guetchidjian gets next to Officer Langer and hears Officer Langer giving Walker commands. Officer Langer shouts to Officer Guetchidjian, "Get back. Are you shot. Get back and get checked out." Officer Guetchidjian continues to cover Walker with his firearm.

Officer Guetchidjian observed Walker on his back lying near the apartment building. Officer Guetchidjian observed Walker's feet were towards officers and Walker's right hand was on the gun near Walker's waist band. Officer Guetchidjian hears Officer Langer give Walker commands, "Drop the gun. Drop the gun." Officer Guetchidjian observed Walker begin to lift his right hand up holding the handgun in a shooting position. Officer Langer then fires rounds at Walker. Officer Guetchidjian was standing in the direction where Walker was raising his hand and pointing the handgun.

Officer Rowe then comes to Officer Guetchidjian's side and begins to check him for injuries. Officer Rowe checks Officer Guetchidjian and does not find any injuries.

Officer Guetchidjian immediately realizes there is a house to the north of where the gunshots were fired. Officer Guetchidjian runs to that residence and hears hissing coming from a vehicle in the driveway. Officer Guetchidjian sees there is a bullet hole in the vehicle. Officer Guetchidjian then begins to knock on the door to the residence loudly. Officer Guetchidjian observed what appeared to be a bullet hole in the side of the residence. Officer Guetchidjian knocks loudly again and gets no answer. He is close to having to

break open the door. Officer Guetchidjian hears a lady yell, "Shut the fuck up. I had to put the dog away. What is going on out there." Officer Guetchidjian is allowed into the residence by the female. He is told the female lives there with her dog. Officer Guetchidjian is able to determine no one inside the residence was struck by any rounds. Officer Guetchidjian observed there were bullet holes in the living room area.

Officer Guetchidjian turned over the residence to another MPD officer and went outside. Officer Guetchidjian was then taken by Sgt. Dunkley and sat inside his squad car.

Officer Guetchidjian stated he did not know when his body camera fell off its mount but it may have happened when he took off his seatbelt and exited the squad. Officer Guetchidjian remembers the camera dangling from its wire but does not remember clipping it back on the camera mount.

Officer Guetchidjian stated he did not know Walker and has not had prior dealings with Walker. Officer Guetchidjian stated he could not identify the person driving the Acura and had no idea the subject involved in this incident was Walker until the day after the OIS.

The interview ended at approximately 10:50am.

On Friday, December 20, 2019, at approximately 1:00pm, I met with Officer Guetchidjian, Sgt Wrucke and Attorney McDonald regarding Officer Guetchidjian's statement. Minor grammatical changes were made to the report.

This report will be forwarded to the Wauwatosa Police Department.

SUMMARY

Tuesday, 12/17/19

On the above day and date, I responded to the Wauwatosa Police Department. I met with Investigator Rivamonte and Detective Chic, along with Wauwatosa Police Sergeant Shane Wrucke. We then reviewed squad car dash cam video of this incident, as well as body worn camera video from the officers involved in this incident. After reviewing the respective videos, we then responded to the Law Offices of Cermele and Matthews, SC, at 6310 West Bluemound Road, Suite #200, Milwaukee, Wisconsin 53213.

Upon our arrival at the Law Offices of Cermele and Matthews, we were directed to a conference room. Milwaukee Police Officer PETER R. HAUSER was to be represented during this interview by Attorney Patrick M. McDonald. In addition to Attorney McDonald being present during this interview, the following were present during this interview: South Milwaukee Police Investigator Jon Rivamonte, West Milwaukee Police Detective Brian Chic and Wauwatosa Police Sergeant Shane Wrucke. Sergeant Shane Wrucke was representing the Wauwatosa Police Department, who is overseeing the investigation as the lead investigating agency.

The format of this interview had been previously discussed with Officer PETER HAUSER and his attorney. It had been previously explained that the Milwaukee Area Investigative Team requests, as part of a best practices approach to interviewing, that the interview be recorded; however, due to the fact that this is a voluntary interview, he had the right to request that the interview not be recorded. Officer HAUSER and his attorney indicated they did not wish to have this interview recorded. It was also explained to Officer HAUSER and his attorney that if at any time they wished to consult with each other privately they were free to do so, and that any time a break was needed for any reason they were free to do so. After completing our discussion, the interview then began.

INTERVIEW OF MILWAUKEE POLICE OFFICER PETER R. HAUSER

Officer HAUSER explained to me that he was hired by the Milwaukee Police Department on 07/12/10 and that he has worked for the past nine and a half years as a patrol officer for the Milwaukee Police Department. Officer HAUSER told me that he did not have any jobs in law enforcement prior to being hired by the Milwaukee Police Department.

Officer HAUSER explained to me that he is currently assigned to Milwaukee Police Department District #7 at 3626 West Fond du Lac Avenue, City and County

of Milwaukee. Officer HAUSER told me that his current rank is that of a patrolman. Officer HAUSER told me that he has worked his entire nine and a half years with the Milwaukee Police Department at District #7, and that he is currently assigned to the Anti-Gang Unit.

I then spoke with Officer HAUSER about his training and inquired as to whether he has had any specialized training. He explained to me that he completed the Milwaukee Police Department's six month academy. Officer HAUSER told me that he had received specialized training when he was assigned to the Bicycle Unit. Officer HAUSER further explained to me that prior to being on the Anti-Gang Unit assignment, he was a bicycle officer. He explained to me that he has had training in CIT, ECD, and has attended required Milwaukee Police Department in-service training.

I asked Officer HAUSER to explain to me the assignment of being on the Anti-Gang Unit. He explained that this is a proactive unit in District #7. Officer HAUSER explained that the Anti-Gang Unit squads investigate persons involved in violent crimes, including drug violations and shootings.

Officer HAUSER explained to me that their unit does not get dispatched to random calls for police service; however, they are free to respond to any calls if they want. Officer HAUSER further explained that they are primarily assigned to seek out subjects with guns, persons who are dealing drugs, and responding to shot spotters or shots fired calls. Officer HAUSER also said their unit has specific targets that they are investigating as well.

I asked Officer HAUSER to explain to me his work schedule. Officer HAUSER explained to me that he works a rotating schedule of [REDACTED] days on followed by [REDACTED] days off, then [REDACTED] days on followed by [REDACTED] days off. He said his regularly scheduled shift is from [REDACTED] until [REDACTED]. Officer HAUSER said he is Squad #7286 and that night he was driving squad #549, which is a marked Milwaukee Police Department Ford Explorer with working red and blue emergency lights and sirens.

Officer HAUSER said his squad is equipped with a dashboard camera and he wears a body worn camera, which is mounted and affixed to his right shoulder. He explained that his body worn camera is automatically activated when his police squad's emergency lights are activated. Officer HAUSER further stated that per Milwaukee Police Department policy, the body worn cameras are in standby mode and they go back thirty seconds when activated. He also stated that for the first thirty seconds of squad dash cam video and body worn camera video that there is no audio.

Officer HAUSER stated on the night of this incident, Sunday, 12/15/19, this was his [REDACTED] night of working on what would have been his [REDACTED] days on/[REDACTED] days off schedule. Officer HAUSER also indicated that he was part of a three man Anti-Gang Unit car working that night and that his two other partners

were in a separate squad. His partners were identified as Milwaukee Police Officers ANDREW LANGER and ROBERT GUETCHIDJIAN.

EVENTS PRECEDING OFFICER INVOLVED SHOOTING INCIDENT

Officer HAUSER explained that he had worked his regularly scheduled [REDACTED] to [REDACTED] shift on Saturday, 12/14/19. Officer HAUSER said that due to a pursuit, their hours were extended and they worked from [REDACTED] until around 3:30AM on the morning of Sunday, 12/15/19. Officer HAUSER indicated that on the shift preceding this incident, there was nothing unusual about the shift and there were no use of force incidents involving him.

Officer HAUSER explained to me that after completing his shift around 3:30AM on Sunday morning, 12/15/19, he left work and went home and went to bed. Officer HAUSER said he slept until around 11:00 or 11:30AM that Sunday morning. Officer HAUSER said he got up and made breakfast and hung out with his family until it was time to go to work. Officer HAUSER said he left his house for work at around [REDACTED].

I asked Officer HAUSER if he had consumed any alcoholic beverages when he got off from his previous shift Sunday morning, or if he had consumed alcohol during the day prior to his shift and he stated he had not consumed any alcohol. I asked Officer HAUSER if he was on any currently prescribed medications and he stated he was not. I asked Officer HAUSER if he was using any non-prescribed over the counter medications and he stated he is not. I asked Officer HAUSER if he uses any illegal drugs or street drugs and Officer HAUSER stated he does not.

Officer HAUSER again explained that he left his residence for work around [REDACTED] on Sunday, 12/15/19. I asked Officer HAUSER if he puts on his uniform at home or at work and he stated he goes to work dressed in his police department uniform minus his duty belt, which is kept at the station. Officer HAUSER said that he keeps the following items on his duty belt; Police Department issued firearm, which is equipped with a tactical flashlight and kept on his right hip, two magazines, an ECD, his baton, two sets of handcuffs, flashlight and radio. Officer HAUSER explained that he wore his BWC affixed to his right shoulder area. Officer HAUSER also told me that he does not carry a back up weapon as that is not permitted per Milwaukee Police Department policy.

Officer HAUSER said he was wearing his authorized uniform, which was a long sleeved shirt with his badge affixed to the left chest area and an MPD Police patch on his left sleeve along with his last name being embroidered on the right chest area. It should be noted that Officer HAUSER was photographed on the night of this incident in the clothing and uniform that he was wearing during this incident.

Officer HAUSER explained that he arrived at work between [REDACTED] and [REDACTED]. He said he checked in with the sergeant and signed out his squad and ECD. He said he equipped himself with his duty belt, which also included attaching his body worn camera to his right shoulder area. Officer HAUSER explained that he attended the shift roll call at [REDACTED]. Officer HAUSER said after roll call, he then took the eTime recertification test.

After completing the eTime recertification, he and his partners Officer LANGER and Officer GUETCHIDJIAN began their assignment. It was again explained that Officers LANGER and GUETCHIDJIAN were a two-man squad and that Officer HAUSER was a one-man squad, and the three of them were patrolling together with him following Officers LANGER and GUETCHIDJIAN in a separate marked squad.

Officer HAUSER said during the start of their shift, they were checking out certain areas and were checking for vehicles with violations that were indicative of persons dealing drugs, which included vehicles that had heavily tinted windows and no license plates. Officer HAUSER was asked if during this shift and prior to this incident, had he been involved in any use of force incidents and he stated he had not.

Officer HAUSER explained to me that during their shift and prior to this incident, their unit had been sent to a shots fired called in the area of 49th and Lincoln Parkway at around 6:00PM. He said while responding to this shots fired call, they did not locate or take anyone into custody and they did not find any casings or evidence of shots being fired. He said they cleared this as a "C-15", which meant no arrest. Officer HAUSER said he did not believe they were dispatched to any other calls, other than this shots fired call.

Officer HAUSER then began detailing the start of this incident. He said that Officers LANGER and GUETCHIDJIAN were patrolling in their squad and he was following them in his squad. Officer HAUSER said the three of them were patrolling eastbound on West Villard Avenue when something caught the eye of Officers LANGER and GUETCHIDJIAN. Officer HAUSER said he was unaware of what specifically caught their attention, but he noticed that their squad sped up and they were now traveling southbound on Sherman Boulevard.

Officer HAUSER said as Officers LANGER and GUETCHIDJIAN were traveling southbound on Sherman Boulevard, he saw a light colored Acura turn westbound on West Stark from Sherman Boulevard. He said he saw Officers LANGER and GUETCHIDJIAN following behind this light colored Acura. Officer HAUSER said he followed his partners, who were now driving westbound.

Officer HAUSER stated the Acura then sped up and got to 45th or 46th and Stark and drove southbound. Officer HAUSER said Officers LANGER and GUETCHIDJIAN then activated their patrol vehicle's emergency lights and siren. He said the Acura continued southbound on 46th Street and that at this

point, he knew it was going to turn into a chase. Officer HAUSER explained that the streets that he was recalling were to the best of his recollection, but he was not sure of the exact route that the suspect and his fellow officers had driven.

Officer HAUSER said Officer GUETCHIDJIAN then radioed out that they were in pursuit and that they were heading southbound on 46th Street at West Hampton Avenue. Officer HAUSER said the suspect vehicle then began traveling westbound on West Hampton Avenue. Officer HAUSER again said he does not remember the exact path, but that the suspect vehicle then went northbound on 47th Street from West Hampton Avenue to West Lancaster or Fairmount. From there, the suspect vehicle continued fleeing eastbound on either West Lancaster Avenue or Fairmount Avenue.

Officer HAUSER said that the fleeing Acura then drove southbound on South 37th Street. He said he remembers this area, as there was lots of dust to the area having construction. The Acura continued to flee southbound to West Hampton Avenue, where it then turned and continued fleeing westbound on West Hampton Avenue. Officer HAUSER said Officer GUETCHIDJIAN was still broadcasting the pursuit, with Officer LANGER driving.

Officer HAUSER said that the fleeing Acura was going through stop signs and was not showing any due regard, and was fleeing at a high rate of speed. Officer HAUSER said as they were pursuing the suspect vehicle westbound on West Hampton Avenue, he believed the suspect vehicle was traveling at around 100 miles per hour.

Officer HAUSER said he was a little further behind the pursuit, but at the street which he estimated to be 46th Street, the fleeing Acura went up and onto the sidewalk; however, he had no idea why the fleeing Acura drove onto the sidewalk. Officer HAUSER said after the suspect vehicle drove up onto the sidewalk, it continued fleeing westbound.

Officer HAUSER said the fleeing Acura then hit some other objects. He said he saw the Acura jerk violently at 47th Street and that the suspect vehicle came to a stop on the northwest corner of North 47th Street and West Hampton Avenue, with the suspect vehicle's front end facing northbound. Officer HAUSER believed the suspect vehicle had hit a tree and come to a stop.

Officer HAUSER said that Officers LANGER and GUETCHIDJIAN were in front of him. He said he saw them stop their squad behind the suspect vehicle on the passenger side. Officer HAUSER said he maneuvered his squad northbound on North 47th Street because he was anticipating that people were going to run out of the car. Officer HAUSER said that this was based on previous incidents that he has investigated where subjects had bailed out of a car at the end of a pursuit. Officer HAUSER said it was his intent to cut off any people who would

exit out of the fleeing vehicle and begin running from officers.

Officer HAUSER said that he started to slow down and was a half to a full car length ahead of the stopped Acura on North 47th Street. He said that was where he was going to stop, when he saw Officer GUETCHIDJIAN, whom he refers to as BOB, on the passenger side of the Acura, running northbound.

Officer HAUSER stated he then saw the suspect running northbound on the west side of North 47th Street on the sidewalk. Officer HAUSER told me he could see this suspect had a pistol in his right hand. He said the suspect aimed the gun towards BOB (Officer GUETCHIDJIAN). Officer HAUSER said he saw the suspect discharging several rounds as the suspect was running northbound on the sidewalk of North 47th Street. Officer HAUSER said he saw the muzzle flashes and heard the shots fired by the suspect.

Officer HAUSER described the suspect as twisting his back toward Officer GUETCHIDJIAN and that the suspect had the gun positioned back on an angle, pointing the gun towards Officer GUETCHIDJIAN. Officer HAUSER said as Officer GUETCHIDJIAN was running northbound and cresting the front of the suspect Acura on the passenger, the suspect then began firing his gun at Officer GUETCHIDJIAN.

Officer HAUSER again said he saw the suspect firing the the handgun at Officer GUETCHIDJIAN. He described the suspect as having turned and angled his body back towards Officer GUETCHIDJIAN which was when the suspect began discharging rounds.

Officer HAUSER said as the suspect was shooting in the direction of Officer GUETCHIDJIAN, he saw Officer GUETCHIDJIAN fall backwards. Officer HAUSER said he immediately thought Officer GUETCHIDJIAN had been shot. Officer HAUSER said that he was in the process of getting out of his vehicle as he saw Officer GUETCHIDJIAN falling backwards. Officer HAUSER said as he was opening his squad door, he then heard what he believed to be his vehicle being hit with gunfire from the suspect.

Officer HAUSER stated the suspect then began running in a northwest direction across an empty lot. Officer HAUSER said that it was his thought that he needed to eliminate the immediate threat. Officer HAUSER said after he exited his patrol vehicle, he returned fire and shot what he believes to be one round at the suspect. He said that there was no indication of the suspect having been hit by the round that he fired.

Officer HAUSER said he then pursued the suspect on foot. He said Officer LANGER, then comes up on his left side, but that they are not side by side, and there is some distance between him and Officer LANGER. Officer LANGER then began discharging rounds at the fleeing suspect. Officer HAUSER said the suspect continued running westbound with the pistol still in his right hand.

Officer HAUSER then described that there was an apartment building on the west end of this lot. This apartment building runs north and south with doors and cement pads on the east side of this apartment building. Officer HAUSER said the suspect came to a wall at the apartment building.

Officer HAUSER said that due to the building design in which the apartment building was constructed facing north to south, that upon the suspect encountering the wall on the east side of the apartment, the suspect then began running northbound. Officer HAUSER said the suspect still had the pistol in his right hand and could see the right peripherals on the right side of the suspect's body, including his right eye.

Officer HAUSER explained to me that at this particular moment, he felt he was physically in the same position as Officer GUETCHIDJIAN had been in at the beginning of the foot chase when Officer GUETCHIDJIAN had been shot at. Officer HAUSER then clarified this statement.

Officer HAUSER clarified that, like in the initial foot pursuit, the suspect was now in front of him and holding the pistol in his right hand and that he believed that the suspect posed an imminent threat to him and other officers and citizens if he got away, and that the suspect could, like during the initial foot pursuit, suddenly and unexpectedly turn and shoot him as he had shot at Officer GUETCHIDJIAN. Officer HAUSER said that the positioning of he and the suspect at that point was reminiscent of the positioning of Officer GUETCHIDJIAN and the suspect during the initial foot pursuit.

Officer HAUSER said he stopped, aimed and then discharged his weapon one time. He stated the suspect went down. Officer HAUSER said that when the suspect fell down to the ground that the suspect was still holding his pistol in his right hand. Officer HAUSER said Officer LANGER then ran up towards the suspect and ordered the suspect to drop his pistol. Officer HAUSER said that he could see that the suspect was laying on his left side and he could still see the pistol in the suspect's hand.

Officer HAUSER stated he heard Officer LANGER yell several times at the suspect to drop the gun. Officer HAUSER said there was no verbal response from the suspect and there was no physical response from the suspect indicating that he was giving up, such as extending his arms out as if he was surrendering or the suspect discarding his gun. Officer HAUSER said he then heard Officer LANGER discharge several more rounds. Officer HAUSER said the suspect was still holding the pistol in his hand. I asked Officer HAUSER if he had seen any movement by the suspect who was holding the gun and he said he did not.

Officer HAUSER said Officer GUETCHIDJIAN then ran up to their location. He stated Officer GUETCHIDJIAN and Officer LANGER then secured the suspect and firearm. Officer HAUSER stated he then ran back to the Acura to clear it. He

said he did not find anyone else inside the suspect vehicle. Officer HAUSER stated other officers arrived on scene and he got on the air and was directing squads, telling them where evidence was and telling them where to put up crime scene tape. Officer HAUSER said Milwaukee Police Sergeant GADZALINSKI then showed up and took hold of him and walked him to his car, where he gave a public safety statement. Officer HAUSER said he has not provided any other statements to any other investigators from any agency, including his own.

Officer HAUSER was asked if he could describe the suspect. He stated he could describe the suspect only as a young male in his early twenties who was light skinned and maybe around 5'07" or 5'08" in height. He was asked if he could describe the suspect's handgun and he described it as being a dark colored semiautomatic handgun, possibly all black.

In recapping this his statement, Officer HAUSER again stated that the suspect had a gun in his hand when the suspect was fleeing on foot from his crashed vehicle. Officer HAUSER again said he heard the sound of his driver's side door of his squad being hit by gunfire. It was then clarified that when he saw the suspect fall down to the ground, the suspect was laying on his left side and at that point. Officer HAUSER said that there was nothing between him and the suspect.

Officer HAUSER said that when he discharged his first round, he feared for his safety and life. Officer HAUSER said when he was chasing the suspect on foot, again he could see the right side of the suspect's body and he could specifically see the right eye and face of the suspect, and the suspect could have easily shot him.

On Friday, 12/20/19, I met with Officer HAUSER and his attorney, Patrick McDonald. I then verified his round count that had been done on 12/15/19 at the Police Administration Building. During that initial round count, I counted that Officer HAUSER had 16 rounds in each of the spare magazines on his duty belt. Officer HAUSER said that prior to his discharging his weapon during this incident that the magazine in his firearm had 16 rounds in it and that there was one round in the chamber for a total of 17 rounds in his firearm.

During this meeting Officer HAUSER and his attorney reviewed his statement on this supplemental report. After reviewing this supplemental report with his attorney, Officer HAUSER said that this supplemental report was an accurate depiction of events to the best of his recollection from the night of this incident.

NARRATIVE

Sunday December 15th, 2019

On the above date, at approximately 9:15 p.m. I received notification of an officer involved shooting which occurred in the City of Milwaukee. A request for assistance was made through the Milwaukee Area Investigative Team and I responded to assist in the investigation of the incident.

At approximately 9:50 p.m. I arrived at the command post and met with Lt. Mike Schultz of the Wauwatosa Police Department, the lead MAIT investigative agency for this critical incident. Other investigators arrived on scene and a briefing surrounding the incident was provided by members of the Milwaukee Police Department. We learned a subject named Kean J WALKER, m/w, 06/03/1996 was involved in a brief pursuit with the Milwaukee Police Department where he crashed his vehicle. After crashing, WALKER allegedly exited his vehicle and attempted to flee on foot from police. At some point, WALKER pointed and fired a gun at the responding officers who returned fire. WALKER was struck by the gunfire and transported to Froedert Hospital.

Investigative tasks were assigned and Captain Lindstrom and I were assigned to complete a notification to the suspects next of kin. At approximately 10:54 p.m., WALKER was pronounced deceased at Froedert Hospital. I completed a search of a law enforcement database and concluded WALKER's parents were likely J [REDACTED] W [REDACTED] and D [REDACTED] J [REDACTED]. Based on the addresses provided it appeared Kean lived with J [REDACTED] at 93 [REDACTED] W. Arch Avenue, Milwaukee, WI.

Captain Lindstrom and I drove to 93 [REDACTED] W. Arch Avenue where we met members of the Milwaukee Police Department, Special Investigations Division (SID). Captain Lindstrom and I made contact with a female at the residence who identified herself as J [REDACTED]. We informed J [REDACTED] her son was involved in an incident with the Milwaukee Police Department and that he had died as a result of the incident.

J [REDACTED] said Kean had the little property he owned at her residence and had a room there. She said the last time he spent the night was two nights prior. She had no knowledge of where he stayed when he was not at her residence. J [REDACTED] said she saw Kean on December 15th, at her house. She said she believed he left her house some time between 6:00 or 7:00 p.m. J [REDACTED] said Kean was driving a silver Acura that, she believed, belonged to a friend of his. J [REDACTED] said she did not know or see Kean with firearms but said she would not be surprised if he did. She described him as a "thug" and that he lived a

"thug" lifestyle, however, she would not provide any further description of what she meant by her description of his "thug" lifestyle. J [REDACTED] contacted J [REDACTED] W [REDACTED], Kean's father and he later arrived at J [REDACTED]'s residence.

I spoke with J [REDACTED] W [REDACTED] and he also described Kean as being involved in the "thug" lifestyle. J [REDACTED] said Kean was involved with guns and marijuana and said he believed Kean had kept guns in his room at J [REDACTED]'s residence in the past. J [REDACTED] W [REDACTED] said the last time he talked with Kean as November 26th, 2019 when they had a text conversation. J [REDACTED] did not recall the last time he actually saw Kean in person.

Both J [REDACTED] and J [REDACTED] W [REDACTED] indicated Kean had a son with someone named I [REDACTED] M [REDACTED]. J [REDACTED] W [REDACTED] said Kean and I [REDACTED] had a fight in the recent past. J [REDACTED] requested we do not contact I [REDACTED] and that she would notify I [REDACTED] and Kean's son of Kean's death.

After we completed speaking with J [REDACTED] and J [REDACTED] W [REDACTED] members of the Milwaukee Police Department completed a search of Kean's room related to a prior, ongoing investigation unrelated to this incident. Once that search was completed, we provided J [REDACTED] and J [REDACTED] W [REDACTED] our contact information for any additional questions or information related to the ongoing investigation into the critical incident. After there were no additional questions, Captain Lindstrom and I departed the residence.

There is no additional information to provide at this time.

SUMMARY

Sunday, 12/15/19

On the above day and date, at approximately 9:08PM, I received a Milwaukee Area Investigative Team call out notification in which I learned that the Milwaukee Police Department had just had an officer involved shooting in the area of North 47th Street and West Hampton Avenue.

Further information was received that the suspect was shot twice in the head and was at Froedtert Hospital, and was not expected to survive. All officers were okay and safe entry was from west on West Hampton Avenue. The Wauwatosa Police Department was the lead agency.

I reported to the Greenfield Police Department for duty and then responded to the command post for this incident. After the lead agency was debriefed, the Wauwatosa Police Department then held a M.A.I.T. Team briefing. During this briefing, South Milwaukee Police Department Investigator Jon Rivamonte, West Milwaukee Police Detective Brian Chic, and I were assigned to conduct involved officer interviews.

I then responded to the Milwaukee Police Department's Police Administration Building. There, I met with Detectives Rivamonte and Chic, along with Oak Creek Police Detective Brett Mendola. I assisted Detective Mendola with conducting round counts and inventory of the involved officers' ammunition and magazines. See Detective Mendola's supplemental report.

After meeting with the involved officers, business cards were then given to the Milwaukee Police Association Union representatives and they were advised to call Investigator Rivamonte, who would coordinate when interviews would take place.

On Monday, 12/16/19, I received a text message from Investigator Rivamonte, indicating he had spoken with the Milwaukee Police Association's attorneys and that involved officer interviews would be conducted on Tuesday, 12/17/19, at the Law Offices of Cermele and Matthews, S.C., 6310 West Bluemound Road, Suite #200, Milwaukee, Wisconsin 53213.

NARRATIVE

West Milwaukee Police Department Detective Brian Chic reporting...

On Tuesday, December 17th, 2019 at approximately 12:27 p.m., in the second floor conference room at Carmele & Matthews, S.C. located at 6310 W. Bluemound Road, I spoke with Milwaukee Police Department (MPD) Officer Andrew Langer regarding this incident; present for the interview were Attorney Patrick McDonald, Wauwatosa Police Department Sergeant Shane Wrucke, Greenfield Police Department Detective Gregory Hoppe and South Milwaukee Police Department Investigator Jonathan Rivamonte.

Officer Langer stated he was hired as an officer by the MPD in January of 2015, he has a current rank of patrol officer and is currently assigned to the MPD District 7 Anti-Gang Unit. Officer Langer stated the Anti-Gang Unit is tasked with narcotic and felony gun investigations, as well as locating subjects wanted for violent felonies. Officer Langer stated he has past specialized training to include, but is not limited to the, MPD police academy, Department of Criminal Investigation Drug Investigation School, Counter Surveillance, Court Testimony, Drug Identification, and Crisis Intervention Team (CIT) training. Officer Langer stated he is currently assigned to the early shift which is 4:00 p.m. - 12:00 a.m., his squad number is 7282 and his partner, for approximately the past two years, is MPD Officer Robert Guetchidjian.

Officer Langer stated on Saturday, December 14th, 2019, he worked his normally scheduled shift from 4:00 p.m. to Sunday, December 15th, 2019 at 12:00 a.m. Officer Langer stated while involved in a narcotics investigation he was involved in a related vehicle pursuit that ended in the area of W. North Avenue and N. 14th Street. Officer Langer stated he engaged in a foot pursuit with a subject that fled from the pursued vehicle. Officer Langer stated he took the subject into custody after he physically decentralized him to the ground. Officer Langer stated as a result of the incident he worked until approximately 4:00 a.m. on Sunday, December 15th, 2019. Officer Langer stated on Sunday, December 15th, 2019 he slept from approximately 5:00 a.m. until approximately 12:00 p.m., which he stated is a normal amount of sleep for him. Officer Langer stated after waking up he spent time with his family, worked out and ate food. During this time Officer Langer stated he did not consume any alcoholic beverages. Officer Langer stated he is not on any prescribed medications nor did he take any. Officer Langer stated he arrived at the MPD District 7 station on Sunday, December 15th, 2019 at approximately 3:15 p.m. and dressed in his full department issued MPD uniform, the same of which he was wearing when photographed by Oak Creek Police Department

Detective Mendola after this incident at the MPD Police Administration Building (PAB). Officer Langer stated the only firearm he carried on his person during the shift was his department issued Sig Sauer P320 9mm, which was turned over to the custody of Detective Mendola after this incident. Officer Langer stated when he began his shift he had one fully loaded magazine in his service weapon and two fully loaded backup magazines on his duty belt, all of which contained sixteen bullets. Officer Langer stated he had the same amount of bullets in his service weapon and in his back up magazines prior to this incident.

Officer Langer stated on Sunday, December 15th, 2019, Officer Guetchidjian and himself started their shift at the normal time of 4:00 p.m., and were in fully marked MPD squad #507, which is equipped with emergency lights and siren and of which he was the driver and Officer Guetchidjian was the front passenger. Officer Langer stated from 4:00 p.m., until this incident at approximately 8:00 p.m., he was not involved in any incidents of note.

Officer Langer stated at approximately 8:00 p.m., while in MPD squad #507, Officer Guetchidjian and himself were stopped in the eastbound lane of travel on W. Villard Ave. at N. Sherman Blvd., they were en-route to the area of N. 40th St. and W. Villard Ave., which is a known drug and prostitution area. Officer Langer stated Officer Guetchidjian and himself observed a silver Acura traveling southbound on N. Sherman Blvd., at an estimated 60 - 70 mph, which he based on his training and experience as an officer. Officer Langer stated the Acura traveled through a red-light traffic-controlled intersection for southbound N. Sherman Blvd., at W. Villard Avenue. Officer Langer stated this is a busy intersection and due to the reckless behavior by the Acura it put other motorists and pedestrians in the path of the vehicle at risk of being injured and / or killed if they were struck. Officer Langer stated he turned southbound on N. Sherman Blvd., in an attempt to catch up to the vehicle to perform a traffic stop for the reckless driving violation. Officer Langer stated on N. Sherman Blvd., he observed the Acura still traveling at the high rate of speed, deviating in and out of the lanes of travel around approximately six vehicles traveling on the roadway. Officer Langer stated he observed the Acura turn eastbound, possibly on W. Fairmount Ave., at which time he activated the squad emergency lights and siren, which also automatically activates the squad camera and his body camera. Officer Langer stated the Acura did not pull over, at which time Officer Guetchidjian called out over the police radio that they were in pursuit of the Acura. Officer Langer stated he does not remember the exact path they took as the Acura made multiple turns, but he remembers the Acura continuing to drive recklessly, traveling an estimated 60 - 70 mph and not stopping for multiple stop signs. Officer Langer stated based on his experience from being involved in pursuits, he felt confident in his control of the squad. Officer Langer stated as the pursuit continued the Acura traveled southbound on N. Hopkins St., and then turned westbound on W. Hampton Ave., where it struck a curb and increased in speed to an estimated 95 - 100 mph. Officer Langer stated on W. Hampton Ave., in the westbound lane of travel, in the area of N. 46th St., by the "Stark Foods" there were

vehicles in lane #1 and lane #2, at which time the Acura tried to go north around the vehicles and struck a white car. Officer Langer stated the Acura then struck multiple signs and came to a stop on N. 47th St., and W. Hampton Avenue, facing northbound.

Officer Langer stated the accidents involving the Acura striking the signs and the white car did not appear serious and based on his experience of being involved in pursuits, he believed the driver (suspect) and who he observed and believed to be the sole occupant of the Acura, would flee on foot. Officer Langer stated he parked the squad parallel to the Acura to assist Officer Guetchidjian and his exit from the squad to pursue the suspect on foot and apprehend him. Officer Langer stated he knew Officer Peter Hauser was in a one-man squad behind them, but he did not know exactly where.

Officer Langer stated he exited the squad, which was near the passenger side of the Acura, which was smoking and appeared to be disabled. Officer Langer stated upon exiting the squad he observed the suspect pop his head above the roof of the Acura from the driver side. Officer Langer stated he ran southbound along the passenger side of the Acura, around the rear bumper and then northbound along the driver side of the Acura. Officer Langer stated his only belief at this time was that Officer Guetchidjian and him were going to have to engage in a foot pursuit with the suspect to apprehend him. Officer Langer stated he remembers the suspect to possibly be a Hispanic male, with hair in twisted rolls and skinny build. Officer Langer stated as he ran northbound along the driver side of the Acura in pursuit of the suspect, who at this time was running northbound away from them, he observed the suspect rotate his right shoulder back and extend his arm out toward Officer Guetchidjian; at which time he heard five to six shots and observed muzzle flash from the suspects hand, which let him know the suspect was armed with a firearm. Officer Langer stated he observed Officer Guetchidjian's chest and shoulders moving back and forth as he fell backwards, making him (Officer Langer) believe that Officer Guetchidjian was taking shots and led him to believe that the suspect just killed him (Officer Guetchidjian). Officer Langer stated he observed a house to the north of the suspect, but did not observe anyone besides the suspect in the area. Officer Langer stated he believed that if he did not stop the suspect that he would continue to shoot Officer Guetchidjian, himself, or someone else. Officer Langer stated he removed his service weapon from the holster and fired approximately ten times at the suspect as he ran westbound toward an apartment building.

Officer Langer stated he observed the suspect continue to run and observed, what appeared to be a handgun, in his right hand at which time he fired his service weapon approximately four more times at the suspect to stop the threat. Officer Langer stated due to the suspect's body jerk reaction two times, he believed the suspect had been struck. Officer Langer stated the suspect continued to run westbound towards the apartment building and then northbound out of sight. Officer Langer stated the slide on his firearm was locked back at which time he conducted a reload, leaving the magazine that he removed from the firearm

on scene. Officer Langer stated he still believed the suspect had just killed his partner and he knew that due to the pursuit, responding officers were in the area already and he didn't want the suspect to come upon an officer in the area or on the perimeter, because he believed the suspect would try to kill them. Officer Langer stated he followed the path that he last observed the suspect run, to see if he could observe his continued flight path to relay the information. Officer Langer stated he continued westbound towards the apartment building and upon turning north by the building he observed the suspect lying on the ground next to the apartment building. Officer Langer stated he was startled to see the suspect there, who was approximately fifteen feet in front of him (to the north). Officer Langer stated he was in the open and did not have anywhere he could quickly go to for cover. Officer Langer stated he observed the suspect lying on his back, with his head to the north and his feet to the south, with both hands on the handgun. The handgun was lying on its side on the suspect's stomach with the end of the barrel pointing towards the suspects feet and in the direction of him (Officer Langer). Officer Langer stated he turned on the flashlight on his service weapon and confirmed that the suspect was holding a gun, at which time he yelled out to an officer who ran up on his right, "He's got a gun". Officer Langer stated he gave verbal commands for the suspect to, "Drop the gun", he believed three times. Officer Langer stated the suspect did not physically make any movements or say anything that would make him believe that the suspect was giving up. Officer Langer stated he observed the suspect's left hand on the handle of the handgun, the end of the barrel of the handgun began to rise towards him, and the suspects head begin to lift off the ground. Officer Langer stated that, due to him giving the verbal commands and shining the flashlight on the suspect, it gave away his location. Officer Langer stated as the barrel of the firearm rose towards him and as the suspect's head raised off the ground, he (Officer Langer) had no doubt the suspect was going to shoot and try to kill him. Officer Langer stated he was in a static position and tightened his abs, because he thought he was going to at minimum get shot in the stomach area. Officer Langer stated he fired his service weapon approximately three times, at which time he observed the suspect roll to his left side and stop moving. Officer Langer stated that later his abs were sore from tightening them up, when he believed he was going to get shot by the suspect. Officer Langer stated prior to firing his service weapon he did not observe anyone else in the area of the suspect or behind him as he had a clear sight picture and alignment of the suspect.

Officer Langer stated he looked to his right and saw Officer Guetchidjian, which surprised him. Officer Langer stated that he still believed Officer Guetchidjian had been shot and told him to go get medically checked out. Officer Langer stated he approached the suspect, picked up the firearm that had been in the suspects hands and was now lying next to him, and moved it approximately three to four feet away from the suspect, he told an officer in the area to stay with the gun. Officer Langer stated he heard someone over police radio call for medical to respond to the location. Officer Langer stated he did not locate any other firearms on the suspect upon a search and did not handcuff

the suspect, due to obvious facial injuries. Officer Langer stated he requested a medical kit from a nearby officer and pulled the suspects shirt up and tore it open as well as pulled his pants down to check for gunshot wounds that needed immediate attention such as a tourniquet. Officer Langer stated he did not observe the gunshot wounds to the legs to be bleeding profusely and used a gauze pad to wipe away the blood from the suspects face and tried to keep him talking, as treating gunshot wounds to the head was above his training. Officer Langer stated Sergeant Christopher Jackson arrived on scene and took him back to the MPD PAB. Officer Langer stated while leaving the scene he did grab his "dip" from his squad, but did not manipulate anything in or on the squad or remove anything else.

Officer Langer stated he did not know who was driving the Acura when they observed it driving recklessly and ended up pursuing it. Officer Langer stated after learning the suspect's identity he does not believe he's had contact with the subject before, but couldn't say for sure that he's never had contact with him.

Officer Langer stated he did not review body camera footage regarding this incident prior to this interview.

The interview ended at approximately 1:25 p.m.

On Thursday, December 20th, 2019 at approximately 10:00 a.m., in the second floor conference room at Carmele & Matthews, S.C., Officer Langer reviewed this report with Attorney McDonald and agreed the reported statement was an accurate depiction of this incident as he remembered it.

interviewed we met with PO Benjamin Bender.

INTERVIEW OF PO BENJAMAN BENDER

PO Bender stated that he did not consume any alcoholic beverages or drugs prior to his shift on 12/15/2019. He stated that there is nothing unusual going on his life right now and that 12/15/2019 was a typical day for him. He stated that he has been with the Milwaukee PD since January of 2019. Prior to his employment with MPD he worked at the Milwaukee County House of Corrections. PO Bender's badge number is 3405 and he is not currently assigned a squad partner. PO Bender stated that he has been partnered with PO Madlock on regular basis. He is currently assigned to [REDACTED] shift which is [REDACTED] hours to [REDACTED] hours. He is assigned to a [REDACTED]-[REDACTED]-[REDACTED]-[REDACTED] rotation.

On 12/15/2019, PO Bender and PO Madlock were assigned to marked squad 7-222 and they were assigned to patrol the "20's" area. PO Bender stated that he was the passenger and PO Madlock was the driver. He said that the two of them were on patrol when they heard the pursuit called out over the radio. PO Bender stated that they began to head towards Hampton Avenue. PO Bender stated that while en route towards the pursuit he heard on the radio "shots fired." He said that he was in the area of Hampton Avenue and Sherman Avenue when he heard that shots had been fired. PO Bender stated that as they approached the area of 47th and Hampton Avenue he observed a white sedan that appeared to have been struck by a vehicle. The white sedan was parked in front of Stark Foods (*46167 W. Hampton Avenue). PO Madlock parked the squad behind the white sedan. PO Bender then exited the squad, ran across 47th Street, through a grassy field located on the northwest corner of 47th Street and Hampton Avenue. PO Bender stated that he ran to the apartment building that is located to the west of the open field. As he approached the apartment building he observed a white male lying on the ground on his back. PO Bender stated that the man was injured and blood on his face. He then ran back to his squad and grabbed yellow tape. He then began to tape off a perimeter to ensure scene security.

PO Bender then went to Stark Foods and and obtained surveillance video. He later turned this video over to detectives. He stated that PO Madlock had been securing a black and silver 9mm pistol by standing over it. He then rotated with PO Madlock in maintaining security of the firearm. PO Bender stated that he did this until he was given permission to clear from the scene. He stated that he cleared the scene sometime between 0300 and 0400 on 12/16/2019.

PO Bender stated that all of his personal duty gear was accounted for.

Borkowski. He advised that he had spoken with attorney McDonald who informed him that he would not be present for the interviews. Detective Borkowski and I were assigned to interview PO Burns, PO Rowe, and PO Benitez. See Detective Borkowski's supplemental report regarding PO Rowe's and PO Benitez's statements.

PO Leon Burns stated that he did not consume any alcoholic beverages or drugs prior to his shift on 12/15/2019. He stated that there is nothing unusual going on his life right now and that 12/15/2019 was a typical day for him. He stated that he has been with the Milwaukee PD for approximately 7 and 1/2 years. PO Burn's badge number is 583 and he is currently assigned with PO Jasmine Rowe as a squad partner. PO Burns stated that he has been partnered with PO Rowe for approximately 5 months. PO Burns and PO Rowe were assigned to marked squad 7450 and they were on patrol in the "50's" area. PO Burns was the driver and PO Rowe was the passenger. He is assigned to the [REDACTED] shift from [REDACTED] hours to [REDACTED] hours on a [REDACTED] rotation.

PO Burns stated that PO Rowe and him had had just cleared from a family trouble call when they heard the pursuit called out over the radio. He stated that he began to respond non-emergent towards the area of the pursuit. He said that he was traveling east on Hampton Avenue near 45th Street when the pursuit passed him. He stated that the pursuit was traveling west bound on Hampton Avenue. He activated his emergency lights and conducted a u-turn. Once he had made the u-turn he heard over the radio "crash." He continued westbound and parked his squad behind a damaged, white, Toyota Camry that was parked in front of Stark Foods. He stated he then exited his squad and as he did so he heard four gunshots. He ran west across 47th Street towards the shots. As he approached the apartment building on the northwest corner of 47th Street and Hampton Avenue he saw a white male lying on the ground. This male was bloody and gurgling. He said that he drew his duty weapon and pointed it at the male on the ground. PO Langer then removed a firearm that was near the man on the ground. PO Burns then holstered his duty weapon and began to provide medical aid to the man who was lying on the ground. He stated that he observed a gunshot wound to the male's head, right cheek, and to his lower buttox on the left side. PO Burns stated that he rolled the man on his side and checked for additional injuries. He did not find any other injuries. He then removed the male's wallet hoping to find identification. He found an ID and radioed the information to dispatch. He then advised PO Madlock to secure a firearm that was on the ground. He described the firearm as a silver and black, Smith and Wesson 9mm. PO Burns stated that he never touched the firearm. PO Burns briefed Sgt. Flannery and then was assigned to scene security at 46th and Stark. He was later moved to inner perimeter security at 47th and Hampton Avenue. He remained assigned to scene security until he cleared from the scene at approximately 0500 hours on 12/16/2019.

PO Burns stated that all of his personal duty gear was accounted for.

NARRATIVE

On Thursday, December 26, 2019, I (DETECTIVE BORKOWSKI), went to Wauwatosa Police Department located at 1700 North 116th Street, City of Wauwatosa. I went there to meet with SERGEANT SHANE WRUCKE. SERGEANT WRUCKE had requested assistance in taking officer witness statements in regards to Wauwatosa Incident case #19-30952 and Milwaukee Police Incident case #19-349-0122.

I arrived at Wauwatosa Police Department at approximately 1500 hours and met with South Milwaukee INVESTIGATOR JOSEPH BENSON. SERGEANT SHANE WRUCKE showed us the body cameras from two Milwaukee Police officers who we were scheduled to interview at 1600 hours. SERGEANT WRUCKE first showed the body camera from Milwaukee Police OFFICER BENDER. The second body camera we saw was of Milwaukee Police OFFICER MADLOCK. PO MADLOCK and PO BENDER were going to be interviewed after their roll call at the 7th District which is located at 3626 West Fond Du Lac Avenue, City of Milwaukee. SERGEANT WRUCKE went over the details of the case, which started as a reckless driving complaint, which led to a pursuit. The vehicle being pursued crashed and the subject fled on foot. The subject, while fleeing on foot, shot three times at the Milwaukee Police officer who returned fire. The subject was later pronounced deceased at the Froedtert Hospital.

INVESTIGATOR BENSON and I went to the Milwaukee Police Department 7th District. Upon our arrival there we met with ATTORNEY PATRICK MCDONALD.

After roll call both PO BENDER and PO MADLOCK came out to the lobby of the Milwaukee Police Department 7th District and we introduced ourselves. ATTORNEY PATRICK MCDONALD asked for a couple of moments to speak with the officers before the interview started. A short time later we were brought to a conference room where we met with Milwaukee Police OFFICER MADLOCK.

Milwaukee Police OFFICER MADLOCK stated that his first name is JUWON J. PO MADLOCK stated that he was promoted to the rank of Milwaukee Police Officer on December of 2017. PO MADLOCK stated that before that he was a Milwaukee Police Aide being hired in 2015. PO MADLOCK stated he is single and on Sunday, December 15, 2019, it was pretty much a normal day.

PO MADLOCK stated his badge number is 2585 and was in squad 722. PO MADLOCK stated that he works the [REDACTED] shift which is [REDACTED] to [REDACTED]. PO MADLOCK stated he was working the 20 area which he stated is basically N. 60th and W. Villard Ave, all the way west to the City of Wauwatosa. PO MADLOCK stated to me that he was in uniform and in a marked squad. PO MADLOCK stated he was driving the vehicle and that he was working a partner BENJAMIN J. BENDER. PO BENDER was also in police uniform.

PO MADLOCK stated to me that PO BENDER is not his regular partner but that they had been partners a number of times. PO MADLOCK stated to me that he believes they were out looking to enforce traffic when they heard a pursuit come over the air. PO MADLOCK stated that they started to head to where this pursuit was travelling. PO MADLOCK stated he believed he was on W. Auer Ave when they heard that transmission. PO MADLOCK stated that while travelling to the area of the pursuit, they heard shots fired transmitted over radio when they were at N.Sherman Blvd and W. Hampton Ave.

PO MADLOCK stated that he travelled westbound on W. Hampton Ave and observed a crash at approximately the 4700 block of W. Hampton Ave. PO MADLOCK stated they parked behind the crash. PO MADLOCK stated he exited his squad and ran over to the scene which had been west of Stark Foods in front of some apartments.

PO MADLOCK stated he asked the officers if they were alright. PO MADLOCK stated that OFFICER LANGER asked him to grab their first aid kit so that he could render aid to the downed subject.

PO MADLOCK stated he ran back to his squad. PO MADLOCK stated he retrieved the squad's first aid kit and ran back to the scene. PO MADLOCK stated he gave gauze to PO LANGER who rendered aid to the downed subject.

PO MADLOCK stated that he secured a silver and black Smith & Wesson 9mm pistol which was not far from the downed subject. He stated he secured it by having a cone placed by it. PO MADLOCK stated he made sure no one touched the Smith & Wesson pistol which he stated he believed was model SD9VE 9mm Smith & Wesson.

PO MADLOCK stated that they secured the 9mm Smith & Wesson pistol until Department of Justice collected it as evidence at approximately 3am in the morning.

I was also present when South Milwaukee INVESTIGATOR JOSEPH BENSON interviewed PO BENJAMAN BENDER. PO BENDER was the partner of MADLOCK and the passenger in his squad.

Please see INVESTIGATOR BENSON'S report.

After the interviews were conducted of both officers, we met with ATTORNEY MCDONALD and informed him that the reports would be done in draft form and emailed to him personally. We informed him that the officers could look over the reports to make sure that the reports were accurate.

After leaving Milwaukee Police Department 7th District I did drive to Stark Foods which is located at 4616 West Hampton Avenue in the City of Milwaukee. I walked the scene to the west where I observed on N.47th Street (W. Hampton Ave) the grass field and apartments which run north and south.

NARRATIVE

On Friday, December 27th, 2019, I (Detective MATTHEW BORKOWSKI), went to Wauwatosa Police Department located at 1700 N. 116th St., in the City of Wauwatosa. I went there to meet with Sergeant SHANE WRUCKE. SGT WRUCKE had requested assistance in interviewing Milwaukee Police Officer witnesses and obtaining witness statements in regards to Wauwatosa's incident Case # 19-30952, and Milwaukee Police Incident Case #19-349-0122. SGT WRUCKE stated that they like a member of the Milwaukee Area Investigative Team for interviews of Police Officer Witnesses for today (December 27th, 2019).

I arrived at Wauwatosa Police Department at approximately 1326hrs, and met with SGT SHANE WRUCKE. SGT SHANE WRUCKE showed me the body camera footage from 3 Milwaukee Police Officers who were scheduled to be interviewed at 1900hrs. SGT WRUCKE first showed me the body camera from Milwaukee Police Officer LEON BURNS, the second body camera we viewed was the body camera of, Police Officer JAZMIN ROWE. The third and final body camera was from Police Officer JESSIE BENITEZ.

SGT WRUCKE informed me that the interviews would be done at 1900hrs at 7th District which is located at 3626 W. Fond Du Lac Avenue, in the City of Milwaukee. SGT WRUCKE had gone over the details of the case on the previous day Thursday, December 26th, 2019. I informed SGT WRUCKE that I had walked the location where incident took place starting from Starks Foods at 4616 W. Hampton, in the City of Milwaukee. I informed SGT WRUCKE that I walked the scene to the West where I observed the grass field, and the one floor apartment building which ran North and South, Parallel to N.47th St. (W. Hampton Ave).

I was informed by SGT WRUCKE that South Milwaukee Investigator JOSEPH BENSON was going to be the 2nd investigator involved in these witness statements. SGT WRUCKE also informed me that the Milwaukee Police Union Attorney PATRICK MCDONALD would not be attending the interview of the Police Officers who are witness. I informed SGT WRUCKE that I had sent over a rough draft for Attorney MCDONALD, and PO MADLOCK to view.

I spoke with Investigator BENSON who had informed me, he had been called into South Milwaukee Police Department on another investigation. Investigator BENSON informed me that he would not be able to make it over to view the body camera of the 3 Officers. I informed him I would meet with him earlier, and explain what I had seen on the body camera of the 3 Officers we were going to interview.

Investigator BENSON and I met in the lobby of the 7th District before 1900hrs, and I briefed him on what I had observed watching the 3 body cameras of PO BURNS, PO ROWE, and PO BENITEZ. After the briefing we went to the front desk, and I spoke with PO HAUSER, and asked if we could speak with the Sergeant. A short time later PO HAUSER led us back into the conference room where a Milwaukee Police Sergeant

entered, and asked which Officers we wished to interview. We informed him of the 3 that we wished to speak with. The Milwaukee Sergeant asked which order we would like to take in. We informed him we would like to speak to PO BURNS first, PO ROWE second, and PO BENITZ third if it was at all possible. We stated that we believed the interviews would be approximately 20-25minutes, and that we had been informed ahead of time that the Milwaukee Police Union Attorney would not be available.

A short time later we met with PO LEON BURNS. Investigator BENSON was the primary for that witness statement. Please see Investigator BENSON's incident report.

After PO BURNS's witness statement, Investigator BENSON and I met with PO ROWE. PO ROWE stated to us that her first name is JAZMIN J. ROWE. PO ROWE stated that she is 25 years old, and became a Police Officer for the City of Milwaukee in March of 2018. PO ROWE stated that before becoming a Milwaukee Police Officer she was a full time Student at the University of Madison receiving her Bachelor of Art's Degree in Social Studies, and a Minor in Criminal Justice.

PO ROWE state that her badge number 2946, and that she was assigned Squad 7450. She state that their assignment was the 50's which goes N. 35th St, west to N. 60th, and W. Center Street, North to W. Capitol Drive. PO ROWE stated that she works the [REDACTED] which is [REDACTED] hrs to [REDACTED] hrs. She stated that her partner is PO BURNS which she stated they had just been assigned a couple of months ago.

PO ROWE stated that she believed they had only 1 call which was a trouble with a subject. She stated they had just finished that call when they had heard of a pursuit. She stated that PO BURNS was driving the marked squad, and the were both in full uniform. She stated she was the passenger. She stated they were heading Eastbound on W. Hampton Ave at approximately N.45th at W. Hampton Ave. She stated she heard on the radio that there was a vehicle pursuit heading Westbound towards them on W. Hampton Ave. PO ROWE stated that she believed it was the AGU unit in the vehicle pursuit. She stated AGU stood for the Anti Gang Unit. PO ROWE stated that at N. Sherman Blvd, and W. Hampton Ave, they observed the pursuit, and the squads chasing the vehicle. She stated that PO BURNS and her were facing Eastbound, and the pursuit went Westbound on W. Hampton Ave. She stated that they were making a U-turn to be the 3rd squad in the pursuit when she heard over the radio crash, crash, crash.

PO ROWE stated that PO BURNS pulled behind the white vehicle which had been struck in front of Stark Food (4616 W. Hampton Ave). She stated that she heard approximately 2-3 gun shots, and a quick second later she stated she heard multiple gun shots.

PO ROWE stated that they exited the squad, and ran to the area where they heard the shots. She stated that they ran West of Starks Foods through a field. She stated that running through the fields she could smelled gun powder. PO ROWE stated she observed PO LANGER, and PO ROBERT GUETCHIDJIAN take steps backwards toward PO BURNS and her. PO ROWE stated that PO BURNS and her had their guns

drawn. They were in apartment parking lot west of Stark Foods and the field.

PO ROWE stated to me that PO LANGER yelled to her to check PO GUETCHIDJIAN to see if he had been shot. PO ROWE stated that PO LANGER spoke in a loud voice yelling at her to "check BOB!", "check BOB!", for any possible wounds. PO ROWE stated that she holstered her pistol, and thoroughly checked PO GUETCHIDJIAN by running her hands over his vest area. PO ROWE stated she thoroughly checked PO GUETCHIDJIAN, and could not find any wounds on him. She stated that they then formed a line to go up to the downed subject. She stated she did not know what place she was in line, or who was in front of her. She stated she observed a white male with a large amount of blood around him. PO ROWE stated she did observe a pistol in close proximity to his left hand. She stated she didn't know where the wounds were on the downed subject.

PO ROWE stated that she then heard her partner PO BURNS call out for medical. She stated that she went to the nearest squad, and began grabbing tape to preserve the scene. She stated that she ran yellow tape up to 47th and Stark. PO ROWE stated that she would stand by PO BENITEZ. PO ROWE stated that she at one point ran the log for the entry point of the scene which PO ROWE stated was at N. 47th and W. Hampton Ave. She stated that she would later get relieved from her post by PO CAPPELL. PO ROWE stated that PO BURNS got sick and went home. PO ROWE stated she then became partners with PO BANDKOWSKI Squad # 7421. She stated that they were assigned to N. 47th and W. Stark Street until they were relieved by Day shift Officer PO STILES.

PO ROWE stated that she ended her tour of duty at 0640hrs. This ended my interview of PO ROWE.

Investigator BENSON and I met with the 3rd Officer we were assigned to interview. We met with JESSIE J. BENITEZ. BENITEZ is approximately 29 years old, and started his Law Enforcement Career in February of 2009 when he became a Milwaukee Police Aid Officer. PO BENITEZ stated that he had worked in CIB (Criminal Information Bureau) as a Police Aid. PO BENITEZ stated that he was promoted to the Rank of Police Officer in October of 2011, and had been a Patrol Officer for little over 8 years. PO BENITEZ stated that his Badge # 3125, and that he was assigned Squad 7468 which is a marked Ford Crown Victoria, and he was in a Police Uniform. PO BENITEZ stated that his assignment on December 15th, 2019 was Holiday Patrol. PO BENITEZ stated that Holiday patrol is a patrol which focuses on the strip malls, stores, taverns, and businesses in the 7th District of Milwaukee. PO BENITEZ stated that his shift was the same as PO ROWE from [REDACTED] hrs-[REDACTED] hrs, and that his partner was PO ANDREW WILKIEWICZ. PO BENITEZ stated WILKIEWICZ is not his normal partner, but they had worked together on other occasions.

PO BENITEZ stated that PO WILKIEWICZ was driving, and that they had just pulled into the strip mall on N. 76th and W. Hampton Ave. PO BENITEZ that they were stationary at the mall when they heard that the pursuit was initiated. PO BENITEZ stated that they heard that the pursuit was heading towards their direction West

PO BENITEZ stated that seconds later they heard shots fired over the squad radio. PO BENITEZ stated that they continued Eastbound, but now had put their lights on. PO BENITEZ stated that a couple blocks away he saw the first squad at approximately N.47th and W. Hampton Ave. PO BENITEZ stated that he would later learn that, that was PO LANGER's squad. PO BENITEZ stated that they stopped right near the squad on N. 47th and W. Hampton Ave. He stated that he went over, and checked the vehicle that had been in the pursuit which he described as a silver Acura. He stated he checked the vehicle to see if there were any other subjects in the vehicle. PO BENITEZ stated that he did a look in the vehicle just checking to see if other people were in the silver Acura. PO BENITEZ stated that he got in the squad, brought it up to N.47th and W. Stark Street, placed the vehicle Southbound. PO BENITEZ stated that after positioning his squad he started setting up a perimeter of crime scene tape. He stated that the only color tape that they had in their squad was red. He stated that he began to setup the perimeter. PO BENITEZ stated that he would start the crime scene tape 2 houses North of the alley from Stark Food running Westbound. PO BENITEZ stated that while running the tape he observed a marked Milwaukee Police Ford Explorer Squad car which was in front of some garbage cans. PO BENITEZ stated that upon further observation of this marked Police Squad he observed that the vehicle had been struck by at least 1 bullet. PO BENITEZ stated that the bullet hole was in the drivers side of the squad. PO BENITEZ stated that he radioed out that he had a marked squad with what he believed to be 1 bullet hole in the drivers door. He stated that the vehicle was in front of 48██ N. 47th St. He stated that he remembered that the squad number was 549. He stated that he would later learn that, that was PO HAUSER squad. He state that he placed police tape around the squad, and made sure that no one tampered with the vehicle knowing that it was evidence. He stated that he stayed with the vehicle until he met with Sergeant FLANNER. He stated that SGT FLANNER would assign him to different jobs from keeping a log of who entered into the scene to assist in getting information in regards to the information from the incident.

PO BENITEZ stated that he was able to obtain the name of the subject, run his record, and obtain his BOFI. PO BENITEZ stated that he was later asked about the vehicle which was in the pursuit. He stated he obtained the license plate, and VIN (vehicle identification number) of the silver Acura. PO BENITEZ stated that he ran the VIN number, and would print of the information in his squad. PO BENITEZ stated that he went into CCAP, and located the subject. PO BENITEZ stated that he also would assist SGT FLANNER in obtaining the Officer's name, and information in regards to them. He stated that he went through CAD, and obtained arrival time of squads and officers.

PO BENITEZ stated that at one time a Fire Fighter approached him, and asked him if he could turn off the silver Acura which was in the pursuit. PO BENITEZ stated that the Fire Fighter's concern was that the vehicle would start on fire. PO BENITEZ stated that he checked with SGT HUNTER who told him it was alright for him

NARRATIVE

19-017015

Det Bryan C Bichler

On Monday, 12-30-2019 I assisted with an investigation conducted by the Milwaukee Area Investigative Team (MAIT) regarding the death of Kean Jamie Walker. Walker fled in a vehicle from City of Milwaukee police officers. The vehicle Walker was driving subsequently crashed and Walker fled on foot. Walker fired a handgun at City of Milwaukee police officers, who returned fired striking and killing Walker. The incident occurred on 12-15-2019 at approximately 8:04pm in the 4800 block of N 47th St in the City of Milwaukee. The Wauwatosa Police Department was the lead MAIT agency for this investigation.

I was assigned to interview City of Milwaukee Police Officer Andrew John Wilkiewicz. Officer Wilkiewicz was identified as a witness officer not directly involved in the incident. I met with Officer Wilkiewicz at the Milwaukee Police Department District #7 at 7:00pm on 12-30-2019. Wauwatosa Police Detective James P Donovan was also present.

Officer Wilkiewicz advised that he had been in contact with Attorney Patrick McDonald of Cermele Law. Officer Wilkiewicz was comfortable with the interview taking place without Attorney McDonald or other representation present.

I advised Officer Wilkiewicz he was not the target of a criminal investigation and that his participation was to be completely voluntary. I advised him he was free to pause, stop or end the interview at any time. The interview was not recorded. The following is a summary of the information Officer Wilkiewicz provided.

He has been a City of Milwaukee Police Officer for 5.5 years starting 06-23-2014 (People Soft # [REDACTED]). He attended the City of Milwaukee Police Academy and did not have prior law enforcement experience. He has been assigned to District #7 since October of 2015 and has been assigned to a Tavern Car (squad 7468) since that assignment date. A Tavern Car primarily preforms license premise checks, but is pre-empted for priority one calls and serves as back up officers when needed.

His normal shift hours are [REDACTED] to [REDACTED], known as [REDACTED] [REDACTED]. He works a [REDACTED] - [REDACTED], [REDACTED] - [REDACTED] rotation. 12-15-2019 was the first day of his [REDACTED] day rotation. His primary squad partner is Officer Rebecca Rodriguez, but 12-15-2019 was an off day for her. His squad partner on 12-15-2019 was Officer Jesse Benitez. That night they were assigned to the Holiday Presence Initiative, which focuses on business checks and having officers visible at local businesses. He and Officer Benitez were using squad vehicle #171, which is a fully marked City of Milwaukee Police

vehicle (Ford Crown Victoria). Both were in full police uniform. He was driving the squad at the time of this incident. Prior to this incident the night was uneventful.

He was wearing a functioning body camera (BWC) at the time of this incident. The BWC is set to activate upon the squad lights and siren being activated. To his knowledge the camera functioned properly and recorded footage.

His first notification of this incident was a police radio broadcast made by Officer Langer (squad 7282), who requested the air. He knows from past experience that this request is typically made by an officer engaged in a vehicle pursuit. He knew that Officer Langer's partner was Officer Guetchidjian. At the time he heard this broadcast he and Officer Benitez were in the area of N 76th St and W Hampton Ave. Based on radio transmissions he learned that a silver Acura was being pursued by Officer Langer and Officer Guetchidjian in the area of N Sherman Blvd and W Hampton Ave. After several directional changes the fleeing vehicle began travelling west bound on W Hampton Ave. He and Officer Benitez travelled east bound on W Hampton Ave from N 76th St.

When they approached the area of N 53rd St or N 54th St and W Hampton Ave there was a radio transmission advising that the fleeing vehicle crashed at N 47th St and W Hampton Ave. At that time he activated the squad's lights and siren. As they travelled east bound and reached N 51st St he heard a radio transmission of "shots fired". At that time he did not know who fired or where exactly the incident occurred.

When they reached N 47th St he observed the fleeing vehicle stopped/crashed on N 47th St in the 4800 block. There was a marked Milwaukee Police squad stopped next to the fleeing vehicle. There was another marked Milwaukee Police squad stopped on N 47th St about two houses north of the stopped fleeing vehicle. He parked their squad on N 47th St near the first stopped squad.

As he put the squad in park he heard an officer transmit that the shots fired were officer involved. As he exited the squad and looked to the west he saw two uniformed officers near an apartment building (47██ or 47██ W Hampton Ave). There was a subject on the ground ahead of these officers. The officers had their guns pointed at the subject on the ground. He went to the trunk of the squad and retrieved the patrol rifle then ran west through the east/west alley toward the two officers.

When he reached the area of the officers and the downed subject, he observed Officer Guetchidjian a short distance behind the two officers. There was another officer with Officer Guetchidjian who was actively checking Officer Guetchidjian for gunshot wounds and/or injuries. He could see the officer closely looking at Officer Guetchidjian's body armor and body.

He recognized one of the two officers standing near the downed subject as

Officer Leon Burns and realized then that the radio transmissions regarding the shots fired were made by Officer Burns. The downed subject appeared to be a white male, who was moving very little and had blood on his head. The subject's movements were slight and he did not appear to be a threat at that time. On the pavement about two feet away from the downed subject's left side was a semi-auto handgun. The slide of the handgun was forward in the closed position. He could not recall what if anything the officers were saying to the subject at that time.

There appeared to be enough help at that location so he ran back toward his squad intending to return the patrol rifle to the squad. As he did so, he noticed that the driver's door on the squad parked further north on N 47th St was still open and the squad's siren was on. Upon going to the squad to secure it, he realized that the squad was still in drive and had come to a stop against several trash cans. After he secured that squad, Officer Benitez pulled up in their squad. He secured his patrol rifle in the squad. At that point Officer Hauser, whose squad it was he secured, returned to the squad.

He checked the welfare of several occupants of the second home north of the east/west alley. There was already an officer at the first home north of the alley. After this he marked items of evidence in the east/west alley with cones. The items included several casings and an empty Sig Sauer magazine he believed was likely an officer's magazine. He observed a white pick up truck in the alley that appeared to have been struck by bullets as the windows were shattered. During this time he could see and hear that officers were tending to the injuries of the downed subject. He could see that the officers had a squad medical kit and heard one of the officers saying they needed more gauze. He heard one of the officers talking to the downed subject, calling him Mr Walker and telling him to hold on and that the fire department was coming.

After medical personnel arrived and transported the downed subject, he was assigned to secure the area where the handgun and the downed subject's clothing were lying. He was later relieved from that assignment and moved to a traffic post.

He did not know the downed subject and had never seen him before. He learned the subject's name when he saw the subject's ID card on the ground near the subject's clothing. He did not see or hear any of the shots fired. He believed they already had their siren activated at the time the shooting occurred, which would have likely covered the sound of the shots.

I advised Officer Wilkiewicz my writing of his statement would be available for review upon completion. He provided his personal cell number and work number and welcomed contact if I needed any clarification of events.

DESIGNEE

On Sunday, December 15, 2019, at approximately 9:30 pm, Captain Tom Casper on behalf of the Milwaukee Area Investigative Team (MAIT), requested technical assistance from the Wisconsin State Crime Laboratory in connection with the critical incident resulting in the death of Kean J. Walker, DOB: [REDACTED]/96. A Crime Scene Response Team (CSRT) consisting of Laboratory Representatives Julie Avila, Chris Johnson, James Armstrong, Troy Chadwick, Yolanda Sanchez, Lacey Neuendorf, and Leah Lackowski were dispatched to the scene. Julie Avila arrived at approximately 10:20 pm, Chris Johnson at approximately 10:45 pm, and the remaining team at approximately 11:10 pm.

The scene consisted of four areas located at and around the intersection of N. 47th Street and W. Hampton Avenue, Milwaukee, WI as follows:

- The northwest corner of N. 47th Street (west side), including road verge and sidewalk
- The empty NW corner lot at N. 47th Street and W. Hampton Avenue
- The sidewalk area in front of 47 [REDACTED] W. Hampton Avenue, apartment # [REDACTED]
- The interior and exterior of 48 [REDACTED] N. 47th Street

The scene was photographed by Troy Chadwick, James Armstrong, and Yolanda Sanchez, video recorded by Lacey Neuendorf and Leah Lackowski, and examined as well as searched for potential evidence by the CSRT. The search was aided with the use of metal detectors. Portions of the scene were scanned by Wisconsin State Patrol Troopers Mike Smith and Scott Darin of the Technical Reconstruction Unit.

The following items of evidence were recovered/collected by the CSRT:

POLICE REPORT
Case Number: 193490122

This report is written by Police Officer Roberto HERNANDEZ, assigned to the Fusion Division, Early Shift.

On Tuesday, December 24, 2019 I recovered ShotSpotter (SST) audio of three incidents of impulsive sounds resembling gunfire using the ShotSpotter Investigator Portal. In particular, SST 352204, 352205, and 352206.

First alert: SST 352204 occurred on 12/15/2019 at 8:04:43 PM at the parcel address of 48■■■■ North 47th Street (Milwaukee, Wisconsin) with 14 rounds fired. ShotSpotter had noted this incident had the possibility of multiple shooters and the possible use of a high capacity weapon.

Second alert: SST 352205 occurred on 12/15/2019 at 8:04:54 PM at the parcel address of 46■■■■ North 45th Street (Milwaukee, Wisconsin) with one round fired. ShotSpotter had noted this incident was possibly mislocated.

Third alert: SST 352206 occurred on 12/15/2019 at 8:05:01 PM at the parcel address of 47■■■■ West Hampton Avenue (Milwaukee, Wisconsin) with five rounds fired.

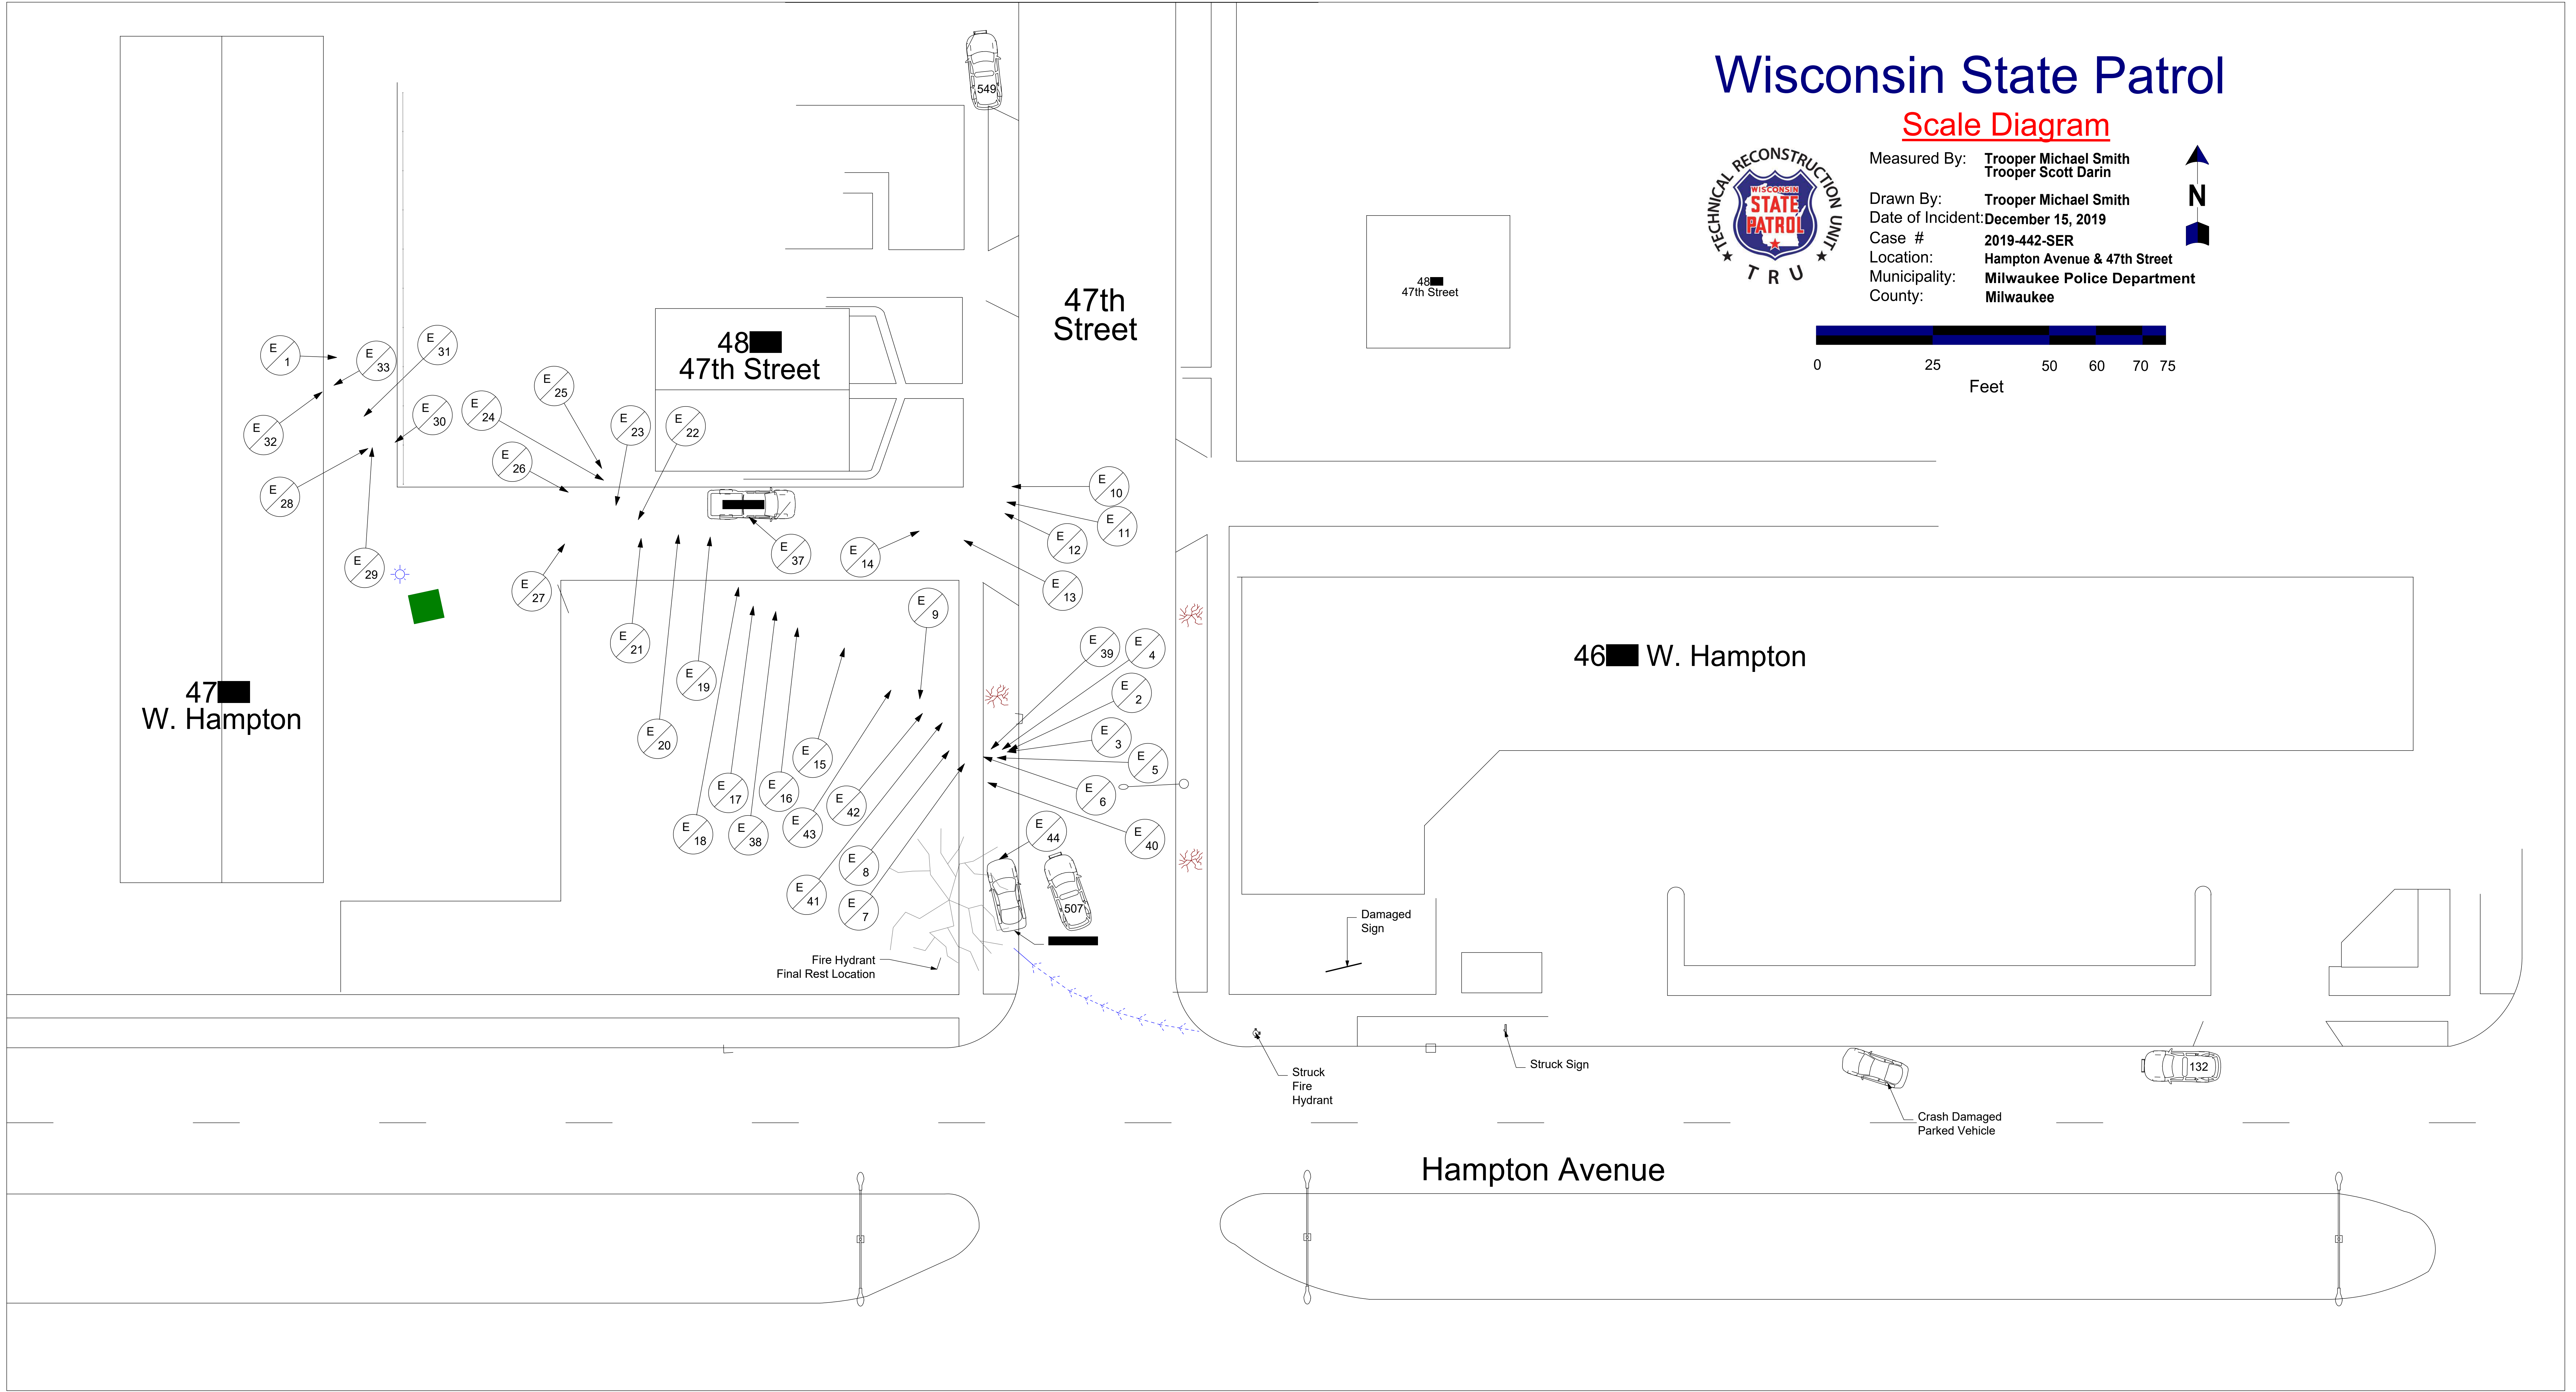

Due to the critical incident I requested a Detailed Forensic Report (DFR) from ShotSpotter. I later received the DFR via email from ShotSpotter Senior Technical Support Engineer Walter COLLIER III. The audio, SST Incident Reports, Investigative Lead Summaries (ILS), Detailed Forensic Report (DFR), and copy of emails from ShotSpotter were transferred to a CD and placed on inventory 19043312.
