Milwaukee Police Department

Milwaukee, WI 52333

Dear Chief Norman:

On August 16th, 2021 at 2514 North 27th Street in the City of Milwaukee, City of Milwaukee Police Officers Joshua Heder, Ryan Miller, and David Bui were dispatched to a citizen complaint of a man, later identified as Broderick Shelton, displaying a firearm in a threatening manner. The location they were sent to is a gas station and when they arrived they observed Shelton armed with a handgun and despite numerous orders to drop the weapon, Shelton pointed the firearm at both the Officers and a citizen. Shelton proceeded to discharge the semi-automatic handgun at the officers resulting in each of the officers shooting at Shelton and ultimately resulting in Shelton's death. I find the use of force by the officers to be reasonable under all the circumstances and consistent with their affirmative obligation to protect the lives of endangered citizens as well as their own lives in the performance of their duty.

Summary of Facts

On August 16, 2021, the Milwaukee Area Investigative Team (MAIT) was activated to investigate an officer-involved shooting death at 2514 N. 27th St. in the City of Milwaukee pursuant to Wisconsin State Statute 175.47. The request was made by the Milwaukee Police Department (MPD). The decedent was identified as Brodrick E. Shelton.

The Wauwatosa Police Department was designated as the lead agency for the investigation. The following agencies assisted with this investigation: Fox Point Police Department, Franklin Police Department, Glendale Police Department, Greendale Police Department, Greenfield Police Department, Milwaukee County Sheriff's Office, Oak Creek Police Department, South Milwaukee Police Department, St. Francis Police Department, Waukesha Police Department, West Allis Police Department, West Milwaukee Police Department, Wisconsin State Crime Laboratory, Wisconsin State Patrol, and Bureau of Alcohol Tobacco & Firearms (ATF).

On August 16, 2021, Milwaukee Police dispatch received a call from a citizen witness, MW, who reported that a subject, later identified as Shelton, had taken his firearm and was pointing it at people at N 27th St. and W. Wright St. in the City of Milwaukee. MW was later interviewed by investigators.

Milwaukee Police Officers Joshua Heder, Ryan Miller, and David Bui were working that day as bicycle officers and responded to the scene. Upon their arrival, they briefly spoke with MW and MW pointed Shelton out to the Officers. Shelton was standing in the parking lot of the Clark gas station, 2514 N. 27 St. There was one citizen witness in the parking lot, IP, and there were two additional citizen witnesses inside the Clark gas station, LS & JR. MPD Officers Heder, Miller and Bui immediately engaged Shelton in dialog, including commands to "drop the gun." During that time, Shelton pointed his firearm in the direction of citizen IP, Officer Bui, and Officer Miller. When Shelton pointed his firearm at Officer Miller, Officer Miller discharged his duty handgun toward Shelton. Over the next approximately 60 seconds, the three Officers and Shelton discharged a total of 50 rounds (Shelton 16, Officer Heder 3, Officer Bui 7, and Officer Miller 24).

Shelton was struck 3 times. Officer Miller initiated first aid, however Shelton succumbed to his injuries and was pronounced deceased at the scene.

Officers Heder, Miller, and Bui provided public safety and provided official statements regarding the circumstances.

Summary of the Body Worn Cameras and Store Security Video that Informs the Reasonableness of the Officer's Actions

All three of the responding Milwaukee Police Officers were equipped with body worn cameras that were activated when they were dispatched to 27th and Wright. The MAIT investigators spent extensive time reviewing and summarizing the scenes depicted from the respective cameras. In addition, there was an operating security camera system in the gas station and the MAIT investigators were able to supplement the observations from the body worn cameras with those from the store. The supplemental descriptions are attached as appendix A and B. The situation recorded by the cameras is an objectively compelling record for why force was used by the officers in this circumstance. Mr. Shelton was armed with a loaded semi-automatic weapon that he was intentionally pointing at citizens at the gas station as well as the responding officers. He refused to put the gun down when ordered (by all the officers multiple times) and he eventually pointed the gun at the officers and fired at the officers until all his ammunition was spent. It was later determined that Mr. Shelton had just stolen the firearm from citizen MW who in turn called the police and pointed Shelton out to the police as they arrived at the gas station. Mr. Shelton has a history of mental illness and there is little doubt that contributed to his behavior, but tragically there is nothing about this encounter that lends itself to a belief that de-escalation was possible or appropriate under the circumstances.

Summary of Officer Statements

Officer Bui stated that he heard Officer Heder shout "Drop the gun!" Officer Bui added that he shouted to the person with the gun "Milwaukee Police, talk to me." Officer Bui said that the subject turned and looked in his direction. Officer Bui added that the subject raised the gun and pointed it in his direction. Officer Bui described having the gun pointed at him as a "scary feeling." Officer Bui stepped to his right side behind cover and radioed dispatch saying "He just pointed the gun at me." Officer Bui stated that he was trying to paint a picture of the scene over the air for responding units. Officer Bui added that there were no citizens behind the subject.

Officer Bui said that he heard one gunshot then a pause and then multiple gunshots as he was behind cover. Officer Bui stated that he didn't know if it was one of his partners or the subject who fired the first shot. Officer Bui recalled that he peeked out from his cover pointing his gun in the direction of the subject. Officer Bui saw that the subject was still standing with the gun in his hand. Officer Bui stated that he fired three to five rounds at the subject believing that at least one of the rounds struck him. When asked why he fired Officer Bui stated that the subject had already pointed the gun at him and was not complying with commands to drop the gun. Officer Bui also believed that subject had already shot at him or his partners.

Officer Bui said that he observed the subject point the gun in his direction a second time. Officer Bui saw that the subject fired in his direction. Officer Bui described seeing smoke and a flash from the muzzle of the subject's handgun. Officer Bui believed that the subject fired once but it may have been more. Officer Bui stated that at one point he was hit in his right foot. Officer Bui did not at first know if he was shot or he was hit by a ricochet. Officer Bui ducked behind cover to check himself. Officer Bui said he didn't know what hit him but he was good so he peeked out from his cover and observed the subject going towards the front door of the gas station. The subject was still carrying his handgun. Officer Bui then stated that he feared for the safety of the station clerk or any other citizens that may be inside the gas station. Officer Bui then described the subject going into a somewhat of a seated position. The subject continued to look south in his direction with the gun in his hand. Officer Bui said that he feared for his safety and for the safety of his partners. Officer Bui said that he fired at least two more shots in the direction of the subject. Officer Bui said that he fired again because the subject still had the gun in his hand and he believed that officer or citizens in the gas station were going to be harmed.

Officer Heder stated as Officer Miller and Officer Bui were shouting commands to the subject, he noticed in his peripheral vision, a citizen walking through the lot to his left (west) and told the citizen, "Get the fuck out of here". At this point Officer Heder observed the citizen, described as male/black, near a blue vehicle that was parked at the gas pumps directly to his north and directly west from the subject. The driver side front door was open and the citizen quickly walked to the open door and got into the blue vehicle and shut the door.

Officer Heder states at this point, he turned his focus back to the subject with the gun and the subject with the gun quickly lifted his right arm and pointed the gun directly in the direction of the witness seated inside the blue vehicle. Officer Heder recollects seeing the driver side door of the blue vehicle in front of him swing open and the citizen inside the vehicle leaned out and crawled out of the vehicle. Officer Heder again gave commands to the armed subject to "drop the gun, drop the gun". After a short period, the armed subject eventually lowered the gun to his side, but then quickly lifted the gun up in the direction of Officer Miller and Officer Bui, while still continuing to laugh in an odd manor. Officer Heder stated at this point, the armed subject had lowered the gun to his side, and now slowly started to raise the gun up and was focused on Officer Miller, who had now moved behind a tree on the south side of the parking lot. Officer Heder described this action by the armed subject as, "having more purpose, more focus and did not look like a faking motion anymore". Officer Heder stated the armed subject appeared to now be "taking aim at a target", from his vantage point, he thought was Officer Miller.

Officer Heder stated at this point, he heard several gunshots in short succession. He did not know who fired first, but time slowed down and he became fixated on the gun in the armed subject's hand. Officer Heder described seeing the slide of the suspect's gun moving back and forth and could see the muzzle flash from the armed subject's gun. Out of his peripheral vision he could see dust and debris in the air near Officer Miller's location and knew that Officer Miller was being fired at. Officer Heder stated at this point he knew the subject was firing in the direction of Officer Miller and feared for his safety, for the safety of other Officers on scene and for the safety of the witness trapped in the vehicle at the gas pumps, and knew that deadly force was the only option to stop the perceived threat, so he made the decision to discharge his firearm at the armed subject. Officer Heder remembers firing two rounds, but was not absolutely certain how many shots he fired.

Officer Heder stated he now realized he was not in a good tactical position, and started to move towards the gas pumps for some sort of cover and briefly lost sight of the armed subject. Officer Heder continued to hear gunfire erupt around him and shouted to the citizen who was now crawling towards him to, "Stay low, stay low". Officer Heder stated he then reached down for the citizen with his right hand and pulled the driver behind him and repeatedly told him to "stay low". Through the now open car door, Officer Heder reacquired the armed suspect and could see that the armed subject was still firing his gun in the direction of Officers Miller and Bui. Officer Heder stated out of his peripheral vision, he could see that Officer Bui had taken a position of cover behind the south side of the gas station and observed Officer Bui looking at his elbow and his midsection as if he was checking for blood or possibly a gunshot wound and thought to himself, "I think Dave is hit". Officer Heder stated he felt he could do a safe in-battery reload of his firearm at this point, released the magazine in his firearm and replaced it with a fresh 16 round magazine from his duty belt, leaving the previously inserted magazine on the ground near the gas pumps. Officer Heder stated he knew from the position he was at he could not fire at the armed suspect due to the armed suspect being in a direct line of fire with the front of the gas station and knew there were probably innocent people inside. Officer Heder knew the shooting incident was going on too long and decided to move forward to close the gap between himself and the armed subject.

Officer Heder stated as he started to approach the armed subject, the armed subject took a couple of steps back towards the front of the gas station and lowered himself into a crouching position. Officer Heder could see that the gun was still in the subject's right hand and saw the suspect fire several more rounds in the direction of Officers Miller and Bui. Officer Heder quickly looked back in the direction of the citizen and told him, "Just stay down". When he turned his focus back towards the armed subject, he was now sitting against the gas station wall with his legs bent in an awkward position, and it appeared something was torn out of the armed subject's knee. Officer Heder stated he yelled, "He's hit, he still has the gun", and was still looking around at the Officers. As Officer Heder continued to close the distance to the armed suspect, he could see that he still had the gun in his right hand. Officer Heder stated he then saw a round impact the armed suspect's head and he dropped to the ground in front of him. Officer Heder then shouted, "He's down, he's down".

Officer Miller stated that when he arrived at the gas station a citizen pointed at the person later identified as Shelton and said “He’s right over there”. Officer Miller observed Shelton with a gun in his hand and he and Heder and Bui started giving him commands to drop the gun. Miller took

cover behind a tree and observed Shelton point his firearm at Officer Heder and a citizen who was at the gas pump. Shelton then brought the gun in toward his body and then pointed the gun at Officer Bui. Based on his actions, Officer Miller believed Shelton intended to try and kill him or one of his fellow officers. Officer Miller believed he had no choice but to fire his weapon to stop Shelton and as he did so he saw the muzzle flash from Shelton's gun indicating Shelton was firing his gun at Officer Miller. He continued to discharge his weapon until he felt Shelton was no longer a threat.

Medical Examiner's Findings

Dr. Brian Peterson, the Milwaukee County Medical Examiner, conducted the autopsy and determined that Mr. Shelton suffered a total of three gunshot wounds resulting in his death; he suffered a penetrating wound to the head, a penetrating wound to the abdomen and a perforating wound to his right elbow.

Legal Analysis

Under Wisconsin law, §938.48 (1) Stats, a person is privileged to threaten or intentionally use force against another for the purpose of preventing or terminating what the person reasonably believes to be an unlawful interference with his or her person by such other person. The actor may intentionally use only such force or threat thereof as the actor reasonably believes is necessary to prevent or terminate the interference. The actor may not intentionally use force which is intended or likely to cause death or great bodily harm unless the actor reasonably believes that such force is necessary to prevent imminent death or great bodily harm to himself or herself.

This is a two-part test, with subjective and objective components.

1) Did the officer have an actual subjective belief that deadly force was necessary to prevent imminent death or great bodily harm to himself or others?

2) Was that belief objectively reasonable?

See *State v. Head*, 2002 WI 99, 255 Wis. 2d 194, 648 N.W.2d 413

In addition, Milwaukee Police follow the national standard that trains officers only to use force to stop a threat of death or great bodily harm. Milwaukee Police are trained using the Wisconsin Defensive Arrest and Tactics Manual, which offers guidance on assessing the threat level of a situation and the use of force.

The facts of this case clearly demonstrate that the use of force by all three officers meets both of the *State v. Head* criteria. Mr. Shelton was armed with a loaded semi-automatic pistol that he had just recently stolen from another person. Shelton posed an immediate threat to the safety of the people at the gas station, and when the officers arrived and ordered him to drop the weapon he

refused and instead pointed it directly at a citizen who was servicing his car and then pointed it directly at the police. He ultimately discharged an entire magazine at the police during the encounter and never surrendered or disarmed himself of the pistol. The evidence from citizens, from the store security camera and the body worn camera footage from the police show a highly trained and appropriately restrained response from all three officers.

Because the use of force by Officers Bui, Miller and Heder was legally privileged, I am closing the criminal investigation into this incident and leave to your discretion any administrative decisions. All materials pertinent to my investigation are available for inspection.

NARRATIVE

On 08/16/21 I (Det. Martin Keck) responded to 2514 N. 27th St. to assist with this investigation. I was briefed by Det. Lt. Shane Wrucke. I learned Broderick E. Shelton (M/B [redacted] 79) was pronounced deceased at the scene after shots were fired between Shelton and the police. I learned the Milwaukee Police Officers involved in the incident were David Bui, Ryan Miller and Joshua Hader. I was tasked with collecting video footage from the gas station located at 2514 N. 27th St., in the City of Milwaukee.

GAS STATION VIDEO FOOTAGE

I met with the owner of the gas station, S[redacted] S[redacted] B[redacted] (M/W [redacted] 79). He provided me access to the video system and consented to the collection of the video evidence. It should be noted, **the time stamp on the footage was 2 hours slow**. Meaning, timestamp 13:35 would be 3:35pm in real time.

Initially, I burned footage from four cameras (Cameras 2,3,4 and 6) from timestamp 13:35 through 14:05. This footage and a laptop were provided to West Allis Police Det. Caleb Porter and Wauwatosa Police Det. Michael Romeis to assist with the evidence collection of the scene. A copy of this footage was saved to a DVD and entered into property as evidence (Item 21-002762-001).

I then burned footage from all of the gas station's operational cameras from timestamp 13:30 through 14:30. A copy of this footage was saved to a blu-ray disc and entered into property as evidence (Item 21-002762-002). I then burned footage from all of the gas station's operational cameras from timestamp 12:15-14:04. A copy of this footage was saved to a blu -ray disc and entered into property as evidence (Item 21-002762-003).

NARRATIVE

Interview of M[redacted] W[redacted]

On 08/16/2021, I (Detective Kirk Will) was dispatched to the area of W Wright St and N 27 St for an Officer Involved Shooting investigation as member of the Milwaukee Area Investigative Team (MAIT). Once I arrived on scene I was given my assignment by Sgt Brian Skornia to interview the 911 caller, M[redacted] W[redacted] M/B, [redacted] 95. Prior to the interview I was provided with W[redacted] basic information and was informed that W[redacted] s firearm had been stolen by the suspect, Broderick E Shelton Jr, M/B, [redacted] 79 just prior to the officer involved shooting. I was told W[redacted] was a valid CCW holder with with license #[redacted] which was issued on [redacted] 21. The theft of the firearm occurred in the street in front of 24[redacted] N 25 St.

I conducted the interview inside of an unmarked MPD squad. The interview was recorded on my body-worn camera. The following is a synopsis of the interview:

W[redacted] is a [redacted] with [redacted] and currently resides in Sussex, WI. W[redacted] had the day off today (8/16) and began his day leaving his girlfriend's house near "91/Herbert" W[redacted] was unsure of the exact address. This was later to determined to be 91[redacted] Herbert Court where W[redacted] s girlfriend, B[redacted] W[redacted], F/B, [redacted] 96 resides. W[redacted] drove his vehicle to W[redacted] s place of employment. W[redacted] did not know the name of the business but stated it was in the area of N 109 St/W Hampton Ave. Once there, W[redacted] left the vehicle he was driving at W[redacted] s place of employment and took W[redacted] s vehicle which is a white Volkswagen Jetta later found to bear WI registration AKF-4843. W[redacted] took the [redacted] to get a car wash in the area of N Sherman Blvd/W Fond Du Lac Ave. After that W[redacted] s drove to the area of N 25 St/W Meinecke Ave. W[redacted] explained this is the area he grew up and he wanted to hang out with friends on his off day.

W[redacted] estimated he arrived in the area around 1:00 pm. W[redacted] stated he was hanging out with friends near the intersection of N 25 St/W Meinecke Ave. W[redacted] was play wrestling in the middle of the intersection with a friend known only to him as "J[redacted] " W[redacted] stated he had his Glock 9mm handgun which contained 15 rounds in the magazine and 1 in the chamber tucked into his right waistband area. W[redacted] was wearing a small white shirt during this time and the handgun was likely exposed while he was play wrestling in the middle of the street.

At one point W[redacted] s felt a tug at his waistband and knew someone had taken his gun. W[redacted] turned and saw a person his knows as "Baldy" or "Broderick" (Shelton Jr) standing and holding his (W[redacted] gun. W[redacted] did not know where Shelton Jr came from as he had not seen him up until that point. W[redacted] s lunged towards Shelton Jr who backed up and held the gun close to his body pointing at W[redacted] Shelton Jr told W[redacted] to back up and began walking towards the park NW of the location. W[redacted] stated he knew Shelton Jr from the neighborhood and described him as being violent. W[redacted] believed Shelton Jr was recently released from "Mendota."

W[redacted] s got into the driver seat of the Jetta to drive and follow Shelton Jr. Another subject known only to W[redacted] as "N[redacted]" also got into the Jetta. W[redacted] started driving towards the area Shelton Jr had walked. In the 2600 BLK of W Wright St, W[redacted] relocated Shelton Jr on the north side of the street on the sidewalk just east of the gas station at 2514 N 27 St. W[redacted] made a U-turn in the roadway and was now parked facing E/B on W Wright St. W[redacted] yelled out the window for Shelton Jr to give him back his gun. Shelton Jr responded by pointing the gun at W[redacted] W[redacted] r feared

for his safety and thought "he (Shelton Jr) was going to kill me."

At this point W[redacted] called 911 and was on the phone with a dispatcher. Shelton Jr walked into the gas station parking lot and was holding the gun and aiming it at people. W[redacted] saw Shelton Jr aim the gun at a person (later determined to be I[redacted] P[redacted] M/B, [redacted] 93) near a pump and also through the glass at the gas station attendant. Around two minutes later W[redacted] saw three police officers on bicycles in full uniform who he recognized to be police arrive on scene.

W[redacted]s saw police get off the bicycles and heard them yelling "Police! put the gun down." At that point Shelton Jr had his body facing the police with his right arm extended pointing the handgun in the direction of P[redacted] W[redacted] believes Shelton Jr turned towards police with the gun but couldn't remember exactly because everything happened so fast. Wi[redacted] heard several shots and drove further east down W Wright St so he wouldn't be hit by gunfire. At this point Shelton Jr is out of W[redacted] view. W[redacted] then left the scene to drop his girlfriend's (W[redacted]) car off in the area of N 109 St/W Hampton Ave. W[redacted] then drove his car back to the scene of the shooting and told police he was a witness.

At that point the interview was concluded and W[redacted] was released from the scene.

MPD Detective Tyler Kirkvold stated there was a pen and a Sharpie near the front doors of the Clark gas station where Broderick Shelton's body was located. He stated those items came from MPD Officer Lacarlin Davis' uniform while performing chest compressions on Broderick Shelton.

There were other items in the same area that consisted of a paper magazine and a package of Swisher Sweet cigars which MFD personnel removed from Broderick Shelton's front left shorts pocket.

MPD Detective Tyler Kirkvold stated MPD Officer Maxx Cziske took custody of some mail which was in Broderick Shelton's front right shorts pocket and removed by MFD personnel.

STATEMENT FROM MPD OFFICER MAXX CZISKE

I spoke to MPD Officer Maxx Cziske (District #3, squad 3261, people soft# [redacted]) who provided the following statement: MFD personnel took items out of Broderick Shelton's front right shorts pocket on scene. Those items consisted of two pieces of US mail. Officer Cziske took custody of the mail and then turned the them over to me. They consisted of one open piece of mail (healthcare related documents) and one unopened piece of mail. I entered them into evidence:

Wauwatosa Police Department			Supplemental Report
Incident Report Number: 21-016426	Incident Location: 1700 N 116 St, Wauwatosa, WI, 53226		Incident Date: 08/16/2021
New Incident:	Original CFS Code - 1: ASSIST	New CFS Code -1 :	New CFS Code - 2:

NARRATIVE

This report is completed by Det. Joel Kutz of the Wauwatosa Police Department as part of the Milwaukee Area Investigative Team (MAIT) investigation into the officer-involved fatal shooting of Broderick E. Shelton, Jr. (M/B [redacted]/79) at 2514 N. 27 St. in the City of Milwaukee. Wauwatosa Police Department is the lead agency and this investigation is related to Milwaukee Police Department case number 21-228-0149.

ATTEMPT TO INTERVIEW B[redacted] W[redacted] (F/B [redacted] 1996):

On 08-17-2021, I was tasked with attempting to interview the owner of a white Volkswagen Jetta that had been driven by M[redacted] W[redacted] (M/B [redacted] 1995) on the afternoon of 08-16-2021 and was captured on surveillance video in the 2600 block of W. Wright St., just south of the location of the shooting by the surveillance cameras at the Clark gas station, 2514 N. 27 St. Wilkins was reportedly the person from whom Brodrick E. Shelton, Jr. had taken the firearm that Shelton had used in the shooting (see Det. Kirk Will's supplemental report for more information regarding the identification of the Volkswagen and interview of W[redacted]).

I was informed by Det. Sgt. Joseph Zientek that the white Volkwagen's Wisconsin registration plate is [redacted], based on Det. Will's investigation and that the registered owner is B[redacted] W[redacted] who is reported to be W[redacted] girlfriend. A records check on the license plate revealed the owner to be B[redacted] W[redacted] (F/B [redacted] 1996) of 91[redacted] W. Herbert Ct. in the city of Milwaukee.

At about 5:00 PM on 08-17-2021, Det. Timothy Warren and I drove to 91[redacted] W. Herbert Ct. in an attempt to make contact with W[redacted] The blinds were drawn on all of the duplex's windows and the white Volkswagen was not located in the area. I rang the doorbell and knocked at the front door several times, but it did not appear that anyone was home.

Further attempts will be made later to interview W[redacted]

RECOVERY OF DISC CONTAINING 911 CALLS AND MILWAUKEE POLICE RADIO TRANSMISSIONS:

Also on 08-17-2021, I was tasked with recovering a recording of the 911 calls and Milwaukee Police Department radio transmissions related to this incident. Det. Warren and I drove to the Milwaukee Police Department Administration Building. We made contact with Milwaukee Police Detective Brian Maciejewski, who turned over to me a white CD envelope which contained a white compact disc labelled *"M6284 OIS 2514 N 27TH St 08-16-2021 911 Calls/Radio Traffic"*. I transported the disc back to the Wauwatosa Police Station, made an investigative copy, and entered the original disc as evidence.

I listened to all of the audio, which was contained in one file on the CD. Following is a synopsis of the recording. It is not meant to be a word for word transcript. Refer to the recording for the full detail.

911 CALL #1 (0:00-3:57 of the audio file):

A female telecommunicator answers the call and a male subject (later identified as M[redacted] W[redacted], M/B [redacted] 1995)

asks that police be sent to 27th and Wright because a man had taken a gun off of his hip. He said the man is "a little slow", he is at the gas station and is aiming the gun at people. The telecommunicator asks W[redacted] how the man got his gun. He replied by saying that the man is slow and that he needs his medicine. W[redacted] said he was talking to somebody and that the man took his gun right off of his hip. The telecommunicator asks W[redacted] to describe the subject. W[redacted] tells her that he is a black male, who is wearing all black clothing. The telecommunicator asks W[redacted] about how old the subject is and W[redacted] replies that he is 43 years old. She then asks W[redacted] if he knows the subject and what his name is. W[redacted] indicates that he does know the subject and that everyone calls him Baldie (later identified as Broderick E. Shelton, Jr., M/B [redacted]/1979). W[redacted] said Baldie is "kinda off a little; he slow". W[redacted] then tells the telecommunicator that Baldie is aiming the gun at everybody in front of the gas station. The telecommunicator asks W[redacted] if Baldie has mental health issues and W[redacted] replies that he does. The telecommunicator asks W[redacted] his name and he tells her his name is M[redacted] (M[redacted]) W[redacted] with a phone number of [redacted] which is the number from which he called 911.

A male subject can then be heard in the background (unknown if it is W[redacted] or someone else) talking about Shelton having a gun and that he is "trippin'" and "off his pills". W[redacted] can be heard telling someone that Shelton took the gun off of his hip while he was talking with someone.

The telecommunicator asks W[redacted] if anyone is injured. W[redacted] says no, but that Shelton has his gun in his hand and that his gun is "ready". W[redacted] seems to be talking to someone else, stating that he is in a situation at the gas station and that Shelton is aiming the gun at people. W[redacted] can be heard saying something to someone about dropping them off. The telecommunicator asks W[redacted] if he has left, to which W[redacted] replies that he is inside the gas station looking at Shelton. W[redacted] can be heard talking to someone, stating that Shelton is aiming the gun at people.

Unintelligible yelling can be heard in the background. The telecommunicator asks W[redacted] if officers are there and he says that officers are there. Typing can be heard in the background and the recording ends at 3 minutes, 57 seconds.

MILWAUKEE POLICE RADIO TRANSMISSIONS (3:58-5:57 of the audio file):

A Milwaukee Police Dispatcher announces to all District 3 squads over the police radio that they received a report of a subject with a gun at 27th and Wright. The dispatcher further informs squads that the caller stated that the subject took the gun off of his hip and was pointing the gun at people and he is described as black male, who is 43 years of age, goes by the name Baldie and is wearing all black.

Squad 3239 (P.O. David Bui and P.O. Ryan Miller) responds, stating that they and Squad (32)57 (P.O. Joshua Heder) are clear of their previous assignment, responding to the subject with a gun call and that they are about one block away. The dispatcher asks if 3239 and 3257 are on bicycles, to which one of the officers responds that they are. P.O. Bui asks for a description of the suspect from dispatch again and dispatch gives the description of a black male, 43 years of age, wearing all black clothing and that he goes by the name Baldie. P.O. Bui acknowledges.

Squad 3239 then transmits over the radio that they have located the subject (Shelton) at the gas station and that he has a gun in his left hand. An officer on scene transmits that they are facing north, so other responding officers should come from the north.

A dispatcher then asks for additional squads to respond to 27 and Wright for a subject with a gun. Squad 3140 asks that his current call be placed on hold and that he will respond.

One of the officers on scene requests that everyone stay off the air because the subject had just pointed the gun at a blue car. An officer on scene then transmits over the radio that Shelton had pointed the gun at him. An officer(s) on scene then yells over the radio "Shots fired! Shots fired! Shots fired!" The dispatcher puts out a call over the radio requesting other officers to respond to 27 and Wright.

An officer can be heard over the radio yelling, "Sir, stay down! Stay down!" During that transmission, loud noises that sound like gunshots can be heard in the background.

The dispatcher calls Squad 3239 over the radio. Squad 3239 responds, "Shots fired. Continued shots fired. (Unintelligible) at the gas station. Shots fired! Shots fired! Multiple shots fired!" The dispatcher asks Squad 3239 if anyone is injured. Another, unknown squad, then transmits, "Where?" The dispatcher responds, "27 and Wright. 27 and Wright".

Squad 21 transmits that they are responding.

Squad 3239 transmits "39, he's still got the gun. Oh, he'll be (unintelligible). He's been hit. His gun's still right by him."

911 CALL #2 (5:58-6:55 of the audio file):

A female telecommunicator answers the call and a male caller states that shots have just been fired on 27th Street between Clarke and Wright. The caller says that they are moving toward North Avenue, still shooting. He says multiple shots have been fired, "at least 20".

The telecommunicator asks if the caller knows who fired the shots or for a vehicle color. The caller says there was a vehicle backing up that now had been "traffic stopped". He says that he doesn't know if someone has been shot and that he is not going outside. The telecommunicator asks the caller again for a vehicle description. He says it is "like a navy blue Chevy Impala, new model, 4 door sedan".

The telecommunicator asks the caller for his name and phone number. The caller says his name is C[redacted] E[redacted] and that his phone number is [redacted]-[redacted] The telecommunicator confirms that E[redacted] phone number is [redacted]-[redacted]-[redacted] and he replies, "Yes, ma'am". She then tells E[redacted] that they will get someone out there. The call ends.

MILWAUKEE POLICE RADIO TRANSMISSIONS (6:56-10:21 of the audio file):

A dispatcher asks if any officers are injured. A male officer then transmits "Alright, we're moving in to cover. We're going to need medical ASAP".

A male officer transmits that the address is 2514 North 27. Another male officer then begins notifying dispatch that traffic control will be needed.

A dispatcher asks Squad 3239 if it is safe for MFD (Milwaukee Fire Department) to enter. Squad 3239 responds that it is

safe for MFD to enter and that they are needed "ASAP", that the gun is recovered, that the subject (Shelton) fired multiple shots at officers and that he was pointing the gun at a civilian when they arrived.

The dispatcher asks Squad 3239, "And 3239, is this an officer involved shooting". Squad 3239 responds, "Affirmative."

A male officer transmits that traffic needs to be stopped in all directions and that the scene needs to be taped off as there are multiple people coming to the scene.

Squad 3239 transmits that people are needed to put (police) tape up at the scene as a lot of people are arriving there.

Squad 9412 transmits that all officers are alright, that the subject is down and PNB (pulseless non-breathing) and that there were shots fired at the officers. The dispatcher acknowledges and then asks Squad 9412 for any information on the suspect that was shot.

Squad 9412 transmits that the CP (command post) will be at 27th and Wright, that safe entry will be from the south and the north, that traffic will need to be stopped completely on 27th and that someone is needed to check the house on the northwest corner of 27th and Wright to ensure that everyone is ok there as that is the direction the suspect was firing shots.

A male dispatcher transmits that they need particulars on the victim. Squad 3251 transmits that they are actively doing chest compressions on the victim. The male dispatcher's transmission may have been cut off as all that can be heard is "(unintelligible) get medical here". Squad 3251 continues, "he's a black male, approximately 20 to 25 years old, GSW (gunshot wound) to the head".

Squad 7263 transmits that they are on scene and that they have Squad 3257/"Officer B" and that he will now be with a Sergeant.

Squad 918 asks if there is an ETA for MFD. Dispatch responds that they are checking right now.

MILWAUKEE POLICE DISPATCH PHONE CALL TO MILWAUKEE FIRE DISPATCH (10:22-11:04 of the audio file):

The police dispatcher asks the fire dispatcher for the ETA for MFD units as the patient is a black male with a gunshot wound to his head. The police dispatcher adds that safe entry to 27th and Wright is from the south or the north. The fire dispatcher says that the Med Unit was staging and will be directed in to the scene. The police dispatcher tells the fire dispatcher to have the Med Unit enter from the north.

MILWAUKEE POLICE RADIO TRANSMISSIONS (11:05-18:11 of the audio file):

Squad 918 transmits that they see MFD coming to the scene from the north.

Squad 9414 transmits that he is on scene and that he has one of the involved officers with him in his squad car.

Squad 3113 transmits that she has one of the involved officers with her in her squad car.

Squad 3213 transmits that he is IC (incident command). Squad 9412 transmits that the new CP location is in the 2400

block of N. 27th Street. Dispatch asks Squad 3213 if he knows the identity of the shooter yet. Squad 3213 responds that he does not yet know.

Squad 3210 transmits that any squad still responding can slow their response to the scene.

Squad 3210 transmits that he is with one of the officers involved in the shooting, further transmitting that it is half of Squad 3239.

Squad 3251 transmits that the gas station owner should be on scene somewhere on the side of the business in a white Infiniti sedan.

Squad 9412 requests tactical officers with breaching equipment so that entry can be made to 25[redacted] N. 27th St.

Squad 715 transmits that he and all of the other tactical officers would be with Squad 9412 at 25[redacted] N. 27th St. as the house had been struck by gunfire and they were going to force entry to check the welfare of any occupants who may be inside the residence.

Squad (32)61 transmits that he would like it noted by dispatch that they checked with the residents at 24[redacted] N. 27th St. and that everyone inside is safe.

Squad 9412 transmits that the tactical officers are inside the residence at 25[redacted] N. 27th St. conducting a welfare check.

Squad 3251 calls dispatch via radio.

911 call #3 (18:12-18:24 of the audio file):

Milwaukee Fire Dispatcher #4 called Milwaukee Police Telecommunicator to inform them that the subject (Shelton) at 27 and Wright is a confirmed DOA (deceased).

MILWAUKEE POLICE RADIO TRANSMISSIONS (18:25-21:18 of the audio file):

Dispatch replies to Squad 3251. Squad 3251 transmits that MFD is calling Shelton DOA (deceased) at 16:17 (4:17 PM). Dispatch acknowledges the transmission.

Squad 715 transmits that the residence at 25[redacted] N. 27th St. is all clear and asks dispatch for the entry time to the residence. Dispatch informs Squad 715 that entry was made at approximately 16:18 (4:18 PM).

Scene Evidence/Photo Assignment

On Tuesday, August 17th, 2021, I was assigned a follow up investigation assignment to locate and/or recover any fired rounds at the address 2518 N 27th St. The address is directly north of the Clark Gas Station located at 2514 N 27th St, where members of the Milwaukee Police Department were involved in an Officer Involved Shooting on August 16th, 2021. 25[redacted] N 27th St. is directly in in the line of fire during the incident.

Detective Sergeant Brian Skornia, Detective James Short and I, Detective Kelly Zielinski, responded to 25[redacted] N 27th St and made contact with the resident/owner, identified as L[redacted] D[redacted] (M/B[redacted] 54). D[redacted] had previously spoken with Investigators after the incident on August 16th and indicated damage to the south facing side of his residence, possibly related to the incident. It was determined the possible bullet holes on the south side of the residence were not related to the shooting incident on August 16th, 2021. I spoke with D[redacted] who gave us consent to recover any potential new evidence from the house structure. The contact with D[redacted] was recorded on my Wauwatosa Police Department body worn camera and later uploaded to the Wauwatosa secure server.

I checked the line of sight the involved Officers had during the shooting incident. I was able to determine a general area at 25[redacted] N 27th St. to check for evidence related to the shooting incident. I located a broken window on an east side facing window of the residence on the southeast corner. It appeared a round had struck the aluminum window frame smashing the window, and ricochet into a wood beam that supports the upper patio deck. The round appeared to embed in the wood beam and we were unable to extract any round or round fragments. The round DID NOT penetrate through the window. Just below the southeast window, it appeared there was fresh damage, possibly bullet hole, in the vinyl siding. We located a bullet hole in the 5 foot wooden fence on the south side side of 25[redacted] that separates the Clark Gas Station from 25[redacted] The bullet hole is in the line of fire of the shooting incident and the bullet trajectory through the fence does support an impact on the residence below the southeast window. We attempted to recover any potential evidence from the hole in the siding with negative results. The round DID NOT breach the interior of the residence. I spoke with D[redacted]y and he advised both areas of damage were "Fresh" damage and were not discovered by investigators on their initial search on August 16th.

I took a total of 30 digital photos of the damage to the 25[redacted] N 27th St. The photos were later uploaded to the Wauwatosa secure server.

NARRATIVE

I, Detective Kastner, assisted in this investigation as a member of the Milwaukee Area Investigative Team (MAIT).

On 08/18/21, I was requested to make contact with several people who were identified as either potential witnesses, or had information about a witness, in this case.

Witness statement - C[redacted] S[redacted]

My department issued body-worn camera was operational during this contact. The video footage was uploaded to the secure digital evidence management system under this report number. The following is a synopsis of the interview, see the video for details.

I made contact with C[redacted] S[redacted]n (F/B, [redacted] 63) at her residence, 27[redacted] W Wright St, Milwaukee. I asked S[redacted] to tell me what she saw on Monday (08/16/21). S[redacted] provided the following statement:

She did not see the beginning of what happened. She was inside her home, in bed, when she heard gunshots outside. It was sometime between 3:30pm and 3:45pm. She hurried outside and told all the kids who were playing out front to get in the house. The kids included her grandson and about 4 other kids from the neighborhood. The kids told her that the man (Shelton) shot at the police first, so that's what she believe happened. She estimated it took her 2-3 seconds to get outside after she heard the first shot.

She stayed outside and sat on the front porch and she saw two police officers at the gas station. She could tell they were police officers because they were in uniforms and they were yelling commands. She could see the word "Police" on one of their jackets. One officer was by the front gas tank (nearest to N 27 St) with another man who was crouched down by a car. The second officer was along W Wright St near his bike, which was lying on the ground. She did not see a third officer.

She did not see the man (Shelton) at first and she could not tell who the officers were talking to. When the officers started shooting, she stood up and walked to the top of the steps of her porch and then she could see the man (Shelton). Shelton was sitting on a concrete slab next to the ice machine. She did not see Shelton shoot a gun. The officers were yelling at him to "put down the gun" and "lay down". Shelton was not following commands, he did not do anything the police told him to do. The officers kept saying commands. Then she saw both officers shoot. She heard at least 30 shots. Shelton slumped over and she saw blood on the wall of the gas station. One of the police officer's retrieved a handgun from Shelton, which was the first time she saw that Shelton had a gun. About that time, all the neighbors were coming out and the police came and taped off the area.

Her son-in-law was also inside the home when the shooting occurred and he went outside. She would not provide her son -in-law's name because he does not want to be involved.

When the shooting happened, there was a "crack head" lady who goes by "[redacted]" also at the gas station. "[redacted]" was arrested by police the night of the shooting but she heard that "[redacted]" refused to talk to police. "[redacted]" is often in the neighborhood and she asks for cigarettes and change. "[redacted]" is pregnant.

She did not know Shelton. She would see him around the neighborhood and at the gas station. He would ask for change. She has never spoken to him and she can not describe him.
End of Statement

The residence 27[redacted] W Wright St is the second house west from the SW corner of N 27 St/W Wright St. The house is on the south side of the street. I took three digital photographs to document the location of the home and the view of the gas station from the front porch.

Attempt to contact B[redacted] W[redacted]t

I attempted contact at 91[redacted] W Herbert Ct to interview B[redacted] W[redacted] There was no answer at the home.

Attempt to contact R[redacted] C[redacted]

I made contact at 83[redacted] W Burleigh St with a male adult who said he was R[redacted]s brother and R[redacted] no longer lived there. I asked for contact information for R[redacted] and the male called his mother and put her on speaker phone. I explained the reason for wanting to speak to R[redacted] and the woman stated she would call R[redacted] and have him contact me.

Attempt to contact P[redacted] Vi[redacted]

I attempted contact at 53[redacted] W Hampton Ave but there was no answer. I located a possible current address for V[redacted] of 20[redacted] N 27 St.

Contact with J[redacted] L[redacted]

I made phone contact with J[redacted] L[redacted] (F/W,[redacted] 64). L[redacted] stated that one of her co-workers, S[redacted] F[redacted] had said that her husband's friend witnessed the shooting.

I then made phone contact with S[redacted] F[redacted] ([redacted]) who stated that she saw something on Facebook about it and she did not know any witnesses.

Witness Statement -S[redacted] M[redacted]

My department issued body-worn camera was operational during this contact. The video footage was uploaded to the secure digital evidence management system under this report number. The following is a synopsis of the interview, see the video for details.

On 08/19/21, I made contact with S[redacted] M[redacted] (F/W, [redacted] 05) along with her mother M[redacted] M[redacted] at their residence, 17[redacted] N 49 St, Milwaukee. S[redacted] provided the following statement regarding what she saw at 27/Wright on 08/16/21:

She was on a school bus on her way home from Rufus King HS. They left school around 3:40pm. She was sitting about 3 seats from the back of the bus, on the opposite side of the driver. The bus came to a stop due to a red light where traffic was backed up. The bus was headed towards W North Ave (southbound) and it stopped near the intersection where the gas station was located. The back end of the bus was into the intersection (N 27 St & W Wright St). She was talking to her friends on the bus and she heard gunshots. At first she thought it was a tire popping. She could not see anything initially

because she was on the opposite side of the bus from where the gunshots was coming from. As the bus started moving, she looked back towards the gas station and she saw 2 guys who were shooting at 3 police officers. The police officers were wearing uniforms with vests and there was a bicycle on the street near by.

The 3 officers were on different sides of the gas station. (I drew a rough drawing of the intersection with a gas station and M[redacted] marked on the drawing the position of the bus, 3 officers and 2 other subjects). M[redacted] indicated that one officer was near the SW corner of the gas station structure, one officer was near the SW corner of the parking lot, and the third officer was on the west side of the parking lot. M[redacted] also marked the location of other two people involved in the shooting. One was near the door of the gas station and the other was near the gas pumps on the west side of the parking lot.

She believed at least 2 of the cops were shooting their guns. She also saw that the man near the door to the gas station was shooting a gun at the police. This man was standing and squatting and firing at the police officer that was by the side street and that officer was also firing.

She did not see the man on the ground near the gas pumps shoot, but she saw that he had a gun. He was squatting down by the gas pumps and he was holding a gun. She saw him hold the gun up and then afterwards he was lying on the ground, like he was surrendering. The officer who was near him was standing over him and it looked like officer shot him. She heard gunfire from this officer and could tell that his gun fired while the officer was standing over the man. Her attention was more focused on this person and officer so she did not see if the man near the gas station door was shot.

She estimated she heard 15-20 gunshots. She estimated the bus was stopped for about 30 seconds and the gunfire continued at a slower rate as they drove away. All of the guns she saw by both the officers and 2 other men all looked similar, they were black handguns.

She described the man who was near the pumps as a black male, wearing an orange and white shirt, short hair, larger build.

She described the man near the gas station door as a black male, skinny, taller, wearing a navy blue or black shirt.

The other students on the back of the bus with her were M[redacted] M[redacted], A[redacted] N[redacted], L[redacted] V[redacted] l[redacted], and L[redacted] Y[redacted]r.

Witness statement - L[redacted] Y[redacted]r

I stopped at the residence of L[redacted] (M/W, [redacted] 06) and made contact with L[redacted]s father, A[redacted] Y[redacted] A[redacted] stated that L[redacted] was at his mother's home on the east side of Milwaukee. L[redacted] had told A[redacted] that he did not see the shooting. A[redacted] called L[redacted] and placed L[redacted] on speaker phone. L[redacted] stated that all he saw was an officer pointing a gun. I took a statement from L[redacted] over the phone and L[redacted] stated the following:

He believes the shooting happened around 4:30pm on 08/16/21. He was on the school bus from Rufus King HS and he was sitting near the back of the bus on the driver's side. He heard about 7-8 gunshots. When he looked towards the gas station he saw a police officer pointing a gun at someone near the entrance of the gas station. He did not see any gunfire or anyone get struck by gunfire. He could not describe the person near the entrance of the gas station. He said his view was blocked by other traffic passing by and that was all he saw.

Witness statement - M[redacted]t M[redacted]

My department issued body-worn camera was operational during this contact. The video footage was uploaded to the secure digital evidence management system under this report number. The following is a synopsis of the interview, see the video for details.

On 08/20/21, I made contact with M[redacted] M[redacted] (F/W,[redacted] 05) and her father P[redacted]k M[redacted] at their residence 18[redacted] N 53 St, Milwaukee. M[redacted] provided the following statement in regards to his incident:

She was on the bus headed home from Rufus King HS, around 4pm. The bus came to a stop in traffic. She was sitting in the back of the bus next to S[redacted] M[redacted] They were not on the driver's side of the bus. The shooting occurred on the opposite side of the bus of where she was sitting.

While the bus was stopped, she initially heard one gunshot. She first thought it was a tire that popped because she saw a bicycle lying in the street by the gas station. Then she heard a bunch more gunshots. She estimated there were 12 gunshots. She saw that there were two men at the gas station who were shooting at two or three police officers. One of the men who was shooting at the police was close to the sidewalk (near N 27 ST) and the other man was closer to the gas station entrance, by a car.

The man that was close to the sidewalk had a gun and was shooting, but then he got down on the ground. The officer was pointing his gun at this guy and walking towards him. She could see the back side of the officer and the officer's arm moved, like he fired his gun. At the same time, the man on the ground jerked his hands upwards like he was shot. That was the last shot that was fired.

The guy near the entrance to the gas station was shooting the most. She could not see what the other officer (on southeast side) was doing. The bus drove away and another police car arrived to the gas station. The officer's she saw were wearing uniforms which looked similar to each other.

She heard yelling but she could not tell who was yelling or what was being said.

(I drew a rough drawing of the intersection of of N 27 St & W Wright St and M[redacted] indicated where the bicycle and bus were located, where she saw police officers, and where she saw the 2 men who were shooting at police). M[redacted] indicated that the bus was in the intersection of N 27 ST and W Wright St, the bicycle was in the street in the 2600 block W Wright St, one officer was on the southeast portion of the gas station parking lot, one officer was on the southwest corner of the parking lot, one man was on the west side of the parking lot, and one man was on the east side of the parking lot.

M[redacted] described the man on the west side of the parking lot as a black male, about 6'00 tall, skinny, wearing orange.

M[redacted] described the man on the east side of the parking lot as a black male with shorter hair. She did not see this man well. Her attention was focused on the other man on the ground.

She recorded a short video with her cell phone at about the time the bus drove off, this was after the shooting had stopped. She emailed me the video.

Video from M[redacted]t M[redacted]

I received the video that M[redacted] M[redacted] emailed me. I viewed the video and saved it to the departments secure server.

The video is 9 seconds long. The camera is shaking while the bus is moving and the camera moves around. In the first frame of the video, it appears that there is a person sitting next to the entrance to the gas station. I did not see any of the officers or any other witnesses in the video.

NARRATIVE

This report is completed by Det. Joel Kutz of the Wauwatosa Police Department as part of the Milwaukee Area Investigative Team (MAIT) investigation into the officer-involved fatal shooting of Broderick E. Shelton, Jr. (M/B [redacted] 79) at 2514 N. 27 St. in the City of Milwaukee. Wauwatosa Police Department is the lead agency and this investigation is related to Milwaukee Police Department case number 21-228-0149.

INTERVIEW OF WITNESS, L[redacted] V[redacted] (M/W [redacted] 2006):

On 08-18-2021 at about 2:30 PM, I spoke with Det. Ryan Cepican regarding this case. He informed me that a possible witness had been identified as L[redacted] V[redacted] the 15 year old son of St[redacted] V[redacted] (F/W [redacted] 1977). Det. Cepican told me that he had been in contact with S[redacted] who told him that L[redacted] is a student at Rufus King High School and that he had been on a school bus on 08-16-2021 that was in the area of 27th and Wright in the city of Milwaukee at the time of this incident. L[redacted] had told his parents that he was a witness to the officer involved shooting. She said that L[redacted] is a student at Rufus King High School and that he was on Wisconsin Central School Bus, Route [redacted] being driven home after his first day of the 2021-22 school year on 08-16-2021. S[redacted] told Det. Cepican that L[redacted] would be home at about 4:15 PM this afternoon. I told Det. Cepican that I would attempt to arrange an interview of L[redacted] with his mother.

I left a message for S[redacted] V[redacted] at about 4:25 PM on 08-18-2021, requesting that she call me in order to arrange an interview of L[redacted] at their home. At 4:30 PM, I received a phone call from S[redacted] She told me that L[redacted] would be home to speak with me anytime that evening, so we agreed that I would arrive in about 20-30 minutes at their residence, 12[redacted] N. 55St. in the city of Milwaukee.

My department issued body-worn camera was operational during this interview. The video footage was uploaded to the secure digital evidence management system under this report number. The following is a synopsis of the investigation, see the video for details.

Det. Timothy Kastner and I arrived at [redacted] at 4:55 PM on 08-18-2021. We were met at the front door by L[redacted] V[redacted], who invited us inside. We spoke with L[redacted] in the front room of his family's home. L[redacted]s mother was present during the interview and his father was also in the house.

L[redacted] started telling me what he had seen as soon as we sat down. He said that it was two days ago (08-16-2021) and that he "caught quite a good glimpse of it". He did not see the incident unfold until after the first shot was fired and he did not know who fired first. Li[redacted] saw 2 police officers ducking behind a tree and a man near the entrance to the gas station with a gun pulled out. He did not hear any yelling because the bus and traffic were loud.

L[redacted] said that the bus was not moving at the time, so there were about 2 minutes that they were stationary and were able to see the incident. He said that he didn't see the man (Shelton) get shot and killed. He did see a man on the sidewalk as he ducked for cover and another person checking to see if the man was ok.

L[redacted] didn't know if the "robber" (Shelton) was shot at this point, but he saw him leaning against the gas station, "ducking behind a garbage can or something. Or a barrel." There were "shots after shots".

I asked L[redacted] where the bus was located at that time. He told me the bus was not right in front of the gas station and was positioned so that only people near the back of the bus could have seen what happened. I asked him which way the bus was facing. He explained it was facing away from the gas station. I asked L[redacted] if the gas station would have been seen out of the driver's side or passenger side windows of the bus. He said it was opposite of the door, toward the driver's side. The bus was heading toward North Avenue (south). L[redacted] was sitting near the rear of the bus on the driver's side, but not all the way to the rear.

I clarified that L[redacted] had said he had not heard anything said. He said that everyone on the bus was freaking out on hearing the gunshots, so he did not hear anything specific that was said. S[redacted] interjected that she had heard L[redacted] say earlier that he had heard them saying drop the gun. L[redacted] said he could hear yelling, but that he could not understand what was being said.

I asked L[redacted] if he knew others on the bus. He said he knew some of the people as some of them had been alumni of his previous school. He thought there were about 20 students on the bus. I then got basic information from L[redacted] (name, date of birth, phone number).

I asked L[redacted] how many police officers he had seen. He told me he saw two, but then there were a lot of police cars responding to the scene as the bus was leaving the area. I asked L[redacted] where the two officers he had seen were located. He said they were in the grass, on the curb, behind the tree to the right of the gas station entrance when facing the entry door (meaning in the 2600 block W. Wright St.).

L[redacted] described the man with the gun (Shelton) as African American, slim build, white shirt and jeans. He said he saw a gun in his hand, but he was not sure which hand the gun was in and he described the gun as "just a standard pistol". L[redacted] thought he heard about 5 gunshots.

I asked L[redacted] for names of other people on the bus. He told me they were L[redacted] Y[redacted], A[redacted] N[redacted] and S[redacted] M[redacted] S[redacted] said N[redacted] B[redacted] (unknown spelling) usually rides the bus too, but L[redacted] was not sure if he was on the bus at that time on 08-16-2021.

I asked L[redacted] and S[redacted] for any other information they could share that might help to identify those students. He could not think of the names of any other people on the bus. S[redacted] said L[redacted] Y[redacted] lives with his dad, A[redacted] Y[redacted] on Washington Boulevard and also with his mom, somewhere on the east side of Milwaukee. S[redacted] said S[redacted] M[redacted] lives off of Washington Boulevard on 50th Street or somewhere near 50th Street with her parents, T[redacted] and M[redacted] M[redacted] She said that A[redacted] N[redacted] lives somewhere on or off of Elliott Circle. L[redacted] said he did not have phone numbers for any of those kids.

L[redacted] said that S[redacted] M[redacted] pointed out that she had seen things at the scene that he had not seen. L[redacted] was concerned and asked that police not tell S[redacted] that he had sent us to speak to her. Det. Kastner asked L[redacted] if everything he had told us so far was what he had seen himself. He said it was.

L[redacted] said everything he had seen was shocking. I asked L[redacted] if there was anything else he had seen that he wanted to share. He said that the person he saw down on the sidewalk may have been ducking for cover, but that he wasn't sure if he had been hit by gunfire and that another person was checking on him. He described the person down on the sidewalk as "white maybe, wearing a green shirt". He could not describe the person checking on that man.

L[redacted] said he had assumed that the man who was shot had robbed the gas station. He said he didn't know why the police had shown up, "but clearly, he had a gun on him".

Det. Kastner asked if the bus was stopped when the incident occurred. L[redacted] said the bus was stopped in traffic. L[redacted] wasn't sure if the bus was stopped when the incident first started, but that it was stopped when he heard the first gunshot.

Det. Kastner confirmed that L[redacted] had said he saw two police officers. He then asked L[redacted] how he knew they were police officers. L[redacted] said they were right next to their cars and they were wearing typical police attire. L[redacted] said he saw they were wearing blue shirts, hats, and darker pants. He also saw more police responding.

L[redacted] said he feels lucky that he didn't actually see Shelton being shot. Det. Kastner asked L[redacted] to tell us what the officers were doing or the focus of their attention. He said that they were either behind a tree or behind police cars and that they

had their guns drawn toward the man (Shelton) who was right in front of the entrance. He said the man in front of the entrance was "trying to dodge and then, you know, he had the gun out and was shooting too (at this point L[redacted] was demonstrating by extending his right arm in front of him and was pointing his index and middle fingers as though he were holding a gun) and then was ducking".

Det. Kastner asked L[redacted] if he saw the man at the gas station (Shelton) shooting. He said, "Uh yeah. I mean, I don't know where the bullets came from, but after all those bullets, I'm sure that he at least shot something". Det. Kastner asked L[redacted] where the man (Shelton) was aiming and he said it was at the police.

L[redacted] said the bus eventually drove off and that it didn't seem the bus driver or the passengers closer to the front of the bus saw anything. He said it was about 1 to 1 ½ minutes that he had a clear view of the scene.

Det. Kastner asked L[redacted] to talk again about the yelling. He said that he knew the police were the people yelling, but that he did not know specifically what they were yelling.

Det. Kastner used his notebook to draw a sketch of the gas station at 2514 N. 27 St., including N. 27 St. and W. Wright St. and asked L[redacted] to indicate where he saw the officers. L[redacted] drew one dot for each of the two officers on the north side of W. Wright St., between the west edge of the gas station building and N. 27St. L[redacted] drew a dot near the front (west side) of the gas station building and indicated that that was where the suspect (Shelton) was located. He drew a fourth dot just east of N. 27 St. and just north of W. Wright St. to indicate where the man had ducked for cover during the shooting and also where the person was located who had been checking on that man.

I gave S[redacted] a business card. I told L[redacted] that he should contact me using the information on the card that I had given his mom if he thinks of anything else that might be helpful for us to know or if he has any questions.

Officer Bui's Squad number is 3257.

Officer Bui stated that he, Miller, and Heder left the district on their MPD bicycles at around 2:15 pm to 2:30 pm to begin their patrol shift. The three were assigned to patrol the north side of the district.

Officer Bui said that they first proceeded to the area of N. 15th St. and W. North Ave. to look for a wanted subject. They were unsuccessful in locating the subject so they resumed general bicycle patrol of their assigned area and they were not sent on any assignments or involved in any self initiated activity prior to the critical incident.

Officer Bui stated that at approximately 3:50 pm, a call was dispatched over the radio regarding a "subject with a gun at N. 27th and W. Wright St." Officer Bui heard Officer Heder respond over the radio stating "We'll take it" meaning they would respond and handle the call. Officer Bui believed that they were in the area of N. 25th St. and W. North Ave. when the call came over the radio. Officer Bui stated that the dispatcher advised that the subject had pointed the gun at citizens. The three proceeded to the area of the call. Officer Bui said that he was third in line of the three officers. Dispatch provided a description of the armed subject "Male, black, 40's, wearing all black clothing named Baldy." Officer Bui stated that approximately two blocks away from the scene he activated his Axon Body Worn Camera.

Officer Bui recalled that they rode north bound then cut through a small park at N. 26th and W. Wright St. proceeding west bound on Wright St. Officer Bui added that as they approached the gas station from the east he initially turned north bound in the alley to the east of the station then he turned back to Wright St. Officer Bui said that he saw a white vehicle east bound on Wright St. in the 2600 block. Officer Bui saw Officer Heder briefly make contact with the driver of the white vehicle.

Suspect Located

As Officer Bui approached the south east corner of the gas station he heard Officer Heder say something to the effect of "the subject with the gun is at the gas station. He's right here."

As Officer Bui approached the lot he dismounted his bicycle and drew his firearm to a low ready position. Officer Bui said that he was positioned on the surface area on the south side of the gas station building. Officer Bui moved to his left and he said that he could see the subject standing on the west side of the building near the front door. Officer Bui recalled the

subject was male, black and was wearing dark colored clothing which matched the description provided by dispatch in the initial call. Officer Bui observed that the subject was holding a dark colored semi-automatic handgun. Officer Bui thought that the subject was holding the gun in his left hand. Officer Bui said that the subject was smirking or laughing as he held the gun. Officer Bui recalled that the subject continuously crossed his arms and moved his hands.

Officer Bui said that he stayed in his position on the south of the building using the wall as cover. Officer Bui stated that Officer Heder had fanned out moving toward the gas pumps and that Officer Miller was to his left and a little behind him. Officer Bui did not observe any citizens at this time. Officer Bui said that he focused on the subject who was still in the same area near the front door to the building.

Verbal Commands

As Officer Bui remained in his position he stated that he heard Officer Heder shout using "heavy control talk," "Drop the gun!" Officer Bui added that he shouted to the subject "Milwaukee Police, talk to me." Officer Bui said that the subject turned and looked in his direction. Officer Bui added that the subject raised the gun and pointed it in his direction. Officer Bui described having the gun pointed at him as a "scary feeling." Officer Bui stepped to his right side behind cover and radioed dispatch saying "He just pointed the gun at me. responding units come from the north." Officer Bui stated that he was trying to paint a picture of the scene over the air for responding units. Officer Bui added that there were no citizens behind the subject.

Shots Fired

At this point Office Bui said that he heard one gunshot then a pause and then multiple gunshots as he was behind cover. Officer Bui stated that he didn't know if it was one of his partners or the subject who fired the first shot. Officer Bui recalled that he peeked out from his cover pointing his gun in the direction of the subject. Officer Bui saw that the subject was still standing with the gun in his hand. Officer Bui stated that he fired three to five rounds at the the subject believing that at least one of the rounds struck him. When asked why he fired Officer Bui stated that the subject had already pointed the gun at him and was not complying with commands to drop the gun. Officer Bui also believed that subject had already shot at him or his partners.

Officer Bui said that he observed the subject point the gun in his direction a second time. Officer Bui saw that the subject fired in his direction. Officer Bui described seeing smoke and a flash from the muzzle of the subject's handgun. Officer Bui believed that he subject fired once but it may have been more. Office Bui stated that at one point he was hit in his right foot. Officer Bui did not at first know if he was shot or he was hit by a ricochet. Officer Bui ducked behind cover to check himself. Officer Bui said that didn't know what hit him but he was good so he peeked out from his cover and observed the subject going towards the front door of the gas station. The subject was still carrying his handgun.

Officer Bui then stated that he feared for the safety of the station clerk or any other citizens that may be inside the gas station. Officer Bui then described the subject going into a somewhat of a seated position. The subject continued to look south in his direction with the gun in his hand. Officer Bui said that he feared for his safety and for the safety of his partners. Officer Bui said that he fired at least two more shots in the direction of the subject. Officer Bui said that he fired again because the subject still had the gun in his hand and he believed that officer or citizens in the gas station were going

to be harmed.

Approach

Officer Bui recalled that he and Officer Miller spoke to each other and they believed that the subject was finally down and not a threat. Officer Bui said that Officer Miller made the decision to approach the subject. Officer Bui said that he fanned out in the lot on the west side of the building and Officer Miller approached on his right side along the building. Officer Bui approached with his handgun drawn in a ready position.

Officer Bui said that he observed that the subject was down against the wall next to the front door of the station in a seated position. Officer Bui added that he believed that the subject appeared lifeless. Office Bui saw that the gun was on the ground next to the subject. Officer Bui recalled that he observed Officer Miller approach the subject along the wall. Officer Miller grabbed the gun and tossed it in a southern direction away from the subject. Officer Bui said that at this point he believed that the threat was over.

After Action/Scene Security

Officer Bui said that as Officer Miller secured the subject he started to secure the scene. Officer Bui said that he began directing other responding officers to control the street and put up crime scene tape. Officer Bui then said that he made contact with a citizen who was behind one of the gas pumps during the incident.

Officer Bui advised the citizen that he was a witness and he would have to remain at the scene. Officer Bui said that he continued to direct other officer while obtaining identification from the witness. Officer Bui said that he was able to pass the witness off to another officer. Office Bui then went with an Special Investigations Division Sgt. where he turned off his body worn camera and provided a public safety statement.

Officer Bui said that he did recall seeing Officer Miller rendering aid to the subject by performing chest compressions.

Removal from Scene

Officer Bui said that he was seated in a squad car and he was ultimately conveyed to the Milwaukee Police Department Administration Building for photos and a service weapon/round count.

Preclusion

Officer Bui was asked if any other means available to him in dealing with the subject would have effective and he stated that they would not have.

Interview Aid

During the course of the interview a Google Photograph of the gas station was used as a visual aid. Officer Bui pointed out his position in the photograph. I wrote the letter D (David) and circled it on the photograph to show Officer Bui's position

during the incident. Officer Bui confirmed that where I placed the "D" is where he was positioned.

This photograph was scanned and attached to this report.

Conclusion

On Thursday, August 26th, 2021, Officer Bui reviewed this statement along with Attorney Meyer and stated that this report is an accurate and fair representation of his statement reflecting what he saw, heard, and did during the officer involved shooting on August 16th, 2021.

WSCL Investigator Julie Avila took digital photographs of the vehicle and the damage.

There were two (2) apparent bullet defects to the vehicle. One was to the front passenger door frame. This damage did not appear to be through the vehicle. No fired bullet was recovered on the interior of the vehicle.

The second bullet defect was through the rear passenger glass window. I recovered a fired bullet that entered the rear passenger glass window. It was lodged in the interior door/roof area:

CASE FOLLOW-UP

On Tuesday, 08/24/2021, I (Detective Cepican) was assigned to conduct some follow-up by Sgt Skornia.

I made telephone contact with R[redacted] W[redacted]r, M/B, [redacted] 1962 who stated his vehicle, a 2014 Buick Encore suv, VIN: [redacted], was struck by a bullet on Monday, 08/16/2021 in the area of N 27th St and W Wright St. W[redacted]r stated the Buick was towed to Reis Automotive, 5381 S 108th St, Hales Corners, WI.

I responded to Reis Automotive and I met with Automotive Technician D[redacted] W[redacted] M/W, [redacted] 1975. W[redacted] stated the owner of the Buick had the Buick towed into their facility on 08/24/2021. When they put the Buick on the vehicle hoist, he observed a hole in the front grille. The hole resembled a bullet hole. W[redacted] stated they used a coat hanger and put the coat hanger through the bullet hole. The coat hanger went directly through to the engine block.

I took digital photographs of the hole and the hole on the camshaft cover. W[redacted] removed the camshaft cover and I observed a bullet lying in the engine. I used a new plastic tweezer and I removed the bullet. I placed the bullet into a cardboard box. I entered the bullet into evidence, under property #21-002782-1.

Mr W[redacted] responded to Reis Automotive and I spoke to him in person. W[redacted] stated on Monday, 08/16/2021, he was driving his Buick Encore n/b on N 27th St. He was approaching W Wright St. He heard several gunshots and observed a Milwaukee Police Officer run to the sidewalk by the gas station on N 27th St. W[redacted] stated it appeared to him taht the Officer was looking for cover. The Officer was standing on the curb or just on the street. The Officer fired his service weapon a couple times. W[redacted] stated he stopped his Buick, and estimates he was thirty to forty (30-40) feet away from W Wright St, on 27th St. W[redacted] stated he backed up and made a u-turn to get out of the area. W[redacted] stated he heard a bunch of other shots, but he could not see who else was shooting guns. The Officer by the street did not fire the first round. W[redacted] stated after he turned around, a bunch of his vehicle warning lights came on and the Buick was not running very well. W[redacted] stated he drove to his friends house in the area of W Burleigh St and N 24th St. W[redacted] stated he observed oil and antifreeze coming out the Buick and he thought he damaged the Buick when he made the u-turn. W[redacted] was not able to restart the Buick and had it towed to his residence. W[redacted] spoke to his insurance company (Geico) and they had the Buick towed to Reis Automotive.

The round was on the trajectory to strike W[redacted] in the driver's seat, had the round been approximately two inches higher.

I watched the gas station video. In the click entitled "20210816135522" from the "1330-1430" folder. I made the following observation:

- 13:55:34 - n/b vehicle (gold car) stops on N 27th St
- 13:55:36 - second n/b vehicle stops on N 27th St
- 13:55:38 - dark colored Buick Encore stops on N 27th St
- 13:55:39 - first gold car starts backing up
- 13:55:40 - second vehicle starts backing up

- 13:55:45 - dark colored Buick Encore backs up and out of sight

Based on the video, it appears one of the suspects fired rounds entered the front grille of W[redacted]s Buick Encore.

NARRATIVE

This report is completed by Detective Kelly Zielinski of the Wauwatosa Police Department as part of the Milwaukee Area Investigative Team (MAIT) investigation into the Officer involved critical incident involving Broderick E Shelton (M/B [redacted]/79) at 2514 N 27th St., in the City of Milwaukee, on August 16th, 2021. The Wauwatosa Police Department is the primary investigative agency.

Interview of Officer Involved: Milwaukee Police Officer Joshua Heder

On August 17, 2021 at approximately 1:30pm, I interviewed Milwaukee Police Department Officer Joshua Heder in the presence of his attorney, Rebecca Meyer. Wauwatosa Sergeant Joseph Zientek and Wauwatosa Detective Lieutenant Shane Wrucke, and West Milwaukee Detective Brian Chic were also present during the interview. The interview was conducted in a conference room at the law Office of Cermele & Matthews S.C., located at 6310 W. Bluemound Rd., Suite #200. Officer Heder declined my request to record the interview. I confirmed with Officer Heder that this was a voluntary interview and that he was free to go at any time.

Officer Heder said that he had not reviewed any evidence, photographic, video (including his body camera footage) or otherwise before speaking with me.

Background

Officer Heder (MPD PeopleSoft #[redacted]) started his career with the Milwaukee Police Department (MPD) as a Police Aide in July of 2013 and was appointed as a Police Officer in August of 2016. Officer Heder attended and graduated the basic MPD Academy. Officer Heder started as a Patrol Officer at District #3 and has been assigned to MPD's Bicycle Patrol for approximately 2 years. Officer Heder has been a part of MPD's Bicycle Rapid Response Team (BRRT), a specialized unit within the Bicycle unit, for approximately 1 ½ years.

Officer Heder has had additional training and is certified in the use of the Narco Pouch testing, which is used to identify illegal drugs. Officer Heder has received additional training as a Crime Scene Technician, which includes taking photographs, identifying latent prints, and collecting evidence at Crime Scenes. Officer Heder has also received additional training for Crisis Intervention Team (CIT).

Activities Prior to Shift

On August 15th, 2021, Officer Heder had a normal day prior to his shift. Officer Heder slept a usual amount, ate as normal and nothing of any emotional or personal significance occurred. Officer Heder worked a special assignment at the Wisconsin State Fair from 3:00pm until 11:00pm, as a contingent of MPD's Bicycle units assisting the West Allis Police Department with basic crowd control and making sure everyone was acting in an orderly fashion. Nothing of significance occurred during Officer Heder's shift. After his shift, Officer Heder went home, watched TV until approximately 1:00am, the went to bed.

On August 16th, 2021, Officer Heder woke up at approximately 8:30am, ate breakfast and went to the gym to work out, as is his usual routine. Officer Heder returned home, ate lunch, then went into work at about 1:30pm. Officer Heder got dressed in his usual MPD issued Bicycle uniform consisting of shorts, short sleeved shirt, exterior vest, full duty belt, socks and tennis shoes.

Officer Heder's duty belt consisted of his department issued firearm, described as a Sig-Sauer P320 9mm semi-auto handgun, with one (1) inserted magazine with sixteen 16 rounds of ammunition plus one (1) round in the chamber (Total -17 Rounds). Officer Heder carried an additional two (2) magazines loaded with sixteen (16) rounds contained in a double magazine pouch, handcuff case, taser holder, OC spray, expandable baton, radio holder and key ring.

Officer Heder's description of his work attire was consistent with the photographs taken at the Police Administrative Building (PAB) following the critical incident (Minus the one magazine left at the scene).

Current Assignment

Officer Heder works MPD District #3 Early shift (2:00pm-10:00pm) and works a [redacted] ([redacted]) days on, [redacted] ([redacted]) days off / [redacted] ([redacted]) days on, [redacted] ([redacted]) off, rotating schedule. This was Officer Heder's [redacted] day working on his [redacted] day work week schedule rotation. Officer Heder is currently assigned to squad #3239, and has been regular partners with Office Ryan Miller for the past one and a half (1 ½) years.

On the day of the incident, August 16th, 2021, Officer Heder was assigned to squad #3239 with Officer Ryan Miller. Roll call started at 1:48pm. Officer Heder was assigned a Taser and his MPD issued Axon body-worn camera by his shift Sergeant (Did not recollect the Sergeant's name). Officer Heder then performed his usual roll-call items checklist consisting of: Reviewing past wanted posters for wanted subjects, checking the current known wanted subjects lists in their squad area, and reviewing any pertinent information from calls during the prior shift.

At roll-call, they were advised that one of the other bicycle squads, #3257, Officer David Bui, was solo due to his partner being on vacation. All three paired together as they usually do if someone is riding alone. At approximately 2:30pm they went down to the garage, performed their bicycle checks, and began their patrol functions.

Dispatch Call for Service/Subject Description

Officer Heder stated they started their day looking for a known wanted subject at 15[redacted] W North Ave. They did not make contact with anyone at the residence and cleared that assignment after writing down some license plates in the parking lot.

Shortly after clearing that call, Officer Heder stated it was about 4:00pm when he heard over the Police radio a priority 1 "subject with a gun call". Additional information from dispatch was that the subject took a gun off of someone's hip and was now pointing it at people at N. 27th St./ W. Wright St. Officer Heder stated he did not hear a description of the subject at first. Officer Heder said he knew it was between shifts and the area squads might not be out, so they all decided to start heading towards the area of N. 27th St / W. Wright St. in case they would be needed to assist responding squads.

Officer Heder stated approximately 30 seconds had elapsed since the first priority one(1) call from dispatch and no other squads had acknowledged or responded to the initial call. Officer Heder turned to Officers Miller and Bui and asked, "Do you guys want to go to that"?, they both responded, "Affirmative". Officer Heder advised dispatch," Squad #3239 we will go, we are only a block away". The dispatcher acknowledged his transmission.

They continued northwest on Medford Ave. to 26th St where Officer Heder activated his Axon body worn camera system and told Officers Miller and Bui, "I'm going live now" (Meaning he was turning on his camera). They were still riding west and he was looking west through a little park on Medford St. Officer Heder stated he heard Officer Bui ask dispatch for a suspect description. Officer Heder stated he heard dispatch over the radio give a description of the subject with a gun described as, "Male/Black, wearing all black with a gun, possible nickname of Baldy". They continued riding west through the park and then out onto W. Wright St (2600blk).

Armed Subject Located

Officer Heder stated while riding west on W. Wright St in the 2600blk, he knew that Officer Miller was behind him and Officer Bui was third in line behind them. When he approached the east side of the Clark Gas Station lot, he saw a silver 4dr stopped in the street facing east and thought it was an odd place to stop. When Officer Heder got closer to the car he noticed the driver side windows were down and the driver was pointing north into the parking lot of the gas station. Officer Heder described the driver of the silver 4 door as male/black and further advised there were possibly 3 other occupants in the vehicle. Officer Heder stated the driver shouted, "He's right there, he's right there!", still pointing to the north. Officer Heder asked the driver, "Who", and the driver responded, "The guy with the gun". Officer Heder continued west a couple of more yards, looked to the north and saw a subject in all black clothing, standing just in front of the front doors of the gas station. Officer Heder yelled to Officer Miller and Bui, "He's right here" in order to alert them and get them closer to his location.

Approach to Armed Subject

Officer Heder stated the subject in all black clothing appeared to be talking to himself and he could clearly see a dark colored handgun in the subject's right hand. Officer Heder stated the armed subject appeared to be "faking" putting the gun in his waistband several times, then folded his right arm under his left arm across his chest. Officer Heder could still clearly see the gun in the armed subject's right hand with the muzzle pointing towards the ground.

Officer Heder stated as this was happening, he dropped his bike in the street, drew his service weapon and took a couple

of steps toward the armed subject, yelling commands of, "Drop the gun, drop the gun, drop the gun". Officer Heder said after addressing him, the armed subject started laughing and was not sure if he was laughing to himself or laughing at them. The armed subject then looked directly at him, then panned left towards Officer Miller who was standing near a tree, then looked further left towards Officer Bui who was in the east part of the lot, closer to the southeast corner of the gas station. Heder said he was certain that the subject made eye contact with all three Officers and was aware of their (Police) presence.

Officer Heder stated as Officer Miller and Officer Bui were shouting commands to the subject, he noticed in his peripheral vision, a citizen walking through the lot to his left (west) and told the citizen, "Get the fuck out of here". At this point Officer Heder observed the citizen, described as male/black, near a blue vehicle that was parked at the gas pumps directly to his north and directly west from the subject. The driver side front door was open and the citizen quickly walked to the open door and got into the blue vehicle and shut the door.

Officer Heder states at this point, he turned his focus back to the subject with the gun and the subject with the gun quickly lifted his right arm and pointed the gun directly in the direction of the witness seated inside the blue vehicle. Officer Heder recollects seeing the driver side door of the blue vehicle in front of him swing open and the citizen inside the vehicle leaned out and crawled out of the vehicle. Officer Heder again gave commands to the armed subject to "drop the gun, drop the gun". After a short period, the armed subject eventually lowered the gun to his side, but then quickly lifted the gun up in the direction of Officer Miller and Officer Bui, while still continuing to laugh in an odd manor.

Officer Heder stated at this point, the armed subject had lowered the gun to his side, and now slowly started to raise the gun up and was focused on Officer Miller, who had now moved behind a tree on the south side of the parking lot. Officer Heder described this action by the armed subject as, "having more purpose, more focus and did not look like a faking motion anymore". Officer Heder stated the armed subject appeared to now be "taking aim at a target", from his vantage point, he thought was Officer Miller.

Shots Fired

Officer Heder stated at this point, he heard several gunshots in short succession. He did not know who fired first, but time slowed down and he became fixated on the gun in the armed subject's hand. Officer Heder described seeing the slide of the suspect's gun moving back and forth and could see the muzzle flash from the armed subject's gun. Out of his peripheral vision he could see dust and debris in the air near Officer Miller's location and knew that Officer Miller was being fired at. ***Officer Heder stated at this point he knew the subject was firing in the direction of Officer Miller and feared for his safety, for the safety of other Officer's on scene and for the safety of the witness trapped in the vehicle at the gas pumps, and knew that deadly force was the only option to stop the perceived threat, so he made the decision to discharge his firearm at the armed subject.*** Officer Heder remembers firing two rounds, but was not absolutely certain how many shots he fired.

Officer Heder stated he now realized he was not in a good tactical position, and started to move towards gas pumps for some sort of cover and briefly lost sight of the armed subject. Officer Heder continued to hear gunfire erupt around him and shouted to the citizen who was now crawling towards him to, "Stay low, stay low". Officer Heder stated he then reached down for the citizen with his right hand and pulled the driver behind him and repeatedly told him to "stay low". Through the

now open car door, Officer Heder reacquired the armed suspect and could see that the armed subject was still firing his gun in the direction of Officers Miller and Bui.

Officer Heder stated out of his peripheral vision, he could see that Officer Bui had taken a position of cover behind the south side of the gas station and observed Officer Bui looking at his elbow and his midsection as if he was checking for blood or possibly a gunshot wound and thought to himself, "I think Dave is hit". Officer Heder stated he felt he could do a safe in-battery reload of his firearm at this point, released the magazine in his firearm and replaced it with a fresh 16 round magazine from his duty belt, leaving the previously inserted magazine on the ground near the gas pumps. Officer Heder stated he knew from the position he was at he could not fire at the armed suspect due to the armed suspect being in a direct line of fire with the front of the gas station and knew there were probably innocent people inside. Officer Heder knew the shooting incident was going on to long and decided to move forward to close the gap between himself and the armed subject.

Officer Heder stated as he started to approach the armed subject, the armed subject took a couple of steps back towards the front of the gas station and lowered himself into a crouching position. Officer Heder could see that the gun was still in the subject's right hand and saw the suspect fire several more rounds in the direction of Officers Miller and Bui. Officer Heder quickly looked back in the direction of the citizen and told him, "Just stay down". When he turned his focus back towards the armed subject, he was now sitting against the gas station wall with his legs bent in an awkward position, and it appeared something was torn out of the armed subject's knee. Officer Heder stated he yelled, "He's hit, he still has the gun", and was still looking around at the Officers. As Officer Heder continued to close the distance to the armed suspect, he could see that he still had the gun in his right hand. Officer Heder stated he then saw a round impact the armed suspect's head and he dropped the ground in front of him. Officer Heder then shouted, "He's down, he's down".

Medical Aid to Suspect

Officer Heder stated he could see blood coming out of the subject's head and he appeared to be lifeless. Officer Heder could now see Officers Miller and Bui making a tactical approach towards the subject. Officer Heder stated Officer Miller grabbed the subject's gun and tossed it a short distance from the subject's body. Officer Heder stated he saw the gun lying on the ground and noticed the subject's gun was in a "lockback" position, meaning the slide was in a fixed position with the chamber open and magazine and the gun empty of any rounds. Officer Heder stated Officer Miller pulled the subject's body onto his back and began performing CPR. Officer Heder then notified dispatch over the radio, "We need MFD (Milwaukee Fire Department) ASAP".

Preserving Crime Scene

Officer Heder stated after CPR was started he recollects turning back towards the blue vehicle and the citizen and seeing a bullet hole in the rear driver's side window and realized that the armed subject had fired at Officer Heder and did not realize it. Officer Heder stated he began to secure the scene by standing over the subject's gun and directing responding officer's where to put up crime scene tape.

Removal from the Scene

Officer Heder stated eventually someone took his position by the gun and was then escorted by Sgt. Laura Captain to her squad. Officer Heder gave a brief public safety statement and was then conveyed to the MPD Police Administration building for photos and a service weapon/round count.

Review of Statement

On Wednesday, August 26th, 2021, I met with Officer Joshua Heder and Attorney Rebecca Meyer at the Cermele and Matthews Law Office located at 6310 W Bluemound Rd for a review of Officer's Heder initial statement. Officer Heder agreed after review that the information reflected in this report is an accurate and fair representation of her statement reflecting what he saw, heard and did during the officer involved shooting on August 16th, 2021.

NARRATIVE

I, Det Kastner, conducted additional witness interviews and efforts to locate witnesses for this investigation.

My department issued body-worn camera was operational during these contacts. The video footage was uploaded to the secure digital evidence management system under this report number. The following is a synopsis of the contacts, see the video for details.

Interview of A[redacted] W[redacted]

I was informed by Sgt Zientek that there was US mail addressed to A[redacted] W[redacted] at 24[redacted] N 25 St Milwaukee WI that fell out of the pocket of Broderick Shelton when he was transported to the Medical Examiners Office on 08/16/21.

On 08/26/21, I made contact with A[redacted] W[redacted] (F/B, [redacted] 88) at 24[redacted] N 25 St. W[redacted] stated that she did not know the man who was shot by police on 08/16/21. She heard about the shooting and she saw the man's photo posted up on a memorial flyer and it was not someone she knew or recognized. She does not know anyone by the name "baldy" or Broderick. She thought it was odd that he would have her mail and she believed he must have taken her mail from her garbage or mailbox.

Attempt to locate witness L[redacted] S[redacted]

On 08/26/21, I attempted contact at the residence, 25[redacted] W Tamarack St Apt [redacted] Milwaukee, of L[redacted] S[redacted]. There was no answer at the apartment. I left a business card with a request for her to call me.

I made contact with the apartment manager, identified as C[redacted] H[redacted]. H[redacted] stated that L[redacted] does still live at the apartment. She is suspected to be a drug user and involved in prostitution. L[redacted] told him that she was present in the gas station when the shooting occurred on 08/16/21. L[redacted] stated that the guy who was shot by police was a relative of hers. L[redacted] said that before the shooting, the guy who was shot by police told her to stay inside the gas station because he was going to kill someone. L[redacted] also said this was the same guy who had previously stabbed her in the neck.

On 08/27/21 I made another attempt to contact L[redacted] residence at her apartment and there was no answer.

Related MPD reports

I obtained the following report from Milwaukee Police Department: Case Number: 211910156, CAD Number: 211911141. This report was filed by L[redacted] S[redacted] on 07/10/21 and she reported she was stabbed in the neck by a man named "Baldy". L[redacted] did not cooperate with providing further information about the suspect. This report was saved with the case file.

Witness statement - A[redacted] N[redacted]

On 08/26/21, I made contact with A[redacted] N[redacted] (M/U, [redacted] 05) at his residence at 22[redacted] N 58 St, Milwaukee. A[redacted] was one of the students on the school bus who witnessed the shooting on 08/16/21. A[redacted] provided the following:

He is a student at Rufus King High School and was taking the bus home on 08/16/21. He was sitting near the back of the bus on the driver's side. He was about 3 seats from the back. Around 3:40-3:50pm, the bus came to a stop in traffic in front of the gas station. He heard a gun shot but thought it was a tire pop. He saw two guys and a group of police by a tree, shooting at each other. He saw about 6 total police officers. There was one behind the tree, 3 or 4 lying on the ground, and 1 officer on the side by the gas pumps. He estimated he heard about 10 gunshots.

Of the two guys that were not police, 1 was against the wall by the gas station entrance and he was shooting at the police. He was a black male, short hair, wearing a red shirt, black shorts, black shoes and holding a gun. He was squatting down. He was shooting at the police by the tree and on the ground. The police were returning fire. He could not tell if this

person was struck by any gunfire.

The second guy was by the gas pumps. He could only tell that he was a black male and he may have had green on his shirt. He did not see this guy with a gun but he could see that he was shot twice. He was struck once (by gunfire) and fell to the ground and he was shot another time while he was on the ground. He was shot by the one officer who was over by the pumps.

When traffic cleared up, the bus drove away. He estimated the bus was stopped for 20-30 seconds. He could hear gunshots continuing for a few blocks as they drove away.

He recognized the officers involved to be police officers because he saw the police bikes and badges and guns. He was not able to hear anything said from anyone involved. The windows on the bus were closed.

I drew an intersection on a piece of paper and Aden indicated the locations of the bus, the tree and nearby officers, the gas pumps, two civilians, and the one officer near the pumps.

Attempts to locate P[redacted] V[redacted]

CCAP records showed V[redacted] has an address of 20[redacted] W 27 St Milwaukee, which is not a good address. I checked for 21[redacted] N 27 St Milwaukee but that address also does not exist.

I checked 66[redacted] W Fairview St Apt [redacted] Milwaukee but there was no answer. There was a different name (D[redacted] H[redacted]) on the mailbox.

NARRATIVE

On Monday, 08/16/21, at approximately 1611, I, DET DURKIN received a MAIT- (Milwaukee Area Investigative Team) notification from CAPT LINDSTROM- Greenfield Police Department and MAIT Commander, of an Officer involved shooting that occurred in the City of Milwaukee. The address of the shooting occurred at a Clark gas station located at 2517 N 27th St. The investigators responding to the scene were advised the command post would be located at S. 27th St/W. Wright Ave. Upon arriving at the command post, I was paired with PO K. WALUSAY- South Milwaukee Police Department, PO J. WEISMULLER- Fox Point Police Department, and DET GILDEN of St. Francis Police Department. The City of Wauwatosa Police Department briefed us of the incident, where three officers from the City of Milwaukee Police Department were involved. We were provided the decedent's name: SHELTON/BRODRICK/E, JR M/B [redacted]/71. The City of Wauwatosa provided the investigators with their teams and assignments. The Wauwatosa Police Department incident is #21-01625 and the City of Milwaukee Police Department incident is #21-228149

We were assigned to canvass the neighborhood directly west and northwest from the Clark gas station, where the shooting had occurred. The first residence was 25[redacted] N 27th St. There was a RING video door bell camera mounted to the exterior of the residence. After knocking several times, a subject identified as: W[redacted]/S[redacted], F/B, [redacted]/99, came to the door and I identified myself and DET GILDEN to her. I explained to W[redacted] we were investigating the shooting that occurred at the Clark gas station. I asked her if there were other family members inside the house. W[redacted] stated there were other family members; however, no one wanted to speak with the police and no one was injured. I asked W[redacted] if she saw the shooting. W[redacted] stated no, she just arrived home a few minutes ago. The family members present, P[redacted], F/B, [redacted]/00 and R[redacted]/B[redacted], M/B [redacted]/95, did not want to make a statement. W[redacted] s mother kept contacting her through the RING camera and asked what was going on. W[redacted] said the police were at their house. I asked W[redacted] if she could call her mother and ask if we could view the RING camera footage to see if it captured the shooting at the Clark Gas Station. W[redacted] s mother said she would be home around 1830 hours. I thanked W[redacted] for her assistance. We checked the exterior of the residence and located three bullet holes on the South exterior, adjacent to a window. The RING video was later obtained by DET GILDEN, as well as a cell phone video taken by the residence of 27[redacted] W. Wright Ave.

We made contact with the resident of 25[redacted] N. 27th St. The juvenile that spoke with me was identified as B[redacted]/C[redacted], M/B [redacted]/2009, [redacted]-[redacted]-[redacted]. I identified myself to B[redacted] and asked him if his parents were home. B[redacted] said his mother was in the shower and his father left the house with his younger brother. I asked B[redacted] if anyone lives at 25[redacted] N. 27th St. He said no it is vacant, but his grandmother use to live there.

I asked B[redacted] if he saw or heard anything at the Clark station. B[redacted]Y, pointed to a second story window and said he was looking out the window, when he first heard the gun shots. B[redacted] said he saw a man, standing by the Clark gas station and he was

wearing all black clothing. B[redacted] said he saw this man extending his right arm and pointing a black pistol at the Milwaukee Officers. B[redacted] said he saw this man fire the pistol at officers and then "crouched down" by the door of the gas station. I asked B[redacted] what the officers were doing. B[redacted] said, "they were telling him don't move." I asked B[redacted] if the window was open that he was looking through. B[redacted] said it was closed. I asked B[redacted] where the rest of his family were in the house. B[redacted] said his parents were in their room, but when they all heard the multiple gun shots, they all met in the same room and went to the ground. B[redacted] said he "kinda" went to the ground then he stood by the window and saw everything. I asked B[redacted], if I could speak with his mother, B[redacted]/S[redacted], F/B [redacted]/90, [redacted], because he was a juvenile. B[redacted] went back inside the residence and I could hear his mother, yelling at him for talking to the police. B[redacted] met with me outside and said she didn't want to talk to me. I provided B[redacted] with my business card and thanked him for talking to me. I checked the exterior of the residence and did not see any bullet holes in the siding.

I met with the resident of 27[redacted] W. Wright Ave. I met with the home owner; I[redacted]/E[redacted], F/B [redacted]/24, [redacted]. I identified myself to I[redacted] and explained to her, I was currently investigating the incident that occurred. I[redacted] stated she was at the back of her residence, cooking, when she heard multiple gun shots coming down the street. I[redacted] said she looked out into her backyard and didn't see anything, so she came to the front of the house. I[redacted] said she saw people running east bound on W. Wright Ave. I asked I[redacted] when did this occur. I[redacted] said it was around 15:30 hours to 16:00 hours. I[redacted] said she must have heard about "30 shots." I asked I[redacted] if there was anyone else with her during this time frame and she said no. I thanked I[redacted] for her assistance and we returned to the command post to brief with Wauwatosa PD. It should be noted we pointed out the following residences that needed to be photographed, where possible bullets had struck the siding: 25[redacted] N 27th St, 27[redacted] W. Wright Ave, and 27[redacted] W. Wright Ave. These were all photographed by DET CEPICAN of the Wauwatosa Police Department.

NARRATIVE

COMPLAINT STATUS

A report will be completed for this case.

ASSIGNMENT TO COMPLAINT / INITIAL INFORMATION

On Monday, August 16, 2021, at 4:10 PM, I received a Milwaukee Area Investigative Team call out requesting assistance at North 27th Street and West Wright Street for a Milwaukee Police Department Officer Involved Shooting. It was advised Wauwatosa would handle the lead investigation and the case was assigned Wauwatosa Police Department case #21-16426.

INFORMATION

Upon my arrival to the scene, I was grouped with Greendale Police Detective Jameson Durkin, St. Francis Police Detective Zachary Gilden, and South Milwaukee Police Detective Kadija Walusay. Our tasks included canvasing the 2700 block of West Wright Street to the north and the 2400 block of North 27th Street to the west.

CONTACT WITH R[redacted] B[redacted]

I made contact with R[redacted] B[redacted] at 27[redacted] West Wright Street, who stated he was the only one in the house. B[redacted] stated at the time of the incident he was using power tools on the floor in an upstairs bathroom and did not hear any gunshots. B[redacted] stated he did not know anything in the area was going on, until he looked out the front of the house and observed the police tape in the area.

B[redacted] stated he does repair work at the residence and does not reside there. B[redacted] stated a woman by the first name of R[redacted] (unknown last name)runs a daycare out of home during the day, but no children were present during the time of the incident.

EVIDENCE

While looking around the property at 27[redacted] West Wright Street, three small holes which appeared to be bullet holes, could be observed in the upper northeast corner of the home. Barkley stated he did not believe any bullets entered the home.

DISPOSITION

This report will be passed on to Wauwatosa Police Department.

Dear A[redacted] W[redacted] & Family:

GENERAL NOTICE OF YOUR RIGHTS
GROUP HEALTH CONTINUATION COVERAGE UNDER COBRA

THIS LETTER IS FOR YOUR INFORMATION ONLY. PLEASE RETAIN FOR FUTURE REFERENCE.
THERE HAS NOT BEEN A CHANGE IN YOUR STATUS WITH YOUR COMPANY.

This letter contains important information about your employee benefits plan(s). Please read the entire letter.

On April 7, 1986, a federal law called COBRA was enacted (Public Law 99-272, Title X), requiring that most employers sponsoring group health plans offer employees and their families (qualified beneficiary/ies) the opportunity for a temporary extension of health coverage at group rates in certain instances where coverage under the plan would otherwise end. This notice is intended to inform you, in a summary fashion, of your rights as a qualified beneficiary and obligations under COBRA. Both you and your spouse, if applicable, should take the time to read this notice carefully. This notice does not fully describe COBRA or other rights under the Ascension group health plan ("Group Health Plan"). For additional information you should review the Group Health Plan's Summary Plan Description or contact the Ascension Plan Administrator at (855) 992-4672. Also, you may visit the Department of Labor website (www.dol.gov) for more information on COBRA.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

QUALIFYING EVENTS
If you are an employee of Ascension covered by the Group Health Plan, you have a right to choose COBRA if you lose your group health coverage because of a reduction in your hours of employment or the termination of your employment (for reasons other than gross misconduct on your part).

If you are the spouse of an employee covered by the Group Health Plan, you have the right to choose COBRA for yourself if you lose group health coverage under the Group Health Plan for any of the following reasons:

1. The death of your spouse;
2. A termination of your spouse's employment (for reasons other than gross misconduct) or reduction in your spouse's hours of employment with Ascension;
3. Divorce or legal separation from your spouse; or
4. Your spouse becomes entitled to Medicare.

In the case of a dependent child of an employee covered by the Group Health Plan, he or she has the right to choose COBRA if the Group Health Plan is lost for any of the following reasons:

1. The death of the parent-employee;
2. A termination of the parent-employee's employment (for reasons other than gross misconduct) or reduction in the parent-employee's hours of employment with Ascension;
3. The parent-employee's divorce or legal separation;

4. The parent-employee became entitled to Medicare prior to his/her qualifying event; or
5. The dependent child ceases to be a dependent child under the Group Health Plan.

Children born to or adopted by a covered employee during the continuation coverage period may also elect continuation coverage, provided that the covered employee has elected COBRA coverage for himself or herself. The coverage period will be determined according to the date of the qualifying event that resulted in the covered employee's COBRA coverage.

Sometimes, filing a bankruptcy under Title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to Ascension and that bankruptcy results in the loss of coverage of any retired employee under the Group Health Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Group Health Plan.

COVERAGE PROVIDED

Under COBRA, the employee or a family member has the responsibility to inform the Ascension Plan Administrator at (855) 992-4672 of a divorce, legal separation, or a child losing dependent status under the Group Health Plan within 60 days of the later of (1) the date of the qualifying event or (2) the date on which coverage would be lost as a result of the qualifying event.

If notification is not made within 60 days after the applicable qualifying event occurs or if you do not timely provide any additional documentation or information (if requested) in a timely manner, your notification will be rejected and COBRA coverage will not be offered.

Ascension has the responsibility to notify the COBRA administrator of the employee's death, termination, and reduction in hours of employment or Medicare entitlement. Once the plan receives notice that a qualifying event has occurred, COBRA coverage will be offered to each qualified beneficiary. Each qualified beneficiary will have an independent right to elect COBRA coverage for 60 days from the later of the date coverage is lost under the plan or the date of notification to elect COBRA coverage. Covered employees may elect COBRA coverage on behalf of their spouse, and parents may elect COBRA coverage on behalf of their eligible dependent children. If a qualified beneficiary does not elect COBRA/continuation coverage within this period, the right to COBRA/continuation coverage will terminate.

If you elect COBRA, Ascension is required to give you and your covered dependents, if any, coverage that is identical to the coverage provided under the plan to similarly situated employees or family members. Under COBRA, you may have to pay all or part of the premium for your continuation coverage.

PERIOD OF COVERAGE

COBRA requires that you be afforded the opportunity to maintain coverage for 36 months unless you lost group health coverage because of a termination of employment or reduction in hours. In that case, the required COBRA period is 18 months.

The 18-month period may be extended to 29 months if an individual is determined by the Social Security Administration (SSA) to be disabled (for Social Security purposes) at any time during the first 60 days of COBRA coverage or before COBRA coverage began and you are still disabled at the end of the original maximum continuation period of coverage (generally 18 months). To benefit from this extension, a qualified beneficiary must notify WEX Health, Inc. at 855-828-8826 of that determination within 60 days of the later of (1) the date the qualified beneficiary is determined to be disabled by the Social Security Administration; (2) the date of the qualifying event; and (3) the date on which the qualified beneficiary would lose coverage because of the qualifying event, and before the end of the original 18-month period.

If the above notification is not made within 60 days of the date of the disability determination made by the Social Security Administration and before the end of the 18-month period of COBRA/continuation coverage, or if you do not provide the additional documentation or information (if requested) in a timely manner, your notification will be rejected and any additional COBRA/continuation coverage beyond the original 18-month period will not be offered.

The affected individual must also notify the WEX Health, Inc. within 30 days of any final determination that the individual is no longer disabled.

SECOND QUALIFYING EVENT EXTENSION

If the original event causing the loss of coverage was a termination (other than for gross misconduct) or a reduction in hours, another extension of the 18-month continuation period may occur, if during the 18 months of COBRA coverage, a qualified beneficiary experiences certain secondary qualifying events:

1. Divorce or legal separation
2. Death
3. Medicare entitlement
4. Dependent child ceasing to be a dependent

You will be required to have certain information available about your qualifying event, including: the type of qualifying event (divorce, legal separation, losing dependent coverage); the date of the divorce, legal separation or dependent losing coverage; the name and Social Security number of the covered employee; and the name, address and Social Security number of the covered spouse or dependent who is losing coverage.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare eight months before the date on which his employment terminates, COBRA coverage for his spouse and eligible dependents can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA coverage can be extended.

If a second qualifying event does take place, COBRA provides that the qualified beneficiary may be eligible to extend COBRA up to 36 months from the date of the original qualifying event. If a second qualifying event occurs, it is the qualified beneficiary's responsibility to inform the Ascension Plan Administrator within 60 days of the event. In no event, however, will COBRA last beyond three years from the date of the event that originally made the qualified beneficiary eligible for COBRA. If COBRA coverage is elected, the coverage previously in effect will generally be continued. From time to time, some changes in coverage are possible. For example, benefits and cost will be modified as regular changes are made to the plan. Once you make your election, you will have up to 45 days to pay your first COBRA coverage premium, which will include any make-up premiums you missed. COBRA coverage will be effective the day after the qualifying event or the last day of active coverage, whichever is later. Premiums will be equal to the entire cost of the coverage, with an additional two percent to cover administrative expenses.

If the above notification is not made within 60 days after the second qualifying event occurs or if you do not provide any additional documentation or information (if requested) in a timely manner, your notification will be rejected and any additional COBRA coverage beyond the original 18- (or 29-) month period will not be offered.

SPECIAL RULE FOR HEALTH FSAs

COBRA coverage under the Ascension Health FSA will be offered only to qualified beneficiaries losing coverage that have under-spent accounts. A qualified beneficiary has an under-spent account if the annual limit elected by the covered employee, reduced by reimbursable claims submitted up to the time of the qualifying event, is equal to or more than the amount of the premiums for the Ascension Health FSA COBRA coverage that will be charged for the remainder of the plan year. COBRA coverage will consist of the Ascension Health FSA coverage in force at the time of the qualifying event. The use-it-or-lose-it rule will continue to apply, so any unused amounts will be forfeited at the end of the plan year, and the COBRA coverage for the FSA plan will terminate at the end of the plan year.

Unless otherwise elected, all qualified beneficiaries who were covered under the Ascension Health FSA will be covered together for Health FSA COBRA coverage. However, each qualified beneficiary could alternatively elect separate COBRA coverage to cover that beneficiary only with a separate Health FSA annual limit and a separate premium. If you are interested in this alternative, contact WEX Health, Inc. at 855-828-8826 during business hours for more information.

SPECIAL RULE FOR EMPLOYEES IN THE UNIFORMED SERVICES

If you are an employee and your coverage under the plan terminates due to your service in the uniformed services, you may elect special continuation coverage under the Uniformed Services Employment and Reemployment Rights Act (USERRA) for yourself and your covered spouse and covered dependents. This special continuation of coverage may extend for up to 24 months beginning from the date your plan coverage would otherwise terminate due to your service in the uniformed services. Service in the uniformed services includes your performance of duty on a voluntary or involuntary basis in the Armed Forces (including the Coast Guard and the Reserves), the Army National Guard, the Air National Guard, and the commissioned corps of the Public Health Service. If you believe this special continuation of coverage rule applies to you, please contact your human resources contact at your employer.

ALTERNATE RECIPIENTS UNDER QMCSOs

A child of the covered employee who is receiving benefits under the Plan pursuant to a qualified medical child support order (QMCSO) received by Ascension during the covered employee's period of employment with Ascension is entitled to the same rights to elect COBRA as an eligible dependent child of the covered employee.

PLAN CONTACT INFORMATION

To ensure that all covered individuals receive information properly and timely, it is important that you notify our Customer Service Department at 855-828-8826 of any change in dependent status or any address change of any family member as soon as possible. Certain changes must be submitted to us in writing. Failure on your part to notify us of any changes may result in delayed notification or loss of continuation of coverage options.

OTHER COVERAGE OPTIONS

Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

For more information about your rights under ERISA, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.HealthCare.gov.

If you have any questions about COBRA, please contact our Customer Service Department at 855-828-8826 during business hours.

This report is written by Police Officer Dustin FRANK assigned to NTF nights. On Thursday, 6-10-10 at about 5:52 pm squad 967, myself along with my Partner Michael SLOMCZEWSKI, conducted a traffic stop on a 1990 Buick Lesabre with a license plate of [redacted] at 25[redacted] West Fond Du Lac, which is located in the city and county of Milwaukee. A random check revealed that the plates did not belong to the auto. The rear passenger was identified as SHELTON, Broderick E. b/m [redacted]-79. While speaking with the operator, I observed SHELTON place a clear plastic baggie on the floor of the car near his feet. Fearing that SHELTON was attempting to conceal something Illegal, I asked SHELTON to step out of the vehicle. On the floor next to his feet I recovered a clear plastic baggie containing a green leafy substance suspected to be marijuana. SHELTON was placed into custody. I handed over the suspected marijuana to Officer SLOMCZEWSKI for testing purposes. It tested positive for THC weighing 2.44 grams. SHELTON has a previous conviction for POCS THC 2nd offense case number 02CF001338.

This report is written by Police Officer Dustin FRANK assigned to NTF nights. On Thursday, 6-10-10 at about 5:52 pm squad 967, myself along with my Partner Michael SLOMCZEWSKI, conducted a traffic stop on a 1990 Buick Lesabre with a license plate of [redacted] at 25[redacted] West Fond Du Lac, which is located in the city and county of Milwaukee. We were in a black and white marked squad car. A random check revealed that the plates did not belong to the auto.

I approached the operator in full uniform with my silver badge affixed to the left side of shirt. The operator of the auto was identified as J[redacted] J[redacted] b/m [redacted]-58. The rear passenger was identified as SHELTON, Broderick E. b/m [redacted]-79. While I was speaking with the operator, I observed SHELTON reach with his left hand toward his pocket of his pants and place a clear plastic baggie on the floor of the car near his feet. I could not see the contents of the baggie as SHELTON was doing this. Fearing that SHELTON was attempting to conceal something Illegal, I asked SHELTON to step out of the vehicle. On the floor next to his feet I recovered the clear plastic baggie containing a green leafy substance suspected to be marijuana. There was no other items on the floor next to the baggie I recovered. SHELTON was placed into custody. I handed over the suspected marijuana to Officer SLOMCZEWSKI for testing purposes. It tested positive for THC weighing 2.44 grams. A check with Wisconsin Court Systems revealed that SHELTON had a previous conviction for POCS THC 2nd offense case number 02CF001338.

While in handcuffs and seated in the backseat of my squad car SHELTON became upset. SHELTON was stating that he could not believe that we were arresting him for "a sack of weed". I advised SHELTON that I would talk with him regarding the marijuana after he was processed at the district station and I read him his rights. SHELTON stated "Fuck that, I'm not talking to you until I get a lawyer."

This is an original report

This report is being written by P.O. Steven Strasser assigned to district 3 days. On 8-1-11 at 1142AM, we (Sqd 3169 P.O. Strasser and Richard Litwin), responded to assist officer at the Walgreens lot at 35[redacted] W. Wisconsin Av. Upon our arrival it was determined that Sqd 3150 (P.O. Carol Burgoyne) and Sqd 3190 (P.O. Tom Bognar) had attempted to place a suspect in custody for disorderly conduct. The suspect resisted and struck P.O. Burgoyne to the face with his fist. P.O. Burgoyne was conveyed to Froedtert Hospital by Med 3 to treat a laceration to her eye. P.O. Bognar was also struck to the face by the suspect. Bognar did not require medical attention. I was informed C.I.B was notified and was not going to come to the scene. The suspect, a Broderick E. Shelton (B/M [redacted]-79), was in custody and was transported to P.P.S. for booking and questioning by the C.I.B. A witness, a J[redacted] K[redacted] (W/M [redacted]-62) was also on the scene. The following is an interview of P.O. Bognar and K[redacted].

P.O. Bognar states he was sent to a [redacted] at 37[redacted] W. Wisconsin #[redacted] ([redacted]) with Sqd 3150 (P.O. Carol Burgoyne) and 3141 (P.O. Nathan Yeo). The caller, a L[redacted] B[redacted] (W/F [redacted]-76), stated a client (Broderick Shelton B/M [redacted]-79) was causing a disturbance in the office by refusing to leave or taking his medication. Upon their arrival they met with B[redacted] and Shelton in the office. P.O. Burgoyne convinced Shelton to take his medication and leave the building. Shelton was very argumentative. They then escorted him from the building. Shelton then walked across the parking lot and N. 37th St. He then sat down in the grass on the west side of the Walgreens at 35[redacted] W. Wisconsin. P.O. Bognar stated he and P.O. Burgoyne monitored Shelton to make sure he would not return.

P.O. Bognar stated P.O. Burgoyne then approached Shelton to advise him he should leave the Walgreen's lot. P.O. Burgoyne believed if they would leave Shelton would return. P.O. Bognar stated the suspect began to walk away east bound through the lot. He stated he would come back when they leave. P.O. Bognar stated he and P.O. Burgoyne discussed their options. P.O. Burgoyne advised P.O. Bognar that Shelton had a Municipal warrant and they should arrest Shelton to make sure he does not return. P.O. Burgoyne then circled the block to catch up with the suspect who was now on the north side of Walgreens. P.O. Bognar then proceeded in the alley east bound behind Shelton. P.O. Bognar states he then observed P.O Burgoyne emerge in the alley next to the Walgreens directly in the path of Shelton driving west bound. He then observed the squad stop. Shelton then stopped in front of the squad. He states P.O. Burgoyne then exited her squad and confronted Shelton before he could get to P.O. Burgoyne. He observed P.O. Burgoyne grab Shelton's arm in an attempt to arrest him. Shelton

Supplement

broke away from the hold and punched P.O. Burgoyne in the face. P.O. Bognar could not remember which hand Shelton used to strike P.O. Burgoyne.

P.O. Bognar states the suspect then fled on foot S/E in the Walgreen's lot. P.O. Bognar exited his vehicle and gave chase. P.O. Bognar then observed a W/M (Later identified as a J[redacted] K[redacted]) attempt to tackle the suspect. K[redacted] was successful in bringing Shelton to the ground. P.O. Bognar was then able to catch up with the suspect. P.O. Bognar then grabbed Shelton's left arm in attempt to control him. Shelton was able to swing at P.O. Bognar with his right hand. P.O. Bognar was struck in the jaw area causing pain. P.O. Bognar's glasses flew off his face and landed on the ground. P.O. Bognar then disengaged. The suspect was able to break free and continue to flee across N. 35th St. P.O Bognar then followed Shelton to the N/E corner of 35th and Wisconsin and ordered him to the ground. P.O. Bognar, now exhausted, was able to place Shelton in custody. Sqd 945 (P.O. Gregory Marr, Richard Wearing and Matthew Shulz), arrived to assist.

I then spoke to a J[redacted] K[redacted] (W/M [redacted]-62) of 8[redacted] Surry Ln Hartland, Wi. PH [redacted] He states he was sitting on his motorcycle (1983 Harly Davidson black MC/ [redacted]/Wi), in the Walgeen's lot at 35[redacted] W. Wisconsin. He was meeting a friend for lunch. About 1145AM he observed a marked Milwaukee Police Department Police squad pull into a alley next to the Walgreen's parking lot facing west bound. He observed a female police officer dressed in a police uniform. The female officer stopped her squad. There was a B/M directly infront of the squad. The officer exited the squad and approach the B/M. The female officer then attempted to arrest the suspect. The suspect broke free from the officer and punched the officer to the face. The suspect the began to run towards him. K[redacted] then attempted to stop the suspect. K[redacted] was able to tackle/trip/wrestle him to the ground. K[redacted] stated the suspect then was confronted by a W/M officer (P.O. Bognar). The suspect was able to break free from the officer and continue east bound on to N. 35th St. K[redacted] states he then watch the officer place the same suspect who hit the female (P.O. Burgoyne) in custody across the street. K[redacted] sustained a large scratch to his left arm.

I.D. Tech Dawn Veytsman responded to the scene and hospital and took photos. P.O. Burgoyne was admitted at Froedtert at 1214PM. P.O. Burgoyne was administered six stitches to her left eye area. P.O. Bognar refused medical treatment.

Shortly after the arrest of SHELTON, I was directed by Squad #3114 Sgt. Charles BROWN to conduct an interview with WCS, Clinical Coordinator L[redacted] B[redacted] (w/f, [redacted]-76). B[redacted] stated she called the police earlier this morning around to get SHELTON removed from the premises. B[redacted] stated SHELTON was being very comfrontation and verbal abusive. B[redacted] stated SHELTON visits her office everyday to receive his daily medication and spending cash. became argumentive with the officers. While outside of the store Officer BURGOYNE tried to take him into custody at which time he punched her on the left eye causing a 1" laceration outside of the eye. The suspect fled on foot as Officer BOGNER chased him. A citizen assisted in holding on to him, however, the suspect managed to punch Officer BOGNER to the chin causing pain and swelling.
Neither officer gave consent for SHELTON to strike them or cause them pain or injury.
The injury to PO BURGOYNE required six stitches to close the wound.

This report was written by PO Richard Litwin of the City of Milwaukee Police Department Third District day shift, assigned to squad 3169 with partner PO Steven Strasser this date.

On Monday, 08/01/2011, at approximately 11:42am, we heard fellow Milwaukee Police Officer Tom Bognar broadcasting a foot pursuit at 3500 W Wisconsin Avenue.

At approximately 11:46am we arrived and found that the fleeing subject, **Broderick E. Shelton b/m [redacted]1979**, had been taken into custody and that Officer Carol Burgoyne had been battered by the subject. Upon our arrival, Officer Matthew Schultz, Christine Roesken, and Kenneth Lipinski were tending to a deep laceration to the side of Officer Carol Burgoyne's face which had saturated her uniform shirt with blood..

Milwaukee Fire Department Paramedic Unit #3 (MED#) responded and transported Officer Burgoyne to Froedtert Memorial Hospital. Sergeant David Larson rode inside MED3 and I followed in Sergeant Larson's squad.

Supplement

Officer Burgoyne was admitted at 12:14pm. The attending physician was Dr. Phil Sharpess. The treating Physician Assistant was Shannon Coakley. Officer Burgoyne was given a CT Scan before receiving six sutures to close the wound that was just to the left of her left eye. The wound was photographed prior to suturing by BofI Technician Dawn Veytsman.

While at the hospital, I interviewed Officer Burgoyne regarding this event. Officer Burgoyne provided the following account.

She is a 25 year veteran of the MPD, having been appointed on 10/06/1986. Today she was working uniform patrol, one-officer, on Squad 3150. She was wearing the Milwaukee Police Department Police Officer summer uniform and operating a marked black and white squad car.

At approximately 11:03am, she and Officer Tom Bognar were dispatched to investigate an "MO" complaint at Wisconsin Community Services, located at 37[redacted] W Wisconsin Avenue. She and Officer Bognar interviewed staff and the subject, **Broderick E. Shelton b/m [redacted] 1979**. They determined that Shelton had signed himself out of a program, which disqualified him from receiving an entitlement benefit. They found that Shelton had been refusing to take medication to treat a Schizophrenia disorder. They were successful in convincing Shelton to ingest his medicine while on scene. At the behest of staff, they asked Shelton to leave. Shelton was argumentative and began talking stupidly, swearing at them and stating that he "hated white people". Shelton stated he would leave but threatened that he'd return when police left.

She and Officer Bognar remained in the area. They observed Shelton begin loitering across the street on the Walgreens parking lot at 35[redacted] W Wisconsin Avenue. Officer Burgoyne again spoke with Shelton and ordered him to leave the area. Again, Shelton stated, when the police left, he was going to return. She and Officer Bognar now concluded that they would arrest Shelton. Officer Bognar drove toward Shelton from the west and she drove toward him from the east.

She stepped out of her squad car and advised Shelton that he was under arrest. Shelton aggressively reached toward her as if to push her. She grabbed his (right) arm as he reached for her. She tried to pull his arm and force it behind his back to handcuff him. He pulled away, breaking her grasp on his arm. He immediately punched her in the face, striking her to the left eye and disorienting her. The punch shattered the black plastic sunglasses she had been wearing.

Shelton immediately began running southeast with Officer Bognar in pursuit. She heard over police radio, Officer Bognar broadcasting the foot chase and shortly thereafter observed other police officers walking the now handcuffed Shelton past her squad to Officer Bognar's patrol wagon.

Officer Burgoyne stated the injury caused her pain and that she did not consent to being punched in the face. Officer Burgoyne stated she wanted Shelton prosecuted for the assault.

Nothing further to report at this time.

This is a Supplement report.

This report was typed by Sgt Paul ROBERTSON of District Three Day shift.

On Monday, 08-01-11 at approximately 11:42 am, I Squad 3113, responded to a foot pursuit in the area of North 35th Street and West Wisconsin Ave. Upon arrival I came in contact with P.O. Carol BURGOYNE who stated she was battered by Broderick F. SHELTON (b/m, [redacted]-79). I responded to the Milwaukee Police Patrol Wagon #473, and spoke to SHELTON who stated that he was set up by Medical personnel at the clinic on 37th and Wisconsin Ave. He informed me that today when he went to the clinic he took his medicine and was suppose to receive cash from the staff. instead of giving him his money they called the police and had he put out. He stated that he was upset and had no place to live. SHELTON stated that he couldn't live with his blood sister because she wants to have sex with him. SHELTON stated that he can't go to Milwaukee County Mental Health because people come into his room to have sex with him.

I asked SHELTON what happened with the female officer (PO Carol BURGOYNE) he stated nothing, she just fell to the ground and he knew someone was going to lie on him and say that he did it.

This report is being submitted by Detective Britt KOHNERT who is assigned to Squad 9224 out of the Criminal Investigation Bureau earlyshift.

On Monday August 1, 2011, at approximately 5:03 PM, I conducted an audio and video recorded interview of Broderick SHELTON regarding his arrest for Battery to a Law Enforcement Officer. The interview was conducted at the Criminal Investigation Bureau room 421.

During the interview I read SHELTON the Miranda Rights and he stated yes to understanding those rights and yes to making a statement.

Regarding this incident SHELTON did admit to running from the officers but claimed that the female officer fell. SHELTON denied hitting the officers and claimed that they were lying. SHELTON did admit to being angry because he believed that WCS was holding his money from him.

The interview was concluded at approximately 5:46 PM.

On 08/01/11 Sq. 945 Officers WEARING, Gregory MARR and Matthew SCHULZ responded to a foot pursuit at 35th & Wisconsin. As we were approaching I observed Officer Tom BOGNAR taking a subject into custody at the north east corner of 35th & Wisconsin. Officers MARR and SCHULZ assisted Officer BOGNAR with the suspect, who was actively resisting being taken into custody. When the subject, later identified as; SHELTON, Broderick E b/m [redacted]79 was stood up and as a custodial search was being conducted he yelled out " I ain't going to let anybody hit me without me hitting back." SHELTON then began yelling "fuck you fuck you" several times which was directed at us, uniformed police officers. Officer BOGNAR advised us that SHELTON had just punched another officer and that she is hurt. Officer BOGNAR then returned to check on the injured officer. When SHELTON was secured he was walked back to the area he ran from and placed in a patrol wagon. As I arrived to the injured officer I observed
Officer Carol BURGOYNE sitting in a patrol car holding her face with blood over her face, hands and uniform. Several officers were giving Officer BURGOYNE first aid.

This is an original report

This report is being written by P.O. Steven Strasser assigned to district 3 days. On 8-1-11 at 1142AM, we (Sqd 3169 P.O. Strasser and Richard Litwin), responded to assist officer at the Walgreens lot at 35[redacted] W. Wisconsin Av. Upon our arrival it was determined that Sqd 3150 (P.O. Carol Burgoyne) and Sqd 3190 (P.O. Tom Bognar) had attempted to place a suspect in custody for disorderly conduct. The suspect resisted and struck P.O. Burgoyne to the face with his fist. P.O. Burgoyne was conveyed to Froedtert Hospital by Med 3 to treat a laceration to her eye. P.O. Bognar was also struck to the face by the suspect. Bognar did not require medical attention. I was informed C.I.B was notified and was not going to come to the scene. The suspect, a Broderick E. Shelton (B/M [redacted]-79), was in custody and was transported to P.P.S. for booking and questioning by the C.I.B. A witness, a J[redacted] K[redacted] (W/M [redacted]-62) was also on the scene. The following is an interview of P.O. Bognar and K[redacted].

P.O. Bognar states he was sent to a [redacted] at 37[redacted] W. Wisconsin #5 ([redacted]) with Sqd 3150 (P.O. Carol Burgoyne) and 3141 (P.O. Nathan Yeo). The caller, a L[redacted] B[redacted] (W/F [redacted]-76), stated a client (Broderick Shelton B/M [redacted]-79) was causing a disturbance in the office by refusing to leave or taking his medication. Upon their arrival they met with B[redacted] and Shelton in the office. P.O. Burgoyne convinced Shelton to take his medication and leave the building. Shelton was very argumentative. They then escorted him from the building. Shelton then walked across the parking lot and N. 37th St. He then sat down in the grass on the west side of the Walgreens at 3522 W. Wisconsin. P.O. Bognar stated he and P.O. Burgoyne monitored Shelton to make sure he would not return.

P.O. Bognar stated P.O. Burgoyne then approached Shelton to advise him he should leave the Walgreen's lot. P.O. Burgoyne believed if they would leave Shelton would return. P.O. Bognar stated the suspect began to walk away east bound through the lot. He stated he would come back when they leave. P.O. Bognar stated he and P.O. Burgoyne discussed their options. P.O. Burgoyne advised P.O. Bognar that Shelton had a Municipal warrant and they should arrest Shelton to make sure he does not return. P.O. Burgoyne then circled the block to catch up with the suspect who was now on the north side of Walgreens. P.O. Bognar then proceeded in the alley east bound behind Shelton. P.O. Bognar states he then observed P.O Burgoyne emerge in the alley next to the Walgreens directly in the path of Shelton driving west bound. He then observed the squad stop. Shelton then stopped in front of the squad. He states P.O. Burgoyne then exited her squad and confronted Shelton before he could get to P.O. Burgoyne. He observed P.O. Burgoyne grab Shelton's arm in an attempt to arrest him. Shelton

broke away from the hold and punched P.O. Burgoyne in the face. P.O. Bognar could not remember which hand Shelton used to strike P.O. Burgoyne.

P.O. Bognar states the suspect then fled on foot S/E in the Walgreen's lot. P.O. Bognar exited his vehicle and gave chase. P.O. Bognar then observed a W/M (Later identified as a J[redacted] K[redacted]) attempt to tackle the suspect. K[redacted] was successful in bringing Shelton to the ground. P.O. Bognar was then able to catch up with the suspect. P.O. Bognar then grabbed Shelton's left arm in attempt to control him. Shelton was able to swing at P.O. Bognar with his right hand. P.O. Bognar was struck in the jaw area causing pain. P.O. Bognar's glasses flew off his face and landed on the ground. P.O. Bognar then disengaged. The suspect was able to break free and continue to flee across N. 35th St. P.O Bognar then followed Shelton to the N/E corner of 35th and Wisconsin and ordered him to the ground. P.O. Bognar, now exhausted, was able to place Shelton in custody. Sqd 945 (P.O. Gregory Marr, Richard Wearing and Matthew Shulz), arrived to assist.

I then spoke to a J[redacted] K[redacted] (W/M [redacted]-62) of 8[redacted] Surry Ln Hartland, Wi. PH [redacted] He states he was sitting on his motorcycle (1983 Harly Davidson black MC/ [redacted]/Wi), in the Walgeen's lot at 35[redacted] W. Wisconsin. He was meeting a friend for lunch. About 1145AM he observed a marked Milwaukee Police Department Police squad pull into a alley next to the Walgreen's parking lot facing west bound. He observed a female police officer dressed in a police uniform. The female officer stopped her squad. There was a B/M directly infront of the squad. The officer exited the squad and approach the B/M. The female officer then attempted to arrest the suspect. The suspect broke free from the officer and punched the officer to the face. The suspect the began to run towards him. K[redacted] then attempted to stop the suspect. K[redacted] was able to tackle/trip/wrestle him to the ground. K[redacted] stated the suspect then was confronted by a W/M officer (P.O. Bognar). The suspect was able to break free from the officer and continue east bound on to N. 35th St. Kusick states he then watch the officer place the same suspect who hit the female (P.O. Burgoyne) in custody across the street. Kusick sustained a large scratch to his left arm.

I.D. Tech Dawn Veytsman responded to the scene and hospital and took photos. P.O. Burgoyne was admitted at Froedtert at 1214PM. P.O. Burgoyne was administered six stitches to her left eye area. P.O. Bognar refused medical treatment.

This report was written by PO Richard Litwin of the City of Milwaukee Police Department Third District day shift, assigned to squad 3169 with partner PO Steven Strasser this date.

On Monday, 08/01/2011, at approximately 11:42am, we heard fellow Milwaukee Police Officer Tom Bognar broadcasting a foot pursuit at 3500 W Wisconsin Avenue.

At approximately 11:46am we arrived and found that the fleeing subject, **Broderick E. Shelton b/m [redacted]1979**, had been taken into custody and that Officer Carol Burgoyne had been battered by the subject. Upon our arrival, Officer Matthew Schultz, Christine Roesken, and Kenneth Lipinski were tending to a deep laceration to the side of Officer Carol Burgoyne's face which had saturated her uniform shirt with blood..

Milwaukee Fire Department Paramedic Unit #3 (MED#) responded and transported Officer Burgoyne to Froedtert Memorial Hospital. Sergeant David Larson rode inside MED3 and I followed in Sergeant Larson's squad.

Supplement

Officer Burgoyne was admitted at 12:14pm. The attending physician was Dr. Phil Sharpess. The treating Physician Assistant was Shannon Coakley. Officer Burgoyne was given a CT Scan before receiving six sutures to close the wound that was just to the left of her left eye. The wound was photographed prior to suturing by BofI Technician Dawn Veytsman.

While at the hospital, I interviewed Officer Burgoyne regarding this event. Officer Burgoyne provided the following account.

She is a 25 year veteran of the MPD, having been appointed on 10/06/1986. Today she was working uniform patrol, one-officer, on Squad 3150. She was wearing the Milwaukee Police Department Police Officer summer uniform and operating a marked black and white squad car.

At approximately 11:03am, she and Officer Tom Bognar were dispatched to investigate an "MO" complaint at [redacted], located at 37[redacted] W Wisconsin Avenue. She and Officer Bognar interviewed staff and the subject, **Broderick E. Shelton b/m [redacted] 1979**. They determined that Shelton had signed himself out of a program, which disqualified him from receiving an entitlement benefit. They found that Shelton had been refusing to take medication to treat a Schizophrenia disorder. They were successful in convincing Shelton to ingest his medicine while on scene. At the behest of staff, they asked Shelton to leave. Shelton was argumentative and began talking stupidly, swearing at them and stating that he "hated white people". Shelton stated he would leave but threatened that he'd return when police left.

She and Officer Bognar remained in the area. They observed Shelton begin loitering across the street on the Walgreens parking lot at 3522 W Wisconsin Avenue. Officer Burgoyne again spoke with Shelton and ordered him to leave the area. Again, Shelton stated, when the police left, he was going to return. She and Officer Bognar now concluded that they would arrest Shelton. Officer Bognar drove toward Shelton from the west and she drove toward him from the east.

She stepped out of her squad car and advised Shelton that he was under arrest. Shelton aggressively reached toward her as if to push her. She grabbed his (right) arm as he reached for her. She tried to pull his arm and force it behind his back to handcuff him. He pulled away, breaking her grasp on his arm. He immediately punched her in the face, striking her to the left eye and disorienting her. The punch shattered the black plastic sunglasses she had been wearing.

Shelton immediately began running southeast with Officer Bognar in pursuit. She heard over police radio, Officer Bognar broadcasting the foot chase and shortly thereafter observed other police officers walking the now handcuffed Shelton past her squad to Officer Bognar's patrol wagon.

Officer Burgoyne stated the injury caused her pain and that she did not consent to being punched in the face. Officer Burgoyne stated she wanted Shelton prosecuted for the assault.

Nothing further to report at this time.

When the subject, later identified as; SHELTON, Broderick E b/m [redacted]79 was stood up and as a custodial search was being conducted he yelled out " I ain't going to let anybody hit me without me hitting back." SHELTON then began yelling "fuck you fuck you" several times which was directed at us, uniformed police officers. Officer BOGNAR advised us that SHELTON had just punched another officer and that she is hurt. Officer BOGNAR then returned to check on the injured officer. When SHELTON was secured he was walked back to the area he ran from and placed in a patrol wagon. As I arrived to the injured officer I observed

Supplement

This report is written by PO Matthew Wenzel of Dist #3 Days.

On Tuesday, December 18th, 2012, at 11:47am, Sq 3156, I, PO Wenzel, was dispatched to 7 N. 37th St., regarding an entry to auto complaint, in the city and county of Milwaukee.

Upon arrival I, PO Wenzel, met the victim, K S (W/F -69) in the lot south of 7 N. 37th St., which is considered the rear lot WCS located at 37 W. Wisconsin Ave. S is the owner of a 2001, white, Landrover, Discovery, which was parked in the northwest corner of the lot. The auto had piece of concrete thrown through the rear passenger side window causing the window to be smashed. The concrete piece was found lying in the back of the auto. Nothing was taken from the auto.

I, PO Wenzel, spoke to the caller/witness, R R (W/M -23-67), who works at 7 N. 37th St. ( ). R stated at approximately he was at the rear loading dock, and observed a B/M, 28-35years old, 510, medium build, wearing a orange hunting style coat, and brown pants walking around the WCS lot. The black male than picked up a large rock. R stated he thought the subject was going to leave the lot, but he suddenly walked up to white Landrover and threw the rock through the window. R stated the subject looked startled by the loud noise and immediately ran east towards N. 35th st, and then northbound. R stated he did not get a look at the subjects face and wouldn't be able to identify him.

I, PO Wenzel, again spoke to S, who is a at who stated the staff had a problem at approximately 9:30am, with a client named Broderick E. Shelton (B/M -79). Shelton became upset because he wanted more money. Shelton became verbally threatened and was removed from the property by security and the police were called. Once outside Shelton continued to threaten the guards, and one of the guards sprayed him with OC. Shelton then stripped his coat off and ran away. Shelton was wearing a long sleeve white shirt, dark pants, and white du-rag on his head when he ran away.

I, PO Wenzel, was able to view video surveillance of the incident. I, PO Wenzel, was also shown a video of the damage to the Landrover. That video is seen at a distance and is of poor quality. I, PO Wenzel, was unable to

Supplement

determine if the subject that threw the rock was Shelton, due to the different clothing, distance and poor quality.

I, PO Wenzel, was given the address of 24[redacted] N. 25th St. for Shelton. I, PO Wenzel, responded to that location, but received no answer at the door. Shelton goes to WCS Monday through Friday for money and medication. WCS was advised to call if shows up on 12-19-12, and again is threatening .

When a suspect is determined is this offense the incident will be cleared with a vandalism ticket due to the damage being under $500.00.

NARRATIVE

On Monday, 08/16/2021, at approximately 1610 hours, I received a message, as part of the Milwaukee Area Investigative Team (MAIT), that the Milwaukee Police Department just had an officer involved shooting near the area of N 27th St and W Wright St, City of Milwaukee, Milwaukee County. I responded to the scene to assist with the investigation. Reference Wauwatosa PD # 21-16426 and Milwaukee PD CAD #21-2281282. The incident occurred at the gas station located at 2514 N 27th St, City of Milwaukee, Milwaukee County.

I arrived on scene and was assigned to canvass some residences on N 27th St as well as residences on W Wright St, near the incident location. I was grouped with Det. Jameson Durkin (Greendale PD), Officer Jennifer Wiesmueller (Fox Point PD), and Officer Kadija Walusay (South Milwaukee PD). The following is the result of my canvass efforts.

27[redacted] W Wright St

I made contact with a male subject on the front porch of 27[redacted] W Wright St. The subject refused to fully identify himself but stated his name was M[redacted] W[redacted] M[redacted] W[redacted] advised that he was sleeping when this incident occurred and did not see or hear anything. M[redacted] W[redacted] confirmed that he was ok and also stated no one in the house was injured. This concluded my contact with M[redacted] W[redacted]

27[redacted] W Wright St

Officer Walusay made contact with an E[redacted] Y[redacted] at this residence (See Officer Walusay's report for further details). Y[redacted] stated that she had video recorded some of the incident on her cell phone. Y[redacted] was able to share the four videos she recorded with me on my department issued work phone. The following is a brief synopsis of each video.

1. The first video (20210816_155619) is time stamped at 1556 hours. The video starts with the sound of a single gun shot and then shows two police officers standing on the south side of the gas station parking lot with their firearms drawn. The video continues as Y[redacted] walks closer to the incident, and is standing near the northwest corner of N 27th and W Wright. The video shows additional officers arriving and also officers providing medical care to injured suspect.
2. The second video (20210816_155904) is time stamped at 1559 hours. The videos shows more officers arriving on scene and shows an officer continuing to provide medical care to the injured suspect.
3. The third and fourth videos are timed at 1621 hours and 1658 hours, respectively. The videos show the scene well after it had been secured by officers. No part of the active incident was captured on these videos.

27[redacted] W Wright St

I made contact with a female subject on the front porch of 27[redacted] W Wright St. She identified herself as C[redacted] V[redacted] and stated that she was home at the time this incident occurred. V[redacted] stated she was inside of her residence at the time and she did not see or hear anything. V[redacted] confirmed that everyone inside the home was safe and not injured.

25[redacted] N 27th St

I made contact with L[redacted] R[redacted] who resides at 25[redacted] N 27th St. R[redacted] stated she was at work at the time of the incident, but stated that the doorbell camera on her house may have recorded some of the incident. It should be noted that the doorbell camera was on the south side of the front entry door to the residence and faced east towards the Clark gas station where the incident occurred. R[redacted] provided me with two video recordings that her camera caught during the incident times. She sent the videos to my department issued work cell phone. The two videos are as follows:

1. Video 1 (FrontDoor-2021-08-16-1555) is time stamped at 1555 hours. Numerous gun shots can be heard throughout the video and you see most of the Clark gas station parking lot. Multiple individuals involved in this incident can be scene on the camera footage. The suspect can be seen crouching near the front entrance of the Clark gas station.
2. Video 2 (FrontDoor-2021-08-16-1557) is time stamped at 1557 hours. The videos shows multiple officers approaching the suspect who is laying near the front entrance of the Clark gas station.

I transferred the recovered videos onto CDs and placed them on inventory at SFPD. The report and videos will be forwarded to Wauwatosa PD for their investigation of this incident.

NO FURTHER INFORMATION AT THIS TIME.

Officer Weismueller (Fox Point PD); to conduct a canvas of the 2700block of W. Wright St. (North side of street) and the 2400block of 27th St. (West side of street).

During the canvas I interviewed (2) residents which will be narrated below.

27[redacted] W. Wright Street- I spoke with S[redacted] W[redacted] (F/B [redacted] 1960), who stated she lives at the address and just moved in approximately (1) week ago. W[redacted] stated that she was home with her son (who was interviewed by Det. Gilden) when she heard what she thought was fireworks outside. W[redacted] stated that she began hearing the "fireworks" at approximately 4pm while she was in the NW corner of her residence on the first floor with all of the windows closed. W[redacted] stated that she believed that the noise was coming from the north of her residence, but decided to look out of the east window in her residence that faces 27th St. When she did this she saw police putting up crime scene tape and a lot of emergency vehicles speeding to the area across the street. Whittley stated she saw this at approximately 1615 hours. W[redacted] stated she was aware of what time she saw/heard more police responding because shortly after she had two officers knocking on her door to come into her house to make sure that no one was hurt. W[redacted] stated she does not have any cameras on her house and did not take any photographs or videos of the incident. W[redacted] did not have anything further to add.

27[redacted] W. Wright Street- I spoke with E[redacted] Y[redacted] (F/B [redacted] 1994), who stated that she lives at the residence with her husband and (4) children. Yo[redacted] stated that she was home with her children when she heard (3) loud pops coming from outside. Y[redacted] stated that recently the kids in the neighborhood have been shooting off fireworks, so she at first thought that might be the reason for the sound. Y[redacted] was in her bedroom when she heard the noise, but her children were in the front living room. Y[redacted] stated that she checked on her kids to make sure that they were not harmed, and then approximately 2-3 seconds after she heard the first (3) pops, she heard "about 30 more". Y[redacted] then went outside of her house and began taking video of the incident on her cell phone (this video was later turned over to Det. Gilden). Y[redacted] stated that while she was outside, she stood on her porch and later went to the bus stop on the corner of 27th and Wright (NW corner). Y[redacted] stated that she saw a "tall skinny African American" with his arm out in front of him pointed at the police. The male was standing under the "Open" sign on the gas station. Y[redacted] stated she did not see what the male had in his hand. Y[redacted] stated she then heard and saw the police shouting at the male to "get down and do not move". She also saw the police shooting at the male. She then observed the male fall to the ground, and shortly after saw the police run to him and began "working on him", Detective Durkin clarified that "working on him" meant the officers performed life saving measures.

Y[redacted] had a total of (4) videos that she sent to Det. Gilden.

This ended Y[redacted]s statement.

It should be noted that after speaking with Y[redacted] checked her house for damage. We observed (2) holes on the east exterior wall of her residence that were consistent with bullet holes. Y[redacted] was made aware of these, and Detective Cepican from the Wauwatosa Police Department took photographs of this.

This ends my interviews during the canvas.

End of report.

Incident Report Number: 21-017454

NARRATIVE

On August 16, 2021, I (Detective MENDOLA), along with Detective MICHALSKI and Lieutenant THORNE, responded to 27th and Wright Street in the City of Milwaukee to assist in a MAIT investigation.

Upon arrival, I was tasked with interviewing MILWAUKEE POLICE DEPARTMENT Detective James JORDAN who took an initial statement from a witness, J[redacted] R[redacted] and then interviewing R[redacted] Detective JORDAN explained that he took an initial statement from R[redacted] shortly after the incident. R[redacted] explained to him that he has been working for approximately two months at the CLARK gas station and usually works from 3:00pm to 9:00pm. On today's date, he worked from 8:00am and was set to finish at 9:00pm. He explained that his girlfriend, E[redacted] also works at the CLARK station but she left work at 3:15pm. The armed subject in this incident was known to R[redacted] as a customer. R[redacted] explained that he only knew him as a customer and not his name. That armed subject came to the CLARK gas station two to four times a day and would hang around quite a bit. JORDAN was told by R[redacted] that the armed subject came to the CLARK station three times today and on the third time R[redacted] went out to check on the armed subject who was standing just outside the door to the business. The armed subject mentioned to R[redacted] some problems that he was having with some other guy and then the armed subject pulled a gun out and pointed it at R[redacted] R[redacted] told JORDAN that he backed up, back into the gas station. Thirty seconds later, the police officers arrived and started walking towards the armed subject. R[redacted] told JORDAN that he saw the armed subject shoot at the police and then the police returned fire.

At that time, myself, Detective MICHASLSKI and Lieutenant THORNE, went into the gas station to interview R[redacted] While I as interviewing R[redacted] Detective MICHALSKI and Lieutenant THORNE met with the store owner to determine the availability of the video surveillance in the store. I brought R[redacted] into the backroom to interview him. R[redacted] explained to me that his normal shift is 3:00pm to 9:00pm but today he started at 8:00am. He has worked at the business for two months. R[redacted] stated that he knew the armed subject from working at the gas station. That person comes to the store two to three times a day and usually buys juice each time. On today's date, the armed subject came to the store two times. On the second time he came, he purchased a can of soda and then left. Shortly after leaving, the armed subject came back and stood in front of the door. The armed subject stood there for a little while and then R[redacted] went out to check on him. RO[redacted] explained that he opened the door and stood in the doorway to ask if the guy was ok. The guy started to talk about another guy he was having trouble with and then pulled a gun out of his pants pocket and pointed it at him. R[redacted] described the gun as a black semi-automatic handgun and stated that he was scared for his life. R[redacted] then backed up and said "we good, we good." R[redacted] was able to get the door closed and the armed subject put the gun away. R[redacted] explained that the armed subject pointed the gun at him, at the ground, at the neighborhood behind him and the blue car behind him. R[redacted] saw the police walk up and saw that the armed subject was holding the gun when the police walked up. R[redacted] explained that he then heard at least twelve gunshots all together. R[redacted] got on the ground and crawled to the back room as the shooting was taking place. He did not see anything after getting on the ground. He wasn't sure who shot how many times, but stated that he feared for his life at that time and when the guy was pointing the gun at him. R[redacted] thought that the shooting lasted approximately thirty seconds. In speaking with R[redacted] he explained that he thought the armed subject had some mental health problems. He had seen the armed subject acting strangely and sucking on his thumb on several occasions. R[redacted] also explained that he has never seen the armed subject with a gun on any other previous occasions.

I took pictures from inside the store looking out, through the windows from the locations that R[redacted] stated that he was standing. His view was limited because of the size of the windows and obstructions in front of the windows. Those photographs and this report will be forwarded to the WAUWATOSA POLICE DEPARTMENT for their case.

NARRATIVE

On Monday, 8/16/21, I, Detective Behrendt and Lieutenant Habanek, assisted in this investigation being led by the Wauwatosa Police Department. The Waukesha Police Department was notified by the Milwaukee Area Investigative Team (MAIT) who requested assistance in this investigation pursuant to Wisconsin State Statute 175.47(3)(a). The initial information given was that Milwaukee Police Department had a fatal officer involved shooting incident that occurred on 27th and Wright Street. Upon my arrival, I was informed that the suspect is deceased and is likely Brodrick E. Shelton (M/B, DOB [redacted]/79). I was informed that the identification of the suspect has not yet been confirmed but is believed to be Shelton.

Wauwatosa Police Department is the lead agency, and their case number is 21-016426, Milwaukee Police Department CAD #21-2281282 and Milwaukee Police Department case number is 21-2280149.

After the briefing of the incident was conducted, myself and Lieutenant Habanek were assigned to speak with potential family members, one of which was identified to me verbally as E[redacted] J[redacted] (F/B, DOB [redacted]62) and the other was D[redacted] J[redacted] (M/B, DOB [redacted]60).

Myself and Lieutenant Habanek met with D[redacted] who stated that he got a call at 5:08pm from E[redacted] stating that Brodrick had been shot by Milwaukee Police Department and he responded to the scene to try and see if it was true or not and to speak with somebody reference what happened.

D[redacted] stated that he has not had contact with Brodrick in over a year. D[redacted] stated he is the oldest of all of the siblings which I later learned there were 11 total siblings and 9 of which are still alive. D[redacted] stated that he was recently asked by the family to try and get in touch with Brodrick again as the family had not seen or heard from him in awhile. D[redacted] knows that Brodrick has mental health issues and has some cognitive issues as well. D[redacted] stated that he did not know the details of the diagnosis, however, stated that someone has to take his checks and take care of him. D[redacted] was unsure if Brodrick had a caregiver or a social worker. D[redacted] did not know where Brodrick lived which is part of the reason why his family was attempting to find him again and get in touch with him. D[redacted] did not have any contact information for Brodrick. D[redacted] also did not know if Brodrick was dating anybody or if he was married to anybody. D[redacted] stated that Brodrick wandered between different family members and does not stay in one place for too long.

Myself and Lieutenant Habanek then met with E[redacted] J[redacted] who stated that Brodrick had been out of jail for approximately one month and he had been staying at his niece's house, however, E[redacted] refused to identify who the niece was. We believe that the niece was on scene, however, she was refusing to provide any of her information to myself or Lieutenant Habanek. [redacted] stated that she manages insurance policies on all of the siblings, including Brodrick. She was about to raise the life insurance on Brodrick as they had not seen from him in awhile and was concerned for him. E[redacted] stated she has not seen Brodrick since he got out of jail.

I also spoke with a female identified to me verbally at A[redacted] S[redacted] (F/B, DOB [redacted]80). She stated that she is the youngest sibling and she also wished to know what happened as the community they grew up in notified their family that Brodrick was involved in a fatal shooting involving Milwaukee Police Department. Between A[redacted] and E[redacted] both of them informed me that they heard that Brodrick had a gun and was shooting at people. Both E[redacted] and A[redacted] said that they believed Brodrick was not a violent person and would not be violent with anybody and they did not believe that he would possess a gun and start shooting at people. E[redacted] stated that somebody had to have given Brodrick a gun as he did not possess one.

It was determined based on speaking with the family that there was a large presence of Brodrick's family at the scene, and more continued to show up. At times the family was very loud and boisterous wondering what was going on and then other times, remained calm to the point where myself and Lieutenant Habanek were able to speak with them and gather information from them. The family continuously asked where Brodrick was and stated that they wanted to see him.

Lieutenant Habanek received a photograph of the deceased believed to be Brodrick and that photograph was shown to E[redacted] and D[redacted] but in the presence of A[redacted] as well. All three of them confirmed that the deceased was in fact Brodrick E. Shelton.

E[redacted] was given business cards from the Wauwatosa Police Department and the Milwaukee County Medical Examiner's Office to follow up with any questions. Lt Habanek and myself also provided our business cards to E[redacted] D[redacted] and A[redacted] While in my presence, E[redacted] immediately contacted the Medical Examiner's Office to get further details on where Brodrick was located and what their next steps were. E[redacted] was relaying all of that information to family while I was still on scene and in their presence.

This completes my involvement in this investigation.

   D. Trajectory; front-to-back, left-to-right, downward

III. Perforating gunshot wound, right elbow
   A. Indeterminate range entrance wound, anterolateral right elbow (**C**)
   B. Perforation of soft tissue and distal humerus
   C. Exit, posterior midline of elbow (**D**)
   D. Trajectory; front-to-back, slightly left-to-right

WITNESSES:

Personnel present during portions of the autopsy include: Brian L. Peterson, M.D., Medical Examiner; and Amanda Meeker, Forensic Pathology Assistant. The autopsy is attended by Detective Bradley Isaacson, City of Wauwatosa Police Department.

RADIOGRAPHS:

Multiple views of the head reveal small and medium size irregular metallic densities associated with the skull base, mostly on the left. Views of the abdomen reveal a mushroomed bullet in the right lower abdominal quadrant. Views of the right arm reveal perforation with fracture of the distal humerus, but no metallic densities.

The body is received in an unsealed pouch.

CLOTHING:

The body is clad in a T-shirt, shorts secured by a belt, and shoes. Two strands of plastic beads encircle the neck.

EVIDENCE OF MEDICAL THERAPY:

A needle thoracostomy is in the lateral aspect of each thoracic wall, Tyvek bags have been placed over the hands, and an intraosseous needle in the right tibia is attached to a 1 L partially filled bag designated 0.9 normal saline.

GENERAL EXTERNAL EXAMINATION

The partially clad, cool, unembalmed body is that of a well-nourished, well-developed, black male that measures 72 inches, weighs 183 pounds, and appears consistent with the listed age of 42 years. The scalp hair is black, curly, and up to 3 inches in length, and a mustache and goatee are worn. The corneae are clear. The sclerae and conjunctivae are unremarkable. The dentition is natural and in good repair. Injuries of the head will be described below. The neck is unremarkable externally. The breasts and chest are unremarkable. The abdomen is protuberant, with injuries to be described below. The external genitalia are those of a circumcised adult male with bilaterally descended testes. Injuries of the extremities will be described below. The back and anus are unremarkable.

Lividity is dorsal, but not fixed, and rigor mortis is easily overcome in the extremities.

EVIDENCE OF INJURY:

Letters and numbers are assigned to the following injuries for record keeping purposes, and do not necessarily reflect severity or order of infliction.

I. PENETRATING GUNSHOT WOUND OF HEAD

Four inches below the vertex, 1/4 inch above and 1/8 inch anterior to the left external auditory meatus is a 1/4 inch circular, symmetrical, indeterminate range gunshot wound of entrance on the anterior tragus designated letter **A**. It is associated with a symmetrical 1/16 inch margin of abrasion. Internally, a hemorrhagic wound perforates the left petrous ridge and extends beneath the skull base, causing complete hinge fracture and basilar subarachnoid hemorrhage. There are multiple small lacerations of the left temporal lobe associated with bone fragments. 10 grains of core and jacketing fragments are recovered from brain and from the entrance wound. The trajectory from entrance wound **A** to these fragments is left-to-right and slightly downward.

II. PENETRATING GUNSHOT WOUND OF ABDOMEN

Twenty-one inches below the vertex, 12-1/2 inches below the right acromioclavicular joint and 3/4 inch to the right of the anterior midline and the upper abdomen is a 3/8 inch circular, symmetrical, indeterminate range gunshot wound of entrance, designated letter **B**. Internally, a hemorrhagic wound passes through the abdominal wall, the liver, the duodenum, and enters the soft tissues of the flank on the right. Within these lateral soft tissues is recovered a 126-grain mushroomed totally metal-jacketed, medium-caliber bullet. The trajectory from entrance wound **B** to the bullet is front-to-back, left-to-right, and downward.

III. PERFORATING GUNSHOT WOUND, RIGHT ELBOW

Thirteen inches below the right acromioclavicular joint on the lateral surface of the right elbow is a 3/8 inch circular, symmetrical, indeterminate range gunshot wound of entrance designated letter **C**. Thirteen inches below the right acromioclavicular joint in the posterior midline of the right elbow is a slit-like 3/4 x 1/4 inch exit wound, designated letter **D**. The trajectory from **C** to **D** through the distal humerus is front-to-back, slightly right-to-left.

GENERAL INTERNAL EXAMINATION

BODY CAVITIES:
The body is opened using the standard Y-shaped and intermastoid incisions and the chest plate is removed. There are no adhesions or abnormal collections in the pleural, pericardial, or peritoneal spaces. All organs are in normal anatomic position, and the midline anterior abdominal fat layer measures 1/2 inch.

CENTRAL NERVOUS SYSTEM:
See “Evidence of Injury”. The brain weighs 1,350 grams.

NECK:
The strap muscles are uninjured. The hyoid bone, cricoid, and thyroid cartilage are intact.

GASTROINTESTINAL TRACT:
See “Evidence of Injury”. A longitudinal section through the tongue reveals no lesions. The mucosa of the esophagus and stomach is intact, and the gastric lumen contains approximately 150 mL of partially digested food. There are no additional abnormalities of the small or large intestines, and the appendix is present.

RESPIRATORY SYSTEM:
The mucosa of the larynx, trachea, and bronchi is pink-tan and unremarkable. Neither excessive mucus nor foreign debris are within the airways. The normally lobated lungs are covered by glistening pleura. Cut sections reveal a normal parenchyma and moderate amounts of serosanguineous fluid. There are no focal lesions. The pulmonary arteries and veins are normally distributed and unobstructed. The right lung weighs 500 grams and left lung weighs 440 grams.

CARDIOVASCULAR SYSTEM:
The epicardial surface of the 430 gram heart is unremarkable. Serial sections through the right dominant coronary arteries reveal that they are patent, without significant atherosclerosis or thrombus. Sections through the myocardium reveal that it is uniformly red-brown and firm. The chambers and valves have the normal size-position relationship. The great vessels exit and return to the heart in a normal distribution and are unobstructed.

RETICULOENDOTHELIAL SYSTEM:

The 60 gram spleen is covered by a smooth intact capsule. Sections reveal normal red pulp and normal distribution of white pulp. The regional lymph nodes and bone marrow are grossly unremarkable.

HEPATOBILIARY SYSTEM:

See “Evidence of Injury”. The liver weighs 1,530 gram. The capsule is otherwise intact. Uninjured parenchyma is uniform and brown. The external biliary tree is normally distributed, and the gallbladder is present. The pancreatic parenchyma is lobular and tan.

GENITOURINARY TRACT:

The renal capsules strip with ease to reveal smooth cortices. The cortices, measuring up to 0.7 cm in thickness, are well demarcated from the unremarkable medulla and collecting system. The ureters follow the normal course to the urinary bladder, containing approximately 20 mL of yellow, clear urine. The prostate gland and testes are palpably unremarkable. The right kidney weighs 130 grams and the left kidney weighs 130 grams.

ENDOCRINE SYSTEM:

The pituitary gland, thyroid gland, and adrenal glands are normal in size, shape, and location.

MUSCULOSKELETAL SYSTEM:

See “Evidence of Injury”. There are no further bone or joint abnormalities. The skeletal muscle is red-brown and firm.

SPECIMENS:

At the time of autopsy, DNA blood cards, stock tissue sections in formalin, vitreous humor, heart blood, urine, plucked head hair, handbags, fingernail clippings, and the bullet and bullet fragments are retained.

Technical Appendix

Revision 10

Screening and biological fluid identification

1. Body fluid identification was not performed unless specifically noted. Testing may be conducted upon request.
2. A **presumptive** screening test is a test which indicates, but does not confirm, the possible presence of a biological fluid.
3. A **confirmatory** screening test is a test which can uniquely identify a specific biological tissue/fluid.
4. Two different methods of presumptive testing may be conducted for semen.
    a. Detection of Prostate Specific Antigen (PSA), or p30, which is a protein found in semen.
    b. Detection of acid phosphatase (AP) activity, which is an enzyme present in semen.
5. Presumptive testing conducted for blood detects the activity of hemoglobin, a protein found in blood.
6. Confirmatory testing conducted for blood identifies hemoglobin of humans and higher primates, with known reactivity with some domestic ferrets.
7. Two different methods of presumptive testing may be conducted for saliva. These tests detect salivary α-amylase enzyme or α-amylase enzyme activity.
8. Work contributing to the results of this report may have been performed by individuals other than the report author.

DNA Analysis

9. A **differential extraction** technique separates the cells into two fractions. The first fraction, the non-sperm fraction (.NS), increases the ratio of DNA from non-sperm cells, such as white blood cells and skin cells, to DNA from sperm cells (if present). The second fraction, the sperm fraction (.S), increases the ratio of DNA from sperm cells (if present) to DNA from non-sperm cells.
10. Results of male-specific DNA isolation are not reported for reference standards.
11. **Limited** DNA isolation results indicate that while DNA was detected on the item, the amount of DNA present was not sufficient for further testing based on validated laboratory thresholds.
12. **High ratio** indicates that male DNA was detected at a low quantity relative to total human DNA. If male DNA is probative for a sample, autosomal testing is typically not effective due to the overwhelming presence of female DNA.
13. Samples which are listed as **unsuitable** for further testing do not meet the laboratory's minimum thresholds for DNA processing. The reason a sample may be deemed unsuitable can vary (e.g. point 11 above).
14. Amplifications utilize the polymerase chain reaction (**PCR**) method. This method generates large numbers of copies of targeted DNA locations from a small starting amount through repeated cycles of copying.
15. An **allele** is a variation of the DNA sequence at a specific location on a chromosome.
16. **STR** (short tandem repeat) analysis targets alleles which contain repeated DNA sequences. The length of these repeats varies between people and can be used to differentiate an individual's DNA.
17. **Autosomal STR** amplification targets human DNA, including both males and females. It is conducted using the Promega PowerPlex® Fusion 6C amplification kit, which amplifies 23 autosomal STR markers, the sex-specific marker amelogenin, and three male-specific Y-STR markers.
18. **Y-STR** (Y-chromosome specific STR) amplification targets DNA from males only. It is conducted using the Promega PowerPlex® Y23 amplification kit, which amplifies 23 STR markers located on the Y-chromosome.

Autosomal STR DNA Conclusions and Statistics

19. A **mixture** is a profile that includes DNA from more than one individual.
20. Profiles reported as "**# person mixture**" are consistent with being a mixture of the reported number of individuals. All further interpretations and conclusions are based on the assumption that the profile originates from the number of contributors reported.
21. Results reported as "**explained by the presence…**" indicate that the alleles obtained are consistent with individual(s) assumed to be present on an item and therefore no further comparisons were made to the data.
22. Possible **trace allele(s)** indicate possible additional contributor(s). The possible allele(s) are detected at a very low level relative to, and do not impact the interpretation of, the primary profile.
23. Statistical calculations were performed using population statistics from databases of unrelated individuals created and maintained by the Federal Bureau of Investigation. (T.R. Moretti et al. *Forensic Science International: Genetics* 25 (2016) 175-181).
24. Any **source** attribution conclusions are the most reasonable scientific explanation for the reported results and are based on the calculated frequency of the STR profile being rarer than 1 in 7 trillion individuals, which is approximately one thousand times the world's population.

25. If an individual has been reported to be the source of a specific evidentiary STR DNA profile, then all other individuals with standard samples examined in this case can be considered to have been compared and excluded as the source of that evidentiary profile.
26. Identical siblings will share the same STR DNA profile.

Autosomal STR DNA - STRmix™ Conclusions and Statistics

27. **STRmix™** is a computer program which uses mathematical modeling to perform interpretation, comparison and statistical analysis for DNA profiles based on initial analysis by a trained analyst.
28. Likelihood ratios (LR) evaluate the relative probability of two hypotheses (or propositions). Generally, H_1 evaluates the scenario in which the Person(s) of Interest (POI) is/are real contributors to the profile while H_2 evaluates the scenario in which an individual other than the POI is the real contributor.
29. Unless specifically noted, reported LRs assume unknown contributors in H_2 are unrelated to the POI in H_1.
30. **If interpretations/hypotheses other than those reported are relevant to investigation, additional valid interpretations may be considered upon request, in accordance with WSCL policies.**
31. The following range defines the levels of support which may be reported for STRmix™ calculated likelihood ratios.

LR Value			General Conclusion	Verbal qualifier
$1.00\times10^{6} \leq$	*LR*		Inclusion	Very Strong Support
$1.00\times10^{4} \leq$	*LR*	$< 1.00\times10^{6}$	Inclusion	Strong Support
$1.00\times10^{3} \leq$	*LR*	$< 1.00\times10^{4}$	Inclusion	Moderate Support
1<	*LR*	$< 1.00\times10^{3}$	Uninformative	-
LR = 1			Neutral	Uninformative
$1.00\times10^{-3} <$	*LR*	<1	Uninformative	-
$1.00\times10^{-4} <$	*LR*	$\leq 1.00\times10^{-3}$	Exclusion	Moderate Support
$1.00\times10^{-6} <$	*LR*	$\leq 1.00\times10^{-4}$	Exclusion	Strong Support
0 <	*LR*	$\leq 1.00\times10^{-6}$	Exclusion	Very Strong Support
LR = 0			Exclusion	-

Y-STR DNA Conclusions and Statistics

32. All paternally related male individuals should share the same Y-STR DNA profile. Unrelated male individuals may also share the same Y-STR DNA profile.
33. The Y-STR statistical calculations were obtained from the Y-Chromosome STR Haplotype Reference Database (YHRD; yhrd.org). Y-STR statistical calculation values may change based upon database size and composition. The size of the database varies as more sample profiles are added and is dependent upon the markers used for interpretation. The U.S. National Database, comprised of individuals from the listed population groups, was used within YHRD.

CODIS

34. **CODIS** (Combined DNA Index System) is a database maintained by the FBI for searching of DNA profiles.
35. Evidentiary profiles are entered into CODIS in accordance with state and national regulations. Regular searches will be performed. Notification will be issued if there is a hit in the database or if a profile is removed from CODIS at any time in the future.
36. All profiles entered into the Quality Assurance Index of CODIS will be searched against other profiles developed at the respective State Crime Laboratory as part of the quality assurance process and then removed after a period of approximately three months. Any significant matches that would constitute an investigative lead for an agency will be reported to that agency per laboratory policy.

Accreditation

37. The Wisconsin State Crime Laboratories is accredited as a Forensic Testing Laboratory under ISO/IEC 17025:2017 by the ANSI (American National Standards Institute) National Accreditation Board, or ANAB.
38. The DNA Analysis Unit of the WSCL follows the FBI's Quality Assurance Standards for Forensic DNA Testing Laboratories.

NARRATIVE

On 08/16/21, at approximately 1550 hours, there was a Milwaukee Police Department Officer involved shooting which occurred in the area of N 27 St/W Wright St. The Milwaukee Area Investigative Team (MAIT) was activated and **SGT JEREMY FADNESS** and myself responded to the scene.

The Wauwatosa Police Department was the lead investigative agency.

Related agency case #'s

Upon arrival, MAIT team members were briefed on the incident. I was tasked with canvasing the surrounding area along with SGT FADNESS and detectives from the West Allis Police Department.

The incident occurred at the Clark Gas Station, located at 2514 N 27 St, Milwaukee, WI 53210. I assisted with the canvas of residences and buildings to the southwest of the incident scene.

27[redacted] W Wright St ([redacted]

While in the alley south of the 2700 block of W Wright St, I was able to speak to one of the residents as he had stepped outside. **R[redacted] W[redacted]** ([redacted]) stated he only heard the gunshots and took cover in his house. R[redacted] said he didn't want to exaggerate and estimated over 10 gunshots, then stated there were maybe about 20. When the shooting stopped, R[redacted] looked out his window. He saw one male lying on the ground near the gas pumps and another male lying on the ground next the wall of the gas station. R[redacted] stated, "If he shot at the police first... he should have just thrown his gun down." R[redacted] couldn't describe the two males who were laying on the ground any further, but stated the police were speaking to the male who was laying on the ground near the pumps. R[redacted] estimated the male near the gas pumps to be 30 -40 years of age and believed both the subjects were black males. R[redacted] believed the male lying near the gas station was deceased.

27[redacted] W Wright St

There were 5 adults and 1 small child sitting and standing on the front porch area when I approached. As I began to speak to the individuals they were abrasive and stated they didn't see anything. They stated they heard the shooting and came outside, but didn't see anything. The subjects did not wish to speak to me further.

27[redacted] W Wright St

Sitting on her front porch I met with **V[redacted] L[redacted]** ([redacted]), who was hesitant to speak with me. V[redacted] resides at this residence with her sister, who was not home when the shooting incident occurred. V[redacted] was inside in her kitchen when the shooting began. As V[redacted] heard the gunshots she walked to her door. She estimated there was 25 - 30 gunshots. When she came outside she saw police were already outside and she could here police cars responding to this location as the sirens were getting louder.

Miscellaneous information:

1. On August 16, 2021, at 15:55:26 hours, ShotSpotter reported (7) gunshots at 2514 N 27th, Milwaukee, WI. SST further reported "multiple shooter" and "high capacity".

2. On this same date, at 15:55:43 hours, SST reported (6) gunshots at 2514 N 27th, Milwaukee, WI. SST further reported "multiple shooter" and "high capacity".

3. On this same date, at 15:55:54 hours, SST reported (3) gunshots at 2514 N 27th, Milwaukee, WI. SST further reported "multiple shooter" and "high capacity".

4. On this same date, at approximately 17:33 hours, the Wisconsin State Crime Laboratory contacted Special Agent Jason Salerno, explained that an officer involved shooting had occurred at 2514 N 27th, that the Milwaukee Area Investigative Team (MAIT) was investigating the scene, and it was requested for ATF Explosives Detection Canine (EDC) Sandi assist in the recovery of firearms evidence.

5. On this same date, at approximately 18:29 hours, SA Salerno arrived on scene and was briefed by MAIT. SA Salerno canvassed the scene and observed that there were (16) ammunition casings (9mm), which were marked with evidence markers, just outside (westside) of the front door to the gas station. SA Salerno also observed a bloody pistol, which was later identified as a Glock, 9mm pistol, Model 19, serial number [redacted].

6. ATF conducted an urgent trace on that pistol and according to ATF T20210354315, it reported that a M[redacted] W[redacted]), B/M (DOB: [redacted]/95), purchased the pistol on March 27, 2018 at The Shooters' Sports Center, 4900 Six Mile Rd, Racine, WI.

7. SA Salerno next determined that the Milwaukee Police Department have a duty load in their handgun of (17) rounds of Speer 9mm Luger ammunition. It was later determined from inventorying the recovered Milwaukee Police Officers pistol magazines, that (34) rounds had been fired, but that only (33) ammunition casings had been recovered.

8. SA Salerno observed (3) separate locations where ammunition casings were, and SA Salerno believed and was later determined to be ammunition casings which had been fired from MPD Officers.

9. ATF Location #1 – west of the gas station, east of N 27th, (3) Speer 9mm ammunition casings had been recovered and marked with evidence markers.

10. ATF Location #2 – south of the gas station, in the gas station lot, west of a MPD bicycle, (7) Speer 9mm ammunition casings had been recovered and marked with evidence markers.

11. ATF Location #3 – south of the gas station, in the street of W Wright, east of (2) MPD bicycles, (23) Speer 9mm ammunition casings had been recovered and marked with evidence markers.

12. SA Salerno placed latex gloves on and deployed ATF EDC Sandi to search ATF Location #1, which ATF EDC Sandi showed no change of behavior and did not alert on any firearms evidence.

13. ATF EDC Sandi searched ATF Location #2 and ATF EDC Sandi showed no change of behavior and did not alert on any firearms evidence.

14. ATF EDC Sandi searched ATF Location #3 and ATF EDC Sandi showed a change of behavior and alerted on (1) Speer 9mm ammunition casing. SA Salerno marked the evidence with one of SA Salerno's yellow evidence markers (#1), which was later replaced with evidence marker #64. The ammunition casing was approximately 10" north of the curb to W Wright, in the grass, and approximately 14" southwest of where a pistol magazine had been recovered next to a tree. This information was provided to MAIT.

15. After all the firearms evidence had been documented, photographed, and collected, SA Salerno again had ATF EDC Sandi search ATF Locations 1, 2, and 3, and no other firearms evidence was recovered.

16. It should be noted that due to the amount of blood where the suspect's pistol and the ammunition casings to that pistol were, for the safety of the canine, SA Salerno did not deploy ATF EDC Sandi into that area to search.

NARRATIVE

On Monday, 08/16/2021, at approximately 4:10PM I received notification on my department issued cell phone of a Milwaukee Area Investigative Team (MAIT) call out regarding an officer involved shooting that occurred near the intersection of N 27th St and W Wright St in the City of Milwaukee, WI. Detective Purtell and Detective Costigan responded as well.

Milwaukee Police Department was the involved agency, and the Wauwatosa Police Department was the lead investigative agency in this incident. Below are the related case numbers:

Wauwatosa PD case number: 21-16426
Milwaukee PD CAD number: 21-2281282
Milwaukee PD case number: 21-2280149

Upon arriving on scene, I learned the incident occurred at 3:50PM, at the Ame Pak Petro Mart located at 2514 N 27th St in Milwaukee. As part of this investigation I was assigned to interview a witness in this incident, identified as L[redacted] S[redacted], (F/B [redacted]/1979). S[redacted] was currently in custody for a municipal warrant at the Milwaukee Police Department administration building located at 749 W State Street in Milwaukee, WI.

At approximately 7:36PM I met with S[redacted] in a secure interview room located within the the Milwaukee PD administration building. I identified myself to S[redacted] and explained that I wanted to talk with her about the incident she witnessed earlier in the day. S[redacted] told me that she did not want to talk, nor did she want to answer any questions.

During my time with S[redacted], she provided me with the following identifying information:

L[redacted] S[redacted]
F/B [redacted]/1979
25[redacted] W Tamarack St #[redacted]
Milwaukee, WI 53206

When asked for a phone number, S[redacted] said she did not have one.

I provided S[redacted] with my business card prior to leaving so that she could reach out to me if she wanted to talk about the incident at a later date.

My encounter with S[redacted] was recorded using a GLPD issued body camera. A DVD containing this audio/video footage has been inventoried along with this case, and placed into a secure GLPD evidence locker.

NARRATIVE

21-011356
P[redacted] B[redacted] Witness Statement
Det. Costigan #724

On Monday 08/16/21 at approximately 4:10pm, I received a notification on my department issued cell phone of a critical incident that occurred near the intersection of N. 27th St. and W. Wright St. The M.A.I.T (Milwaukee Area Investigative Team) was requested and asked to meet near the intersection. According to the initial message, there was an officer involved shooting, one member of the Milwaukee PD was involved and the suspect is deceased on scene.

I, along with fellow Glendale PD Detectives Purtell and Krenn responded and arrived on scene at approximately 4:50pm. The Milwaukee PD is the involved agency and the Wauwatosa PD is the lead investigative agency. Relevant case numbers are as follows:

Milwaukee Police Department
CAD #21-2281282
Case #21-2281282

Wauwatosa Police Department
Case #21-16426

Glendale Police Department
Case #21-11356

At approximately 5:30pm, investigators on scene received a briefing that detailed the incident, the synopsis is as follows:

At approximately 3:50pm, MPD Officer's were dispatched to the AME PAK Petro Mart located at 2514 N 27th St. for a man waiving/pointing a gun at people. The suspect, later identified as Broedrick E. Shelton Jr. m/b [redacted]/[redacted]/79, then fired at a subject in a car that was parked in the lot. MPD bicycle Officer's arrived on scene and exchanged gun fire with Shelton, Shelton was struck by gunfire and succumbed to his injuries.

Det's Purtell, Krenn and I were tasked to conduct witness statements to two potential witnesses, they were identified as P[redacted] B[redacted] f/b [redacted]/[redacted]/80 and L[redacted] [redacted]. S[redacted] f/b [redacted]/[redacted]/79. It was determined that I would interview B[redacted] and Det. Krenn would interview S[redacted].

I met with MPD P.O. Corrigan at the intersection of 27th and W. Medford Ave. This intersection is located 1 block north of the shooting scene. P.O. Corrigan was assigned a perimeter at that intersection and was maintaining contact with witness, P[redacted]

B[redacted]. P.O. Corrigan advised that B[redacted] was tired of waiting around the scene and wandered down the block to 26[redacted] W. Medford Ave. We responded there and met with B[redacted]. I escorted B[redacted] across the street to the alley located just south of W. Medford and directly east of N. 27th St.

Wearing a WatchGuard body worn camera, and beginning at 6:03pm, I recorded my witness statement with B[redacted]. The following is a synopsis of my conversation with B[redacted], for a full account of the interview, the DVD should be watched in its entirety.

The woman verbally identified herself as:
P[redacted] L. B[redacted] [redacted]/[redacted]/80
70[redacted] W. Thurston Ct.
Milwaukee, WI 53218
#[redacted]-[redacted]-[redacted]

B[redacted] wanted to make it clear from the outset that she was not an actual witness to the shooting, she only interacted with Broedrick Shelton moments prior to the shooting. B[redacted] identified the deceased subject at the gas station as 'Baldy.' She stated his real name is Broedrick E. Shelton.

B[redacted] characterized Broedrick as being homeless. She added that he sleeps in the empty lot on the block, in the park, and at the gas station. B[redacted] often times states that she sees Broedrick hanging out in the AME PAK gas station parking lot asking customers for money. She added that he walks around and hangs out all day and night in the general area. B[redacted] stated that Broedrick has been 'off his meds' for the past 3-4 months. She states that he 'rambles' and believes him to have some mental health issues. B[redacted] states that Broedrick has a case worker who tries to get him to take his meds, she was unsure what meds he takes, or specific mental health diagnoses Broedrick has been identified as having.

As for the interaction she had prior to the shooting, B[redacted] states that she came to the AME PAK gas station earlier in the afternoon to purchase some gasoline. She states that while she was in the lot, she noticed Broedrick to be hanging out. B[redacted] states that she had just come from McBob's restaurant and had some extra food, so she gave it to Broedrick to eat. After eating the taco, B[redacted] states that she gave Broedrick money and he went into the gas station to purchase two sodas.

B[redacted] states that she conversed with Broedrick for a little while next to pump #2, while she pumped some gas. While speaking with Broedrick, she states that she began recording him. She stated that she always records him rambling because he's so funny. She stated he was rambling on, changing topics and stories, but seemed to be in a good mood. B[redacted] confirmed that she suspects Broedrick to be 'off his meds' when he rambles, like he was today. When asked, B[redacted] states that she didn't see or know Broedrick to be carrying a gun. When asked about Broedrick having any family in the area, B[redacted] stated that she just learned today and pointed to the east that his family lives in the neighborhood. B[redacted] didn't know any of their names, nor has she ever heard the name L[redacted] S[redacted]. B[redacted] stated that Broedrick was just released from prison at the end of 2020, and was just kicked out of a group home on 94th and Silver Spring. B[redacted] was unsure the circumstances of him being kicked out, but believed his case workers name to be 'C[redacted].' B[redacted] estimated the entire interaction with Broedrick to be about 25 minutes.

B[redacted] played for me the approximate 2 minute and 56 second recording from her cell phone. I held and positioned B[redacted]

cell phone in a manner so that it could be captured by my body camera. During this video clip, Broedrick is rambling, talking nonsensical and switching topics with no apparent connection. I asked B[redacted] several times if I could copy or if she could transfer this video file to me, she refused. Broedrick can be scene on the video clip wearing dark colored shorts, a dark t shirt and wearing what appeared to be a chain around his neck. 13:32 minutes into my body worn camera footage, Broedrick uses his right hand signifying himself to be holding a gun. He then makes a fist and shoots the 'pretend gun' while stating, 'Pop, pop, pop, pop, pop.' It is unknown to whom or what he is referring to while making this gesture.

Just prior to leaving Broedrick, B[redacted] states that she gave him 3 singles and told him not to be asking people for money. B[redacted] then stated she drove her 2013 white Honda Cross tour from the scene to her work, which she described as being down the block. B[redacted] stated that she never observed or even heard the shooting at the gas station.

My interview with B[redacted] ended at approximately 6:26pm. I later transferred the bodycam footage to a DVD, which I inventoried under 21-2450. I made a copy of the DVD recording so that it can be turned over to the Wauwatosa PD for their investigative file.

NARRATIVE

On Monday August 16th, 2021, I Detective Todd Rosenstein #D25 was assigned to the Milwaukee County Sheriff's Office Criminal Investigations Division (CID) in plain clothes, with outer vest carrier with large "SHERIFF" markings and metal badge displayed, as squad #185. I was assigned as a Task Force Officer (TFO) to the United States Marshal Service (USMS) Great Lakes Regional Fugitive Task Force (GLRFTF) in an unmarked squad with 360 degree red/blue emergency lights and audible siren when the following occurred. No squad camera or body worn camera was in use during this incident.

At approximately 1618 hours a Milwaukee Area Investigative Team (MAIT) call out was placed by Greenfield Police Department Captain Eric Lindstrom for a Milwaukee Police Department Officer Involved Shooting (OIS) which resulted in the death of Broderick E. SHELTON Jr. (M/B DOB [redacted]/79).

I contacted Milwaukee County Sheriff's Office Sergeant George Anagnostopoulos and he directed me to respond to the scene to assist. Sgt. Anagnostopoulos also stated that he would send additional MCSO Criminal Investigations Division personnel to respond. I arrived on scene at approximately 1710 hours and met with MCSO Detective Brian Morgan (Sq 136), Detective Fred Gayle (Sq 135) and Deputies Steven Bacon (Sq 184), Montrell Hobbs (Sq 118) and Nathan Spittlemeister (Sq 122).

We were briefed by Wauwatosa Police Department Sergeant Joseph Zientek on the known case information and then given assignments. Detective Morgan, Deputy Bacon and I were tasked with a neighborhood canvass in the 2500 block of N 27th St (eastside) along with the residences in the 2600 block of W Wright St (northside). Detective Gayle, Deputy Hobbs and Deputy Spittlemeister were tasked with a neighborhood canvas in the 2400 block of N 27th St (eastside) and the 2600 block of W Wright St (southside). (See supplemental reports generated by Gayle, Hobbs and Spittlemeister for their canvass details)

Neighborhood Canvass 2500 Block N 27th St

25[redacted] N 27th St (two story-single family)- Knocked on the front and side doors no answer. No cameras observed on the residence. Notified by MPD officers managing the crime scene that MPD Tactical Enforcement Unit (TEU) responded to the scene and breached the door to look for potential victims after the shooting. No one was located inside of the residence and it was secured. A yellow contact card was discovered wedged in the front door for the owner/occupants to contact MPD when they arrive home. No damage was noted on the south side of the residence that appeared to be from this incident.

25[redacted] N 27th St (1 story-single family) - While knocking on the door a citizen yelled from across the street saying she lived there. We crossed the street and spoke to S[redacted]. F[redacted] (F/B DOB [redacted]/96) phone # [redacted]. M[redacted] F[redacted] stated that she was home alone during the incident and she was asleep. She stated that she heard "at least four gunshots" and figured "someone was dead" then she

claimed she laid back down and went to sleep. M[redacted] F[redacted] stated that the gunshots are "typical around here." I asked M[redacted] F[redacted] how many gunshots she heard and she responded that she "wasn't counting." I asked if there was anyone else at the residence and she replied "no" and stated that the vehicle's in the side yard belonged to her grandfather. M[redacted] F[redacted] stated she was not injured as a result of the incident and that there were no cameras on the residence. M[redacted] F[redacted] claimed she did not know what occurred until she walked across the street where she was since her phone was "dead." After speaking to M[redacted] F[redacted] we walked back over to her residence to inspect it. No damage was discovered as a result of this incident.

25[redacted] N 27th St (two-story-single family)- Neighbors advised that this house was abandoned and has been that way for approximately one (1) year. Grass was long and porch overhang was falling down. No signs of anyone occupying the residence during the walk around of the structure. No damage was located consistent with this incident. No cameras were observed on the exterior of the residence.

25[redacted] N 27th St (For Him International Ministries-Church)- Knocked on front and rear doors of the church and no answer was received. The parking lot was empty. Called the phone number of [redacted] and left message for someone to contact me regarding the business and potential cameras. No damage was observed which was consistent with the incident. No cameras were observed on the exterior of the property. No call back was received from the church owners at time of report.

25[redacted] N 26th St (two-story upper duplex)- Knocked on the door and spoke to resident P[redacted] S[redacted] (F/B DOB [redacted]/47) Phone # [redacted]. M[redacted] S[redacted] stated she stays at the residence with her son, who she identified as Z[redacted] B[redacted] (M/B DOB [redacted]/75). M[redacted] S[redacted] stated that she was at dialysis during the incident and did not return home until after the police tape was up and things were shut down. I asked M[redacted] S[redacted] if she noticed any damage to her residence or property and she replied "No." M[redacted] S[redacted] stated that she did not have any cameras on her property. An inspection of the exterior of the residence was completed however the structure was covered in decorative vines which obscured the view of the house. No cameras were observed on the exterior of the residence.

After completing the requested neighborhood canvass we checked in with Sergeant Zientek at the command post. After a brief period we were tasked with finding and interviewing the Milwaukee Fire Department personnel who responded to the scene to assist. We were advised the fire fighters were from "Engine 13" which is assigned to MFD Fire Station 13, located at 2901 N 30th St (Milwaukee).

Prior to the interviews of the involved Milwaukee Fire Department personnel I was advised by MFD Lieutenant Joseph Franz that Assistant Fire Chief Andrew Timm would have to approve. I contacted Assistant Chief Timm at on his cellular phone and explained the situation. Assistant Chief Timm stated

that we could interview the fire department personnel "one on one" as long as Battalion Chief James Ziech was present for all of the interviews. I agreed to have Battalion Chief Ziech included in the interviews and Assistant Chief Timm gave us the supervisory approval.

Detective Brian Morgan and Detective Fred Gayle also conducted interviews of fire department personnel. See their respective supplemental reports under this case number for details on those interviews.

Interview of Firefighter Temitayo Coker (Engine 13)

I asked Firefighter Temitayo Coker to explain his assignment and tell me what he did and observed during this call. Firefighter Coker stated that he was assigned as a driver for the engine and they received a call for a shooting victim at the gas station on N 27th St/W Wright St, with police on the scene. He and the other firefighters responded from the fire station and took N 27th St south to the scene. He stated that they pulled right up to the scene since they were advised that the scene had been secured by the police. As they arrived FF Coker stated he observed Milwaukee Police Department (MPD) officers working on a subject doing CPR. He advised that the subject was to the left (north) of the gas station entrance doors. He grabbed required medical gear from the engine and walked over to the area where the subject (Broderick SHELTON) was being provided medical attention. FF Coker stated that he observed several "casings" laying on the ground near the SHELTON. FF Coker stated that he observed "brain matter" and that medical devices were hooked up to SHELTON to assess his vital signs. FF Coker stated that a slight heart rhythm was detected by the medical devices so they (medical personnel) continued to "work" SHELTON per their medical training and protocols. This medical intervention included various different medical techniques. FF Coker stated that he assisted with continuous CPR cycles where he used a "bag valve mask" and also assisted with chest compressions. FF Coker stated that they continued to try and revive SHELTON until there were no longer signs of life and his (SHELTON's) death was called.

Firefighter Coker stated that after the death was called he and the other fire department personnel began to clean up their medical equipment and return it to the truck. While walking equipment to the truck FF Coker stated that this was the when a Detective advised him it was an officer involved shooting. FF Coker advised me that he observed a blood covered firearm in the parking lot near where Broderick SHELTON was laying on his back when they arrived on scene. After the death was called for SHELTON, FF Coker had assisted with covering his body with a yellow blanket which he stated is "standard" for a death. After a brief period of time, FF Coker assisted with placing SHELTON's body on to a medical "cot" and then assisted with loading his body into MFD "Med 5" ambulance. FF Coker stated that he had seen SHELTON in the past during calls at or near the gas station. FF Coker claimed to have observed him approximately 3-4 times over the course of time that he has been a firefighter with MFD. FF Coker further claimed he believed SHELTON to have some sort of mental health issues and was observed by FF Coker talking to himself. FF Coker stated "he is always at the

gas station." When asked about some sort of mail or documents which were near SHELTON when they arrived FF Coker stated he was not sure where those documents came from or what happened to them after the call.

End of Interview of Firefighter Coker

Interview of Firefighter Lieutenant Joseph Franz (Engine 13)

I asked MFD Lt. Joesph Franz to explain his assignment and tell me what he did and observed during this call. Lt. Franz stated he was the supervisory lieutenant assigned to the fire house and they were dispatched to a shooting with "police already on scene" and that the "scene was safe" so they responded from the fire house. When they (MFD) arrived on scene Lt. Franz stated he observed a Milwaukee Police Department (MPD) officer performing "compression only" CPR on a black male subject, later identified as Broderick SHELTON), near the gas station at N 27th St/W Wright St. Lt. Franz stated SHELTON was laying on his back to the left (north) of the entrance doors to the gas station. Lt. Franz stated that he observed "police bicycles" laying on the ground and shell casings laying on the ground in the parking lot. Lt. Franz advised me he was supervising the scene from a medical stand point until Milwaukee Fire Department "Med 5" arrived on scene. Lt. Franz stated they followed department protocols and worked on SHELTON for more than 10 minutes prior to the death being "called" at approximately 1614 hours. After the medical assistance was completed Lt. Franz assisted with placing SHELTON's body into "Med 5." Lt. Franz contacted the Milwaukee County Medical Examiner's office (MCMEO) and requested they transport SHELTON to the MCMEO building to get him off of the scene and was granted that request. Lt. Franz stated that he supervised the medical response until MFD "Med 5" arrived on scene and then he assisted with chest compressions and other needed duties along side his firefighter crew.

Lt. Franz stated that when he arrived on scene he observed several "shell casings" along with a bloody firearm on the ground, in the gas station parking lot, approximately 6-10 feet away from Broderick SHELTON's body. Lt. Franz advised me that the firearm appeared "opened up...like a whole mag was used." Lt. Franz stated that medical run reports will be generated for the MFD response and will be available if needed.

End of interview Lieutenant Franz

Interview of Acting Lieutenant, Firefighter Alexander Janzen (Med 5)

I asked MFD Acting Lieutenant, Firefighter Alexander Janzen to explain his assignment and tell me what he did and observed during this call. Acting Lt. Janzen stated that they received a call for and "unknown male shot" and further notification that the "police were on the scene and its' (scene)

secure." Acting Lt. Janzen stated they rolled right down N 27th St to the scene at N 27th St/W Wright St. As he was responding to the scene, Acting Lt. Janzen stated he believed that they would "load and go", pick up patient and treat enroute to the hospital. When he arrived on scene he observed MFD Engine 13 doing CPR and was advised the subject, Broderick SHELTON, was a "Traumatic PNB." (pulseless non breathing) He then grabbed the medical equipment from the ambulance and began several medical procedures per protocol. These procedures were continued until the death was pronounced per protocol.

Acting Lt. Janzen stated he observed several "shell casings around Broderick SHELTON's body, alot of blood and alot of brain matter. Acting Lt. Janzen stated that he observed a firearm on the ground to the right of the gas station doors near SHELTON's body. When I asked if he has ever had any contact with SHELTON before, Acting Lt. Janzen stated, "No."

End of interview Acting Lt. Janzen.

After the interviews were completed at the Milwaukee Fire Department personnel all of the Milwaukee County Sheriff's Officer personnel departed the fire house. We checked out with Wauwatosa Police Department supervisors at the command post who then released us from the scene.

NARRATIVE

On Monday August 16th, 2021, I Detective Frederick Gayle #D54 assigned to the Milwaukee County Sheriff's Office (MCSO) Investigative Services Bureau (ISB) was on duty as squad #135 in plain clothes and my unmarked squad with 360 degree red and blue emergency lights and audible siren.

At approximately 1629 hours I was contacted by Sergeant George Anagnostopoulos who briefed me of a request for a Milwaukee Area Investigative Team (MAIT) call up for a Milwaukee Police Department (MPD) officer involved shooting incident. (MPD Case # 21-228-1282). I was also advised that the Wauwatosa Police Department would be the lead agency for the MAIT call up. (Wauwatosa PD Case #21-16426).

Sergeant Anagnostopoulos informed me that I should meet the rest of the MAIT team at the command post set up near the intersection of north 27th and west Wright street in Milwaukee WI.

I headed to the location and met with other MCSO personnel, Detectives Brian Morgan, Todd Rosenstein, Deputies Montrell Hobbs, Nathan Spittlemeister and Steven Bacon. We were briefed by Wauwatosa Police Department Sergeant Joseph Zientek of the preliminary details of the officer involved shooting incident. We were informed that the deceased subject was identified as Broderick E Shelton Jr. (M/B [redacted]/1979).

MCSO personnel were tasked with canvasing the area between the 2500 - 2600 blocks of north 27th Street, and the 2600 block of west Wright Street. We were also tasked with interviewing the Milwaukee Fire Department (MFD) personnel that had been on scene and now gone, prior to our arrival.

Deputies Spittlemeister, Hobbs and I canvassed the 2400 block of north 27th street and the south side of the 2600 west block of Wright Street.

Please see reports that may be generated by Detective Morgan, Detective Rosenstein and Deputy Bacon for the canvass of the other assigned areas. Deputy Hobbs will be completing and submitting the report for the canvass.

We briefed Wauwatosa Sergeant Zientek of the results of our canvass.

The other MCSO personnel and I then proceeded to the address of 2901 N 30th Street,

Milwaukee WI. to MFD station #13. The MFD personnel that needed to be interviewed either worked out of this station or were meeting us there

We spoke with Battalion Chief James Ziech, who sat in on all the interviews of the MFD personnel that had been on scene. Chief Ziech did not participate in the interview other than introducing us to each interviewed personnel.

Interview of Alec Konkel.

Deputy Bacon and I interviewed Paramedic / Firefighter Alec Konkel in a large and quiet living room type area of station #13.

Konkel stated that his unit was advised and dispatched to a call for a subject that was a victim of shooting with "central wounds".

Konkel stated that when he arrived on scene at the gas station on the corner of 27th and west Wright Street, other MFD and MPD personnel were already on scene performing CPR on the subject. He stated that he grabbed the "Lukas", which is a device that performs chest compressions. Konkel stated that he saw one bullet hole on the subject immediately and started to check the subject's body for other wounds.

Konkel indicated that he observed brain matter coming from the head of the subject and observed a wound to the subject's chest area.

Konkel stated that when he rolled the subject over checking for injuries, he observed 2 shell casings underneath the subject. He indicated that there were other casings nearby around the subject but did not indicate how many he saw.

Konkel stated that there were multiple MPD officers in and around the immediate area of the gas station. He also indicated that he noticed multiple bicycles on the ground near the gas station.

Konkel stated that they worked on the subject for approximately 10 minutes or so, before the time of death was called. He stated that his unit notified the Medical Examiners Office of the deceased subject.

Konkel stated that he observed a firearm covered in blood approximately five (5) feet away from the subject's feet. He indicated that the subject's feet were pointed toward the south. Konkel stated that the handgun was black in color and not a revolver. He indicated that the slide of the gun was locked back, and he assumed the gun may have

been empty of rounds.

Konkel stated that he did not know if anyone else in the area was with the subject who had been shot.

Konkel stated that he was asked by a Detective if his unit could transport the subject to the ME's Office. He indicated that his unit did transport the subject and that they were escorted by police personnel to the ME's office.

End of interview

Interview of Michael Plautz

Deputy Bacon and I interviewed Firefighter / EMT Michael Plautz in a large and quiet living room type area of MFD station #13.

Plautz stated that he normally works on engine #27, but he was working with engine #13 for the day.

Plautz stated that they received a call for a subject with a gunshot wound.

Plautz stated that when his unit arrived at the scene, he observed police officers doing compressions on the subject. He stated that he took over compressions from the MPD officers. Plautz indicated that the subject was unresponsive when he started compressions. He stated that he switched on and off with partners doing the chest compressions.

Plautz stated that he observed the head wound on the subject and then checked for other wounds. Plautz described and pointed to his right side indicating he saw a wound there as well.

Plautz stated that he saw three (3) to four (4) bullet casings in the immediate area of the subject. He indicated that he saw a gun about 5 feet away near the subject's feet. Plautz stated that the gun was covered in blood and that he was not sure what color the gun was.

Plautz stated that he did not notice anyone in the immediate area that appeared to have been with the deceased subject.

End of interview.

I, along with Detectives Todd Rosenstein, Fredrick Gayle and Deputy Steven Bacon were tasked with interviewing the members of the Milwaukee Fire Department who responded to this incident.

We conducted our interviews at MFD station 13 which is located at 2901 N 30th St. in the City of Milwaukee. I interviewed Firefighter Lamonte Anderson regarding this incident.

Interview of Lamonte Anderson- Firefighter (M/B [redacted]-1991)

I interviewed Firefighter Anderson at his station to get details related to this incident. Anderson stated to me that he received a call for a shooting and when he arrived he observed one member of the Milwaukee Police department performing CPR on the decedent. Anderson stated that he observed blood on the wall of the building that the body was laying next to and observed multiple fired shell casings around and near the body and was instructed to be careful of those casings so as not to disturb them unless necessary. Anderson stated he observed a firearm, which was already marked with a cone approximately 6 feet south of the body. Anderson stated that his initial medical assessment of the decedent indicated that there was no pulse and Anderson observed brain matter and associated gunshot wound to the head. Anderson stated that "4 lead pads and CPR pads" were placed on the decedent and the data gleaned from that equipment indicated that there was still some level of electrical current in the heart but not enough for the heart to beat on its own. Anderson stated that they performed CPR according to their protocol and after 10 -15 minutes of CPR there were no signs of life.

Incident Report Number: 21-018966

At approximately 5:20 PM, an incident briefing was conducted at the command post. The lead investigative agency was the Wauwatosa Police Department, related case number 21-16426. The Milwaukee Police Department CAD number reference the officer involved shooting was identified as 21-2281282, with a related case number of 21-2280149. The incident address was identified as the Clark gas station, located at 2514 N. 27th Street, City of Milwaukee. During that briefing, a victim/witness was identified as I[redacted] P[redacted], M/B, DOB [redacted]/63 and a deceased subject identified as BRODERICK E. SHELTON, M/B, DOB [redacted]/79. A vehicle reportedly damaged by gunfire belonging to I[redacted] P[redacted] was also identified as a blue 2012 Chevrolet Sonic 4-door, bearing Wisconsin registration plate #AHY9924. Upon conclusion of the incident briefing, myself, Detective Lucas and Officer Enters were assigned to interview I[redacted] P[redacted] who we were told was currently seated in a nearby Milwaukee Police Department squad car.

I made contact with Milwaukee Police Officer Ornelas who had P[redacted] seated in the back seat of his squad car which was located on the west side of North 27th Street, across the street from the gas station. I made contact with P[redacted] who identified himself by his Wisconsin photo identification card. P[redacted] identified his current address as 24[redacted] North 2nd Street [redacted], City of Milwaukee, 53212 and current cell phone number of [redacted]. P[redacted] was subsequently interviewed inside Officer Ornelas' squad car. Present for that interview was myself, Detective Lucas and Officer Enters. Myself and Detective Lucas activated our body cameras and recorded this interview. The recording on my body camera started at 5:48 PM and concluded at 6:27 PM. The following is a summary of P[redacted]'s statement. Please see body camera recording for his verbatim statement.

P[redacted] reported he arrived at the Clark gas station, located at 2514 North 27th Street, City of Milwaukee, to add gas and oil to his vehicle identified as a blue 2012 Chevrolet Sonic 4-door bearing Wisconsin registration plate #AHY9924. PRYOR indicated he parked his vehicle next to pump #2. PRYOR clarified after he arrived at the gas station, his vehicle had not been moved and its current location and positioning in the gas station parking lot was how it was at the time of the incident. Pump #2 is in the first row of gas pumps nearest to the gas station, located just southwest from the main entrance. Shortly after arriving at the gas station, P[redacted] reported he noticed a subject who he said was acting strangely who was standing by the front doors of the gas station. P[redacted] further described that subject as a male black with a dark complexion, late 30's to 40's with an unshaven appearance who was wearing dark clothes, what he further described as dirty jeans and a jacket. P[redacted] reported that subject was armed with a black

handgun he believed to be a semi-automatic. That subject in question, was later identified as the deceased in this case, BRODERICK E. SHELTON, M/B, DOB [redacted]/79. P[redacted] reported that SHELTON was standing outside the gas station next to the front doors and in his opinion, was on something; meaning he was possibly high. P[redacted] believed SHELTON was acting strangely because he seemed spaced out and was looking around. P[redacted] also described a female who sat down on the pump next to his vehicle and asked him for money. She was described as a F/B, slim build, 30's, with shoulder length "nappy" hair, wearing blue jeans and a white short sleeved shirt. P[redacted] thought the female may have known SHELTON because at one point he saw them have a conversation. Also, when SHELTON later pulled out the gun from his pocket, she didn't seemed shocked and slowly walked off eastbound on Wright Street.

P[redacted] stated he walked inside the gas station to pre-pay for his gas at which time he spoke with the gas station clerk. The clerk asked P[redacted] if SHELTON was messing with him. P[redacted] said no but told the clerk their was something wrong with the subject and he was up to something. P[redacted] stated he walked back outside to his car to pump gas, then opened the hood on his vehicle and started to add oil. He said it was at about that time that the gas station clerk walked outside and exchanged words with SHELTON but he could not hear what they discussed. P[redacted] said he observed SHELTON pull the black handgun out of his right jacket pocket and point it at the head of the clerk. P[redacted] said the clerk continued to exchange words or argue with SHELTON so P[redacted] said he began motioning with his hands for the clerk to just go back inside the gas station. P[redacted] said the clerk did walk back inside the gas station and SHELTON kept the gun pointed at him as he walked back inside. P[redacted] said he knew the "clerk was going to call the police, that's common sense". P[redacted] said SHELTON never put the gun away and stood there with the gun in his right hand, at times, with it down by his side and waving it around in the air. P[redacted] said he tried to act like everything was alright and pretended to ignore SHELTON. P[redacted] was fearful that if he showed a reaction to the gun and tried to drive off that SHELTON would shoot at him.

P[redacted] estimated that approximately one to two minutes later, two or three bicycle cops arrived on scene from the east on Wright Street and repeatedly ordered SHELTON to drop his gun. I asked P[redacted] how he knew they were police and he indicated that they were in full uniform with their guns drawn and they identified themselves as police as they ordered the subject to drop his gun. P[redacted] said he was still standing by the open hood of his vehicle adding oil when this happened. P[redacted] said one of those officers who arrived on scene saw him standing nearby and

yelled for him to get out of there. P[redacted] said he slammed the hood of his car down with everything still inside (i.e.. the oil can, etc.). P[redacted] quickly walked around and got into the driver's seat of his vehicle and started the ignition. P[redacted] said when he started his car, SHELTON pointed the gun at him as the police continued to yell commands for him to drop the gun. P[redacted] said SHELTON appeared to be giggling at the police and did not listen to the police repeated commands to drop his gun. P[redacted] said he turned his car off and was looking right at SHELTON when he moved the gun off of him and pointed it at the bicycle cops. P[redacted] watched from his front driver's seat of his vehicle as SHELTON pointed the gun at the police officers who he said still did not shoot and continued to yell for him to drop the gun. P[redacted] recalled that SHELTON fired the first shot at the officers and remembered hearing the shot go off and seeing smoke from SHELTON'S gun. P[redacted] believed SHELTON had initially fired one shot at the police officers before the police returned fire. P[redacted] said he continued to watch as SHELTON backpedaled towards the front of the gas station and fired what he estimated to be an additional three shots towards the police officers. The general direction of the shots exchanged between the SHELTON and the police officers would have been in a north/south direction. P[redacted] said he decided at that time to get out of there, opened his driver's door, rolled out and crawled to cover behind the cement barrier located near pump #6. P[redacted] reported he continued to hear shots fired as he crawled away and hid behind pump #6. P[redacted] said he heard the cops yelling for him ([redacted]) to stay down and a short time later, heard an officer yelling "He's hit, he's hit". P[redacted] said he didn't hear any additional shots fired after that and raised his head from behind the cement barrier to see what was happening when he saw the police officers slowly walking towards SHELTON who was down near the front doors of the gas station. P[redacted] said SHELTON still had the black handgun in his right hand and also heard one of the officers yelling that he still had the gun in his hand. P[redacted] said SHELTON did not appear to be moving at that time. P[redacted] additionally described SHELTON'S physical position on the ground as sitting on his butt with his back against the wall and slightly slumped over when the police made contact with him, disarmed him and began providing medical attention.

P[redacted] learned after the incident was over that his vehicle appeared to have been hit by bullets. I was previously advised his car appeared to have been struck by bullets at least two times on the passenger side of his vehicle. P[redacted] did not believe his car was hit when he was still sitting inside of it and thought it must have happened after he rolled out and crawled away from his car to move to cover.

Respectfully,

Detective Brock Beal

Narrative

This report was written by Detective Tyler KIRKVOLD assigned to the Criminal Investigation Bureau, Homicide Unit, Early Shift, Squad 9228.

On Monday, August 16, 2021 at approximately 4:00pm Sgt. William BAKER requested that my partner, Detective Alex KLABUNDE, Squad 9226, and I respond to the scene of an Officer Involved Shooting at 25[redacted] N 27th St. Upon my arrival I was informed that the decedent was preliminarily identified as Brodrick E. SHELTON (b/m [redacted]-79). I was informed that SHELTON had exchanged gunfire with members of the Milwaukee Police Department and that SHELTON was struck by gunfire, and died on scene. Captain Paul LOUGH requested that the decedent be removed from the scene and conveyed to the Milwaukee County Medical Examiner's Office as quickly as possible due to the fact that numerous citizens had begun gathering in the area.

Detective KLABUNDE and I conducted measurements of the body from a fixed reference point. That reference point was a concrete light pole located on the northeast corner of the intersection of N 27th St and W Wright St. The decedent was lying on the ground in front of the Clark gas station located at 2514 N 27th St, on the west side of the building. The decedent was lying on his back with his feet to the south and his head to the north, with his hands at his sides. The location of the decedent's body in relation to the aforementioned reference point was as follows:

Head: 66'05" North – 89'01" East

Waist: 69'02" North – 89'01" East

Feet: 72'00" North – 89'01" East

Squad 1820, Police Officer Philip GAGNON, assigned to the Forensics Division, arrived on scene in order to take photographs of the body and the area of the scene, due to the fact that it would be moved prior to the investigating agency's arrival.

I then located members of the Milwaukee Fire Department on Scene. I spoke with Acting Lt. Alex JANZEN who informed me that the following members of MFD were on scene:

Milwaukee Fire Department:

Med #5

Acting Lt. Alex JANZEN

Firefighter Paramedic Alec KONKEL

Engine #13

Lt. Joe FRANZ

Heavy Equipment Operator Temitayo COKER

Firefighter Michael KLAUTZ

Firefighter Lamont ANDERSON

I requested that Med #5 convey the decedent to the Milwaukee County Medical Examiner's Office. At 4:57pm MFD placed the decedent on a gurney and moved him to Med #5. At 5:05pm Med #5 left the scene and conveyed the decedent to the Milwaukee County Medical Examiner's Officer. Detective Nick STACHULA of West Allis Police Department rode in the back of Med #5 with the decedent.

Detective Michael ROMEIS of Wauwatosa Police Department arrived on scene and I informed him of all of the above information.

While on scene P.O. Lacarlin DAVIS who informed me that he was one of the officers on scene that rendered aid to the decedent. He informed me that while he was providing chest compressions to the decedent, a sharpie marker and pens fell out of his uniform shirt pocket and were now laying on the ground, near the decedent. He also informed me that he observed members of the Milwaukee Fire Department removing items from the decedent's pockets in order to locate identification. P.O. DAVIS informed me that MFD removed a magazine and a pack of Swisher cigars from the decedent's front left pants pocket, and some items of mail from the decedent's front right pants pocket. P.O. DAVIS believed these items were also still resting near the decedent. I then informed Detective ROMEIS of this information as well.

While on scene P.O. GAGNON provided me with two compact discs containing the photographs that he took from this incident. I then turned those discs over to Detective ROMEIS.

End of report.

Narrative

This report is written by PO Maxx CZISKE, assigned to District 3, Early Shift.

On Monday, August 16, 3032 at approximately 3:55 PM, while assigned to Squad 3261, PO Joshua HERMANN and I responded to 2514 N 27th St to assist with a Shooting complaint.

Upon arrival, I located the shot subject and provided chest compressions as part of lifesaving measures until MFD arrival.

While MFD was working on the subject, MFD staff emptied the subject's pockets and handed me two pieces of mail addressed to A[redacted] W[redacted] of 24[redacted] N 25th St. I took custody of these pieces of mail to use in an attempt to identify the subject through MPD records. The two pieces of mail were given to Detective Michael ROMEIS of the Wauwatosa Police Department, who was assisting as lead investigatory agency.

I also spoke with the original caller, identified as M[redacted] W[redacted] (M/B, [redacted] 1995), who stated that the subject had stolen his firearm from him shortly before the subject walked to the gas station. I stood by with W[redacted] until he was able to be interviewed.

End of report.

Narrative

This report is being written by P.O. Kaonnie WHITLEY, assigned to District Five, Early Shift, Squad 5273. On Monday August 16, 2021 at approximately 4:03 P.M. my partner P.O. Brian HOLMES and I were dispatched to 2500 N 27th, street which is located in the city and county of Milwaukee for a shooting complaint.

Upon arrival I assisted with scene security and canvasing of the immediate area.

CANVAS:

I attempted to make contact with the occupants of 25[redacted] N 27th Street but I was unable to make contact with any occupants of the residence at the time of my investigation. It should also be noted that TEU officers made forced entry into the residence earlier in the day to conduct a welfare check on the occupants due to its vicinity to the shots that were fired. I did not observe any cameras or ring doorbell cameras on the residence at the time of my investigation.

Contact was made with the occupant of 25[redacted] N 27th St, whom was later identified as S[redacted] F[redacted] (B/F [redacted] 1996). F[redacted] stated that she was in her residence during the time of the incident and gave the following statement.

F[redacted] stated that she was sleep in her bedroom of the residence when she was awoken by multiple shots being fired at approximately 4:00 P.M. F[redacted] stated that she was unware of where the shots were being fired from but could tell that they were in close proximity to her residence. F[redacted] stated that she is the sole occupant of her residence and that there were no other people inside of her home at the time of the incident. Narrative

This report was written by Police Officer LaCarlin DAVIS, assigned to District 3, Early Shift.

On Monday, August 16, 2021, at approximately 3:55pm, while on patrol Sq 3351, Police Officer Craig ZIARNIK and I responded to 25[redacted] N 27th St to assist with a shooting investigation.

Upon arrival, I checked on the PO Joshua HEDER and PO Ryan MILLER (Sq 3239). I then assisted PO Max CZISKE (Sq# 3269) with CPR on the wounded subject, who was bleeding from the left side of his head and abdomen, on initial assessment. There was also blood on the subject's left and right leg. During CPR, I observed the subject to take agonal breaths. PO CZISKE and I took turns conducting chest compressions until Milwaukee Fire Department arrived on scene.

I remained with the subject after MFD confirmed he was deceased at 4:17pm (16:17). I was relieved by on of the Detectives from the Milwaukee Area Investigative Team, who then road in the MFD Med Unit with the subject to the Milwaukee County Medical Examiner Office.

I was then instructed by Sgt A FRANTAL (Sq 3213) to assist PO ZIARNIK and PO Devon WILLIAMS (Sq 3230) with conducting a canvass in the 2400 block of N 27th St.

CANVASS

2460 N 27

I interviewed B[redacted] M[redacted] (b/f [redacted]-95) who stated that she had been home alone all afternoon and she didn't hear any shots or see anything related to this investigation. She stated that there was nobody else home to have witnessed anything. There were no cameras at this location.

24[redacted] N 27th St

The Church was not occupied at the time and there were no cameras observed at the location.

24[redacted] N 27th St

I interviewed H[redacted] B[redacted] (w/f [redacted]-66) who stated that she wasn't home during the incident. B[redacted] reported that her 15 year old daughter was home at the time of the incident and reported hearing shots fired just after getting home from school around 3:40pm. B[redacted] stated she didn't ask her how many shots because she didn't want to stress her out about a shooting after her first day of school.

B[redacted] stated that she heard shots fired earlier in the morning sometime around 3:30am and she reported it to the Police. There were no cameras at the location.

24[redacted] N 27th St

I interviewed a male subject by Vivint Doorbell camera because he didn't come to the door. The subject identified himself as C[redacted] D[redacted] (b/m [redacted]-78). D[redacted] stated that he was not home at the time of the incident.

There was a camera at the front door that pointed down the steps of the porch at the residence toward the south. The camera was not in an angle to see to the north.

There is nothing further to report at this time.

Narrative

This report is written by Police Officer Margaret DEVITO, assigned to District Three, Early Shift.

On Monday, 08/17/2021 at approximately 3:55 PM, Squad 3241 (myself and Officer Chad LOVELACE) responded to a Shooting call at N 27th St and W Wright St.

On arrival Officer LOVELACE and I each assisted with scene security. I then assisted Squad 3264 (Officer Ordlyn SANDERS), whom I observed to be standing by with a witness at the southwest corner of the gas station building.

The witness verbally identified herself as L[redacted]. S[redacted] (B/F, [redacted]/2021). S[redacted] refused to answer questions at several points while I spoke with her, but she made the following statements:

Referring to the subject who had been shot S[redacted] stated, “He wanted them to do that. He was - he’s sick. He’s mentally ill.”

S[redacted] stated that she just knew the subject from the gas station.

S[redacted] stated that she did not see anything, that she “heard bullets” and “hit the floor.”

S[redacted] stated that she lived “around the corner,” at 25[redacted] W Tamarack St #[redacted].

It should be noted that I recognized S[redacted] from a prior Battery Cutting call that Officer LOVELACE and I had responded to at 25[redacted] W Tamarack St on 07/10/2021, Case #211910156 / CAD #211911141. In that incident S[redacted] stated that she had been injured by an unidentified suspect whom she only knew as “Baldy” and who was always in the area.

I stood by with S[redacted] on scene until relieved by CIB and the Milwaukee Area Investigative Team. I was then instructed to take S[redacted] into custody for her Milwaukee Municipal Warrants and convey her to Central Booking for processing. See Case #212280180 regarding.

Title
SHOTSPOTTER

This report is written by Police Officer Roberto HERNANDEZ, assigned to the Fusion Division, Early Shift.

The ShotSpotter system is an acoustic gunshot location system that detects outdoor audible gunfire using an array of GPS enabled audio sensors to geo-locate detected gunfire using triangulation. When a weapon is fired the sound of the muzzle blast travels out in all directions at the speed of sound. That sound arrives at the sensor at slightly different times. The system measures the difference in arrival times and uses the GPS positions of the sensors and the speed of sound to calculate the latitude and longitude. The results are analyzed by acoustic experts at ShotSpotter's Incident Review Center (IRC) and then published to the Milwaukee Police Department. The Milwaukee Police Department then responds to those alerts of gunfire as first responders in case of emergency.

On Thursday, August 19, 2021 I recovered ShotSpotter (SST) audio of six incidents of impulsive sounds resembling gunfire regarding this incident using the ShotSpotter application Insight. In particular, SST ID 81-692424, 81-692425, 81-692426, 81-692427, 81-692428, and 81-692429.

First alert: SST ID 81-692424 occurred on 8/16/2021 at 3:55:26 PM at the parcel address of 2514 North 27th Street (Milwaukee, Wisconsin) with seven rounds fired. ShotSpotter tagged this incident with 'multiple shooter' and 'high capacity' weapon.

Second alert: SST ID 81-692425 occurred on 8/16/2021 at 3:55:34 PM at the parcel address of 2514 North 27th Street (Milwaukee, Wisconsin) with 15 rounds fired. ShotSpotter tagged this incident as with 'high capacity'.

Third alert: SST ID 81-692426 occurred on 8/16/2021 at 3:55:43 PM at the parcel address of 2514 North 27th Street (Milwaukee, Wisconsin) with six rounds fired. ShotSpotter tagged this incident with 'high capacity' and 'multiple shooter'.

Fourth alert: SST ID 81-692427 occurred on 8/16/2021 at 3:55:54 PM at the parcel address of 2514 North 27th Street (Milwaukee, Wisconsin) with three rounds fired.

Fifth alert: SST ID 81-692428 occurred on 8/16/2021 at 3:56:17 PM at the parcel address of 2514 North 27th Street (Milwaukee, Wisconsin) with three rounds fired. ShotSpotter tagged this incident with 'multiple shooter'.

Sixth alert: SST ID 81-692429 occurred on 8/16/2021 at 3:56:21 PM at the parcel address of

2514 North 27th Street (Milwaukee, Wisconsin) with one round fired.

On Tuesday, August 17, 2021 I requested a Detailed Forensic Report (DFR) through ShotSpotter's Forensic Services online request form via their website in regard to this incident. Once I receive the DFR I will write another supplemental report. On Wednesday, August 18, 2021 I learned 50 casings were recovered at the scene, so I emailed ShotSpotter Customer Support informing them of the amount of casings recovered in regard to the DFR I requested.

I downloaded all the SST Investigative Lead Summaries (ILS) related to this incident, which is an automated, machine generated PDF report that embeds the captured audio, reflects the timing, sequence, round count, and location of the incident alert. I transferred the ILS reports and email to ShotSpotter to a CD and placed it on inventory 21031860.

Title PRELIMINARY INTERVIEW OF I[redacted] P[redacted], [redacted]; M6284

This report is submitted by **Detective RoseMarie GALINDO**, assigned to the Criminal Investigations Bureau, Homicide Unit, Day Shift, Squad 9124.

On Monday, August 16, 2021, **Detective Timothy KELLER** (Squad 9122) and I were directed by Sergeant Erwin ESTACIO to respond to an officer involved shooting at the location of 2514 N. 27th St.

Upon arrival Detective KELLER and I were provided with very

preliminary information which indicated that a suspect had fired shots at police officers and a citizen, and that one or more officers also fired shots at the suspect. The suspect was later identified as **Brodrick E. SHELTON, b/m, [redacted]-79**.

We were then directed by Lieutenant Keith KOPCHA to conduct a preliminary interview of a witness, **I[redacted] P[redacted], [redacted](b/m, [redacted]-63)**.

The interview was recorded in it's entirety using a handheld digital recorder, and was later transferred to a CD. The total time of the recording is 13 minutes 42 seconds, but the interviewing portion was 11 minutes and 34 seconds. The following is only a summary of the interview with P[redacted]. For a complete, verbatim account of the interview, please refer to the CD.

Interview of I[redacted] P[redacted], [redacted]

The interview was conducted in an unmarked squad car. P[redacted] was given the option to sit in the front or the rear seat, and he chose to sit in the rear seat.

The interview began be obtaining P[redacted]'s information. P[redacted] provided his address as 24[redacted] N. 2nd St, lower front. P[redacted] provided his cell phone number as [redacted]. P[redacted] indicated that he is disabled and is not employed.

Detective KELLER and I advised P[redacted] that we were just getting the basic story of what happened and what he witnessed, and that other Detectives from M.A.I.T. would be conducting a thorough interview with him.

P[redacted] pointed to the Clark gas station parking lot (2514 N. 27th St) and indicated that that was his car that was currently stopped by a gas pump. P[redacted] stated the vehicle was a blue 2012 Sonic LT.

P[redacted] indicated that when he pulled into the lot, the guy the police shot was already standing in the lot. P[redacted] stated that the man was alone in the lot. P[redacted] the man was just standing there in the lot, and looked "strange". P[redacted] stated the man looked like he was "on something" and looked "spaced out". P[redacted] indicated that he went into the gas station to pay for the gas and to purchase oil for his car.

P[redacted] stated that when he went into the gas station to purchase oil, he alerted the clerk to the man in the lot and told the clerk that something was wrong with that guy, and that he didn't look right. P[redacted] stated the clerk asked if the man was bothering P[redacted], and P[redacted] told him no.

P[redacted] stated he went outside and propped his car hood up to put the oil in. P[redacted] stated that the clerk came outside and said something to the man in the parking lot. P[redacted] related that the man reacted to the clerk by pulling out a black in color handgun and pointing it at the clerk.

P[redacted] stated that he told the clerk to go inside. P[redacted] stated that the clerk went back inside and called the police. P[redacted] stated that he himself did not act nervous and tried to act normal so that the suspect would be calm, and he started to put oil in his car.

P[redacted] stated that three police officers on bicycles quickly

showed up and yelled to the suspect to put his gun down several times.

P[redacted] stated he looked out from behind his car hood at the police and he was not sure if they were aware he was there. P[redacted] stated the police then noticed him, and yelled to him to get out of there. P[redacted] stated he then slammed his hood down. P[redacted] stated he got into his car, but hesitated to leave because he does not have a valid driver's license. P[redacted] stated that the officers told him to go, so he decided to leave. P[redacted] stated as he started up his car, the man (suspect) pointed his gun at him (P[redacted]). P[redacted] stated that the police told the suspect, "Don't! Don't! Don't! Stop!" P[redacted] stated that the suspect then began waving his gun at all the officers, and at him (P[redacted]). P[redacted] stated that he then observed the suspect fire shots at the officers.

P[redacted] said he then ducked down and rolled out of his car and went behind a different gas pump. P[redacted] stated that one of the officers saw him (P[redacted]) and told him to stay down. P[redacted] indicated that he heard an officer yell, "He's hit, he's hit, but he still has the gun in his hand!"

P[redacted] stated that he then observed the suspect then fire more shots at the police officers, and the officers returned fire, striking the suspect. P[redacted] estimated that the officers were there for approximately one minute before the suspect started shooting at them. P[redacted] stated that the suspect was standing near the gas station door when he fired at the officers, and the officers were near the sidewalk of Wright St, on the south side of the lot.

M.A.I.T. team investigators then arrived at the scene and interviewed PRYOR.

Narrative

This report is written by Det. Nicole REAVES assigned to the CIB Early Shift.

On Monday, August 16, 2021 at approx. 4:45 p.m., I, Det. Nicole REAVES, Squad 9241, was sent to the location of N. 27th St. and W. Wright St., to assist with an officer involved shooting investigation that was in progress. Upon my arrival , I was met by my Lt. Keith KOPCHA, who requested that I do an initial interview with an eye witness that was on scene, that claimed to be the owner of the gun that was used in the incident. I then interviewed the witness.

VICTIM/WITNESS INTERVIEW OF W[redacted] M[redacted]

I, Det. Nicole REAVES, Squad 9241, interviewed victim identified as W[redacted] M[redacted] b/m [redacted]95 of N [redacted] Stone Ct. [redacted] Sussex, WI 53089 ph#[redacted] in the front seat of my squad car on the scene. M[redacted] stated that earlier in the day he was driving his girlfriends car so that he could get it washed and detailed while she was at work. M[redacted] stated that after getting it washed he drove over to the area of 25th and Medford area to see if some of his child hood friends were out in the old neighborhood. M[redacted] stated that he ran into one of his friends that goes by the name of "[redacted] in the area, so they stopped and hung out together. M[redacted] stated that at some point, he and "[redacted] decide to play fight and wrestle a little in the middle of the street in front of the address of 24[redacted] N. 25th St. M[redacted] stated that while he and "[redacted] are play fighting, he is armed with his 9mm Glock 19 that is fully loaded and one in the chamber, and it is in his waistband on his right side. M[redacted] stated that he has his CCW permit #[redacted] issued on [redacted]21 and expires on [redacted]26. M[redacted] stated that he did not have his gun in a holster because the holster he has causes him pain to his hip.

M[redacted] stated that he purchased his gun on 3/26/18 in Racine at the "Shooter Shop". M[redacted] provided the serial number for his weapon to be #[redacted] and described it as the standard size, black in color semi-automatic, fully loaded. M[redacted] stated that while he and "[redacted] continued to play fight in the street, the suspect, identified as "Baldie" or "Brodrick", came up behind hi, M[redacted] without M[redacted] knowing it, and removed his firearm from the right side of his, M[redacted] waistband.

M[redacted] stated that when he felt the gun being taken from his possession, he immediately turned around and observed "Baldie" (later identified as Brodrick E. SHELTON JR. b/m [redacted]79), in possession of his, M[redacted] Glock 9mm, in "Baldies" right hand. M[redacted] stated that "Baldie" had the gun pointed up in the air as though to try to keep it away from him, M[redacted] M[redacted] stated that he asked for his gun back from "Baldie" and tried to grab it from "Baldie". M[redacted] stated that "Baldie" stepped back and point the gun at his, M[redacted] head and told him, M[redacted] to "Get Back"!

M[redacted] stated that "Baldie" ran off through a nearby park, Westbound. M[redacted] stated that he jumped into his girlfriends car and drove around the park on the street to get to the other side where he saw "Baldie" running to. M[redacted] described "Baldie" as an older b/m in his late 30's or early 40's, wearing all black. M[redacted] stated that when he got to the corner of N. 26th St and West Wright St. hw observed "Baldie" walking on the side walk with the gun in his hand. M[redacted] stated that he rolled the window down and demanded to "Baldie" to give back the gun. M[redacted] stated that "Baldie" pointed the gun at him again, and that they were now almost mid block on Wright St. in the 2600 block on the North side of the street.

M[redacted] stated that he feared for his life and thought "Baldie" was going to kill him so he pulled off Westbound and got to the corner of N. 27th St. and W. Wright St. and made a U-Turn. M[redacted] stated that he was now on the South side on W. Wright st. facing Eastbound, in the 2600 block. M[redacted] stated that he then called 911 and told the dispatcher what had occ'd. and gave a description and location of "Baldie". M[redacted] stated that while on the phone he observed that "Baldie" had walked up to the gas station lot on the corner of 27th and Wright.

M[redacted] stated that "Baldie" was now standing near the exterior of the doorway of the gas station building and was pointing the gun at patrons coming and going from the station and was also pointing it at an older mad that was pumping gas in his car at the pump. M[redacted] stated that a few minutes went by and three MPD bicycle officers in uniform showed up. M[redacted] stated that he point to where "Baldie" was and told the officer's, "He's right there". MPD assumed the investigation in which an officer involved shooting occ'd and M[redacted] was an eye witness to that incident (Inc#212280149). INITIAL RESPONSE

I arrived on scene at approx. 1705 hours and met with additional team members at the Incident Command Post. I was debriefed on scene by investigating personnel. The deceased was identified as Brodrick E. Shelton Jr. (M/B, DOB [redacted]79). Wauwatosa Police Department Sgt. B. Skornia requested that detectives assist in conducting a neighborhood canvas.

NEIGHBORHOOD CANVAS

Det. J. Zientek, Det. C. Ondricka and I conducted a neighborhood canvas that consisted of the south side of the 2700 block of W. Wright Street and the west side of the 2400 block of N. 27 St. I audio recorded my contact with citizens in the area with my WAPD issued iPhone.

27[redacted] and 27[redacted] W. Wright Street: An older black female was on scene in the front yard and said she lived in the lower unit of the duplex. She was in the house with her daughter at the time and they did not witness anything. She said her daughter would not talk to police and all she heard was gunshots and hit the floor. I asked how many gunshots she heard and she said there were just random gunshots. She confirmed she did not see anything.

CONTACT WITH C[redacted] K[redacted]

A subject on the sidewalk wished to speak with police. He verbally identified himself to investigators as C[redacted] K[redacted] (M/B, DOB [redacted]85). K[redacted] said he is the President of Amani United and a community activist of Milwaukee that overseas 130 blocks. K[redacted] said the subject shot by Milwaukee was a homeless man with mental health issues. He said that the incident reminded him of Dontre Hamilton. He said that they are not going to sweep this incident under the rug. He asked why MPD didn't back off from the scene and he was advised they were securing the perimeter. K[redacted] said there was video everywhere on Facebook.

K[redacted] knows the deceased subject as Baldy. He did not witness what happened, but got a call from his office to come out.

K[redacted] said Baldy had mental health issues and would hang out at the gas station.

An unidentified female was next to K[redacted] and did not witness anything. She did not wish to identify herself to police. She said the lady that police took into custody was also with Baldy. She did show me a shared Facebook video of the incident that was related to an account under the name of D[redacted] R[redacted] The video appeared short and the camera was shaking. The video appeared to show officers moving around the gas station after the incident.

27[redacted] W. Wright St: No answer from the residence.

27[redacted] W. Wright St: No answer from the residence.

24[redacted] N. 27 St: The address belongs to Damascus Missionary Baptist Church. Det. Cerqua spoke with a subject named D[redacted] S[redacted] (M/B, DOB [redacted]/[redacted]/60), who came to the church after the incident to open it up. He did not hear or see anything.

27[redacted] W. Meinecke Avenue: A female named A[redacted] R[redacted] (F/U, DOB [redacted] 91) spoke with police in the rear of the yard. She just got home and did not see or hear anything.

57[redacted] W Meinecke Avenue: Detectives spoke with S[redacted] R[redacted] (F/U, DOB [redacted] 91) who did not witness the incident.

Detectives viewed homes and vehicles during the canvas and did not locate any bullet holes or video surveillance systems.

I cleared the scene at approximately 2130 hours.

On August 16th, 2021 at approximately 1630hrs, I was contacted by the Milwaukee Area Investigative Team (MAIT) regarding an officer involved shooing that occurred at 2514 N. 27th St. (N. 27th St. and W. Wright St.), involving the Milwaukee Police Department. I responded to the scene and arrived at approximately 1648hrs.

INITIAL OBSERVATIONS

Upon arrival to the scene, I observed the crime scene secured with red police tape around the Clark Gas Station at 2514 N. 27th St. Milwaukee, WI. I observed the deceased, Broderick E. SHELDON M/B [redacted]79, adjacent to the front doors of the gas station and medical attention had been discontinued at this time. It was determined that after initial crime scene photos that the Milwaukee Fire Department Med Unit # 5, would transport the body of Broderick SHELDON from the active scene to the Milwaukee County Medical Examiner's Office. At approximately 1657hrs, Med Unit # 5 personnel moved the body of Broderick SHLEDON from the Clark Gas Station parking lot to Med Unit # 5, which was parked on N. 27th St. at W. Wright St.

I rode in the back of Med Unit # 5, with Milwaukee Fire Fighter Alex Janzen. Fire Fighter Alec Konkel drove Med Unit # 5 to the Milwaukee County Medical Examiner Office at 933 W. Highland Ave. Milwaukee, WI.

MILWAUKEE COUNTY MEDICAL EXAIMNER OFFICE

Once at the Milwaukee County Medical Examiner Office, we were met by Milwaukee Police Officers Andres Cabral and Scott Wieting (Squad 3131). The body of Broderick SHELDON was transported into the Milwaukee County Medical Examiner Office, where Medical Examiner Forensic Investigator Ann Marie Eschle later conducted her initial investigation.

Broderick SHELDON was wearing black shorts (with belt), blue/grey/lime colored RBX tennis shoes, gold and green beads/necklaces, no shirt and was partially covered with medical paper/blankets around his arms and his hands were tied into evidence bags.

Broderick SHELDON had dried blood on his left knee/shin area, coagulated blood coming from his left temple/behind ear and medical equipment attached to his right knee, ankles and chest.

Medical Examiner Forensic Investigator Ann Marie Eschle removed the contents from Broderick SHELDON's pockets, which consisted of black plastic fork, two plastic sandwich baggies, blue lighter and two pieces of paper (Cash for Cars flyer) folded together inside his left short pocket. She also located a white necklace with flowers located inside his front

right shirt pocket.

Det. Christine Ondricka took custody of these items and later placed them on West Allis Police Department evidence # 21 -004489 (1-5).

He knows Officer Heder will commonly look up wanted subjects at the beginning of his shift. After approximately 30 - 45 minutes they went to start patrolling on the street but his bike had a flat tire which he had to fix. Officer Miller stated after fixing the flat tire, Officer Heder, Officer Bui and himself left the station for patrol at approximately 3:00 p.m. Officer Miller stated they checked two residences for wanted subjects, but did not locate them.

Dispatched Call Regarding this Incident

While in the area of W. Medford Ave. and W. Ash St., he heard over his lapel police radio microphone, that's worn in the chest area, dispatch broadcast a call regarding something to the effect of a subject with a gun in the area of N. 27th St. and W. Wright Street, which was near where they were. Officer Miller stated Officer Heder said, "Let's go", Officer Heder also radioed into dispatch that they would be responding. Officer Bui radioed into dispatch asking for a description of the subject whom he (Officer Miller) believed dispatch described as a black male, 42 years of age, wearing all black clothing and his nickname was, "Baldie".

Officer Miller stated while enroute to the area of the call, Officer Heder was in front, he was next, and Officer Bui was behind him. They rode westbound on W. Medford Ave., cut through a park at N. 26th St. and then traveled westbound on W. Wright St. toward N. 27th Street. Officer Miller stated upon arrival to the area, a white vehicle, facing eastbound, was stopped on the south side of W. Wright St., midway down of the 2600 block of W. Wright St. and south of the gas station. The gas station is located on the northeast corner of W. Wright St and N. 27th Street. Officer Miller stated he heard the male subject in the driver seat of the vehicle say, "He's right over there" and pointed north towards the gas station, which he (Officer Miller) believed was in reference to the subject with a gun.

Officer Miller stated while on W. Wright St. before he entered the gas station property, Officer Heder, who was to the west of him said, "He's got a gun", and was drawing his service weapon. Officer Miller stated he then observed the subject to the north of him, as a black male holding a black semi-automatic firearm and was standing between the gas station building and the gas pumps, which was clear due to the daylight. Officer Miller stated he did not recognize the subject and does not believe he has had prior contact with the subject before. Officer Miller stated due to the subject having a gun, he got off his bike, drew his duty weapon, and took nearby cover behind the west most tree on the south side of the gas station property. Out of his peripheral vision he observed that Officer Bui was to his right by the gas station building and Officer Heder was to his left and was actively moving towards a citizen who was by a vehicle that was by the gas pumps to the west and slightly south of the subject with the firearm. Officer Miller stated he was yelling multiple times to the subject, "Drop the gun", and he also heard Officer Bui and Officer Heder giving multiple verbal commands to the subject to, "Drop the gun", which he failed to do. Officer Miller stated the subject looked at him and identified his location.

Officer Miller stated the subject looked at the citizen and Officer Heder who was behind the citizen and then extended his arm out, with his hand on the grip of the gun, and pointed it at them. Officer Miller stated he did not believe the subject was saying anything, but he was smiling. The subject then brought the gun back inwards toward his body and was making small arm and hand movements, with his arm bent and still holding the gun by the grip with the barrel pointed outwards. Officer Miller stated the subject then looked at Officer Bui and with his arm bent and holding the gun by the grip, pointed it at Officer Bui. Officer Miller stated during this time he heard Officer Heder over police radio say that they have the subject at gunpoint and then Officer Bui radioed in that the subject pointed the gun at him. Officer Miller stated he believed the gas station was probably open and that there were also likely people inside.

Officer Miller stated the subject continued to look to the south in the direction of Officer Bui and himself and was still failing to listen to multiple verbal commands to, "Drop the gun" by officers. The subject did not say anything or make any motions to make him (Officer Miller) believe that he was was going to drop the gun. Officer Miller stated the subjects actions with the gun made him concerned for the lives of the citizen and officers on scene and made him believe the subject was going to try to kill one of them. Officer Miller stated he could not wait for the subject to shoot someone for him (Officer Miller) to have to take action to protect the life of the citizen, other officers, and / or himself. Officer Miller stated behind the subject was the brick of the gas station building, but no one else in the immediate area. Officer Miller stated he believed the subject posed an imminent threat to officers and citizens, and that he (Officer Miller) did not have any other alternative in order to stop the subject from shooting someone. Officer Miller was concerned regarding the lack of adequate cover for he and his fellow officers. At this time he (Officer Miller) fired his firearm at the subject to stop the imminent threat posed. While firing his firearm he observed the subject firing his gun at him (Officer Miller), during which time he continued to discharge his firearm to stop the subject. Officer Miller stated he knew the subject was firing as he observed a muzzle flash coming from the barrel of the gun that he was holding. Officer Miller stated while being fired upon, he tried to take cover behind the tree the best he could. Officer Miller state he believed his slide locked back on his duty weapon at which time he inserted a magazine from his duty belt, leaving the magazine from his firearm on scene. Officer Miller stated, he observed the subject in a crouched position firing his gun to the south during which time he continued to discharge his firearm to try to stop the subject from killing him or someone else. Officer Miller stated he stopped firing his firearm when he observed the subject, who was leaning against the building had stopped firing. At this time Officer Heder yelled the subject was down but still had the gun. Officer Miller stated he fired all of his shots from behind the west most tree on the south property.

Rendering of Medical Aid

Officer Miller stated he observed that the subject appeared to have been shot and he knew they needed to render aid. Officer Miller stated at this time he could not see if the subject was still holding the gun in his hand as Officer Bui and him, stacked on each other, cautiously approached the subject. Officer Miller stated he believed he was behind Officer Bui when they began to approach the subject to provide medical aid. Officer Miller stated he observed the gun on the ground near the subject, and kicked it away. Officer Miller stated he put gloves on, pulled the subject off the wall, laid him flat on the ground, observed that he was bleeding from the head and was unconscious. Officer Miller stated he checked for and felt a faint pulse on the subjects neck as well as heard the subject gurgling at which time he began CPR, which he is trained to administer, and was giving chest compressions. Officer Miller stated Officer Heder asked if he was ok, which he said he was. He believed Officer Heder was the one that radioed in, "Shots fired, subject down, get medical ASAP". Officer Miller stated a Special Investigation Division Sergeant asked if he needed relief from CPR, which he stated he did not. Officer Miller stated Officer Maxx Cziske took over CPR from him.

Removal from Scene

Officer Miller stated Sergeant Lee escorted him to his vehicle in the area of the southwest corner of the gas station, which is where he tossed the latex gloves he was wearing. Officer Miller stated he also left on scene his bike and his magazine by the tree. Officer Miller stated he did not remove anything from the scene. Officer Miller stated he sat in Sergeant Lee's vehicle, provided a public safety statement, did not discuss the incident with anyone, and was taken to the MPD PAB where he was photographed by WUPD detectives.

The interview ended at approximately 10:30 a.m.
